Nineteen Receive Summer Diplomas At HJC In August

Nineteen students received their diplomas at Hinds Junior College Friday afternoon, August 9, in the annual summer commencement exercises held this year in the new air-conditioned administration building.

Preceding the address to the graduates by the Reverend George Kirker, pastor of the Raymond Presbyterian Church, a program of music was presented under the direction of Mr. James Reeves head of the voice department and Miss Maudine Thrash, instructor of piano. Mrs. F. E. Bearden, violinist, Raymond; Betty King, vocal soloist, Jackson; Margarita Morris, Yazoo City; and Betty Denton, Raymond, pianists, presented the musical program which included processional and recessional marches for the graduates.

Following the address to graduates, President G. M. McLendon presented the diplomas to the following graduates:

Freshmen Arrive For Orientation; New Enrollment Runs High At HJC

Early Monday, new freshmen filled the college auditorium as they began a series of orientation tests.

College sophomores began pre-registration early in August and reported to the campus today in

time for first meeting of classes.

Night academic classes are getting underway. The vocational-technical school is in operation after a full summer schedule.

Ten new teachers have been added to the faculty roster. Two former teachers who will arrive within the week from far places are Miss Peggy Pennel, organ instructor, who has been studying all summer in Fountainebleau, France, and Miss Christian Berry who will return from an eight-week European tour.

Extensive renovations on the campus have been completed during the summer; several buildings have been painted, and three have received extensive additions to meet the demands of the increasing enrollment.

According to Miss Mildred Herin, registrar, the 1956-57 enrollment is expected to exceed that of the past year which with the inclusion of summer school enrollment reached an all time high of more than 1600.

will appoint the following committees: worship, publicity, and music.

Pastors of the Raymond churches, Rev. Clay Lee, Methodist; Rev. Bob Simmons, Baptist; and Rev. George Kirker, Presbyterian; will take active part in the services.

Rev. Clay Lee is faculty chairman of the Religious Emphasis Week Committee and Miss Maudine Thrash is secretary.

REW Plans Made Patterson Leader AM, PM Services

Spiritual Emphasis Week at Hinds will begin October 1 and extend through October 4. Two worship services will be held daily in the College Auditorium at 10:20 a. m. and at 6:15 p. m.

Morning Watch, conference, and round table discussions will be an integral part of spiritual emphasis week.

The speaker this year will be the Reverend Sam Patterson, President of French Camp Academy. The first address will be given on Monday evening, October 1, and then twice daily Tuesday, Wednesday, and Thursday, service will be held October 2-4. In order that this week may receive the proper attention, the administration requests that as few extra-curricular activities as possible be scheduled.

A complete list of the services will be forthcoming in a future issue of the **Hindsonian**.

Welcome To Hinds Junior College

Hinds Junior College rolls out its welcome mat to what is expected to be the largest total enrollment in the history of the institution. To the new and returning students, this will be home for the next nine months and maybe longer.

A very cordial welcome to those of you who are on our campus for the first time. You are sincerely invited to become one of us. We think Hinds is the greatest junior college in America, and we hope that you will think so too.

Hearty greetings to all of you who have already had the wonderful opportunity of attending Hinds Junior College. It is our sincere hope that this year will bring even richer experiences to you in all of your classes and activities.

College life is a new and valuable experience for a great number of Hinds students and it has to be treated in a sincere way in order to achieve the needed maximum results.

Welcome to Hinds Junior College and may your stay here be an ever-lasting, happy, and valuable experience.

Instructors Plan New School Year In Local Workshop

Thursday preceding the opening of the 1956-57 session Monday, the Hinds faculty engaged in a three-day workshop of orientation of new teachers, study of pre-registration schedules, and preparation for the initiation of the new school year.

The opening address at the workshop was given by Dr. Ray Marshall, 1948 Hinds graduate, later B. A. graduate from Millsaps College, winner of Master's at L. S. U. and Ph.D from the University of Southern California. He is present-

He is married to the former Patricia Williams of Jackson, also a Hinds graduate.

First Appearance Of New Publication Marks Progress In Business Classes

By Irl Dean Rhodes

TABS, a newspaper that made its first debut in society, this summer, is edited and published by the Department of Business Education at Hinds Junior College.

Mrs. Maybelle Furness, one of the business education instructors, is the organizer and sponsor of the publication. She has her master's degree from the University of Mississippi and is a member of the Delta Pi Epsilon, honorary business education fraternity for graduate students.

In keeping with the policy of Hinds Junior College of having the best facilities before its students at all times, the initial issue of **TABS** came into being. The paper was named from the words — typewriting, accounting, and business students. **TABS** will be issued four times a year.

The news bulletin will serve a three-fold purpose. First, it will be sent to high school seniors and students that are interested in coming to Hinds Junior College. Second, the paper will be sent to former business education students of Hinds and, third, it will give

the public an inside view of the courses that are being offered in business education at Hinds.

TO CARRY ACTIVITIES

It is to contain news of students enrolled in the business education classes; the extra curricular activities that the business students participate in each year such as "Commerce Day", social outings, field trips, and many other interesting activities. It will outline the courses offered in general business and intensive secretarial science training here on the campus.

TABS will also carry the honors and degrees awarded to the highly trained instructors on the business education staff of the college, sketches of a few of the outstanding people that have graduated from Hinds, and some of the latest techniques in the field of business education.

TABS will work closely with the Future Business Leaders of America, a college business organization. Close observers believe that the first issue of the paper was well accepted by its readers. Nine pages in length, it has a circulation of over 1000.

Summer . . .

Earlier, after a graduation rehearsal, the graduates and their faculty sponsors were entertained by the Administration at an informal ice cream party in the Conference Room.

Hail, Alma Mater,
Hail to thee, Maroon and White!
We now salute thee,
Guide us in the right.

We will love thee ever,
For our hearts to thee belong;
Always in our memory
Will be heard this song.

NOTICE

President G. M. McLendon said Tuesday that if a reasonable number of students stayed on the campus this week-end and desired to attend the Hinds-Pearl River football game in Jackson at Hinds Memorial Stadium Saturday night a bus, or the number of buses needed, would carry the students to the game.

They are, left to right: Carolyn Wright, Raymond; Jo Ann Nutt, Vicksburg; Marie Allen, Mendenhall; Lou Ann Carter, Raymond; Ann Laseter, Morton; Sissy Graham, Bolton; and Faye Brooks, Vicksburg.

Seven New Buildings In Hinds Junior College Major Expansion Program; Enlarging Of Present Gymnasium In Plans According To Hinds President

New Science Bldg. First On Calendar

DORMITORIES; LIBRARY; OTHERS IN NEAR FUTURE

By HAROLD TURNAGE
Clarion-Ledger Staff Writer

Plans for a major two-stage building program at Hinds Junior College, Raymond, are now on the drawing board, according to President G. M. McLendon. The program will give Hinds seven new major buildings and expand the present gymnasium, the architect's plans reveal.

The expansion plans are a reflection of the college's steadily climbing enrollment. With an enrollment of 850 students ten years ago, Hinds had an enrollment of 1686 last year. Next year's figure will be higher.

Scheduled for the first, or top priority, program are a new science building, a girl's physical education building, a men's dormitory, a women's dormitory, and the expansion of the gymnasium.

In addition, campus streets will be widened and parking areas set

off and paved to handle the rising enrollment of commuters, McLendon said.

The second phase of the building program includes a new library building, a fine-arts building, and a massive vocational - technical trades training center.

Plans for location of the new buildings were drawn up by an architectural survey team. The survey based its recommendations on location of present buildings, enrollment trends, and future development possibilities of the college, President McLendon said.

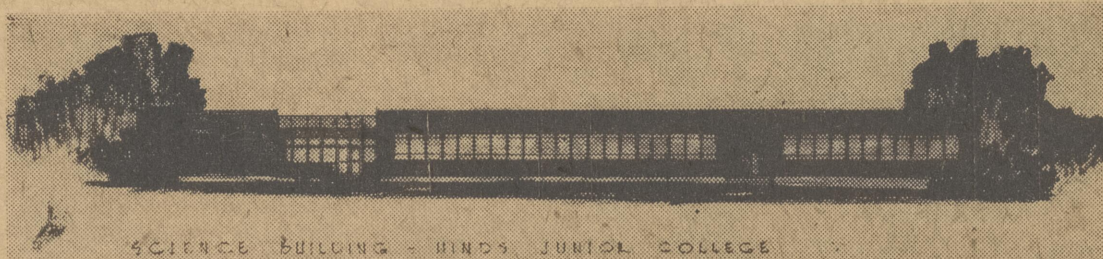

Work is expected to begin soon on the new science building, which has highest priority in the expansion program.

A one-story brick-finished building, it will house laboratories and lecture rooms, for zoology, botany, physics, organic and inorganic chemistry classes. A greenhouse will provide experimental material for the botany and agricultural laboratories.

The dormitories, to be constructed as needed, will provide 25 rooms for 50 students and two faculty suites each. Each building will have a guest room, a television and recreation section, a laundry room and 20 x 20 foot lobby. The 13 x 13 foot bedrooms will have countertop lavatories, two desks with hanging shelves above them, drawers, closets, and twin bunks.

The proposed girls' physical education building will have a 90 x 90 foot gymnasium, a 30 x 66 foot dance studio, a 30 x 20 foot dance classroom, locker and shower rooms, and storage rooms. One outstanding feature will be a 60 x 6 foot wall mirror for use in the dancing classes and posture work.

Hinds has recently expanded its area to include Rankin and Warren counties. Last year the college instituted commuter service between Vicksburg and Raymond, in addition to its commuter service to Jackson. The commuter enrollment from Vicksburg now matches the dormitory enrollment from that area, McLendon said.

AN ARCHITECT'S PICTURE of the new Hinds Junior College science building is shown above. This new science one story building, modern in every respect, is slated for the initial ground-breaking of the major expansion program.

GREETINGS AND WELCOME to readers of this weekly column. This issue of the *Hindsonian* marks the beginning of the 1956-57 school year at Hinds Junior College. It is the hope of this writer to help present the best all-around junior college newspaper this state has ever known.

* * *

We will express our opinion on current sports events, comment on the passing field of sports with emphasis on that of colleges, and feature individuals or groups who we think merit special notice. The aim of this column is to give the sports page variety, balance, and color. Some of you have read this column before, and already know that it is not of professional style; others will soon find that out. This column is written by a character by the name of Irl Dean Rhodes. If you know of any way to improve the column and make it more readable, we would appreciate your ideas on this journalistic venture.

You have been good to us. We are told that what is on the printed page of this paper is being read. Your confidence, kindness, patience, and criticism will always be appreciated. For the past school year, the subscribers to the publication have read our thoughts that were beat out on white paper by our royal typewriter, one of the greatest inventions of all time. The copy was then edited, marked, made-up, sent to the printer, proofed, and then to the reader peepers for their approval or disapproval. We look forward to great things through the combined efforts of all concerned.

Hinds Junior College will put its Eagles to the first major gridiron test of the 1956 season Saturday night when the high-flying Pearl River Wildcats come sailing into Mississippi's capital city for action. The Eagles will be under the leadership of Head Coach Joe Renfroe and Assistant Coach Frank Young. This will be the first time since the 1954 Junior Rose Bowl victory that the Renfroe-Young team has been together. The one year that the Renfroe-Young team worked with the Eagles was in 1954 when the Eagles won all nine games in regular season play and were crowned national junior college champions by virtue of the Junior Rose Bowl victory.

Two years ago when Renfroe and Young made their initial debut together in the first game of the season with Pearl River, the Eagles crushed the Wildcats 32-0. Last year Hinds edged the Pearl River team 14-13 in a thrilling contest. This year, 1956, in neutral Hinds Memorial Stadium at Jackson the story and score will be written Saturday night.

Make plans now to get the Eagles off to a good start with your presence at the opening contest of the season.

Hinds High Eagles Open Daily Drills For Initial Game

Louis (Skin) Boteler, head football coach at Hinds High School, says that all positions are open but thinks the first team spots will be fairly well filled.

Last Tuesday Coach Boteler issued equipment and started practice with the absence of 10 starters from last year's squad including his star fullback, Homer Boyd.

Besides the 10 regulars missing, the replacements for the Baby Eagles, will be small due to the county school program that has changed some of the enrollment to other locations.

Under the Hinds High policy of awarding athletic jackets, there is no certain way to tell the number of returning lettermen the Boteler-coached Baby Eagles have each year. The Baby Eagles have 20 boys returning from last year's team, and only three of them have ever seen much action.

"Just to put it plain, we will be weak all over this year. We are going to take each game as it comes," offers Coach Boteler. "However, considering our many losses, we are still looking forward to having as good a season as we had last year."

Having a one-star powerhouse last year, the Hinds High team compiled a record of three wins, three setbacks, and two ties. On offense the Baby Eagles are planning to direct their attack from a T-formation.

The quarterback position should be well-manned by W. L. Anderson, the lone starter from last year. Guard Buster Brewer and Tackle Johnny Oberhausen alternated at their positions.

Eagles Meet Pearl River Wildcats For Opening Encounter In Jackson

Hinds Memorial Stadium will be the site of the Hinds Junior College Eagles' first game of the season Saturday night when the Eagles kickoff the 1956 campaign against the powerful Pearl River Wildcats of Poplarville at 8 p. m.

Twenty-one of the 32 squad members of the Hinds Eagles will be district players Saturday night in the first gridiron outing of the season and what should be a top-notch junior college contest.

This means that fans from all parts of Central Mississippi will have a chance to see mostly home grown talent perform on the gridiron Saturday evening. The 21 district hopefuls at the Eagle camp represent nine towns in the five-county district.

All four Eagle tackles are district players. Red Fuller, represents Vicksburg, Vurley Smith is from Yazoo City, and Don Sharp and Wimpy Martin contribute a lion's share for Forest Hill. Martin has been shifted from left tackle to right tackle and has been rapidly improving for the past week. Although he is a freshman, Martin will likely win a starting berth in the initial encounter if the 235-pound tackle continues to show the fighting spirit.

SCHRIENER ONLY STARTER

The only returning first stringer from last year's 5-3 record is Bart

son are: Lamar Gates, tackle or fullback; Bobby Sheffield, tackle; Donnie Sheffield, tackle; Willie Worrell, center; Miles Goode, end; Bill Ferguson, end or halfback; and Dalton Thames, halfback.

Understudies for the backfield performers are Doyle Whitehead, halfback; Carol King, quarterback; Jimmy Chapman, fullback; Jimmy McNair, halfback; and Eugene Osborn, halfback.

Four other linemen who are sure to see some action this season are Dale Myers, Jimmy Walsh, David Barton, and David Ware.

Schriener, center from Vicksburg. His understudy, Glenn Russell, is keeping Schriener on his toes for an opening position.

Jackson's Jimmy Stubbs and Max Stephens are working out at the guard and end positions in that order. Charles Sessums, another Jackson performer, is also battling for a guard berth.

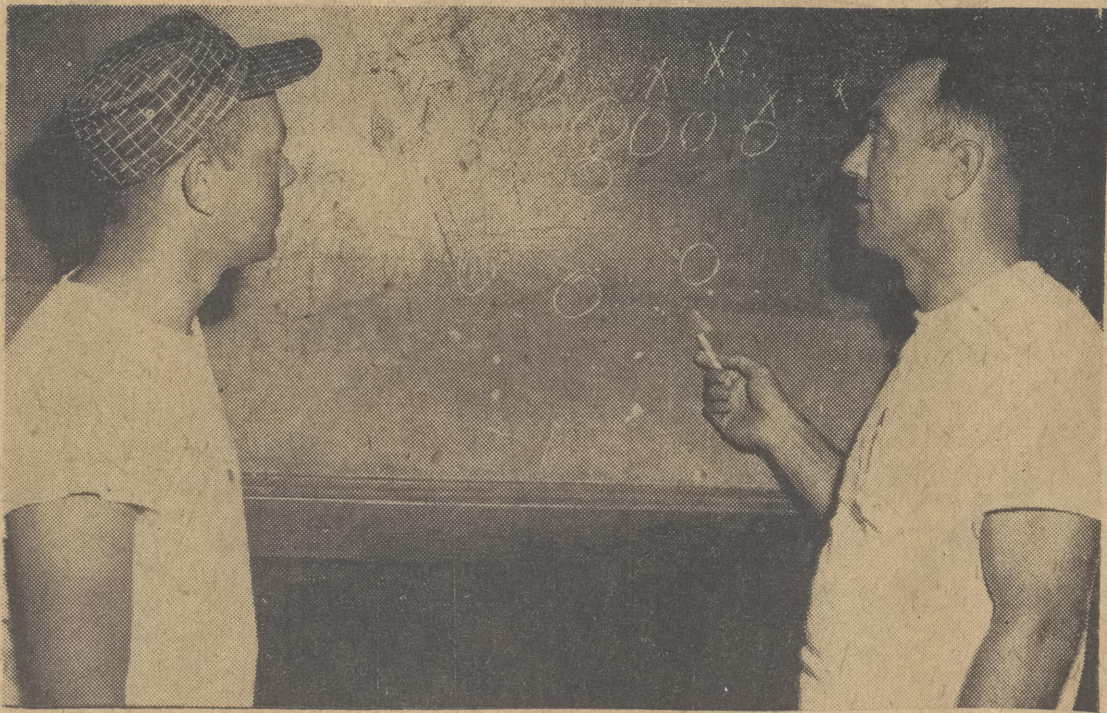

From Vicksburg, other than Fuller and Schriener are Wilbur King, Richard Hunt, and John Hebler slated for action at the halfback slots. Pete Gray, from the Hill City, is expected to open at fullback Saturday night.

Halfback Joe Campbell is Brandon's lone contribution to the team. Ends Homer Boyd and Ralph Butts of Raymond are expected to help the Eagles greatly this season.

Other Eagles players from the Jackson area include Fullback John McDonald, Forest Hill; and Halfbacks Pruitt Blaylock, Edwards; and Raiford Hancock, Bentonia.

The remaining squadmen are Benny Hawkins, guard; Bobby Young, halfback; Buddy Stringer, guard; Melvin Champagne, quarterback; Andy Robichaux, end; Lewis Barber, halfback; Don Brady, guard; Ira Betts, end; Earl McFetters, guard; Don Clark, halfback; and Roy Smith, back.

Coaches Joe Renfroe and Frank Young declined to list their starting line-up for Saturday night's game, although Guards Hawkins and McFetters will possibly be two starters.

NOW THIS IS THE WAY IT'S DONE BOYS is the expression on Coach Joe Renfroe and Coach Frank Young's faces as they point out on the blackboard to players the proper plays Hinds will use against Pearl River Saturday night. Coaches Renfroe and Young will enter the game with Pearl River carrying a perfect record of wins as a coaching team. Renfroe was head coach and Young was assistant coach in 1954 when Hinds went undefeated and untied.

New Dean Of Men Will Arrive Friday To Assume Duties

Mr. C. C. Magers, Superintendent of the Purvis Consolidated School, has recently been elected to the position of dean of men at Hinds Junior College, according to President G. M. McLendon.

Mr. Magers will arrive on the Hinds campus Friday to take full charge of his dean of men duties. He will succeed Mr. John S. Virden, who has accepted a position with the college as an administrative guidance assistant. Mr. Virden served as dean of men for two years.

During the summer and for the first two weeks of the fall session, Mr. W. C. "Bill" Oakes, assistant dean of men and recreational director, has been acting dean of men.

A Mississippi Southern graduate with a B. S. and M. A. degree, Magers leaves Purvis after six years of service as superintendent. Earlier, he was superintendent of schools at Morton for 11 years. He first entered the teaching profession at Oak Grove and taught there for 11 years.

Mr. Magers will move his family to the campus with him as he assumes his duties. In regard to his work at Hinds, he is quoted as saying, "I definitely consider my new post as a promotion. It will be wonderful to work with the young men of one of the largest junior colleges in Mississippi."

Baptist Students Go To Ridgecrest For Conference

Accompanied by Mr. Harold Gully, B.S.U. Director of Hinds county, and Miss Maudine Thrash, sponsor of the local group, a number of B.S.U. representatives left the campus at 2 a. m., June 5, in a Hinds Junior College bus for Ridgecrest, North Carolina.

Among the early morning travelers were Billie Jean Phillips, Billie Kelly, Betty Cardwell, Joy Ann Worley, Amos Jack Gray, and Jerry Bridgers. The Hinds delegation was joined by groups from Belhaven and Pearl River Junior colleges for the trip up.

Some of the speakers at the 10-day Ridgecrest Conference were Dr. Chester Swor, Dr. Eric Rust, and Mrs. Winston Pearce.

Limit Your Telephoning, The Circuits Are Loaded; Hinds Deans Ask Students

"Please limit your conversation", was the plea of dormitory deans this week as Hinds students jammed telephone circuits between boys' and girls' dormitories.

"Remember that with so many using the telephone, it may be difficult for everyone to find time if you over-use it," Mr. W. C. Oakes pointed out.

Campus Religious Emphasis Week To Begin In October Morning And Evening Services Planned By Committee

As a part of its emphasis on the religious life of its students, Hinds Junior College announces the plans and program for the annual Religious Emphasis Week. This year's program has been purposely planned for the early part of the school year so that it may have greater practical value in the spiritual life of each student.

Beginning Monday evening, October 1, the series of worship services will be held in the auditorium. The Reverend Sam Patterson, president of French Camp Academy, will be the speaker for the seven services which have been planned. Since assuming the presidency of French Camp Academy, a Presbyterian institution, Mr. Patterson has revolutionized the outreach of its program.

Prior to his service at French Camp he was the minister of the Leland Presbyterian Church. He served as a chaplain in the Marine Corps after having finished his theological training at Union Theological Seminary, Richmond, Virginia.

Other parts of the program include two services daily on Tuesday, Wednesday, and Thursday, October 2-4, opportunities for personal counseling, discussion groups in the dormitories, and special features in the worship services.

The hours for services have been set at 6 o'clock in the evenings, and 10:20 in the mornings.

Following the evening services (Continued on Page 3)

NEW FACULTY MEMBERS

NINE OF THE NEW faculty members who began duties last week at H. J. C. are pictured above. Reading from left to right are: Wallace Wall, Drawing; E. L. Booth, Vocational Math; B. A. Hill, Radio and Electricity; Fred Brooks, Speech and Dramatics; Mrs. Marvin Riggs, Assistant Librarian; Mrs. John Mitchell, Math; Miss Mary Alice Bennett, English; John Mitchell, Chemistry; and Aubrey Lucas, Reading.

Tingle Prepares For Mission Work

Melvyn Lewis Tingle, of Vicksburg, sophomore and president of the B. S. U. spent the past summer from June 5 to August 18 in San Francisco, California, doing mission work under the Tentmakers program of the Home Mission Board of the Southern Baptist Convention.

Tingle, a 1955 graduate of Culkin Academy High School, has been licensed to the ministry by the Calvary Baptist Church of Vicksburg. He is preparing now to be a foreign missionary teacher in Brazil.

While in San Francisco he was self-supporting, working as pastor's aid, Vacation Bible school teacher, and religious census taker.

He traveled by bus 2000 miles out, and 3000 miles on the return trip enjoying scenery and stops at famous points.

High School Students Elect Officers Sheffield, Grogan Are Named Leaders

The following classes have organized and elected officers for the current year: 11th grade—Billy Grogan, president; Nancy Chap-

man, vice-president; Dorothy Brock, secretary; Mary Bess Beard, treasurer; Sara Margaret Smith, program chairman; Mrs. John Mitchell and Mr. Jack Treloar, sponsors.

College Delegate At Summer Meet

For the 12th grade the following have been elected—Bobby Sheffield, president; Norma Jean Carter, vice-president; Bettye Taylor, secretary; Jimmy McNair, treasurer; Joe Milano, reporter; Jo Ann Shuff, assistant reporter; Mildred Strong, program chairman; Mrs. Jeanie Muse and Coach Louis Boteler, sponsors.

Traveling by chartered Hinds Junior College bus, Jane Pickett joined students representing almost every college in Mississippi, headed for the Student Regional Leadership Training Conference at Lake Junaluska, North Carolina, June 5-13.

The conference was international. Student representatives came from Korea, Japan, the Belgian Congo, Palestine, Iraq, India, the Philippine Islands, and China.

For the training of Methodist youth, the conference featured as its speaker Dr. Julian N. Hartt, a

professor at Yale Divinity School. His lectures concerned **Power, a Problem for all Serious Christians.** Jane, president of Wesley Foundation at Hinds Junior College, represented the local student group as one among several hundred delegates from the southeastern colleges of America.

Foreign Relations Important Issue

"At no time in America's history have our relations with other countries been as vital to the national welfare as they are today. Our security, our prosperity, and way of life are affected by events thousands of miles away and by the decisions we make regarding them. Even more thought-provoking is the realization that our children's future will be shaped in large measure by the policies we now follow," comments Secretary of State, John Foster Dulles.

We, as students, should let the above statement sink deeply into the roots of our thinking and acting. Every person in America needs to be well read on foreign affairs and international relations.

As citizens of one of the most influential and powerful countries of the world, we should know our foreign policy in the Far East, our trade relations with other countries, our immigration policy, and many other important facts about foreign relations. We wonder how many students at Hinds Junior College know the United States senator who is the chairman of the Foreign Relations Committee. If we are going to be well-rounded persons, sensitive to the current happenings in all different parts of the world, we must have a knowledge of world affairs.

America's foreign policy has a vital and important bearing on people in every corner of the world. The United States foreign policy must be sound for continued world peace; whether it be concerning foreign aid, the United Nations, diplomacy, disarmament, cultural understanding, trade, economics, exchange, or immigration of persons.

Reading daily newspapers and magazines of current happenings in other countries, happenings between the United States and other countries, and the causes and effects of these happenings is a good way to broaden one's knowledge on the subject of world events. Some of the ways in which Hinds Junior College can help students along these lines are through the offerings of certain courses, and the organization of certain clubs.

In order to be able to see the future, to some extent, an individual must have a history of other countries. It has been said that the past plus the present equal the future.

Hinds offers a course, Western Civilization, as a basic need. Modern languages, American history, business law, sophomore English, political science, art, economics, and geography are all available to give one a broader scope of the entire world and the way it works.

Hinds' International Relations Club, better known as the IRC, is an excellent medium by which students may learn more about foreign affairs and increase their understanding of our world. This club is sponsored by Miss Lula Mae Fowler and Coach Jobie R. Harris, two authorities in this field.

Travel in other countries is a good way to help create better world understanding; that is if one is financially able. However some students in our acquaintance have managed this on a very small income.

Based on significantly different ideologies concerning the role which men should play in society, there are two great powers — totalitarianism and democracy—fighting for acceptance in the world today.

Our lives are being affected and involved in this struggle. We should recognize the issues and know the possibilities of this struggle in our world.

After all, we are, supposedly, in college preparing to take our places as useful citizens in our community, and in our world. But a vast majority of students actually have little realistic knowledge of the world for which we are preparing.

SOPHOMORE OF THE WEEK

Melanie Matthews

By JANE PICKETT

Our sophomore of the week is a young lady who is a familiar figure in the youth circles of our state, as well as a popular student at Hinds Junior College.

Melanie Matthews, a green-eyed, brown-haired, nineteen-year-old beauty weighing 120 pounds and standing five feet, eight inches tall, has recently received the honor of representing Mississippi 4-H Club members at the eleventh annual National Conference on Citizenship in Washington, D. C., September 16-19. Melanie has been a member of the 4-H Club for eight years and is now serving as president of the Hinds County 4-H Club Council and president of the Hinds County 4-H Honor Club. She served as 4-H junior camp counselor for two years and as a maid at the Hinds County Livestock Show in Edwards for one year.

Other activities at Hinds in which Melanie is active are the Lendon Players, Wesley Foundation, the WAA, and the Hi-Stepers. In this famed group she has made trips to California, St. Louis, Missouri; New Orleans, Louisiana; and Colorado Springs, Colorado, as

well as to points within the state.

As a senior at Raymond High School Melanie was chosen as outstanding senior of the year. Last year at Hinds Junior College this versatile young lady served as vice-president of the college M.-Y. F., president of her Sunday School Class, a member of the Hinds Modern Language Club, and won first place in the interpretative reading division at the state Junior College Speech Festival.

A piano student, Melanie likes music very much. Her choices range from rock n'roll and semi-classical, to some forms of classical music.

She likes to dance, play tennis, listen to records, watch the Cleveland Indians play ball, and eat a good seafood dinner.

Any plans for Melanie's future include furthering her education as a speech major, and then getting married, and raising a family.

We salute Melanie as an outstanding person, and we wish her success and happiness throughout her life.

One of our high school English teachers very astoundingly revealed to her gullible class that she cooked her cakes in a pressure cooker. When queried by one of the braver members of the class as to how she did this, she replied, "Oh, it's easy as pie."

Always one to uphold the uniqueness of the HJC band, Pabst Blue Ribbon, (the boy who made Milwaukee rich) suggested to Mr. Rowan that we play the fanfare last. "Don't be stupid," said Mr. Rowan, "anyone knows that a fanfare is supposed to be first! Now, let's take it from the beginning the way I have your music arranged." Pabst whispered to the person sitting next to him, "What's first, music is messed-up?" The boy replied, "something spelled F-I-N-A-L-E."

Born in Hazlehurst, Coach Young was a standout on the Hazlehurst High football squad before finishing high school. A Navy veteran of World War II, he served in the armed forces from 1943 until 1945.

The former junior college coach starred at Copiah-Lincoln Junior College as a guard and center on the single wing formation before entering Delta State Teachers College in the fall of 1947. Young was an ace performer at the center position on the Stateman team in 1947 and '48.

Following his graduation, he was line coach at Gulfport High School for three years and prior to coaching at Hinds, Young was line coach at Sunflower Junior College for two seasons.

He has been employed by May and Jackson as sporting goods salesman for the past year. Coach Young did graduate work at Mississippi College on his Master's degree this past summer.

He is married to the former Miss Roberta Selman of Hazlehurst. They have one son, three-year-old, Chester.

New Students Give First Impressions Find Hinds To Be A Friendly Place

By RAMONA SARTIN

With high school days gone forever, set schedules and pre-selected subjects things of the past, for the first time in our lives we began to have serious thoughts of the future. Should we go to college and where?

What is it like to live in a dormitory and go to college? Are the officials and teachers hard-hearted and cold? Are the upper-classmen snobbish and selfish?

Only two weeks before registration day, most of us set foot upon the campus for the first time. We were amazed at the vastness and beauty of the buildings and grounds. The plant looked good enough to be that of a university, yet it was only a junior college. Then, in rapid succession, came the answers to the other questions in our minds.

We discovered that the registrar was kind and had a welcoming voice. She took time to show us through some of the buildings and introduced us to teachers and officials. They, likewise, were kind and very informative about the

buildings, courses offered, college activities, and the home life on the campus.

Suddenly we began to wonder if it were a dream as everything seemed too good to be true. Finally, on moving to our rooms, meeting both old and new students, and becoming a part of the institution, we came to the conclusion that Hinds Junior College is nothing more than one big happy family with both teachers and students co-operating to make a better citizenship for the future.

What were your first impressions?

Nita Jo Morris—"A very friendly atmosphere."

Joyce Bethume—"Nice dormitories."

Jimmie Sheppard—"Everything is just great."

Docie Joyner—"The house deans give a feeling of good will and friendliness."

Robinette Riddle—"Nice, clean, and friendly campus."

Carolyn Evans—"Quite a place."

Charles Murphy—"Clean dormitories."

Sylvia Smith—"Very friendly."

Myrna Loy Stewart—"The people are very eager to help you and the campus is well organized."

Patsy Ratcliff—"Friendly, and lots of boys!"

Virginia Vaughan—"Food!"

Louise Earnhart—"A well organized campus."

Jean Searcy—"Very friendly students."

Sonny Wiman—"Quite a place."

Carolyn Evans—"Helpful students and teachers."

Joy Worley—"Likable, friendly, and nice."

After reading these impressions don't you too agree that Hinds Junior College is a swell place?

Let's all strive this year to be better students, better friends, and better citizens. If we all try just a little we can make friends that will last for many, many years to come. Care to give it a try?

It Is More Fun, If You Know The Rules And Hours

By MRS. MARVIN RIGGS

"It is more fun if you know the rules." You've heard that saying, haven't you? It can be aptly applied to using the library. For your benefit a digest of library information is given herewith.

Hours: The library is open from 7:45 A. M. until 9:00 P. M., (except 5:00-6:30) Monday through Thursday. On Friday the library closes at 4:30 P. M. Library hours on Saturday are from 8:30 until 11:30.

Loan periods: Most books circulate for a period of two weeks and may be renewed for a similar period if no one is waiting for them. A few reference books may be checked out at 4:30 for overnight use. Most reference books, however, do not circulate and must be used in the library. Magazines are checked out for overnight use. Generally speaking, reserve books must be used in the library. Some books are on restricted reserve and must be used

in the library at all times.

Other reserve books are checked out at 4:30 for use overnight. These must be returned before 8:30 the following school day. Still another category for reserves is for those books where the circulation period is limited to one week. All reserve books must be called for at the circulation desk in the library.

Fines: A fine of .01c for each school day is charged for overdue books. The maximum fine is .15c. For one-week books the fine rate is five cents a day. The maximum is .25c. For reserve books the fine is .10c an hour, with the maximum being .25c. Keep up with the date your book is due. It will save you money.

The library subscribes to over 100 periodicals and has between 9,000 and 10,000 books from which you may choose. Form the library habit early in the school year. You'll find that it pays big dividends.

Coaches Jolly Joe Renfroe and Friendly Frank Young, after their first defeat as a team last Saturday night to open the 1956 campaign, welcome three additional gridders this week.

Shelly Vaughan returned to the campus Monday after missing two weeks practice due to a lung ailment. Vaughan had given the sport up for good, although he feels he is ready for action again.

He is a former star fullback for the Pearl Pirates in 1951 before he signed a four-year contract with the Ole Miss Rebels. Instead of entering college, Vaughan entered the service and played at end and tackle while with Uncle Sam.

CHRIS ANDREWS, the former All-American high school back from Greenwood, made his initial debut on the Eagle campus this past week-end. Andrews made All Big Eight for three years straight at Greenwood. He played quarterback on the split-T formation for three years and completed his high school career playing tailback. Besides being in the service since that time, Andrews signed a \$5000 baseball contract with the Detroit Tigers and has been playing ball in Florida.

JIM WESTBURGH is a newcomer from the sunshine state of Florida. Westburgh is a tackle and shows good possibilities.

LADIES: This is a personal to the fair sex readers of this column. According to Ellen Hansen, University of Illinois clothing expert, the ideal figure should stand about five feet, five inches and have an oval face. The arms should be slender, taper from wrist to elbow and to be very little larger above the elbow.

Your shoulders and hips are the same width in silhouette. Bust and hip girth are equal, with hips no more than two inches larger than the bust. Your waist is eight to ten inches smaller than your bust.

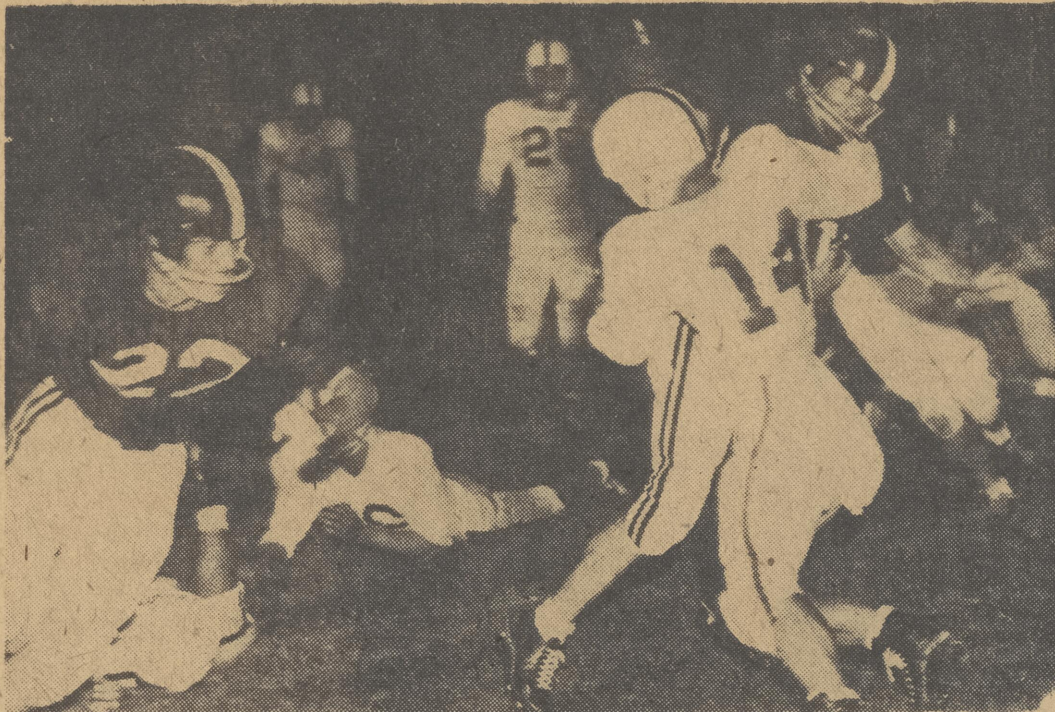

Your weight is based on 105 pounds for the first five feet of height and five pounds per inch after that. This measure is based on a medium bone structure. So, if you're five feet, five inches tall, you should weigh about 130 pounds.

Thanks to football players: Quarterback Hal Battle, Halfback James Gurley, Quarterback Chris Andrews, Tackle Burley Smith, Halfback Raiford Hancock, End Ira Betts, Guard Earl McFeaters, Fullback John MacDonald, Guard Charles Sessums, and Halfback Joe Campbell for a prompt and fine job of their football sheets.

LOST: Chris Andrews of room 16 Eastside dormitory lost his wallet Saturday afternoon or night either on the campus or at Hinds Memorial Stadium. The wallet contained \$30.00 in bills, a \$13.00 check, drivers license, and plenty other identification. A \$10.00 reward will be given to anyone who finds the billfold.

HOLD IT just a minute son, says Hinds Junior College Halfback Joe Campbell (14) as he tackles Quarterback Jimmy Gatwood of Pearl River Saturday night in Hinds Memorial Stadium. At right is Toney Smith (52), Pearl River fullback. In the background is Don Brady (28) and Wimpy Martin (44), guard and tackle respectively, of the Eagles. Pearl River won the game 13-0 over the Hinds Eagles.

Pearl River Wildcats Claw Eagles By Two Touchdowns In First Game

Ironing out mistakes and shifting players to find the right combination is the main job of Coaches Joe Renfroe and Frank Young of the Hinds Junior College Eagles this week after losing their first game of the 1956 campaign last Saturday night by a 13-0 count.

Although the Eagles have an open spot in their schedule this week, work continues at a furious pace. Plus going through rugged drills and workouts, members of the Eagle squad have been viewing films of Saturday night's defeat by Pearl River.

PREPARING FOR BULLDOGS

Last week's loss is a thing of the past at the present time, Hinds mentors are working at a speedy clip for the Perkinson Bulldogs Saturday night week. The Bulldogs have been rated by the experts as the number one team in the junior college circuit, however the Harold White coached Bulldogs lost their first game of the season last week by a 19-6 score.

Fullback Toney Smith of the Wildcats scored their opening touchdown late in the second period

on a two yard plunge. End Buster Smith converted to put the Pearl River county team out front 7-0 at the intermission.

GRAY GETS 79 YARDS

Hinds gave one scoring threat in the opening half and all efforts failed to secure the first down. The effort was sparked by Fullback Pete Gray, who carried the ball 22 times for a net yardage of 79 yards.

With less than a minute left in the game, Halfback Claude Renfroe of the Wildcats churned through Eagle line for a yard to score.

The final statistics were:

	Hinds	Pearl River
First Downs	9	12
Yards Rushing	191	207
Yards lost rushing	9	12
Net yards rushing	183	195
Passes attempted	7	4
Passes completed	0	1
Passes intercepted	1	2
Yards passing	0	10
Net yards offense	183	205
Fumbles lost	1	2

Hinds Women's Athletic Association Marks New Organization On Campus

Hinds Junior College's Women's Athletic Association held its first meeting last Friday morning in the Music Auditorium.

Originated this year by Mrs. Ann Gookin, Hinds physical instructor for girls, the purpose of the association is to set up a policy for organized intra-college girls' athletics at Hinds Junior College. The association will operate on the point system, and in order to earn points students must take part in different athletic activities on the campus.

The activities a person may participate in are basketball, softball,

archery, tennis, swimming, and a number of other activities.

Officers for the association are Bobbie Nell Nowland, president; Wanda Lou Wortman, vice-president; Jane Pickett, secretary; Marilyn Simmons, treasurer; and Alice Walton and Ruth Martin, sophomore representatives. Mrs. Gookin is an ex-officio member of the council.

A tennis tournament and an archery contest are the initial activities for the association. All college girls that are interested in the tennis tournament and archery contest should see Wanda Lou Wortman or Alice Walton.

Baby Eagles Clash With Puckett High In Opening Battle

The Hinds High Eagles played the Central "B" team this afternoon in a scrimmage game in Jackson and the results of the game were not available when the *Hindsonian* went to press.

Coach Louis Boteler of the Baby Eagles described his team as looking good. "We are hoping for a much better season than we had last year despite the nine regulars missing," declaimed Boteler. "Our team is short of replacements and the boys we have are well balanced."

With team spirit high, the Baby Eagles are showing improvement after two weeks practice. All positions on the team are still open, Boteler added, nevertheless he feels that the first team will be pretty well filled.

A change since last week in the Baby Eagle schedule is that the Mississippi School for the Deaf game has been changed and the first game for the Eagles is on September 21 against Puckett at Puckett.

A starting line up was not available late yesterday for the opening game with Puckett, yet Bobby and Donnie Sheffield, Johnny Oberhausen, Lamar Gates, W. L. Anderson, Bill Ferguson, Eugene Osborn, Robert Moody, Dalton Thames, Miles Goode, and Joe Milano stand a good possibility of starting against the Puckett Wolves.

Other candidates that will see action are Jimmie Chapman, William Forgy, Carol King, James Jackson, Bill Grogan, Doyle Ray Whitehead, Dale Myers, Jimmie McNair.

Assistant coaches for the Baby Eagles this year are J. J. Mason and Glynn Russell. Mason is a Hinds Junior College football scout and Russell is a center on the Hinds Eagle Football team. Mason is the backfield mentor while Russell is working with the line.

Vocational Technical Coordinator States Enrollment Industrial Arts Club Opens For Hinds High Students

Walter H. Gibbes, Vocational Technical Coordinator at Hinds Junior College, states that the total enrollment of the day classes in the department is 258.

This enrollment is higher than previous records in the various departments. Among them there are 183 returnees to the regular vocational classes, 38 technical students who are working toward a junior college diploma, and 32 new students not enrolled last semester.

At the present there are 12 requests for applications in various departments. Mr. Gibbes reported that there are technical students enrolled in every group of the day department except barbering.

Among the additions to the instructional staff of the vocational-technical school are Mr. B. A. Hill, radio and electricity, and Mr. E. L. Booth, vocational math, added in an effort to increase offerings to the student body in the technical areas.

Planning conferences are being held by the technical staff on a program of activities whereby workshops will be available to the adult members of the community. The offerings tentatively set up are home craft and the repairing of household items.

Mr. Gibbes asks that attention be called to all college students that woodworking is now available to those who desire it. Classes will

be held on Tuesdays and Thursdays first and second periods.

The technical staff is organizing an Industrial Arts Club which will be opened to all high school students. Those who are interested are urged to come by the Vocational Coordinator's office and leave a schedule of the time most convenient for meetings.

The purpose of the club is to better acquaint the students of the school with the large industries of our area. This will be accomplished by visits to the various industries, and by lectures, and various other means.

All students desiring to go to Perkinston Saturday night on the college bus must sign up with Miss Hilda Brantley, president's secretary, by noon Friday in the administration building.

The bus or number of buses needed to carry the students will leave the campus at 2 p.m. Saturday afternoon. A fee of \$.75 will be charged to the students to pay for gas and oil on the trip.

Sophomore Class To Elect Officers Thursday Morning

Polls will be open from 8:30 a.m. to 1:40 p.m. tomorrow for the election of sophomore class officers.

Candidates for president are Amos Jack Gray and Foy Scroggins. Aspirants for the vice-president post are Austin Baggett, Jane Pickett, and Malcolm Miller.

Bobbie Nell Noland and Mickey Farmer are the choices for secretary. Four contenders Jo Ann Nutt, Pat Gastrell, Wanda Lou Wortman, and Earnest Turcotte are in the race for treasurer. Mrs. T. T. Beemon, Miss Maudine Thrash, and Miss Lurline Stewart have been selected as candidates for one of the two class sponsors.

Mr. T. T. Beemon, sponsor appointed by the administration, said that all sophomores are eligible to vote.

Committee Hears Progress Reports

At weekly breakfast meetings the Committee of Fifty continues plans for Religious Emphasis Week, scheduled on the campus for October 1-4.

The following committee chairmen elected at a recent meeting made progress reports at the breakfast meeting this morning: Lewis Tingle, promotion; Irl Dean Rhodes, publicity; Selma Earnest, discussions; Fred Marett, music; Bobby Sheffield, worship; Dot Beckham, hospitality.

The overall committee named at the first morning meeting is composed of Foy Scroggins, chairman; Joan Nutt, vice-chairman; and Jane Pickett, secretary.

Faculty consultants chosen by various committees are Miss Thrash and Mr. Reeves, music; Mr. Lucas, promotion; Miss Gertrude Davis, discussions; Rev. Bob Simmons, worship; and Rev. Clay Lee, entertainment.

Former Grid Star Manager of Plant

"Service is our business," so says Grady L. Sheffield, manager of the Hinds Junior College frozen locker plant.

Manager Sheffield has recently celebrated his 16th year as head of the plant. He is a former Hinds Junior College newspaper editor, class president, football captain, Phi Theta Kappa. He is the father of Bobby and Donnie Sheffield, members of the 11th and 12th grades.

Mr. Sheffield has been recently elected president of the Mississippi Frozen Food Locker Association. He was president of the association five years ago and has been serving on the board of directors since that time.

Mr. Sheffield is attending the National Frozen Food Lockers Association convention in Chicago this week as Mississippi's official delegate.

The white brick building located on the left side of the road as one enters the Raymond city limits from Jackson is the Hinds Junior College cold storage plant.

Erected in the latter part of July in 1939, the plant was turned over to the college and has been owned and managed by the college since that time. The building was built for the purpose of storing vegetables, fruits and meats, and of serving the people of Hinds county and the Hinds trade area.

Hinds Offers Year Around Program

Critics, newspaper editors, and many other professional leaders have criticised school superintendents and college presidents at large for having only a five-day, nine-month school each year. The question they are asking is "Why leave a costly school idle three months every year?"

Most of them say if we have a 12-month school term on a staggered basis, it would allow 25 per cent more classroom space and at the same time it would give the teachers year around employment. They contend that we would certainly be making use of our costly school buildings, and this practice would encourage more teachers to cater to the teaching profession with an increase in salary.

However, this question does not apply to Hinds Junior College. Realizing the importance of educating as many of our citizens as possible, Hinds has been operating on a 12-month basis for 38 years. In order to meet the continued demands of general education, industry, business, and other professions, the college has been offering academic night courses since September of 1954, and vocational-technical night classes since that time. Besides the academic courses offered, specialized vocational-technical trades courses are offered on the year-round, day-time-evening basis.

Hinds Junior College has already answered the call to a public cry and has found it to be practical and satisfactory. In years to come, more and more schools and secondary institutions will come to accept this streamlined educational school year.

Thanks For A Clean College Campus

Many thanks are due to those students who are making a conscious effort to help keep our campus clean. A well-kept and attractive campus often reflects our attitude as well as our personality to the many guests that frequent these premises.

So, let's not fall down on the good job we've been doing so far. Keep on putting trash paper and cigarette butts where they belong.

Melanie Matthews Returns To Hinds

Miss Melanie Matthews, a young lady of many talents, will be back on the campus the latter part of this week after a four day stay in Washington, D. C., as guest of the National 4-H Foundation.

She has been representing Mississippi 4-H Club members at the 11th annual National Conference on Citizenship.

Vesper Services For All Students

"This service is one of many at Hinds planned for spiritual development," Lewis Tingle, president of BSU told the Vesper audience at the opening meeting of the mid-week services on the campus last Wednesday night. Listing the schedules of the denominational groups that meet after supper on Mondays, Tingle explained the Wednesday evening meetings are non-denominational, planned for all students and faculty members. These mid-week worship services are held in the college auditorium at 6:15. They feature organ and piano meditation, scripture reading, prayer, song, and visiting speakers.

Other students who participated in the initial Vesper program, were Marilyn Simmons, Fred Marrett, James Furlow, and Foy Scroggins.

The following is a partial list of sponsors selected to plan the mid-week Vesper services: Sept. 19, BSU; Sept. 26, Canterbury Club; Oct. 3, REW; Oct. 10, Disciples of Christ (Christian Church); Oct. 17, The Newman Club; Oct. 24, Wesley Foundation; Oct. 31, Westminster Fellowship; Nov. 7, YWCA.

route to the different neighborhood churches. Amos Jack is considered one of the most capable bus drivers that Hinds Junior College has found.

Amos Jack is kept busy with activities on the campus, and on trips as driver of a college bus. Whenever he has free time, however, Amos Jack likes to fish, and hunt quail. He also enjoys listening to popular music.

Graduating from Raymond High School two years ago, Amos Jack was well-known and well-liked for his many accomplishments. He was president of his tenth grade and senior classes, president of RBC Training Union, and he was elected Mr. Hinds High School in his senior year.

He is very active in church activities on our Hinds Junior college campus and in the Raymond Baptist church.

After graduating from Hinds Junior College, he plans to attend Mississippi College at Clinton and then seminary—possibly the New Orleans Theological Seminary.

Amos Jack speaks fondly of Hinds. After being at Hinds for four years and visiting on every Mississippi junior college campus, Amos Jack declares, "Hinds can't be beat!"

We at Hinds Junior College think fondly of Amos Jack, and wish him continuing happiness and success.

Dr. Bob Simmons

DR. BOB SIMMONS

Dr. Bob Simmons, who is teaching Old Testament literature in the evening school, is a new member of the faculty this year.

Dr. Simmons has been pastor of the Raymond Baptist Church for the past two years. Before coming to Raymond, he was pastor at Bluff Springs in Pike county, Mt. Zion in Simpson county, and Severn Baptist Mission in New Orleans.

The evening class that Dr. Simmons teaches is composed of 17 adults all of whom are veterans. Simmons holds his classes on Tuesday evenings.

He came to Raymond directly from the New Orleans Baptist Seminary, where he earned his Th.M. and Th.D. degrees. He is married and has two small children.

SHEFFIELD NEW MANAGER

Completing his junior college study here, Mr. Sheffield was offered a scholarship at Mississippi Southern College to play football but declined the offer. In February of 1940 he started as an employee at the college plant. It was on July 1, 1940, that he took over as manager of the plant.

We had the privilege of touring the plant recently. As we entered the front room, diminutive Mrs. Frank J. Stephens, bookkeeper and secretary for the past three years, greeted us with a charming smile.

Manager Sheffield gave us a "see for yourself" view of the plant. This bass-voiced manager journeyed to the slaughter house where the killing of 4,000 chickens for the school was being handled by proper and sanitary methods. The chill room was the next stop.

Our third stop was in the processing room where the meat is cut up, wrapped, and packed. The meat is then placed in the 36-degree aging room to age.

We passed through the storage room where some of the perishable foods of the school are kept at 40 degrees. Then into the freezer room, the 0-degree temperature made our teeth rattle. Located in the freezer room are the baskets for frozen meats, made by vocational students of the college.

LOCKERS FOR RENT

Finally, we reached the room with 570 freezers in it. The freezers are rented yearly; each will hold about 200 pounds of food.

Then, our tour over, the tall, genial economist relaxed in his chair, rubbed his hand over his partially bald head, and told how the plant processed over 750,000 pounds of meat last year. The Hinds plant processes all the pork, beef, chicken, and lamb the college uses each year. Turkeys, goats, ducks, geese, and rabbits are dressed at the plant, although on a much smaller scale.

"We dress about 95 per cent of the beef, and at least 80 per cent of the pork we process each year,"

Eagle Staff Holds Opening Meeting

Mr. T. T. Beemon, head of the Biology department and year-book sponsor, held the first meeting of the annual staff yesterday.

Regular annual staff meetings will be held on Tuesdays.

The **EAGLE** will be sold by student subscription, and the previous price has been \$4.00.

Anyone interested in the year-book can confer with Mr. Beemon in the science building.

remarked Sheffield. "The college alone uses 12,000 chickens, 50,000 pounds of beef, and 10,000 pounds of pork each year," he added.

Talmadge McNair, assistant manager of the plant, passed by and greeted us while he was busy seeing that all the 14 full-time employees, seven white and seven colored, had plenty to do.

Sheffield described the progress as being great in the last 16 years. The year of 1943 saw the initial number of lockers added, 300. In 1944 more frozen food lockers were installed, and in 1946 the slaughter house was built. The last lockers were added in 1950 to make a total of 570.

A Com-er-phone, a communication system within the plant, has been recently installed.

"The plant is a service to cattlemen and farmers in 15 central Mississippi counties," continued Mr. Sheffield. "We do business south to Wesson; east to Brandon; north to Belzoni; and west to Vicksburg and Port Gibson. Why, we even have one customer in Vidalia, La."

LARGEST IN STATE

"We are the largest in the state in volume," he said. Mr. Sheffield listed three reasons for the huge amount of volume each year.

"First, our patrons cater to us because we have complete service; we give the customer a fin-

Hinds Band Group Chooses Leaders; Director Rowan Names Personnel

Mickey Grove, a Jackson sophomore, has been elected president of the Hinds Junior College Band.

Other officers elected were Foy Scroggins, vice-president; Wanda Lou Wortman, secretary-treasurer; and J. D. Eichelberger, reporter.

The band will make their second appearance of the season Saturday night along with the Hinds Hi-Stepers when they travel to Perkinston to perform at the half of the Hinds-Perkinston football game.

The band roster includes: trombone: John Sullivan, Nancy Turnage, James Shepherd; French horn: Randy Rickels; baritone: Jimmie Sue Hawkins, Jim Hudson, Lawrence Baylot; bass: Wallace Ballard,

Morris Willis, Jake Freshour, Billy Tingle; trumpet: Sam Richardson, Tommy Grove, Jimmy Dale Eichelberger, Jack Evans, Jerry Pabst, Dick Leggett, Charles Weisinger.

Drums: Foy Scroggins, Mickey Grove, Bobby Breeden, Jon Turnage, Jimmy Joplin; bells: Anita Jones, Jean Searcy, Betty Taylor, Katie Lee Houston, Martha Smith; saxes: Floyd Hodo, Mary Gates, James Conerly, Norman Presson, Fred Maret; clarinets: Petie Weems, Marvin Baker, Travis Station, Margaret Adcock; flute: Lewis Tingle.

Starting his second year as Hinds band director is Albert B. Rowan.

Hinds High Elects Six Cheerleaders

Six cheerleaders with one alternate have been named by the high school division to lead the pep squad at the Baby Eagles games this season.

Cheerleaders selected are Winnie Lou Smith, Margarita Morris, Juanita Lewis, L'teen Gray, Dorothy Brock, and Mary Glenn Beasley.

Named alternate is Janet Davis.

Future Farmers Select Officers; Barton, President

David Barton of Raymond was elected president of the Hinds Future Farmers of America chapter for the 1956-57 year this week.

The six other officers elected by the group are: Jimmy McNair, vice-president; Chris Lewis, secretary; Eugene Osborn, treasurer; Bob Sheffield, reporter; Lamar Gates, sentinel; and Jimmy Chapman, watch dog.

Four committees were selected to begin work for the year. The committees and members are: program of work — Bobby Sheffield, Kendall Harris, and Miles Ray Goode; program — Jimmy McNair, Robert Moody, and Chris Lewis; recreation — Carol King, Dale Myers, and Jimmy Chapman; and finance — Eugene Osborn, Charles Banes, and Willie Worrell.

ished product. Second, it is the quality of service we give, such as proper cutting and wrapping, and third, the reasonable price we charge our customers is favorable to prices anywhere else," he concluded.

The Hinds Junior College frozen food locker plant is serving a two-fold purpose—a service to the college and one of the farmers and cattlemen's best friends in this area.

The Hinds Junior College Frozen Food Locker plant is one of the many reasons for which we can point with pride to the institution to which we belong.

Thursday Meetings Open Circle Club For This Season

Mr. W. C. (Bill) Oakes, sponsor of the Circle K Club, has announced that there will be a supper meeting of the Circle K club Thursday evening in the private dining room of the cafeteria.

The Hinds Junior College chapter of Circle K is sponsored by the North Jackson Kiwanis Club, and is a member of the National Association.

Its purpose is to promote and maintain student leadership in civic, social and religious activities on the campus and in the community.

The minimum scholastic standing for membership is a B average. Membership status is determined by the board of directors.

This is the initial organizational meeting of the year. Prospective members are urged to bring their supper trays to the private dining room and join in fellowship. Future scheduled meeting time will be determined at this meeting.

Wesley Foundation Starts Program For New Session

To a group of approximately 40 students and faculty members, in the music auditorium Monday night at 6:15, the Wesley Foundation opened its program for the new session.

Against a softly lighted worship center, picturing Jesus at prayer, Mrs. James Reeves of the music staff opened the program with a solo. She was accompanied at the piano by Mr. Reeves, head of the voice department.

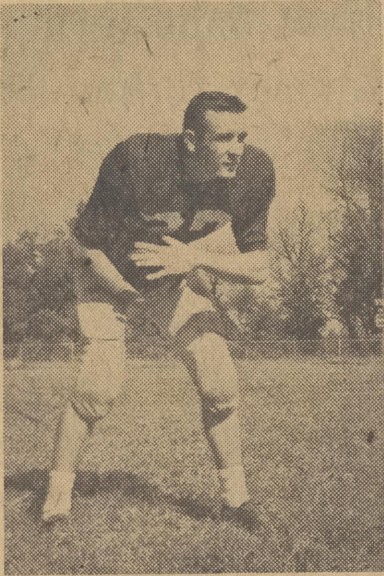

Explaining the purposes and ideals of the organization, the following students participated in the program: George Marie Frasier, Carolyn Ferguson, Sharon Banks, and Fred Maret.

Mr. Aubrey Lucas, reading instructor, gave a personal testimony as to what Wesley Foundation had meant to him.

Rev. Clay Lee, director of the campus group told of plans for members to attend the annual fall retreat scheduled in October at Castalian Springs.

HEAD COACH and Athletic Director, Joe Renfroe, of the Hinds Eagles addressed the Vicksburg Touchdown Club last night in Vicksburg on the subject, "Football Prospects."

HOPING TO SLAUGHTER the Perkinston Bulldogs Saturday night are two members of the football team that have shifted positions this week. Pete Gray, on the left, has been shifted from fullback to halfback and Benny Hawkins, at right, will likely open at fullback. He is a convert from guard.

Local Intramurals For Girls' Group Start On Campus

The initial activity of the Hinds Women's Athletic Association in which points can be gained is the annual tennis tournament that is slated to get underway this week.

Pairings for the tournament are: Bobbie Nell Noland vs. Mary Ann Ratliff; Alice Walton vs. Billy Kelly; Betty Jo Williams vs. Rose Shaw; Martha Fugate vs. Sherill Weathersby; Jean Gill vs. Mary Ann Liles; Louise Earnhart vs. Betty Cardwell; Bobbie Twiner vs. Janelle Clark; Mary Jane Loper vs. Alma Lee Grantham; Melanie Mathews vs. Elaine Mayfield.

Jo Ann Ray vs. Barbara Cline; Jane Pickett vs. Patricia Jones; Jeanette Mahaffey vs. Barbara Yarbrough; Wanda Lou Wortman vs. Nan Ertle; Betty Crockett vs. Margaret Adcock; Ruth Martin vs. Fay Richardson; Regina Godley vs. Mary Jane Hall.

Hinds Junior College Eagles Play Perkinston Bulldogs In Second Encounter Of Campaign Saturday Evening

Coaches To Present New Combination With Additional Players At Practice

Hinds Junior College's 1956 gridiron team will invade Perkinston Saturday afternoon to battle the Perkinston Bulldogs Saturday night at 8 p. m.

Hinds, Puckett To Tangle This Week At Wolves Stadium

The Hinds High Baby Eagles will open their 1956 campaign tomorrow night against the Puckett Wolves at Puckett in a non-conference contest.

Head Coach Louis Boteler and Assistant J. J. Mason of the Baby Eagles have been working mostly on basic fundamentals.

On the first two occasions when Hinds played Puckett the Baby Eagles were defeated 28-6 and 13-6. For the last two years the score has been reversed in favor of the Eagles 6-2 and 13-6.

"We'll give them a good ball game," was Boteler's only comment concerning the game.

Quarterback W. L. Anderson will handle the signal-calling post. His understudy is Doyle Ray Whitehead. Bill Ferguson and Lamar Gates are battling for the opening berth at fullback.

The halfbacks consist of Carol King, Buck Ware, Dalton Thames, Bill Grogan, and Eugene Osborn. Miles Goode, Joe Milano, and Eugene Kynerd will alternate at the starting end positions.

From tackle to tackle the Baby Eagles line will average 190-pounds. Candidates for the tackle chores are Bobby and Donnie Sheffield, Jimmy Chapman, and Dale Myers. Guards Johnny Oberhausen, Buster Brewer, Jimmy McNair, and Jimmy Jackson are in a four-way battle for first string positions.

Coaches Joe Renfroe and Frank Young will leave the Hinds campus early Saturday morning with the Eagle squad via chartered bus to Perkinston.

Since Hinds has a 0-1 record and Perkinston carries a 1-1 showing this season, the loser of Saturday night's game will definitely be out of the race for the junior college title and will not likely stand a chance of being selected to play in a bowl game this year.

According to the Mississippi Junior College football records, a team that has lost two games doesn't stand a chance of winning the state crown or at least that's been the case in past years. Therefore, it will be do or don't either for the Hinds Eagles or the Perkinston Bulldogs.

Shifts continue to spotlight the Eagle drill sessions. Benny Hawkins has been shifted from guard to fullback with the intention of giving the backfield more speed and Fullback Pete Gray has been moved to the right halfback slot. Newcomer Chris Andrews has been moved from quarterback to left halfback while Melvin Champagne and Hal Battle are alternating at the signal calling post.

Shelly Vaughan is giving Homer Boyd and Ira Betts trouble at the end positions, although Boyd and Betts are expected to open against Perkinston. Don Sharp, Red Fuller, Burley Smith, and Wimpy Martin continue their four-way war for the opening tackle berths with the latter two slated as possible starters.

Since Hawkins has moved to the backfield, one of the guard positions is left open. Jimmy Stubbs, who was injured in the opening contest, and Buddy Stringer are scrapping for the initial calling along with Guard Earl McFeaters on the opposite side of the line.

Coach Joe, Former Mentor Denton Pose For Photo During Busy Hours

By IRL DEAN RHODES

Coaching is easy, enjoyable, restful, and relaxing.

At least that's the impression you get from the photo of Coach Joe Renfroe, head football coach, and former Coach A. L. "Zeus" Denton, director of the guidance department. Only a few things are required to supervise athletes according to the picture.

We have listed 12 qualities the photo reflects that a coach should possess.

1. You must have a certain amount of formal education.
2. You need to have a conception of the game you are coaching.
3. You should wear at all times classy sport clothes or tailored suits with bright socks and freshly shined shoes.
4. Your disposition should be the easy-going type.
5. You should turn your work over to your assistant or assistants.
6. You should smoke the largest

cigar you can find or at least have two or three in your possession.

7. Be sure to have a fancy looking watch on your arm and a ring of some kind on your finger that will add to your interest.

8. Be able to take a loss without letting it bother you one way or the other.

9. Always sit gracefully relaxed pulling your knees up to your chin.

10. Know the art of posing for a picture; either use a casual grin, or close your eyes as if sleeping.

11. Be sure to have a few wrinkles on your forehead to start with so people will say coaching is hard work.

12. Be able to breeze the bull at a loud and continuous flow.

These are the dozen rules we can deduce from the picture above that a top-flight coach does possess. Coaches Renfroe and Denton each have over a decade of successful coaching experience.

In the college division, freshman registration stands at 326; and sophomores, at 192. In the night school 78 have registered; in vocational, 190; special students number 3.

In the high school division composed of the 11th and 12th grades only, the greater increase in enrollment over last year figures is noted, there being 190 this year as compared with 160 of last year.

Lendon Players Name Officers

The Lendon Players, named several years ago, is the only one of many clubs on the campus bearing the name of a person. This group is named in honor of the college president, Mr. George M. McLendon.

The purpose of the club is to promote one of the fine arts, that of the theater.

The Players met recently with their sponsor, Mr. Fred Brooks, dramatics coach and speech teacher, and elected their officers for the year as follows: Dick Bowers, president; Melanie Matthews, vice-president; Virginia Ronken, secretary-treasurer; and Jeannine McGuire, reporter.

Some of the activities planned in addition to regular routines of the club are social meetings, attendance at plays in Jackson, and

Religious Services Start Monday

Members of the "Committee of Fifty" have been working for weeks on plans for the Religious Emphasis services scheduled on the campus October 1-4.

The Administration has cooperated with all plans, and urges that regularly scheduled extra-curricular activities that might conflict with the hours of service be temporarily re-scheduled.

The Music Department is planning a splendid program of special and group songs, and piano, and organ accompaniments. The devotionals will be conducted by students.

Printed programs will be available for all. Posters are out. **The Hindsonian** has kept news of the plans for services before its readers for several weeks.

The speaker to lead the services and conduct the after-service discussions, Rev. Sam Patterson of Franch Camp, is one of the most sought-after in Mississippi.

At breakfast meetings for the past few weeks the sub-committees on promotion, publicity, music, after-service discussions, and worship have made reports to the general committee, and perfected plans.

Everyone is urged to avail himself of the many opportunities to be offered for the deepening of spiritual life.

Hinds Junior Recreation Director Announces Intra-Mural Program

Mr. W. C. Oakes, recreation director, is planning an intra-mural touch football program to be conducted in the physical education classes.

The boys' tennis tournament will begin this week, with the singles lasting about a week and a half to be followed by the doubles.

The Campus Gym will be open Monday and Tuesday evenings from 7:30-9:00 for basketball and volleyball practice.

Folk and square dancing instruction will be given tonight and on other Wednesday nights from 6:45-7:15.

Mr. Oakes asks that all persons interested in officiating at touch football and basketball games to contact him, also that those interested in working with the Recreational Planning Committee, report to him. He can be reached at the principal's office.

SOPHOMORE OF THE WEEK.

Wanda Lou Wortman

By JANE PICKETT

"Sioux City Lou, your hair is red and your eyes are blue; I'll trade my horse and dog for you," might be familiar lines to our cute Sophomore of the Week, Linda Lou Wortman.

Wanda Lou, who weighs 120 pounds and stands five feet, four inches tall, is originally from up Indiana way, but now her home is in Leland, Mississippi.

Wanda Lou says her favorite pastimes are loafing, swimming, writing Billy, and talking on the telephone. With her extra-curricular activities, however, Wanda Lou has little time for loafing.

This little girl is a popular and busy person on the Hinds campus. She has been leading the Hinds Junior College marching band for two years. As a freshman she was also in the college choral group, an officer in the Wesley Foundation, a freshman homecoming maid, and was voted friendliest girl and campus favorite in the

Who's Who contest.

As a sophomore Wanda Lou is vice-president of the Women's Athletic Association, and active in the choir, Wesley Foundation, Y-WCA, and the F. T. A.

"Lou" likes fried shrimp, French fried potatoes, Pepsi-Colas, and most kinds of music — especially "pop" and "bop".

Wanda Lou's future plans include making good grades in college this year, attending Millsaps College next year, and eventually teaching the third grade in some nice town about the size of Jackson.

I've had loads of fun here and I've met many wonderful people whom I'll never forget," says Wanda Lou.

Not only has Wanda Lou had fun, but by her bright and cheerful disposition "Sioux City Lou" has brought joy to others. For her sunny personality and kind heart, we salute Wanda Lou Wortman.

GUIDANCE DIRECTOR ATTENDS MEETING

Prof. A. L. Denton, Hinds guidance director, attended a meeting of the executive committee of the Mississippi Guidance Association Saturday, in Jackson.

At this meeting plans were made for the MGA Fall Conference scheduled for October 20.

THOUGHT OF THE WEEK

Time and material are provided for moral and mental growth.

If the students prefer to waste their time they will gain nothing from going to school. Each individual student should allocate in his schedule a time for lesson preparation. If each student would do his own assignments daily, there would be no midnight cramming.

Do not be guilty of procrastination.

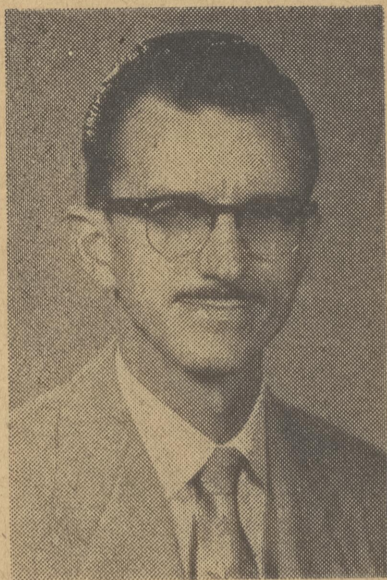

The best insurance of a better tomorrow is to make today a success.

Sheffield Returns From Convention

Mr. Grady Sheffield, manager of the Hinds Locker Plant, has recently returned from the annual convention of the national frozen food locker institute in Chicago.

Mr. Sheffield attended the convention as Mississippi's official representative from the Frozen Food Locker Association.

The theme of the convention was "Campaigning for Customers". Two of the well-known speakers on the program were Secretary of Agriculture, Ezra Taft Benson, and Elmer Wheeler, the famous salesman who coined the phrase, "Don't sell the steak, sell the sizzle".

All of the latest methods of processing and freezing were discussed. Leading manufacturers of locker plant equipment had exhibits on display.

The name of the convention was changed to Institute of Locker and Freezer Provisioners.

Over 750 delegates attended the convention.

Future Teachers Choose Leaders For New Session

The Future Teachers of America representatives on the Hinds campus have chosen five leaders for the current session.

These are the following: Carolyn Ferguson, president; Micky Farmer, vice-president; Wanda Lou Wortman, secretary; Patricia Magee, treasurer; Mary Ann Liles, social chairman; and Shirley Ferguson, reporter.

Mr. M. F. Herring, dean of instruction is the sponsor of this group.

Student Elections Pick Cheerleaders

Four new college cheerleaders were elected by secret ballot last Wednesday at assembly to cheer the Eagles this fall.

Elected were Betty King, Patsy Ratcliff, Ann Boyd, and Anita Shoemaker. The two returning cheerleaders from last year are Bobbie Nell Noland and Dot Beckham.

King and Noland are the head cheerleaders.

Mrs. Anne Gookin, girls' physical education instructor is in charge of the cheerleaders.

Carolyn Smith and Jeanette Mahaffey are leading with 76 points each in the archery tournament sponsored by the Women's Athletic Association.

Other results in the opening rounds are Jane Pickett 38, Sharlott McClurg 36, Gwen Jones 34, Regina Godley 21, Nita Jo Moss 13, Marilyn Simmons 10, Mona McClurg 10, Leverne Barlow 3, and Marilyn Phillips 2.

Carl Criner Makes Hobby A Career; Reproduces Some Famous Fiver Boats

By CARL BROCK

Carl Criner, 19-year-old Hinds freshman from Vicksburg, has turned his boyhood hobby and pastime of building scale model reproductions of famous river boats into a profitable spare time occupation that has already brought him enough money for two years of college.

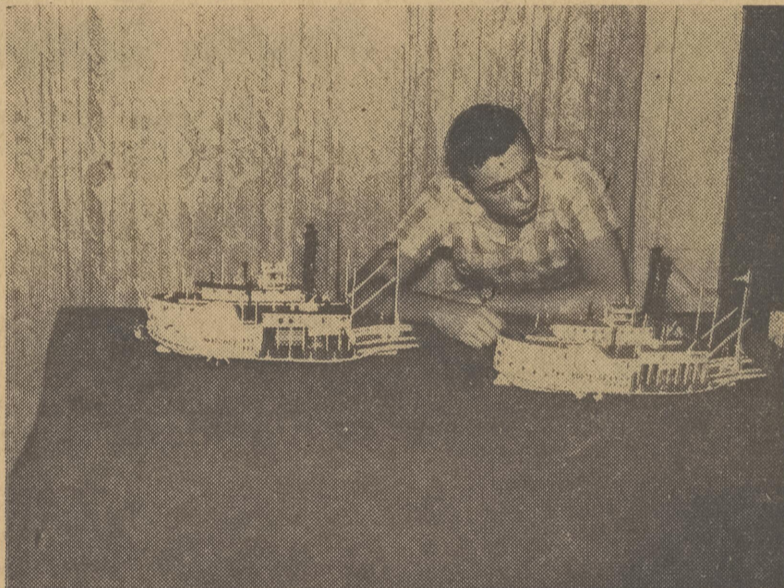

Criner, working with other model craftsmen and river historians, has contributed a large part of a unique exhibit which contains fifteen distinct types of boats that have helped write the colorful history of the river country.

The models, complete in every detail, depicting the river story from the earliest Indian canoe to the latest streamlined diesel towboat, will be permanently installed in diorama exhibits recessed into stateroom doors of the Steamer Sprague in Vicksburg.

The model enthusiast began his hobby over fourteen years ago working with kit-models and gradually progressed into the more complicated scale reproductions. Among the many replicas that he has produced are: the storied and fabulous Natchez and Robert E. Lee, the streamlined diesel towboat Jason, the Steamer Washington, the J. M. White, a "showboat", the Tom Greene, George Washington, the Ram Arkansas, and his latest — Iron Age.

Criner is working under contract with the Vicksburg Harbor Commission, and has been paid as much as \$40 for a single model. He states that a whole lot of spare time and library research go into the finished product. Big ones like the Natchez and the Robert E. Lee took three months to complete.

Carl says that this hobby has turned out to be the gateway to his career. He is making plans

FBLA Announces Slate Of Officers Scroggins Leader

Foy Scroggins, a Yazoo City sophomore, was elected Friday as president of the Future Business Leaders of America at Hinds Junior College.

The nine officers elected to serve with Scroggins for the coming year are Ray Owens, vice-president; Barbara Yarborough, secretary; Patty Carter, treasurer; Alma Lee Grantham, corresponding secretary; Elizabeth Turner, program chairman; Elizabeth Herring, publicity chairman; Betty Hunt, social chairman; Irl Dean Rhodes, news reporter; and Don Alexander, chairman of the ways and means committee.

Mrs. Maybelle Furness of the Business Education Department is sponsor of the club.

As announced earlier by the WAA, individual winners in the tournament will receive ribbons; and individual team winners may gain a letter by winning 50 points throughout the year.

to study industrial design. He also states that there is a limited number of modelists in the U. S. at present, so the field is wide open, especially in securing government contracts.

Today, the river is a highway for vessels which shade the earlier boats. The Esso Tennessee replaced the Sprague; tows valued at a million dollars or more have been pushed by a single boat. As we watch this progress we wonder what the future may hold. Maybe it holds a world famous shipbuilder and designer? Maybe he, at one time, thought of it as no more than a hobby and a pastime.

Baby Eagles Lose; Host Utica Team Here Friday Night

Quarterback W. L. Anderson and Tackle Bobby Sheffield were elected co-captains of the Hinds High Eagles football squad Tuesday afternoon.

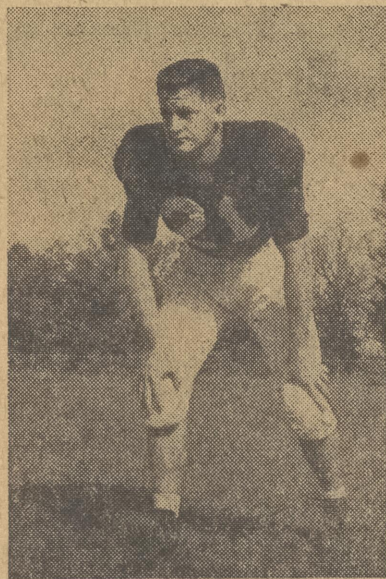

The Eagles will open their home season against their arch-rivals the Utica Gold Waves here Friday night with game time slated for 8:00 p. m. Coach Louis Boteler and assistant coach J. J. Mason continue to work on basic fundamentals after their first loss of the season last Thursday night against the Puckett Wolves by a 13-12 score.

Last year Utica defeated Hinds 12-7 and the Hinds High team plans to send the visitors home Friday night with their second defeat of the season.

Two of the lightest players of the squad Carol King and Eugene Osborn have been outstanding in practice this week. The two speedsters tip the scales at 130 pounds each.

EARL MCFEATERS, a 170-pound guard, was one of the determined Eagles that presented the strong forward wall that held the Perkins Bulldogs Saturday night on the one-foot line for two plays in the closing seconds.

TEAM CAPTAINS, Bart Schriener and Glynn Russell, will be ready for the East Mississippi Lions of Scooba Saturday night when the Eagles play their first game of the season at Raymond. Schriener and Russell are both centers.

Hinds Beats Perkinson; Plays Scooba Saturday

Showing plenty of power and ample determination, the Hinds Junior College Eagles staged a valiant, last-minute goal line stand Saturday night to whip Perkinson 12-7 and chalked up their first win of the season.

Although the Perkinson game is all history now, the Eagles have been working on new plays and improving key positions for the invasion of East Mississippi of Scooba, the unbeaten and untied team that sent the Jones Bobcats home last Saturday night on the short end of a 25-13 score for the first time since mid-season 1954.

The big gun last week was Chris Andrews, a newcomer to the Eagle team. Andrews served notice that he will be hard to handle this fall by gaining 68 yards in 13 carries, scoring the Eagles' initial touchdown of the season, and averaging 37.7 yards punting in four

trys.

Fullback Pete Gray and Halfback Joe Campbell were the other leading offensive men with 39 and 23 yards respectively. Gray rushed 12 times for a 3.3 average and Campbell carried eight times for three yards per carry.

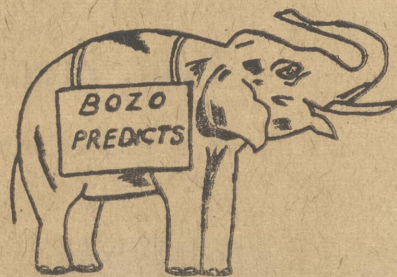

Charles Woods, a Perkinson halfback, grabbed a pass thrown by Eagle Quarter Melvin Champagne and scampered 35 yards to score. Fullback T. J. Pennison accounted for the conversion.

Bouncing back in the second stanza, Andrews raced around right end to score from the 10.

With three and one-half minutes remaining in the first half, a pass from Champagne to Halfback Levi Barber netted 39 yards and a second score to put the Eagles out front 12-7.

FUTURE HI-STEPPERS EAT — President G. M. McLendon of Hinds Junior College plays host to the daughters of one of his former students, Coach Louis Strickland of Brandon High School at the barbecue held Saturday afternoon at Raymond Lake for the school officials of Hinds, Warren, Yazoo, Madison, and Rankin counties. The little tykes, who are pretty enough to become members of the famed Hinds Hi-Steppers corps, are Sharon, left, and Susan. You can see that they are really enjoying that chicken. First Term Tests To Start Monday Holiday For State Fair Next Friday

First term tests for Hinds Junior College students in the 1956-57 session will start Monday, October 8 and will continue through Thursday, October 11.

Friday, October 12, has been officially declared as State Fair holiday at Hinds. The holiday begins at 3:30 Thursday, October 11, and regular work will be resumed the 1st period on Monday, October 15.

The college test schedule is as follows:

Monday, October 8 — 2nd, 3rd, and 5th periods.

Tuesday, October 9 — 2A, 3rd, 5th, and 7th periods.

Wednesday, October 10 — 1st, 2nd, 6th, and 7th periods.

Thursday, October 11 — 1st, 2nd, 6th, and 7th periods.

High school students will engage in their initial term tests as follows:

Monday, October 8 — no tests.

Tuesday, October 9 — 2nd and 6th periods.

Wednesday, October 10 — 1st, 5th, and 7th periods.

Nan Ertle Serves As Club President

Nan Ertle, a Bentonia sophomore, was elected president of the International Relations Club at Hinds Junior College last week to serve for the first semester.

The three other officers elected are Mary Jane Hall, vice president; Florence Hearn, secretary; and Frank Banks, treasurer.

Miss Lula Mae Fowler and Mr. Jobie Harris, social science instructors, are sponsors of the club.

Thursday, October 11 — 1st, 2nd, 6th, and 7th periods.

Regular class work will be carried on during the six weeks tests with the only interruption by scheduled tests.

Registrar Gives Night Enrollment

There are college classes meeting every night during the week, on the Hinds campus, the registrar reveals.

At present the enrollment is of 77 adults, chiefly veterans, who are working in the daytime, and yet looking toward junior college graduation eventually.

The following is the list of courses offered with names of instructors, and nights scheduled: Mathematics of Finance, Mrs. Beemon, Monday; College Algebra, Miss Stewart, Monday; Principles of Business Law, Miss Herrin; Freshman Composition, Mrs. McKenzie, Tuesday; English Literature, Miss Bennett, Tuesday; Old Testament,

Spiritual Emphasis Discussions Follow

Including tonight's service, there are only three more scheduled services for Spiritual Emphasis Week.

Tonight at 6 o'clock Mr. Sam Patterson, leader of the week, will speak on the topic, "Putting the World Back Together"; Thursday morning at 10:20, the topic is "The Six Eaches of Scripture." That night, for the closing topic of the series, the speaker will use "The Significance of Christ."

Each evening after services informal discussions are held in the

Language Group Elects Simmons Leader For Year

Marilyn Simmons, a Hinds sophomore from McCall Creek in Franklin County, was elected president of the Hinds Junior College Modern Language Club at the regular meeting of the club last week.

Other officers elected are Alicia Gabrie, vice-president and program chairman; George Marie Frazier, secretary-treasurer; and Jeanette Mahaffey, publicity chairman and reporter.

The Modern Language Club meets on the first, third, and fifth weeks of each term.

Miss Hilda Ree Davis, language instructor, is sponsor of the club.

Rev. Bob Simmons, Tuesday; United States History, Mr. Patrick, Wednesday; Principles of Accounting, Mr. Clark, Wednesday; United States Government, Mr. Harris, Thursday; Personal and Community Hygiene, Mr. Oakes; Physical Science Survey, Mr. Ringer, Friday; General Psychology, Mr. Denton, Friday.

lobby of Westside Dormitory where boys and girls assemble for a question and answer period led by Mr. Patterson.

Student leaders are in charge of all the meetings.

The Music Department is furnishing special music and song leaders for all the services.

Printed bulletins arranged by "The Committee of Fifty" are keeping the campus personnel informed of the scheduled events of the week.

Staff To Attend Confab At State

Three representatives from Hinds will attend the fall meeting of the Mississippi Junior-Senior College Conference to be held at Mississippi State College October 8, 9.

The meetings beginning Monday morning will be presided over by President Charles T. Morgan, head of the Mississippi Association of Colleges.

The theme to underline the addresses and discussions is that of plans and problems.

President G. M. McLendon will lead a discussion on methods used to brief staffs on overall planning, and on channeling reports of conferences to entire staff.

A number of senior and junior college educators are listed to speak during the two-day conference.

Mr. A. L. Denton, guidance director, and Miss Mildred Herrin, registrar, will also attend the meetings.

Baptists Sponsor Full-Length Movie

Hinds Junior College's Baptist Training Union is sponsoring a show entitled, "The Life of Martin Luther" in the college auditorium on Monday night, October 8, at 6 p. m.

This is a full-length movie that is being shown in theaters all over the nation. Mr. Harold Gully, director of the Hinds county BSU work, is having the movie brought to Hinds.

Everyone is invited and urged to see this inspirational film. The program is free to all.

HINDS JR. SAYS

This is my recipe for failing. Take six weeks of bluff; stir in several absences and tardies; combine with plenty of inattention; flavor well with dates, parties, and movies; bake with teacher's temper and serve cold with disappointment.

Hinds Needs Large Sign On Campus

Several persons have commented lately on the need of a sign located on the highway just off the campus indicating to motorists that they are passing Mississippi's one and only — Hinds Junior College, the home of the famed, fighting Eagles.

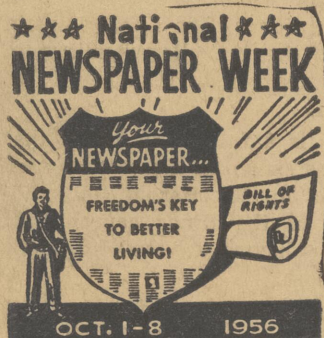

The idea sounds like a good one, and we would like to hear more talk on the subject. Since our football team won national recognition in 1954 as champions of the Junior Rose Bowl in Pasadena, people are just naturally going to be interested in seeing the college that trained the victorious gridders.

Hundreds of people pass the college every day and few ever show any more interest than a quick glance in our direction.

Imagine the attention that a large neon sign on each end of the campus would attract. **HINDS JUNIOR COLLEGE—FOUNDED IN 1926—HOME OF THE FIGHTING EAGLES—G. M. McLENDON, PRESIDENT.**

American Press Enjoys Freedom

"Long live the freedom of the press" may well be the slogan of thousands of newspapers this week as the nation's journalists celebrate the great achievements of the free American press. This week, October 1-8, is being recognized by

thousands of newsmen as "National Newspaper Week," a tribute to the responsibility and performance of today's newspaper.

The newspaper of today has come a long way from the time its freedom was first dreamed of by our forefathers when they enshrined it in the First Amendment to our Constitution. It has become a national institution. Its power in in-

fluencing public opinion and culture is, perhaps, the most powerful single influence today.

It is the responsibility of the press to help raise the level of American culture, and even to supply our citizens with correct and full political, economic, and social information. Because of this great responsibility, it is important that the press be kept free, to be "freedom's key to better living!"

THOUGHT OF THE WEEK

By President G. M. McLendon

Once Uncle Sam pointed his finger to a carefree boy of ten and said, "We'll be needing you, sonny, in fifteen years, when you have acquired a little more Algebra, 100-odd more pounds of muscle, and a best-girl. We'll need you to fly our airplanes, build our houses, doctor our people, and grow our food. It is then that you will be important."

Everyone seems to want to be important.

Importance is not a trait that is bestowed upon a few elect people. Everyone in his own way is important. At Hinds Junior College we are learning to lead lives that will fit us to be more important to whatever vocation we choose. Emphasis should not be placed upon learning to be important, for importance comes only with consideration for others, willingness to work, willingness to learn, and initiative to do a job well.

If we desire importance, then let us not shirk our responsibilities of studying, contributing to our college, being nice to our associates and being nice to ourselves.

It's nice to be important, but it's more important to be nice.

SOPHOMORE OF THE WEEK

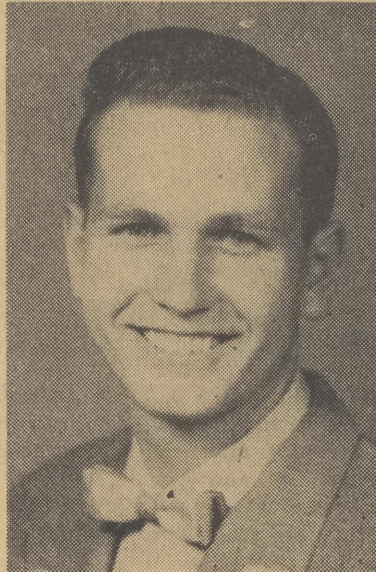

Foy Scroggins

By CARL BROCK

"Tis easy enough to be pleasant,
 When life flows along like a song;
 But the man worth while is the one
 who will smile

When everything goes dead
 wrong." —E. W. Wilcox

This week the *Hindsonian* takes great pleasure in presenting as its choice for the outstanding sophomore of the week, that well known and well liked man about the campus — Foy Scroggins.

FOY SCROGGINS

This very versatile young politician has brown hair, brown eyes, weighs 165 pounds, stands 5' 9", and has a smile that you can see for a mile. With the magnetic personality and radiant friendliness that he constantly displays, Foy could very easily be employed by a hospital just for cheering people up. Everyone agrees that he is an excellent "cheerer upper."

Foy Scroggins was born one sunny morn in 1937 in Yazoo City. From the very first he was destined to a life of fame and fortune. But, this fame and fortune was not something that Foy could sit around and wait for. No, this was something that he could have if he wanted, and if he worked for it. From the record that Foy began making early in life we can see that he must have begun in earn-

est, and as we look at it today we can see that he has worked hard.

At Yazoo High School Foy was president of the band, secretary-treasurer of his senior class, a member of the National Honor Society, a member of *Quill & Scroll*, and an honor roll student. Also, during his senior year, he traveled to New York City with the Lions All State Band.

It didn't take long, after Foy came to Hinds last year for him to become a familiar figure in many of the activities on the campus. During his freshman year he was elected secretary-treasurer of the band, and also treasurer of the freshman class. He belonged to the Choir, Circle K, BSU, and the boys' quartet. He became known as the "friendliest boy" and "campus favorite" as a result of the 1955-56 Who's Who Contest. Throughout his freshman year Foy maintained a "B" average — the mark of an honor student.

And now, in the fall of 1956 with less than four weeks of service in the sophomore class, Foy has been in there pitching all the way. And he's done right well, too. He is now president of FBLA, vice-president of the band, and music director of the BSU.

"Do you like 'Pelvis' Elvis?"

"He's O. K."

"What are you studying here at Hinds, where do you plan to go next year, and what do you want to do when you finish college?"

"I'm studying accounting, I plan to go either to Mississippi College or Southern, and I want to be a C. P. A. when I finish college. Does that answer your question?"

"Thanks a lot, Foy Scroggins, we're mighty proud of you."

New Dean Of Men Expresses Thanks

Mr. C. C. Magers, new Dean of Men, stated that he had spent his first two weeks at Hinds Junior College getting acquainted with the young men on the campus and the duties which he is expected to perform.

"I've been gratified at the fine spirit of cooperation shown by the boys with whom I've been associated thus far," Mr. Magers states. "The faculty members and personnel of the college have been wonderful. May I urge continued cooperation so that your stay here be both pleasant and profitable."

MICKEY GROVE, of Jackson, has recently been elected president of the Hinds Junior College band. Grove, a sophomore at Hinds, is one of Director Albert B. Rowan's top drummers this year.

ORCHIDS are due to the Eagle Band and Hi-Steppers for their splendid performance at the game Saturday night — not only on the field, but throughout the entire game.

Hinds Choir Starts New Season

LIFE IN A BOYS' dormitory is portrayed above by Mickey Grove of Jackson, Foy Scroggins of Yazoo City, James Furlow of Mendenhall, and Fred Marett of Sardis. Decorations reveal a variety of interests and activities that might be typical of the average college boy. Interests of these Eastside residents include piano, organ, tennis, art, library science, and band, of which all of these boys are members.

James L. Reeves Directs Singers

The Hinds Junior College Choir made its initial appearance of the current season Monday evening at the first of the series of Religious Emphasis services.

Composed of 31 members, the group is directed by Prof. James L. Reeves, head of the Voice Department. Student officers are the following: Myrna Loy Stuart, president; Wanda Lou Wortman, vice-treasurer; Fred Marett, reporter; and Bob Wallace, page.

At 3:30 on Thursday afternoon the choir is sponsoring a campus-wide singing group. All students and faculty members who enjoy singing are urged to join the singers at this period.

Within the second semester the choir will make a number of Sunday night trips to neighboring churches.

The following is a list of students participating in the choir: Lavern Barlow, Edgar Bates, Carol Jean Benton, Joyce Bethune, Carolyn Ferguson, James Furlow, Merle Graham, Jimmie Hawkins, James Holder, Larine Herrin, Patricia Jones, Bettie Van King, Pat Magee, Fred Marett, Sharlott McCurg, Richard Melsheimer.

Hinds Junior College Men To Make Good Housekeepers Pictures, Draperies, Bedspreads Beautify Dormitories

By FRED L. BROOKS, JR.

Do not let it be said of Hinds Junior College men students that they are not good housekeepers; and to go a step further, that some of them are not expert interior decorators.

Girls, you had better take notice! You might even be given some good pointers on room decor. If you were to make a tour of the dorms for males you would find some interesting and unique living quarters, especially if you toured Central. Since the writer has his abode in Central he has become familiar with some of its residents. If we were asked to name some of the periods for interior decoration purposes, we might list contemporary or modern, traditional American, and—"you guess it."

Now if you were to begin your tour on the first floor, you might open a door and a wool carpet would be presenting itself for your nice dirty feet to tread upon. In this room you would also find two neatly made single beds, a dresser with clean top and expertly arranged articles used for good grooming purposes on it, chest-of-drawers, and in one corner a square table with four chairs surrounding it. This is probably used for studying and also for an occasional card game. This same room boasts a pretty brass lamp in the shape of an old-fashioned oil-burning lamp with an appropriate shade.

In each room on the first floor

you would probably find the furniture arranged differently. Some rooms have double-deck bunks when there are three occupants to the room. In almost every room a radio is a part of the standard equipment and some rooms have hi-fi record players, while others have tape recorders. We could mention at this point that even the "food" is neatly stashed away. Upon pulling out a drawer from a chest you could find anything from the standard peanut butter to a rare delicacy.

THE SECOND FLOOR

Suppose we now climb a long flight of stairs to the second floor. As we peer into one of the welcoming rooms we see two metal study desks placed in the center, facing each other. In this same room we see some trophy cups on display which were won by the occupants.

Continuing down the hall we are invited into a room that has been freshly painted (by the students that live there). This room is one of the more unique ones. The two windows, which face you as you enter, have handpainted drapes that were made and painted by an artist of Jackson and Memphis especially for this room. The designs on the drapes (each drape boasts a different one) depict periods of history and you might find such items as Doric columns or a lute illustrated. Tones of grey ranging from dark charcoal to a light misty grey cover the walls in dramatic effect. A study desk

with lamp on top is in one corner and just behind it is a hi-fi record player with an accompanying large collection of records. The writer happened to visit this room while the record player was sending forth beautiful strains of a harpsichord. A pot plant helps to give color and warmth to the atmosphere.

Well, let's make one more stop and this time it's a suite of rooms. In one of these you will find a radio, lamp shade, and a Bible that match in color — bright red. Covering the tops of the dresser and chest are clean starched scarves. The pictures on the walls are all outdoor scenes. Across the way in the suite you will see some nice worn scatter rugs by the bunks that will feel good one of these cold mornings.

In some of the other rooms over the dormitory you can find artistically designed hand-made quilts used for top covers; and in others, hand crocheted bed spreads — believe-it-or-not. The really hard thing for some people to believe is that if you pass down the halls in the mornings you can witness boys with brooms cleaning the floor and making beds.

However, the most gratifying experience of the author concerning the boys in the dorms is the friendliness and hospitality that prevail at all times. Hence; we say hats off to the young men of Hinds who make the dorms their domain.

School Officials Attend Barbecue

In order to familiarize the high schools of the five counties in the district made up of Hinds Warren, Rankin, Yazoo and Madison counties, with the facilities offered at Hinds Junior College, about 75 superintendents, principals, and coaches and their wives were guests of the college last Saturday afternoon.

At the Raymond Lake Clubhouse the visitors were served a barbecue chicken supper by several members of the Hinds Junior College staff. President G. M. McLendon gave a brief welcome address, and Mr. J. W. McEwen, member of the college board of trustees, gave the invocation.

Following the supper, the visitors had coffee in the new home economics building on the campus, after which they were guests of the college at the Hinds-East Mississippi football game.

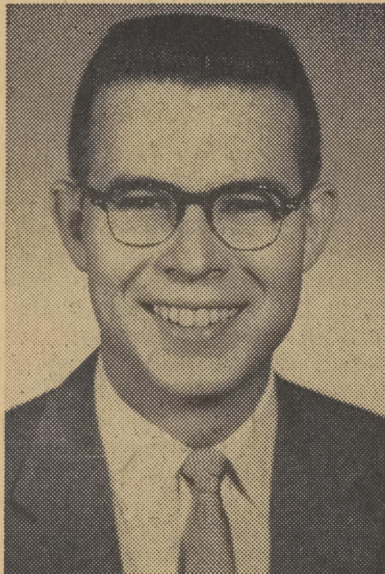

Bulletin

The 1956-57 yearbooks are now on sale, according to Mr. T. T. Beemon, sponsor of the yearbooks. Salesmen are Buddy Miles, Jimmie Ruth Hawkins, Carolyn Barton, Anita Shoemaker, and Sylvia Simon. Students may pay \$2.00 now, and \$2.00 when they receive their annuals.

HINDS NEW FACULTY

AUBREY LUCAS

Aubrey Lucas is the reading instructor at Hinds Junior College.

AUBREY LUCAS

Mr. Lucas, who is a Methodist, is from State Line, Mississippi. He received his B. A. and M. A. degrees in psychology and reading at Mississippi Southern College. There he was the assistant director of the Reading Clinic while earning his graduate degree.

Mr. Lucas is a member of Kappa Delta Pi, Phi Delta Kappa, Pi Gamma Mu, the International Reading Association, and the Magnolia Reading Council.

While in college he was awarded membership in Omicron Delta Kappa, national leadership fraternity.

He was chosen the most outstanding senior of the 1955 graduating class at Mississippi Southern. He is listed in *Who's Who in American Colleges and Universities*.

Mr. and Mrs. Lucas are at home in a faculty apartment on the campus.

Opinions Vary On College Newspaper With Variety Column Ranking High

By RANDY RICKELS

"What would you like to see in the *HINDSONIAN*?" was the question asked of many students around the campus. Here are some of the interesting, enlightening, and comical answers we received:

Phillip Simpson: "A hundred dollar bill in the middle."

Victor O'Connor: "I would like to see some articles in the *Hindsonian* that are entertaining and at the same time educational."

Richard Melsheimer: "I would like to see something that is really interesting to read."

Jean Searcy: "I like it just as it is."

Jimmy Joplin: "More humor."

Mickey Grove: "A letters to the editor column."

Fred Marrett: "A gossip column."

James Furlow: "A column called Vacuum Cleaner, we pick up all the dirt."

Joe Pace: "More entertainment and humor."

Tommy Lynch: "A pin-up of Jane Mansfield."

Wanda Lou Wortman: "Campus and fashion news."

Sam Richardson: "Words."

Myrna Lou Stuart: "More pictures of students and activities."

Betty King: "Randy's column doubled for more coverage of informal social events."

Jimmie Ruth Hawkins: "An extra

page with more about the students."

Dot Roper: "My picture on the front page."

Floyd Hodo: "Dot Roper's picture on the front page."

Lebanon Student Tells Of Her Mother Country

Editor's Note: This article is written by Noel Monsour, a Hinds Junior College freshman, who is a native of Lebanon. She has been in America only three months.

By NOEL MONSOUR

What is life? The question which is asked by many of us, but no one can determine the exact answer. Yet when pleasure comes to your heart, your reply will be "life is charm, joy, and ever happiness," but when you get in a sad mood, you will soon deny your first answer. I have faced this fact since I left my home-country, family, and lots of friends to join another people of another language and customs.

What is obviously known to all of us when a person is born and reared in a certain country, he naturally becomes interested in that land. His love and feelings towards his own people and nation grow more and more, though he cannot know the limit of that love until he travels and leaves his country.

Surely it hurts the feelings when you think of the first builder of your personality — The mother you left behind, and the far distance between you and her. It is certainly a hard task to strengthen

again your will, and try not to think much about home. The best thing to do, is to believe that facing difficulties is a training matter, and without it happiness would be unknown, and life will lose its meaning.

If you look deeply through the past of Christ's ages, you will notice the Holy Lands, among which Lebanon was famous for its Cedars — the evergreen trees of which King Solomon built his castles. The Lebanese are much improved and progressed, and Lebanon is the most advanced republic among the Arabian countries.

Colleges are found in big cities, while schools are all over the country. They teach the three languages — Arabic, English, and French, but only two of them are obligatory. The people copied the French habits and styles, since they are mostly well built. The good climate, and the pure air of the free high mountains, deep valleys, naked sky, and the calm white Mediterranean Sea, the beautiful nature of Lebanon, the healthy climate, the big delicious fruits, and the easy life — all these give you the cheerful relaxing in thinking and writing the prettiest words of description.

CRUSH THE BOBCATS

Baby Eagles Lose To Utica Squad Play Satartia Team Friday Night

One of the few teams that has never beaten Coach Louis Boteler since he has been at Hinds High, the Satartia gridders, will move in Friday night to play the Baby Eagles.

Playing host to the Utica Goldwaves, the Hinds High Eagles suffered their second defeat of the season to the visitors by a 12-6 verdict last Friday night before a slim crowd.

Late in the first quarter Halfback Dickie Osborn went across for Hinds on a trap play. Guard Jimmy Chapman's try for the point failed. The first period score was 6-0 Hinds.

Early in the second quarter Utica recovered a Hinds fumble on

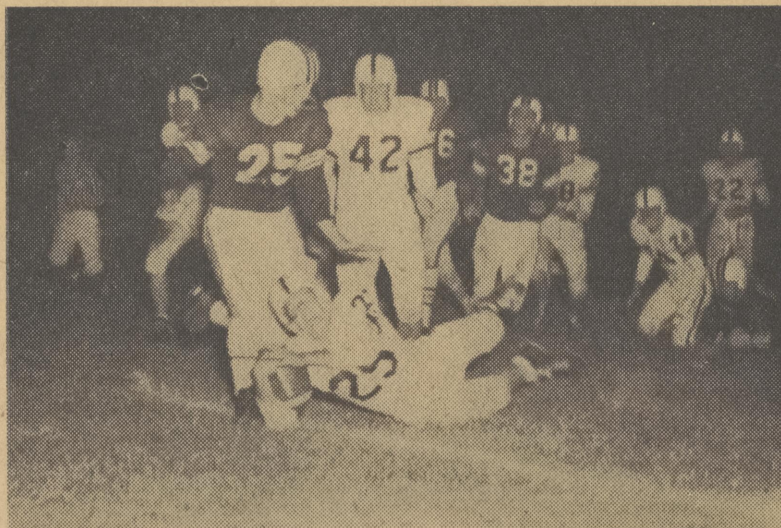

their own 10. After a 50 yard dash by Halfback Bobby Lewis which sparked the initial drive for Utica, Lewis went over on a pitch-out to tie the score at 6-6.

The third quarter was uneventful except for a Hinds pass being intercepted by the Goldwaves, and Quarterback W. L. Anderson was slightly injured on the play.

In the third play of the final stanza, Lewis scored again for the Goldwaves. The score came on an off-tackle play from the 10.

The final score in the hard-fought contest was Utica 12-Hinds High 6.

Utica was penalized 50 yards and Hinds was penalized 30 yards.

FULLBACK PETE GRAY of the Eagles scores another touchdown in Saturday night's game with the East Mississippi Lions of Scooba. The Vicksburg performer tallied four touchdowns and netted 114 yards rushing in Hinds' 34-0 win. (Photo by Dick Bowers).

Bozo Returns To Life After Year's Absence

By **WALLY ADAMS**

In 1941 the metal welding shop of Hinds Junior College made a 92-pound iron elephant whose sole use was a door stop.

This elephant fulfilled his duties in that capacity for about four years; then suddenly, he became famous. A visiting football team picked him up and took him home. That touched off one of the biggest finders-keepers games this state has ever known. From that day forward almost every junior college in the state has had this door-stop at one time or other—safely guarded. Among his many travels, he acquired the name of BOZO, and was said to bring good luck and school spirit to his owners.

Back and forth he went until 1954 when he came back to Hinds. In 1955 he wintered in a barn and vacationed this past summer beneath a hay stack. He could stand it no longer and came out in the open last Wednesday for assembly.

His present resting place follow-

ing his public appearances last weekend is undisclosed, and as long as he continues to lead the Eagles to victory and keep up the student morale, we are content to keep it that way.

Bozo arrived at the Hinds-East Mississippi game last Saturday night in style, twice.

Due to the results of the pre-game parade last week, another will be staged Saturday. Plans are to leave the campus about 12:30 p. m. go through Raymond, then lead the students to Jackson and to the Hinds Memorial Stadium.

THREE HINDS SHOOTERS ENTER STATE ARCHERY TOURNEY IN JACKSON

Three Hinds girls participated in the State Archery Tournament in Jackson this past week-end.

Regina Godley, Mary Jane Hall, and Patsy Ratliff took part in the tournament, although they were unable to place in the women's division of the contest.

Mahaffey Leading Archery Contest Girls Tennis Tournament Advances

Jeanette Mahaffey, Hinds sophomore, is leading in the archery tournament sponsored by the Women's Athletic Association, with a score of 279.

Second is Regina Godley with a score of 205.

Arranged in order of points scored, are the following: Mona McClurg, 189; Mary Jane Hall, 98; Lillie Meadows, 97; Shirley Ferguson, 87; Bobbie Nell Noland, 77; Sherrill Weathersby, 43; Roxie Easley, 42; Marilyn Phillips, 40; Jane Pickett, 38; Sharlott McClurg, 36; Ruth Martin, 37; Freddie Burrow, 31; Doris Toles, 26; Gwen Jones, 24; Carolyn Smith, 17; Nita Jo Moss, 13; Marilyn Simmons, 11; Wanda Lou Wortman, 4; Laverne Barlow, 3.

The remaining contestants in the tennis tournament which the WAA is sponsoring are Bobbie Nell Noland vs. Alice Walton; Betty Jo Williams vs. Martha Fugate or Sherril Weathersby; Wanda Lou Wortman vs. Margaret Adcock; Melanie Matthews vs. Barbara Cline; Jane Pickett vs. Jeanette Mahaffey; Ruth Martin vs. Regina

Godley; Jean Gill or Mary Ann Liles vs. Louise Earnhart; Bobbie Twiner or Janelle Clark vs. Mary Jane Loper.

Instructor Gookin Attends Meeting

Mrs. Anne Gookin, vice-president of the state association of health, physical education, and recreation and girls' physical education instructor at Hinds, met with the state organization on health, physical education and recreation at Roosevelt State Park near Morton Sunday afternoon.

Mrs. Gookin gave a progress report to the delegates attending the meeting. The executive council discussed plans for the Mississippi Education Association in March.

Sectional workshops were also held at the meeting.

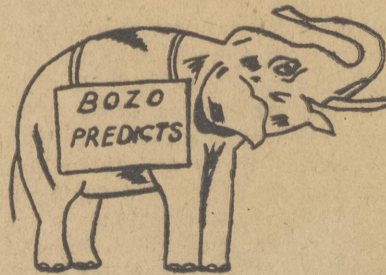

Women's Athletic Association Plans Overnight Party

The Hinds Junior College Women's Athletic Association is sponsoring an overnight camp-out at Raymond Lake Friday night, October 5. Girls who have paid their WAA dues are invited to participate in the camp.

Due to the limited sleeping accommodations at the lodge, only the first thirty who sign up may go. Students are asked to sign up with Ruth Martin, in Main Dormitory, Room 5.

Make plans now to see the Hinds Junior College Eagles tangle with the once beaten Jones Bobcats of Ellisville in Hinds Memorial Stadium Saturday afternoon at 2 p. m. in an all important game in the Mississippi Junior College circuit.

The Eagles showed what they could do last Saturday night when home with tears in their eyes after they sent the East Mississippi Lions suffering their initial loss of the season by a 34-0 margin.

Any team that has the determination that the Eagles had last Saturday night, when the Perkinson Bulldogs were on the one foot line and the Eagle team said emphatically "no" you can't go over the goal line to the biting Bulldogs, has got what it takes to defeat any team in the loop. Every member of the student body has a right to be proud of Hinds' showing against Perkinson and East Mississippi. The Eagles are fighting and that's a sign of a true Eagle.

COACH FRANK YONG topped all other prognosticators last week in predicting the winners of football games. Young had 16 right and two wrong for a .889 percentage. Bozo earned second place with 15 correct teams and three mistakes for an .833 percentage. Coach Joe Renfro, Coach Young's cohort, ran a close third with 14 winners and four losers for a .778 percentage.

The two former coaches didn't fare so well with Mr. Zeus Denton

getting 13 right and five wrong to show a .722 percentage. The man that picked Hinds to lose, Coach Jobie Harris, brought up the short end of the ticket with 12 right and 6 errors for a .667 percentage.

JACK HAIRSTON, an outstanding Mississippi scribe, left last week to assume his duties as assistant sports editor of the **New Orleans Item**. Hairston's main job this fall is covering all of Louisiana State University's football games. He has been sports editor of the **State Times** for the past eight months, and before that time he worked with the **Jackson Daily News**. For the past five years Hairston has done more for the Mississippi Junior College athletic than any other person we know.

JIMMIE McDOWELL, better known as Mississippi Red, has resigned as sports editor of the **Daily News** to accept the top sports job with the **State Times**. Mississippi Red has a regular television program on WLBT each Wednesday night at 10:40. In the change-up, Harold Foreman, former city editor of the **Daily News**, has moved to the sports editor position of the same newspaper.

Meet Defending State Champions In Jackson Encounter Saturday

Hinds Junior College's Eagles will settle a traditional fracas with the Jones Bobcats of Ellisville Saturday afternoon in Hinds Memorial Stadium at 2 p. m.

Last Saturday night the Eagles destroyed the myth of invincibility surrounding the East Mississippi Lions with a 34-0 massacre at Eagle stadium.

Both Hinds and Jones have represented the Magnolia State in the two recent Little Rose Bowl games. Hinds won by a touchdown over the pride of California, El Camino, while Jones bowed by nearly the same margin to a powerful Compton, California crew.

Coach Jim Clark and Coach Joe Renfro are masterminds of the Jones and Hinds attack. The afternoon game will be a hard-fought contest since both clubs are again regarded as two of the best in strong 13-team Mississippi Junior College Conference.

East Mississippi, the team that knocked off defending state JC champions Jones, simply never had a chance last week. The Eagles beat the Lions into the turf with a devastating ground attack that featured Fullback Pete Gray, who scored four touchdowns. James Gurley got the other TD.

Hinds tallied on a drive from the opening kickoff, covering 90 yards in 11 plays with Gray going the final ten off left tackle. Chris An-

draws kicked the extra point.

The Eagles struck next just after the second half got underway. Andrews ran 29 yards with an intercepted pass to the Lion 18 to set up another 10-yard touchdown run by Gray. The try for the point failed.

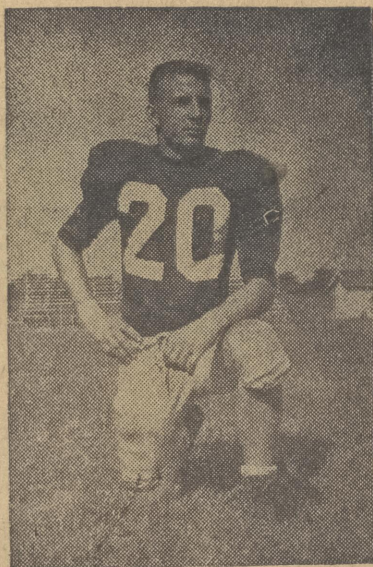

Later in the period Gray scored from six yards out after Jimmy Stubbs recovered a Lion fumble on the visitors' 35. This time Andrews' kick for point was good.

The Eagles added two more touchdowns in the fourth quarter. Andrews ran 33 yards with a pass interception to set the stage once more for Gray who tallied from three yards out. Hal Battle booted the point.

The final Hinds touchdown came after a 75 yard march by reserves. Gurley, a 142-pound halfback, charged off right tackle the last eight yards to score and Melvin Champaign kicked the point.

STATE CHAMPS in the Future Farmers of America meats judging contest are participating in the National contest with 45 of the nation's top teams in Kansas City, Kansas, this week. The team judged this morning, although the results will not be available until Friday morning. Raymond's FFA champs will return to the campus Saturday night. Shown, left to right, are Mr. Jack C. Treloar, Jr., coach and vocational agriculture instructor at Hinds; Carol King, alternate; David Barton, Bobby Sheffield, and Jimm McNair, members.

RAYMOND'S ROBERT MOODY, second from left, is pictured with Si Corley, agriculture commissioner (on left); Joe T. Patterson, attorney general, (second from right); and Joe Alexander, Benton FFA'er, (on right). The picture was taken immediately after the banquet honoring FFA fair exhibitors. The local FFA chapter received a blue ribbon and reserve champion on pigs in the senior boar division and junior sire division at the state fair.

Frosh Activities Show Odd Scenes; Dress Up Dinner Climaxes Full Day

By IRL DEAN RHODES

Revenge-minded sophomores applied their methods and experimented with all types of dress, lipstick, and other unusual forms of dress in today's annual Frosh Day activities.

Wednesday, October 17, will be remembered for a long time by today's painted faces and odorous students.

It has been a day of confusion for the new students and faculty members, even some of the instructors have complained about having headaches. Plus the many shades of lipstick, free chewing gum and air-raids have high-lighted the day.

After an entertaining program in the auditorium this afternoon,

the silly looking group of poor characters participated in a parade downtown.

The smoke has cleared from the long-awaited day and to say the least would be to say it has been a hectic one.

All the garb was cleared off and the freshmen were the honored guests tonight at dress-up dinner in the cafeteria.

Hosts and hostesses were the sophomore sponsors and 10 members of the sophomore class, namely: Prof. and Mrs. T. T. Beemon, Wanda Lou Wortman and Ernest Turcotte, Nan Ertle and Charles Barlow, Jane Pickett and Zane Nowlin, Jo Ann Nutt and Bobby Owens, Melanie Matthews and Oliver Walters.

Freshmen Select Office Nominees

Members of the freshman class will nominate class officers for the coming year next Monday at 10:20 a. m. and elect the officers later in the week.

The setting of this date was made for two purposes: in order to allow time for students to become acquainted with classmates, and also candidates to establish scholastic records.

The candidates for president of the freshman class must qualify for a "C" average of grades. Records of first term will be available after this week.

In addition to president, three other officers will be elected: vice-president, secretary, and treasurer.

The sophomore class will conduct the election.

Eleven Students In First Production

Fred L. Brooks, Jr., speech instructor at Hinds Junior College, released the cast this week for *Magnificent Obsession*, the first Lendon Players presentation this year.

Considered one of Loyd C. Douglas' greatest novels, along with *The Robe* and *Disputed Passage*, *Magnificent Obsession* has been acted on both stage and screen.

"All the tryouts were good, and it was a hard decision to choose the parts," announced Mr. Brooks.

Students receiving parts in the cast are as follows: Wally Adams, Dr. Hudson; Melanie Matthews, Helen Hudson; Dick Bowers, Bobby Merrick; Jo Ann Nutt, Joyce Hudson; Carolyn Barton, Nancy Ashford; Zane Nowlin, Monty Brent; Dee Greathouse, Dr. Pyle; Barbara Cline, Marion Dawson; Mike Baroudy, Jack Dawson; Iris McKay, Martha; Jeannine McGuire, Mrs. Wickes.

The Lendon Players, under the direction of Mr. Brooks, will present this production in November.

BULLETIN

Mrs. Anne Gookin, girls' physical instructor at Hinds, announces that a pep rally for the Hinds-Co-Lin game will be held at 6 p. m., Thursday, on the football field in Eagle Stadium.

Immediately following the pep rally, all students are urged to see top field hockey teams battle. Main Dormitory will play Westside. Last year these teams tied at 2-2.

College Reputation Depends On You

What type of college do you want to be a part of? Surely good students and instructors, kind officials, warm personal friends, and good facilities would characterize the kind of institution anybody would like to attend.

Every school in America wants these things, but it takes work, cooperation, and understanding for success. The success any school enjoys reflects upon the attitude and support of its students, faculty, and interested citizens. Enthusiasm for every activity on the campus is urged.

It should be remembered that every person at Hinds has many personal rights. Recently a large number of text books and personal belongings have come up missing. We, as students, should learn at some strange age in life, to leave things alone that don't belong to us.

Don't lower your personal character and the school's reputation. The success and reputation of Hinds Junior College depends directly on the students and faculty members.

Avoid Unworthy Society On Campus

On the Hinds Junior College campus an undesirable, non-secretive, non-honorary, non-scholastic society, which we may refer to as "the shifty-eyed" society is in existence.

This is not an organization; an organization has unity. This is neither a social order nor a clique. The shifty-eyed society is a disorganized group of people of which a surprising percentage are members, whether they realize it or not.

The shifty-eyed society has for its purpose passing tests dishonestly, and copying other students' homework.

Becoming a member of this group is very easy; but in doing so, a student loses the possibility of having real scholastic achievements and personal honor.

We should watch ourselves and our friends so that we will not become members of this group. If the right example is set, perhaps eventually the shifty-eyed society will be destroyed.

Religious Emphasis Week Impressive

The impressive Religious Emphasis Week which was held on the campus recently was a distinctive success.

Forceful and inspiring messages by Rev. Sam Patterson and the beautiful music furnished by the Music Department served as an inspiration for all.

Religious Emphasis Week Chairman, Rev. Clay Lee, and the Committee of Fifty that worked for the week's success deserve much credit.

SOPHOMORE OF THE WEEK

Ernest Turcotte

By CARL BROCK

In our modern age of fast moving objects, such as streamline trains, speedy sports cars, atomic submarines and supersonic rocket ships, we come across a modern young man with the swift, winged feet of Mercury.

Probably the longest time that he ever spent in one place was in this interview in which we had to guard him closely for fear that his restless, robust energy would get the best of him.

ERNEST TURCOTTE

Here, briefly, are highlights of the events in Ernest Turcotte's life as the **HINDSONIAN** crowns him Sophomore of the Week.

Ernest was born in Vicksburg, Mississippi, on January 12, 1937. He grew up in Vicksburg, played, worked, and went to school there, and Ernest is proud of his home town. Vicksburg is proud of him, too, and admires the outstanding record that he has made as an athlete.

During his athletic career at Carr Central High School Ernest was awarded 10 letters — in football, basketball and track.

On the first of April in 1952 he was introduced to track. His eagerness to learn, and the challenge to become a perfectionist in whatever he did, made him a winner. In 1953 he won first place in the 100 and 220 yard dash, and the 880 yard relay at the District Six track meet.

In this, his sophomore year in high school, he was also secretary-treasurer of his class.

In his junior year, 1954, Ernest's team won the district 880 and broke a record in the mile relay. He also placed third in the state in the class A-AA 880 and the mile relay. In the Big Eight he was third in the 880 and fourth in the mile. On top of all this, he followed the season through by playing football and basketball.

1955 — this was a big year for Ernest Turcotte — this was his senior year. There didn't seem to be enough time to do everything that he wanted to do, but he was determined to do all that he could. This was the year that the track star with the grey eyes and brown hair earned the titles of "Mr. CCHS," "Most Versatile," "Cutest Boy," and tied for "Best Boy Athlete" in the "Who's Who?" contest. Ernest was elected captain of the basketball team, and in football was switched from his regular position as guard to left-halfback.

He came very close to playing on the Big Eight basketball team, but missed it by one vote.

Big Eight track saw him come in third in the 100 and 220 yard dash, and in the 880 and 440 yard relay. In the state A-AA he came in second in the 880, and in the District Six track meet he won first place honors in the 880 yard relay.

As if he didn't have enough to do, he was also President of the Key Club, Vice-President of the student body, and taught a primary Sunday School class at the Methodist Church. His senior year in high school was brought to a very rewarding close as Ernest received the **Cobb Trophy** for the most valuable player of the year in basketball.

Turcotte selected Hinds for his freshman year and almost immediately became recognized as a valuable athlete by bringing honors to the school in basketball and track.

In the 1956 State Junior College track meet he won the 100 yard dash and tied the 9.9 second record. He also placed third in the 220 yard dash, and was a member of the 880 relay team that set a new record.

"Turk," who stands 5' 10" and weighs 165 pounds, is majoring in accounting during his second year at Hinds. The scoop has it that he knows a pretty good bit about foolin' with figures, too. He plans to go to Mississippi Southern next year where he will undoubtedly participate in track.

His car radio is usually tuned in to some hip-swinging rhythm 'n blues, and his thoughts are always tuned in to chick named Eleanor.

As he streaks on to stiffer competition and greater victories, Ernest Turcotte sums up his own key to success by saying emphatically: "Man, I just like to run. I don't know why it is or what makes me do it, but I just want to run, and run, and run."

Lady, let your handbag be,
 Shove your tray ahead of me;
 Do not stand in reverie lost,
 Choose your salad: fruit or tossed;

Can't pick up that roast beef yet?
 There's a halibut croquette.
 Fifty cents, it is no joke;
 Navy, kidney, or green beans,
 Turnip, beet, or mustard greens,
 There's a ringing in my head,
 Lady, white or whole wheat bread?

Trays are heavy, breathings fast,
 And the dessert is not yet past,
 I'm so hungry—lemon pie—
 Lady, let it catch your eye—
 Or that pudding soft as silk—
 Lady, coffee, tea, or milk?

Film To Conclude Study Of Alcohol

Showing the film, **Far From Alone**, starring Ron Hagerthy and Sally Fraser with a cast of distinguished artists, will climax the series of studies of alcohol begun Monday night on the campus.

Directed by Rev. J. S. Connor, supervisor of the alcohol studies in the state schools, the series extends through two more Monday night sessions.

The film to be shown October 29 makes an intelligent approach to the problem of drinking.

Showing the social pressures causing young people to drink, and setting forth reasons for not drinking, the ways of successfully resisting pressures, the story revolves about a TV program, a football captain, coach, and campus friends.

Produced in Hollywood, the film is thought-provoking; and it stimulates group discussion wherever it is shown.

Appetizing Food Invites Diners Daily Local Staff of Employees on Duty

By RAMONA SARTIN

Have you, as an individual, ever stopped to think just how much daily work is connected with the college cafeteria, or any cafeteria as a matter of fact, although we are primarily concerned with Hinds'.

There is a menu to be planned each day (changing in variety daily), the food must then be cooked which also requires a good bit of time, and after serving about 1400 students each day, guess what comes next? Yes, of course—washing the dishes. Just think of how many dishes are washed each meal in the cafeteria. That in itself is a very big job.

The food is excellent, well prepared and attractively served. A well-balanced meal awaits us each time we enter to eat; and all re-

spect is due the dietitian, Mrs. Marian J. Welch, and her assistant, Mrs. Ruby Berryhill, who plan the balanced diet. To them we owe a very big "thank you."

Everyone inquires for and quickly learns the beaten paths leading to that great old eating place. Once inside, the aroma of good "home cooked" foods reaches our nostrils and whets our appetites. Surely we are a noisy group, but we are impatient to consume quantities of food.

The huge building stands invitingly in the center of our campus. The interior is spacious, beautiful, yet sensibly decorated, with the right atmosphere to make each individual feel at home, even to the tables and chairs, so arranged that a person can eat alone with his closest friends, yet still be a part of Hinds' great family.

The cafeteria and the corps of workers in the cafeteria are serving the best foods possible for the funds available. Every member of our vast student body and teaching staff praises those that so loyally prepare and serve our three square meals each day.

As we pause each day to give thanks to God, say a kind word for the people who prepare our food. Even personal thanks to the dietitian and the employees might well be worth your time and effort.

Hinds Edges Warriors 14-12

Invade Wesson Friday For Sixth Encounter

Despite a tremendous passing attack, the Hinds Junior College Eagles ground out a 14-12 victory over the East Central Warriors of Decatur Saturday night.

Since the Ole Miss-Tulane game is in Jackson Saturday night, Hinds will play the Copiah-Lincoln Wolves Friday night at Wesson.

Coach Red Mangum's Wolves have lost only one game this season and still have hopes of sharing the state championship honors. The Eagles, coached by Joe Renfro and Frank Young, will enter the contest with a 3-2 record.

Hinds and Copiah-Lincoln are possibly Mississippi's two greatest junior college arch-rivals, although the Eagles have chalked up an 8-2 record in the last decade over the Wolves. In last week's tilt the Eagles found the Warrior opposition rougher than had been anticipated.

With eight minutes remaining in the first stanza quarterback Melvin Champagne circled wide to left end to score the touchdown from the one.

Andrews' kick was good to put the Eagles out front 7-0.

East Central's Halfback, Billy Majure, chose right tackle to score on from the one in the second stanza and Majure's kick was blocked.

Pete Gray, Eagle fullback, plunged the line for the second Eagle tally in the fourth quarter.

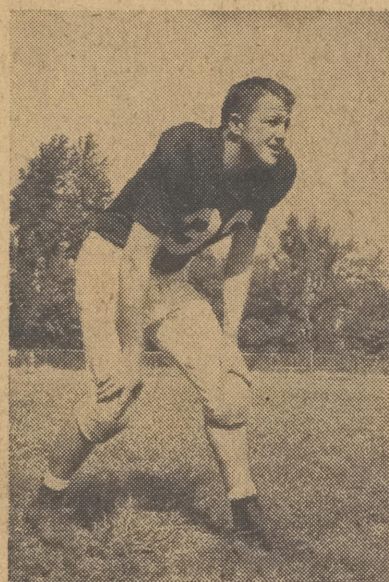

Hal Battle's kick split the upright beautifully.

The last score of the game came when Kenneth Duagin of the Warriors plowed up the center from the seven.

The try for the extra point by Majure was again blocked.

Flora Lions Drop Baby Eagles, 19-13

Hinds Hi Squad Seeks Second Victory

Depressed over recent losses, the Hinds High Eagles will travel to Jackson Friday night to settle a dispute between the Baby Eagles and the St. Joseph Rebels.

The Rebels have big plans for Coaches Louis Boteler and J. J. Mason's crew in the St. Joseph homecoming this week.

Coach Bill Raphael's squad spoiled the Hinds High homecoming last year by a 46-6 slaughter. This year the Rebels are undefeated while the Baby Eagles have a 1-3-1 record.

A small diminutive Flora team that averaged 140 pounds sent the Hinds team that averaged 170 pounds home with the short end of a 19-13 score last Thursday night.

Halfback Carol King and Quarterback W. L. Anderson tallied once each for the losers and Guard Jimmy Chapman booted the extra point.

On Tuesday the Baby Eagles battled Mississippi School for the Deaf to a 20-20 deadlock.

RECEIVES INJURY, Hal Battle received an injured arm in practice Monday afternoon and will not see any more action this season.

Southern Way Of Life At Stake

America was founded upon a strong local self government and the belief that all men are created equal with individual rights.

The two major political parties in America today, the Republican and the Democratic, have long since drifted from this philosophy. When both major political parties have adopted a platform with identical beliefs that will tear down our Southern way of life, then it is time for the South to stand up and be counted.

Mississippians'

States' Rights

lost our last vestige of states' rights.

Our forefathers and fathers shed blood, sweat, and tears that we might continue to have liberty, justice, and equality in this land of ours. The South's constitutional liberties, states' rights, and individual freedoms are at stake in this presidential campaign.

Therefore, it is our belief that the "independent slate of electors" in Mississippi, known as Mississippians for States' Rights, is the people's best choice.

The Mississippians for States' Rights are pledged to the preservation of our Southern way of life and the protection of the white civilization in the South.

Neither major party offers the South any hope for the future.

A Message From Dean M. F. Herring

Time, the most precious possession known, is being misused and wasted daily on our campus. This is shown by the records of the students who cut classes. These students need desperately to realize the importance of attending classes regularly. Particularly they need to realize that to miss assembly, P. E. and English is more than cutting class — these subjects are required for graduation, and to continually miss these classes might eventually mean their dropping out of school.

Extra work, the formation of a bad habit, retardment in classroom discussion, poor grades—all these accompany continuous needless absence.

Perhaps it is useless to tell pleasure-hungry students the importance of their attendance. They listen, perhaps laugh, and continue trading their once-in-a-lifetime opportunity for an afternoon of loafing, riding, or what-have-you.

There is nothing so tragic as the youth who has sold himself to the goddess of pleasure.

High soars the Eagles ever true,
 Big hearted in the things they do.
 Red and white our colors be,
 How we fight for H. J. C.—

These inspiring lyrics are a part of the Alma Mater that was sung for many years on the Hinds Junior College campus. They were composed and set to music by the mother of this week's Sophomore of the Week when she was a student music major on the Hinds campus.

JO ANNE NUTT

In the *Hindsonian* spotlight this week is a very lovely brown-eyed co-ed whose father was once a mathematics professor at Hinds. Mississippi's historic Old Vicksburg takes great pride in claiming this very versatile and talented young lady, Miss Jo Anne Nutt. She is a first semester sophomore

From Our Readers

Dear Editor:

I would like to ask the students of Hinds Junior College a question. Has anyone noticed the cheerleaders during our past football games? The way they cheer at the wrong time, that is, when they do favor us with a cheer. On certain occasions, there has been a group of students that have cheered more than the cheerleaders.

They have no conception of cheering courtesies. It seems to me that their main objective in a game is to flirt with the male members of the opposite cheering section, or just to have a good time. They don't seem to realize the responsibility that goes along with being a cheerleader.

But when it comes time for the glory part of the event, they want to be right up in front to receive all the credit. I'm referring to the Jones game parade.

As far as the girls personally or individually go, they are five of the sweet and charming young ladies in school, but when it comes to a group such as cheerleaders, a change is definitely needed. I sincerely hope to see, as a result of this article, a great improvement in their conduct this Saturday night at the Holmes game.

—Wally Adams

at Hinds and will complete her work next spring.

Our versatile and reliable sophomore of the week was born in Vicksburg on January 2, 1938, and has lived there all of her life. She was the first baby born in the Hill City in 1938, it is interesting to note, and therefore was crowned "New Year's Baby" on the first day of her life. Jo Anne lives on Confederate Avenue in the Vicksburg National Military Park with her mother, Marie, her father, J. Noel Nutt, who is Warren County's Superintendent of Education, and her three younger sisters — "My three ring circus," says Jo Anne.

Jo Anne graduated from Carr Central High School in May of 1955. While there she was an active participant in anything that had to do with music, dancing, and dramatics. She sang in the Girls' Sextet, the Glee Club, the A Capella Choir and in her junior year she was a member of the Operetta "Meet Arizona."

Her talent as an actress was shown in her senior play, and her interest in creative writing was spurred on by three years on the Tatler staff. Jo Anne's vivacious school spirit and wonderful loyalty must have had its beginning when she became a cheerleader during her senior year in high school. The annual Carr Central "Who's Who?" contest tagged her "Cutest," "Wittiest," and "Biggest Flirt" although she is not very pleased with the last title. She also made the honor roll "once or twice."

In her freshman year at Hinds she describes herself as "typically lost and green." During this year she appeared in two productions of the Lendon Players—*Stage Directions* and *Glass Menagerie*—was a member of the famed Hi-Steppers, the Newman Club, and the A Capella Choir.

Jo Anne's previous experience and instruction in dancing came in handy as she joined the Hi-Steppers in the fall of 1955 just in time to perform in the All Star Football game in Jackson. "I love being a part of the Hi-Steppers—every minute of it!"

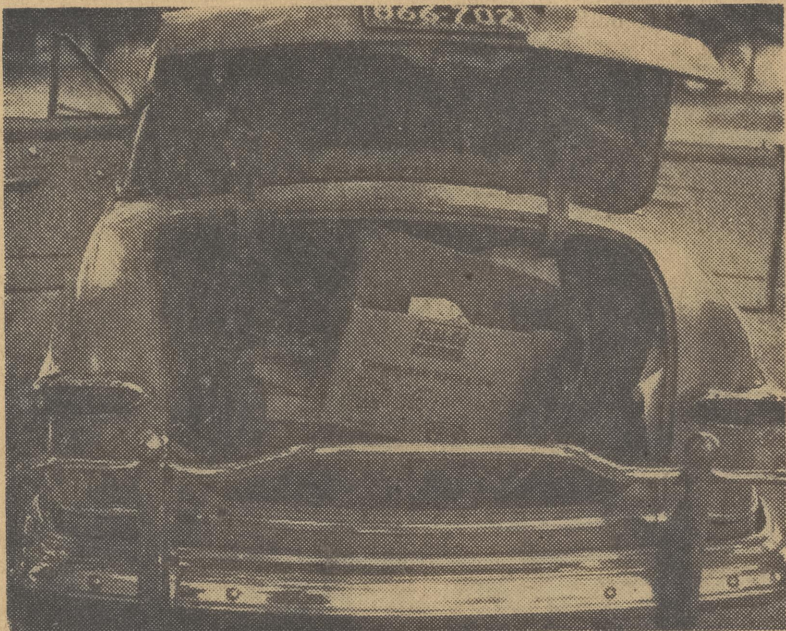

Always busy, she has found time to travel to such interesting places as Atlantic City, New York City, and Chicago, at different times during her 18 years. Now, as a sophomore, Jo Anne is a hard working instructor and member of the Hi-Steppers, and is also in cast as Joyce Hudson in the Lendon Players' forthcoming production of *Magnificent Obsession*.

As for the future, our lovely, brown-haired Sophomore of the Week would like to follow in her father's footsteps and become a teacher. She is studying elementary education, but as yet wants no career but a home and a family.

It is quite evident that your reign in our place of honor will be the beginning of a very successful future. Hail, Queen Anne!

NIGHT WATCHMAN, Mr. F. M. Herron, is shown with two of his friends as he makes his 4056th consecutive night watch over the Hinds Junior College campus.

BOZO was stolen from the above pictured car trunk last Thurs. night about 10 o'clock. Bozo, the traditional symbol that represents school spirit at Hinds, was stolen by students of Holmes Junior College. Amos Jack Gray, president of the sophomore class, received a letter this morning saying that Holmes definitely swiped the coveted iron elephant. Hinds plays Holmes Saturday night.

Night Watchman Serves Faithfully

By MARILYN PHILLIPS

"Watchman, tell us of the night, What its signs of promise are—"

For 4,055 consecutive nights, Mr. Fitzhugh M. Herron has been on the job at Hinds Junior College keeping careful watch over people, buildings, and activities on the college campus.

A man of integrity, friendly personality, and pride in his work, Mr. Herron is now in his twelfth year as college night watchman.

His home is on the college campus with his wife and 13-year-old son. Other members of his family are two married daughters, a married son, and eight grandchildren.

Mr. Herron soon comes to know the students personally — boys and girls — as each new group enrolls. And students soon get acquainted with him and with his favorite dogs.

About six o'clock every evening, with his cane (not used for walking), a blonde cocker, "Honey," and policeman equipment, Mr. Herron appears on the campus. He mingles with students — you see he likes young people — he visits the grill, and jokes with individuals about boy friends or girl friends, as the case may be. He knows if bus loads of students are away, and what student groups may be out of their dormitories working, practicing, or partying. He even

knows which students work regularly at night in the library.

As the hours tick away each evening, he locks more than two dozen doors, and turns off varying numbers of lights no longer needed.

Late-comers who wish to be admitted to one of the girls' dormitories learn that they must have proper credentials. They learn that our smiling night watchman is also a man of dependability, one who expects students to do the right thing.

It is interesting to note that this genial man was for approximately four years the prison guard at the Hinds County Farm before joining the college staff.

As the evening wears on for the night watchman, more dogs join in the nightly rounds — two big boxers, a collie or two, and a black cocker take up voluntary guard duty, having found in Mr. Herron a kindly companion to walk with.

What time does the working day end for the night watchman? Well, that's a professional secret.

Tomorrow, God willing, Mr. Herron will experience his 4056th day-break on his Hinds Junior College campus rounds.

"Watchman, tell us of the night Traveler, darkness takes its flight!"

HINDS NEW FACULTY

Mr. and Mrs. James L. Reeves

Recent additions to the college music staff are Mr. and Mrs. James Leslie Reeves.

MRS. JAMES L. REEVES

Mr. Reeves, from Brookhaven, is head of the voice department. Besides private lessons, he teaches some piano, and directs all the choral groups of the college division.

He has a B. A. degree from Millsaps College, and a M. A degree from Teachers College, Columbia University, and he has had training under the artist-teacher, William A. Zerffi of New York.

Mrs. Reeves is from Jackson. Her

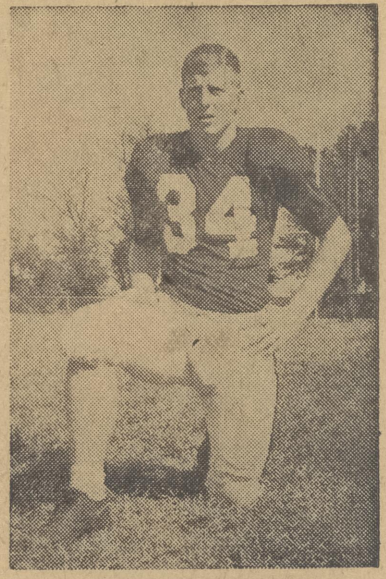

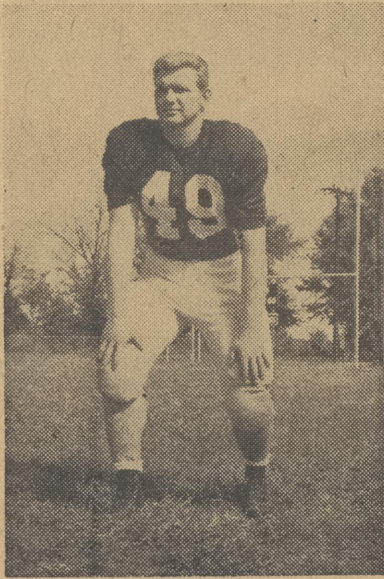

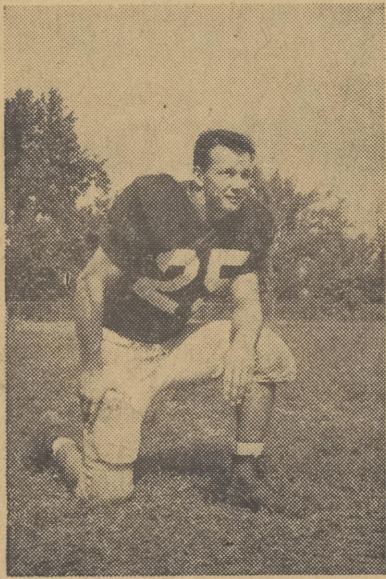

college work was done at Mississippi College, and her graduate study at Southwestern Baptist Seminary, Ft. Worth, Texas, where she earned her Master's degree in the field of sacred music. She too, had private lessons under Zerffi at Columbia University.

At Hinds, Mrs. Reeves teaches voice, and directs the high school chorus. She is director of the choir at the Raymond Methodist Church.

She and Mr. Reeves with their nine-month old son, Jay, are at home in a faculty apartment on the college campus.

YEARNING FOR BULLDOG MEAT are four Hinds Junior College gridiron performers that will see plenty of action Saturday night when the Eagles invade Goodman for a clash with Coach J. W. Patrick's Holmes Bulldogs. Pictured left to right are: Halfback Bobby Young, Quarterback Melvin Champagne, Tackle Wimpy Martin, and End Homer Boyd. The above four gridders have played a vital part in the Eagles' 4-2 record thus far this season. Young is from Clarksville, Tenn., Champagne hails from Houma, La., Martin represents Forest Hill, and Boyd is a native son of Raymond. Martin and Boyd are freshmen and Champagne is a senior in high school while Young is a sophomore.

HAPPY HINDS—Hinds players happily undress after edging past the Copiah-Lincoln Wolves 14-7 last Friday night. St. Joseph Blanks Hinds Hi; Bentonia Plays Here Friday

Anding Wolves of Bentonia move in Friday night to furnish the Hinds High Eagles opposition in their homecoming battle.

Last week the St. Joseph Rebels blanked the local gridders 21-0. It was the fourth loss of the season for Coach Louis Boteler's Baby Eagles.

Friday night the Eagles will be gunning for their second win of the season. The Eagles have lost to Puckett 13-12, Flora 19-13, Utica 13-7, and St. Joseph 21-0. They tied Mississippi School for the Deaf 20-20 and defeated Satartia 38-25.

Starting for the Eagles in the homecoming game will be: Ends, Joe Milano and Dalton Thames; Tackles, Bobby and Donny Sheffield; Guards, Johnny Oberhausen and Buster Brewer; Center, David Ware; Quarterback, W. L. Anderson; Halfbacks, Dickie Osborne and Carol King; Fullback Bill Ferguson.

Athletic Members Elect Four Ladies

Four freshman girls were elected to the Women's Athletic Association council in an election Tuesday, conducted by Mrs. Anne Gookin, Hinds physical education instructor for girls.

Ann Boyd, Regina Godley, Iris McKay, and Louise Earnhart were elected to the positions over Docie Joyner and Linda Middleton.

Main dormitory topped Westside last Thursday night by a 4-2 margin and the second field hockey game was played this afternoon. Betty Williams garnered three points for the winners while Jean accounted for one. From Westside Jane Pickett and Regina Godley chalked up one each.

Girls still in the tennis tournament are: Bobbie Noland, Alice Waltman, Sherrill Weathersby, Louise Earnhart, Bobbie Twiner, Wanda Wortman, Melanie Matthews, Barbara Cline, Jeanette Mahaffy, Jane Pickett, and Regina Godley.

Local Gridders Clip Copiah-Lincoln Invade Holmes For Saturday Contest

A 12 yard pass from converted nitely be out for the remainder of the season. Quarterback Chris Andrews to Halfback Joe Campbell in the last quarter gave the Hinds Eagles a 14-7 victory over the Copiah-Lincoln Wolves Friday night.

This week Holmes Bulldogs looms as the Eagles' rugged opponent. The Bulldogs will be celebrating homecoming Saturday night when the Eagles invade. Coaches Joe Renfro and Frank Young were depressed over Saturday night's game early this week with injuries on the team. Tackle Red Fuller has a pulled cartilage, Quarterback Chris Andrews is suffering from an infection due to a bruised shin, and Halfback Richard Hunt received rifle bullet wounds while hunting last Sunday and will defi-

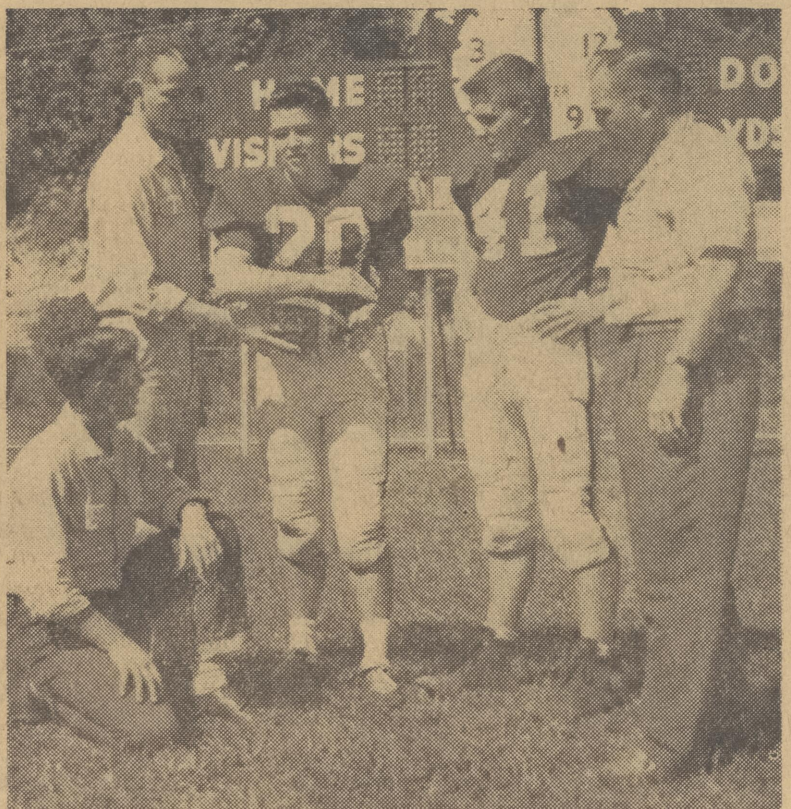

In the Eagles homecoming last year Hinds blasted the Bulldogs by a 39-6 margin.

The brilliant Eagle backs received a Wolves' punt on our own 41 midway in the initial stanza. Hinds speedsters coupled forces to reach the five in seven plays.

From that point Campbell made the score 6-0 and Andrews booted the extra point.

Quarterback Frank McGaughy scored for Co-Lin from the four.

After two quarters of tied playing, with fourth down and 12 yards to go Andrews flipped to Campbell, in the end zone. Again Andrews extra point was good. The Eagles lead 14-7 with 2:32 on the clock.

THERE'S ONLY ONE CORRECT way to hold the pigskin is the expression from Assistant Coach J. J. Science Structure Underway

THE ARCHITECTS' PICTURE of the new Hinds Junior College Science building is shown above. This new one story science building, modern in every respect, is slated for the initial ground breaking about January 1.

Hinds' Penny Fair Carnival To Be Held On November 13; Young Women's Association Reveals Committee Members

Plans have been completed and committees have begun on the campus work for the Penny Fair Carnival to be held Tuesday, November 13, from 4 to 7:30 p. m.

Classes are to elect their candidates for king and queen of this annual festival, and campaigns will begin immediately after election. Votes are a penny each. The precincts will close about 6:00 o'clock on the date of the festival.

An entertaining floor show is being planned and there will also be booths to keep students furnished with wholesome fun and enjoyment.

The annual Penny Fair is a project of the Y. W. C. A., sponsor of this festival. Its chief purpose is to furnish wholesome entertainment with food, fun and fellowship for all who come from campus and community.

The proceeds go to the maintenance of the Y. W. C. A.'s yearly budget. In addition, the Y. W. C. A. makes a large contribution to the World University Service which is distributed to students in

need around the world.

Committees have been announced by Jane Pickett, president of the Y. W. C. A. The four main committees include floor show, decorations, publicity, clean-up and booth. The floor show committee is headed by Marilyn Simmons and consists of Marion Wood, Sara Bowie, Sharlotte McClurg, and Carolyn Barton.

Rose Shaw is chairman of the decoration committee. Members of this committee include Lillie Meadows, Kay Tanksley, Marilyn Phil-

lips, Regina Godley and Leverne Barlow.

The publicity committee includes Barbara Yarbrough and Florence Hearn.

The clean-up committee includes Martha Fugate and Jean Little.

Chairman of the booth committee is Nan Ertle; and members of this committee are Dot Ann Pickett, Catherine Owen, Fay Tanksley, Martha Ann Smith, and Billie Kelley.

The Y-Teens will be in charge of the food for the evening.

Frosh To Elect Officers Thursday; Cox, Tingle In Second Primary Race

Polls will open tomorrow morning at 10:20 in the administration building and close at 1:45 for the second primary run-off of freshman class officers.

In yesterday's first primary Tommy Ray Cox of Bolton and Billy Tingle of Vicksburg led the president's ticket and will be in the run-

off tomorrow.

John Dee Greathouse and Shirley Ferguson are seeking the vice-president's job. Remaining in the second primary race for secretary are Nancy Carter and Jimmie Ruth Hawkins.

Freshmen will decide between Joy Zeringue and Myrna Loy Stuart to serve in the treasurer position.

Ground Breaking Early Next Year

Science-minded students entering next fall will work in one of the most modern and best equipped science buildings in the state if plans now maturing are completed on schedule.

Architects Liddle and Henry have finished the blue prints for the building which will accommodate the biology, chemistry, and physics department. These have been delivered to the building commission. The bids for construction will be placed by the college board of trustees probably this month. Actual construction is to begin in January.

Science lecture rooms are planned as follows: for biology, 64 elevated seats, and ample space for demonstrations and use of films; the chemistry and physics lecture rooms will be similarly equipped.

Laboratories, large and well lighted are planned for biology, organic and inorganic chemistry, and physics classes. The organic chemistry laboratory will have desks for 36 students, and will be equipped with two fume hoods. The inorganic laboratory, similarly equipped, will accommodate 194 students.

Store rooms adequate for each laboratory are in the plans.

Other rooms planned are offices for instructors of agriculture, biology, and chemistry; library, audio visual storage room, balance room, dark room, and rest rooms.

Forced draft heat and ventilation will be furnished by a central heating plant.

A green house to be located near the building for the use of agriculture and biology classes.

THE FUN OF A PICNIC is seen from the above photos. These shots were taken at the picnic given by the college at Raymond lake last Tuesday night. HINDS NEW FACULTY

Mr. J. C. Canon, Mrs. Virginia Riggs

Two new additions to the Hinds Junior College faculty this year are Mr. J. C. Canon, coordinator of a special project for the deaf, and Mrs. Virginia Riggs, assistant librarian.

J. C. CANON

The project that Mr. Canon is in charge of is a coordinated effort of the college and the Mississippi Department of Vocational Rehabilitation.

A native of Kosciusko, Mr. Canon received his B. A. degree from Mississippi State College.

He attended Gallaudet College, Washington, D. C., a national college for the deaf which is supported by the Federal government, as a fellowship student. His graduate work was done at the University of Texas.

Prior to coming to Hinds, he taught at the Missouri School for the Deaf, the Colorado School for the Deaf, and he was principal of the Mississippi School for the Deaf.

He was instructor in the Aural Rehabilitation Program of the United States Army at Santa Barbara, Calif.

Mr. Canon is a member of the Mississippi Education Association, the Convention of American Instructors of the Deaf, Pi Gamma

Mu, and Delta Tau Delta. He is a member of the Methodist Church.

With regard to the special project on the campus, Mr. Canon has this to say: "We find that everyone—the faculty and the students—have been most cooperative and willing to help in this project."

Mrs. Riggs is a native of Tchula, Miss.

She received her B.A. degree from Millsaps and earned her M.A. degree at the University of Denver.

Starting her teaching career in 1940, Mrs. Riggs selected Utica where Dean M. F. Herring, Hinds' Dean of Instruction, was superintendent.

While showing the Miss Virginia Mayfield about the campus at Utica, Mr. Herring introduced the new English teacher to Mr. Marvin Riggs as the history bachelor on

MRS. VIRGINIA RIGGS

the campus.

Sixteen months later in January 1942, he became a benedict and she became Mrs. Marvin Riggs.

Mrs. Riggs taught two years as English instructor and was librarian for six years at Sunflower Junior College.

For the past two years the new assistant librarian was librarian at Central High School in Jackson.

Vocational Department Exchanges Instructors With Industrial Leaders

Twelve new students have enrolled in the Hinds Junior College vocational department since October 1 for various technical trades, according to Co-ordinator Walter H. Gibbes.

This past week arrangements were made whereby all vocational students may receive special training in both technical math and mechanical drawing. This is a new benefit for vocational students.

Arrangements were completed, following visits to the college and to the vocation program by several representatives of industries in the Jackson area, where two of the

college instructors will go into the industries five days a week and teach the personnel in the industries four different classes, two in technical math and two in technical drawing.

Included in the drawing classes will be regular mechanical drawing, blueprint and reading. Instructors for these classes will be Mr. Wallace Wall and Mr. E. L. Booth.

"This is quite a step forward in the field of vocational education," declared Mr. Gibbes. "It is an achievement for the college and the vocational department."

Six Y-Teen Girls Go To Area Meet

The Hinds High Y-Teens was represented with six delegates at the area IV conference in Canton this past weekend.

Girls that participated in the fall conference were Lou Ann Carter, and Nancy Chapman, night delegates; Betty Denton, Katie Houston, Betty Jo Clement, and Margarita Morris, day delegates.

The slogan of the meeting was, "Chart your course." Each girl that attended the conference participated in different classes and discussions.

Officers of the Y-Teens are Nancy Chapman, president; Barbara Smith, vice-president; Lou Ann Carter, secretary; Dorothy Brock, treasurer; and Linda Herrington, reporter.

Mrs. Jack Combs of the music department is sponsor of the club.

Twenty Four Students Take Test

Twenty-four students voluntarily cooperated recently with the national testing division of educational testing services, and spent hours in completing two tests — the cooperative school and college ability test, and the sequential test of educational progress, tests named for short, SCAT and STEP.

Random sampling selections of students over the country are being used to establish norms in ability and progress.

Carl Brock Breaks Bigotry In Picnic

By FRED BROOKS

In the Vicksburg Little Theatre Guild's presentation of *Picnic* last week Carl Brock, a Hinds Junior College sophomore, proved to be a polished actor in his portrayal of Alan Seymour, a rich business man's son.

Carl was especially good in the scene where he broke away from his tolerant attitude toward his friend and former college roommate, Hal Carter, and took on a bigoted air. Later in the play he makes a good transition back to his former attitude.

Carl's voice, stage movement, and interpretation of lines were of continuous pleasing quality.

Ten members of the Landon Players, along with their sponsor, witnessed the presentation last Tuesday evening.

Students taking the test were: Michael Logan, Charles Loyd, Tommy Lynch, John McDonald, Ethel McIntyre, James McNair, Jack McRae, Shirley Little, Sharlott McClurg, Jeannine McGuire, Iris McKay, Mae Mathes, Ed Loflin, Jan Loflin, James Lowry,

Glen McClelland, Joseph McCormack, Karie McDonald, Earl McFeaters, Mary Jane Loper, Mona McClurg, Lavelle McLendon, Pat Magee, and Jeanette Mahaffey.

Eight Hinds 4-H Girls Earn Awards For Winning In State Competition

Eight 4-H Club girls from the Hinds club have turned in top performances this year, according to Miss Mary Jane Hall, Hinds County Home Agent.

Melanie Matthews, who is president of the Hinds County 4-H Council and president of the Hinds County 4-H Honor Club, was a delegate to the National 4-H Citizenship Conference in Washington, D. C. in September. She has been selected as district winner in Leadership and will attend the State 4-H Club Round-up in Jackson on November 13 and 14.

Anita Jones, winning five ribbons in canning, craft, flower, and dress revue exhibits at the Mississippi State Fair, is a member of the Vegetable Judging team that placed first in the state contest and participated in the national contest in Atlanta, Ga., on December 10-13. She also won \$100.00 as a member of the team.

Sarah Smith entered the personality improvement contest and exhibited flowers at the state fair. She led the singing for the Mississippi Women's Cabinet.

The first place winner in the Dairy Foods Demonstration, State 4-H Club Congress, Mary Glynn Beasley has exhibited poultry at the state fair and district shows. Mary Glynn will receive a watch for her dairy food work.

Nancy Chapman, a member of the Dairy Foods Team Demonstration that won the top honors at the fair, will also receive a new gold watch.

Dorothy Brock, who is a district officer in the Mississippi chapter of the Junior Vegetable Growers Association, is a member of the team to make the trip to Atlanta, Ga., on December 10-13. Besides winning \$10 as the fourth highest individual in the state, she will receive \$100 as a member of the

team. Dorothy led the singing for the Mississippi Women's Cabinet.

The 1956 District Garden winner titles goes to Winnie Lou Smith, who exhibits prize flowers at the fair each year. The third member of the state winning vegetable judging team, Winnie will make the Georgia trip and receive \$100 in cash.

A former Hinds student, Mary Will McKenzie, is Mississippi's 1956 State Achievement winner and will receive an expense paid trip to National 4-H Club Congress in Chicago the latter part of November.

Mrs. W. M. McKenzie, one of Hinds' English instructors, is the sponsor of the club.

Hinds Student Draws Odd Pictures With An Artistic Hand, Critical Eye

By CARL BROCK

A few evenings ago on the Hinds campus as the night settled down to the marvelous wonder of nature, a light from the art department in the Administration Building became visible, penetrating into the darkness.

Inside, sitting alone, bent in silent, earnest work over his drawing board, unaware of the rain outside, unaware of the approaching darkness, was an artist who was very unconcerned about the weather or what time of day it was.

The master of these artistic hands tilted back in his chair, surveying his work with a critical eye. His brow wrinkled and his jaw became square-set as he fell into contemplative thought. After a moment his eyes lightened, his forehead smoothed, and he reached out at the picture with a quick

movement of his thumb, transforming a tiny, almost unnoticeable, harsh line into a beautiful blend of color.

BOBBY TICKELL

As he began putting his drawing board and colors away for the night, Bobby Tickell looked more like the ex-Marine that he actually was than a man endowed with the wonderful power of artistic creativeness. For, within the hands of this one-time leatherneck who was torn between heaven and hell in the sub-zero temperatures of that no-man's land called Korea, is the power to create or destroy; to turn sadness into happiness; to bring light into the darkness.

Bobby, a husky, broad-shouldered fellow of 23, is a familiar sight during his spare moments around the Hinds campus either downing a couple of cups of coffee or brushing up on his favorite artist, Rembrandt.

STRIVING FOR RECOGNITION

Bobby Tickell was born with the desire to become an artist, and all his life he has been striving for recognition. His sensitive fingers are usually occupied pushing a pencil, whether developing their skill or just doodling. Only once in his life did there come a time when it was too late for drawing. That time came in Korea when a man's best friend was his rifle.

As a person who takes great pride in whatever he does, Bobby Tickell should go to the top in his chosen field. It shouldn't be long before he obtains the recognition that he is so earnestly searching for.

Young Ladies' Club Plans Year's Work

The Young Women's Christian Association Cabinet, meeting in Westside Dormitory last week, made plans for general meetings of the YWCA.

Participating in the meeting of the cabinet were the following members: Jane Pickett, president; Betty Crockett, secretary; Nan Ertle, treasurer; Billie Kelly, social chairman; Marilyn Simmons, World Relatedness chairman; and Martha Fugate, campus chairman.

Miss Gertrude Davis, who is Dean of Women at Hinds, is faculty sponsor of the YWCA.

Citizens' Councils Hear Eagle Band In College Auditorium Tuesday Night

Hinds Junior College's marching and concert band played at the Citizens Council rally in the Hinds Junior College auditorium last night before a large crowd.

Congressman John Bell Williams was the guest speaker at the rally.

Directed by Mr. Albert Rowan, the band has presented half-time shows at every football game this season and band members are working on a new show for Saturday night.

The band's last football performance was at the half-time of the Holmes' game last Saturday night. Developing a Halloween theme, the band played "Peter, Peter, Pumpkin Eater," "The Wallflower," "Shake, Rattle, and Roll," and "When the Saints Come Marching In."

The Hi-Steppers, dressed in orange and black, accompanied the band with tambourines.

Band members possessed penlights as they shaped a triangular formation. Completing the Hallo-

we'en theme, the group marched off the field to "Tricks or Treats."

During Holmes' half-time performance, members of the Hinds band aided the Holmes twirler in her "fire baton" act with their penlights.

Local Instructors Represent College

Prof. A. L. Denton, guidance instructor, and Prof. Aubry Lucas, reading instructor, represented Hinds Junior College at the annual fall conference of the Mississippi Guidance Association last Saturday in Jackson.

The program consisted of panels and discussion groups. "Techniques for Involving the Faculty in the Guidance Program," and "Vocational Education and Guidance," were the two main topics discussed.

Mr. Denton, who is a member of the executive committee, helped plan the conference.

Main Girls Wallop Westside Lassies For Second Game

For the second straight time in as many weeks, the girls from Main Dormitory smashed the Westside lassies 7-4 last Wednesday afternoon in a field hockey game.

Dominating play for the winners were Ruth Martin, Lillie Mathes, Sherrill Weathersby, and Betty Jo Williams. Although losing, Westside's top performers were Regina Godley, Wanda Lou Wortman, Alice Ann Walton, and Marilyn Simmons. The two teams will meet this week in a speedball game.

Speedball is a new game being introduced on the campus. The contest is played like soccer and basketball, however the points are scored like football.

Hinds High Blanks Bentonia Gridders Play Away Friday

The curtain will close on the 1956 gridiron season for the Hinds High Eagles Friday night when the Eagles travel to Byram to meet their intra-county rival in what promises to be a top-notch battle all the way.

Posting their second win of the season last Friday night over the Bentonia Wolves, Coaches Louis Boteler and J. J. Mason topped off a beautiful Hinds High homecoming by mauling the visitors 26-0.

At the halftime activities Miss Velma Ruth Hand was crowned the 1956 homecoming queen by captains W. L. Anderson and Bobby Sheffield.

Halfback Carol King tallied in the first quarter for the home standing Eagles to lead 7-0 at the intermission. Guard Jimmy Chapman kicked the extra point.

Featuring Guard Johnny Oberhausen, Center David Ware, Tackles Donnie Sheffield and Jimmy Jackson, and End Dalton Thames for the Eagles, the Bentonia club was unable to reach pay dirt.

Quarterback W. L. Anderson rallied twice in the third stanza on a right end run and once on a pass from Quarterback Doyle Ray Whitehead.

Fullback Bill Ferguson chalked up the final points for the winners with a score in the final period and Chapman's placement was good.

Coach Boteler says nothing would suit him better than to down Byram Friday night.

LOVELY MARILYN GRAVES, Miss Typical Teenager of America, now a senior at Mississippi State College for Women, has been named 1957 State Chairman for Teens Against Polio. Giving the Salk polio vaccine is Dr. Shelby Mitchell, Jones County Health officer, and eagerly watching is Terry Tullos of Laurel, who served as National Poster Boy for the 1948 March of Dimes.

Hinds Eagles Humiliate Holmes

GALLOPING PETE GRAY scored the Eagles' initial touchdown standing up last Saturday night against the Holmes Bulldogs. Hinds defeated Holmes 28-10 for their fifth victory of the season.

SCRIBE SPEAKING

Sports Scribblings

By IRL DEAN RHODES

In July the Louisiana Legislature passed an athletic segregation bill that will:

"Prohibit all interracial dancing, social functions, entertainments, athletic, training, games, sports, or contests, and other activities involving social contacts in which

the participants or contestants are members of the white and Negro races."

The bill was signed by Governor Earl Long of Louisiana on July 17, and became a law on October 15. It requires segregated seating and "separate sanitary drinking water and other facilities for members of the white and Negro races. . ."

GOOD LAW

Personally, we feel it is a good law. It is proof that the South is

for segregation and will not compromise for the pleasure of having larger crowds at the Sugar Bowl game and, therefore, taking in more money. The Midwinter Sports Association, sponsor of the Sugar Bowl, and the Texas league bitterly opposed the bill. Although Governor Long said that the response he had from both sides was about four to one favoring the bill.

On January 1 of this year, we witnessed Bobby Grier, Pittsburg fullback, become the first Negro player to play in the Sugar Bowl classic. Georgia Tech blanked Pittsburgh 7-0 in that tilt. According to some of the opponents of this bill, the Sugar Bowl stands have been segregated before this year. That is an untrue statement because last year on the Pittsburgh side of the stadium black heads could be seen shining everywhere.

Our colored friends will be allowed to attend the Sugar Bowl on a segregated basis. It is true that a colored player will not be able to participate in the game.

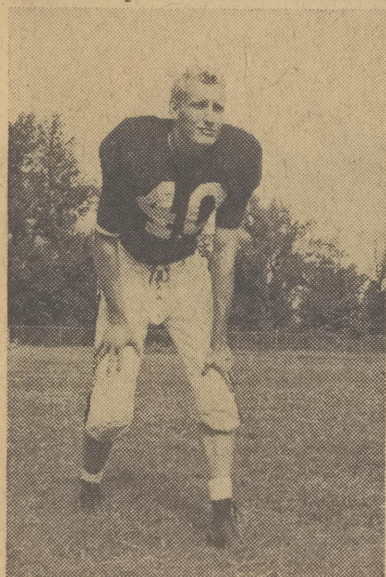

CHANGES IN BASKETBALL

Basketball will be damaged somewhat by the law. Games were scheduled with northern teams that carried mixed squads and now they must be cancelled. Also a basketball tournament with Dayton, Notre Dame, St. Louis, Kentucky, and other major teams participating was being anticipated; nevertheless, it has been cancelled.

Governor Long did state that the bill would likely wind up in court. It is to be remembered that it is law and written law will stand up in court.

Mississippi has never allowed the mixing of sports of any kind. Both boxing and baseball have attempted to invade our Magnolia state but efforts thus far have proved futile on that basis.

It will be interesting to watch the new law that our western out-of-state neighbors have made.

NIMBLE FINGERED End Max Stephens of Jackson will be one of the Eagles' main cogs Saturday night when Hinds travels to Moorhead for a match with the Sunflower Trojans. Stephens is a sophomore at Hinds this fall.

Travel To Moorhead Saturday Night In Last Road Game With Sunflower

Demonstrating ample power and speed, the Hinds Junior College Eagles hit their stride to spoil the Holmes Bulldogs homecoming 28-10 last Saturday night.

The Eagles will turn their beaks to the Delta this week and journey to Moorhead for a match with the Sunflower Trojans.

HINDS IN FOURTH PLACE

Hinds and Sunflower are fourth and fifth in the conference standings respectively. Both teams have won five games with Hinds losing only two, while Sunflower has dropped three.

Last week the Eagles scored against their arch-rival in the initial stanza and Holmes returned to tie the battle 7-7 at the intermission.

"I MEAN HIT" so says Coach Frank Young as he and Coach Joe Renfroe prepare the Eagles for the Sunflower Trojans of Moorhead Saturday night. Coach Young's main reason for wanting the Sunflower victory is that he is a former line coach of the Trojans.

After the nip-and-tuck first half, the Bulldogs went out front on a field goal and Hinds marked up another tally in the third quarter before going on a scoring spree in the final period.

Coach Joe Renfroe and Frank Young's Eagles dominated the statistics.

The first visitor touchdown drive started from the 44. Fullback Pete Gray scored through the line standing up with 8:58 minutes left in the first period. Champagne's placement was good.

A screen pass from James Roberts to Howard Odom for 25 yards accounted for the Holmes score. One-armed Wayne Tatum booted the extra point.

CAMPBELL SAVES TOUCHDOWN

Halfback Jim Heid of the Bulldogs broke loose around right end for an 83 yard run before he tackled from behind on the seven by Joe Campbell. After three plays Tatum kicked a field goal from the nine.

Campbell scored Hinds' second tally from the fourth. Andrews' kick failed.

On the first play in the fourth quarter halfback Chris Andrews went through the line for a 25-yard touchdown. Champagne split the uprights for the extra point.

Holmes centered the ball into the end-zone to give Hinds a safety and go out front 22-10.

BOYD PAVES WAY

The final score came on a pass play from Champagne to Andrews that covered 55 yards behind excellent blocking with Homer Boyd paving the way with the key block.

Class Candidates Compose Royalty For Penny Fair

Getting off to an early start, the high school division elected their candidates Friday for the annual Penny Carnival scheduled for November 13.

College sophomores and freshmen elected their representatives in class meetings Monday.

The following will compose the royalty and court for the event. Which couple will be crowned will depend on the number of pennies cast for favorites before the deadline on the evening of November 13.

Sophomore candidates are Foy Scroggins, Yazoo City; and Bobbie Nell Noland, Brandon.

Freshman candidates are Burney K. ("Wimpy") Martin, Forest Hill; and Sharron Banks, Philadelphia.

The high school division composed of the 11th and 12th grades are supporting as their candidates Joe Milano, Bolton; and Betty Taylor, Bolton.

Last year the freshmen won the election crowning as their successful candidates, "Bear" Bryant of Forest Hill, and Helen Cowart, now Mrs. Sam Melton, of Raymond and Hattiesburg.

Hinds Entertains Jackson Leaders

Hinds Junior College will be host to fifteen business executives and representatives of industry from Jackson next Wednesday.

This day is known as "Education-Business" day, when business men visit schools, and look in on the education of potential workers in varied business and vocational establishments.

The following are the visitors expected at classes, and in the cafeteria as guests of the college: C. R. Raynham, Southern Bell Telephone and Telegraph Co.; R. M. Hendrick, R. M. Hendrick Graduate Supply Co.; Stanley Jones, Allstate Insurance Co.; E. J. Killelea, Merrill, Lynch, Pierce, Fenner & Bean; Earl Berzard, Marks and Neese Advertising, Inc.; E. J. Powers, Knox Glass, Inc.; Don E. Huffman, Colonial Baking Co.; H. S. Owens, Standard Oil Co.; O. F. Eaves, Standard Oil Co.

Charles Scott, R. M. Hendrick Graduate Supply Co.; A. S. Johnson, Southern Bell Telephone & Telegraph Co.; H. F. Tweedy, Southern Bell Telephone & Telegraph Co.; C. J. Jaquith, Southern Bell Telephone & Telegraph Co.; W. F. Ellis, United Gas Pipeline Co.; J. C. Bayles, Filtrol Corp.

This project is sponsored by the Education Committee of the Chamber of Commerce of Jackson.

BULLETIN

President Dwight D. Eisenhower was elected President of the United States for the second term over Adlai Stevenson yesterday.

Eisenhower is on his way to a landslide victory. The president was leading in 41 states at noon today and his margin is expected to exceed the large vote four years ago.

Stevenson gained his largest vote in the South. The Democrats carried Mississippi by a 2-1 margin.

The Republicans ran second in the state while the States' Righters trailed in third place.

Freshman Class Elects Vicksburger In Class Balloting

Billy Tingle of Vicksburg is the newly elected president of the freshman class at Hinds Junior College.

Tingle, a veteran, is married. He was elected in the second primary over Tommy Ray Cox of Bolton.

John Dee Greathouse of Pattison, Mississippi, was elected vice-president over Shirley Ferguson of Bruce. Raymond's Nancy Carter edged Jimmie Ruth Hawkins of Bruce for the secretary's office.

Myrna Loy Stuart of Pelahatchie nosed out Joy Zeringue of Raymond for class treasurer.

Mrs. Anne Gookin, girls physical education instructor, defeated Mr. John Mitchell, head of the chemistry department, for class sponsor.

Mr. A. L. Denton, guidance instructor, is the class sponsor appointed by the administration.

Holidays Climax Six Weeks Tests

Thanksgiving holidays for the Hinds Junior College students will begin at noon, the end of the third period, Wednesday, November 21, and extend to eight o'clock Sunday night, November 25.

Preceding the holiday period, term tests for the second six weeks will be held. At this term end a change in test procedure is necessary because of the shortened week.

Tests for college classes will begin with the fourth period, Monday, November 19; tests for high school classes will begin with the seventh period on the same date.

The following is the test schedule released from the office of the registrar this week:

Evaluate The Values Of Education

November 11 through the 17th has been declared as National Educational Week throughout America. A time to pause and be glad to be an American.

Only in America can a person receive a free public school education in the place he desires it. One week in the year is designated as Education Week.

Education Week is sponsored by the National Educational Association and the National Congress of Parents and Teachers, and the United States Department of Education, and the American Legion.

The coming week is a time to look back and count the milestones of education. To see the progress of the past and dream of the bright future with proper planning of our great educational system is the public's hope.

National and regional meetings of teachers will be held all over the nation next week. President G. M. McLendon and other faculty members from the college will attend the Southern Association meeting in Dallas next week. Misses Christine Berry and Mary Alice Bennett, members of the English staff, will participate in a conference in St. Louis for the National Council of Teachers of English.

It is the job of all persons concerned — students, teachers, parents, and community — to see that values are placed in such a way that the educational process will be of the most benefit to the most people. Next week will be a good time to evaluate our educational system.

The purpose of education itself is to aid in securing a better society. As a part of society we have set the value of education.

Take time out a few minutes next week and evaluate our values in education.

College Enrollment Increases Yearly

The Office of Education in Washington says that the 1956-57 school and college enrollment will reach an all-time peak of 41,553,000 persons. This means one out of every four persons in the United States this year will be enrolled in school or college.

Colleges and universities will enroll an estimated 3,232,000 students. This compares with last year's enrollment of 2,996,000.

This will be the 12th consecutive year that the total enrollment of schools, colleges, and universities has shown an increase.

Despite the enrollment increase, Commissioner of Education Samuel M. Brownell said shortages of classrooms and qualified teachers "will be somewhat reduced, although still serious." Brownell said that some progress is being made in reducing the class room shortage accumulated over a period of years. He added that the rate of construction should be sharply increased if classroom needs are to be met in a reasonable time.

JUDGING TEAM MEMBERS APPEAR ON TELEVISION TO REPORT EXPERIENCE

Members of the seventh ranking meats judging team in the nation from the high school department of Hinds Junior College were on television WLBT last week reporting on their trip to Kansas City, Missouri, the previous week.

Bob Sheffield, and Dave Barton,

team members; and Mr. Jack Treloar, vocational agriculture instructor and team coach, participated in the television program.

Other team members that made the trip are Jimmy McNair and Carol King.

Mississippi's champion meats judging team placed first in the second division and received a silver emblem.

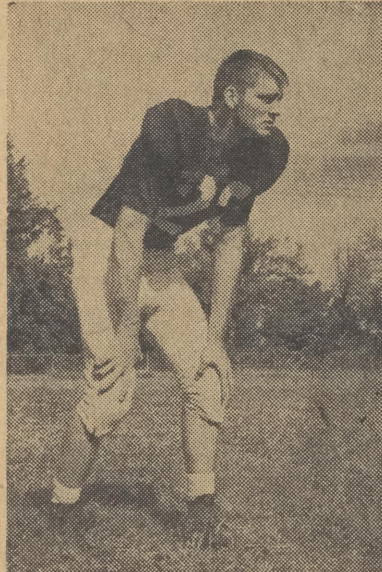

SOPHOMORE OF THE WEEK

Bart Schreiner

By CARL BROCK

In our celebrity spot this week is handsome, athletic, sophomore Bart Schreiner, whom we have selected to reign in the *Hindsonian's* hall of fame as Sophomore of the Week.

Bart Schreiner is the 19 year old son of Mr. and Mrs. Ben G. Schreiner of Vicksburg, and is co-captain of the Hinds Eagles football team that edged over Sunflower Junior College's Trojans last week 7-0.

BART SCHREINER

ONLY RETURNING LETTERMAN

Bart, a three year letterman during his high school days at Carr Central, is the only Hinds first string letterman to return to the Eagle's gridiron this year. In his freshman year he was teamed with two Hinds greats who are now tearing up the turf at L. S. U. One was powerhouse Jim Taylor, who made all of the Tigers 17 points against Ole Miss last week, and the other, Olin Renfro, whose punting

average now ranks third in the nation.

Bart Schreiner was born January 9, 1937, in Joplin, Missouri. He moved in 1945, with his parents, to Vicksburg where his father became employed as an engineer with the U. S. Corps of Engineers Waterways Experiment Station.

At Carr Central High School, where Bart spent six years, most of his time was occupied with studying and sports participation. He was a member of the Key Club, President of the Letter Club, Captain of the "Greenies" football team in 1954, and played second string All Big Eight football his senior year. He also played center in the Mississippi All Star game at Hinds Memorial Stadium in Jackson in the summer of 1955.

ENDS CAREER

Center Bart Schreiner, who came to Hinds in the fall of 1955, will end his junior college football career tomorrow night when the Eagle team takes on Northeast Junior College for their final game of the season.

Our young, vigorous Sophomore of the Week will complete his junior college requirements next May, and plans to continue majoring in civil engineering at Mississippi State as a junior next fall.

Take a six foot, man size frame, and add to it 170 pounds of brawn. Give it brains, a handsome face, short brown hair, steel blue eyes, and a jaw that shows both strength and determination. Give him a beautiful wife named Florence Williams, who was a Hinds Hi-Stepper last year, a two month old baby girl with the name of "Dene", and you will have Bart Schreiner, whom we proudly present as our Sophomore of the Week.

Cafeteria Members Attend Dinner At Jackson Restaurant Last Night

Staff members and student workers of the Hinds Junior College cafeteria were treated to a steak dinner last night at the Green Derby in Jackson.

Mrs. Marian Welch, dietitian; Mrs. Ruby Berryhill, assistant dietitian; and the student workers received other entertainment during the evening.

This dinner has become an annual event with the cafeteria staff. It is held every year after the Har-

vest Banquet at which the cafeteria staff serves.

The group making the trip last night included: Mrs. Welch, Mrs. Berryhill, Jimmie Hawkins, Shirley Ferguson, Roxie Easley, Carolyn Barton, Regina Godley, Jean McGuire, Marilyn Phillips, Pat Magee.

Jean Gill, Mary Jane Loper, Walter Smith, Billy Parker, Don Clark, Robert A. Parker, Jesse Ray Babb, Hugh Wall Flowers, and Jimmy Joplin.

Six Wesley Students Attend Meet At Millsaps College Last Weekend

Last Friday a delegation from the Hinds Junior College Wesley Foundation attended the district meeting held at the Wesley House in Jackson.

At this meeting an outline of business meetings for the year was made.

Representatives from Holmes Junior College were in charge of recreation; Millsaps College was host; and Hinds Junior College

presented a worship program. The other school represented was East Central Junior College.

Delegates from Hinds Junior College were Marilyn Phillips, Richard Franklin, Jane Pickett, Fay Tanksley, Carolyn Ferguson, and Kay Tanksley, vice-president of the district.

The Rev. Clay Lee, Director of the Hinds Wesley Foundation, accompanied the delegation.

PREPARING FOR THE ARMISTICE DAY PARADE in Vicksburg Sunday are Mr. Albert Rowan, Hinds Band Director, and three members of the Eagle Band. Left to right: Mickey Grove, Jackson; Gerald Pabst, Gulfport, and Jimmie Eichelberger, Morton.

HINDS NEW FACULTY

Miss Mary Bennett, W. M. Wall

W. M. Wall, instructor in drawing, and Miss Mary Alice Bennett, instructor in English, have joined the Hinds Junior College faculty.

Mr. Wall, a native of Newton, has been at Hinds since January. He received his B.S. degree at Mississippi State, and he has done graduate work at Mississippi State.

He is a veteran of the Korean conflict, having served at Okinawa. Prior to coming to Hinds, Mr. Wall was employed by the Mississippi State Highway Department.

He and his wife, the former Edith Gary of Newton, live on the campus.

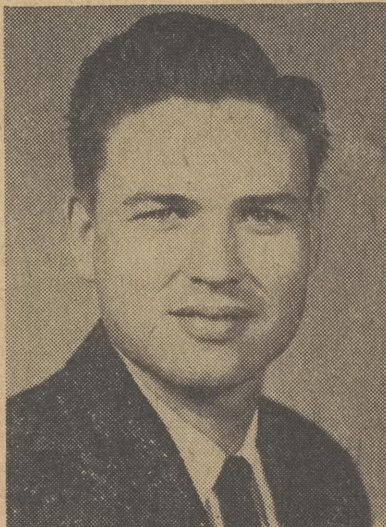

MISS MARY ALICE BENNETT

Miss Mary Alice Bennett, B.A., Tulane; M.A., Peabody, with further graduate work at Mississippi Southern, the University of Alabama, and at the University of Mississippi, is from Crystal Springs.

While at Peabody, Miss Bennett had as her major professor Dr. Walter Clyde Curry, one of the special editors of *Webster's New International Dictionary*, second edition.

In addition to her major field of English, and her minor in the field of education, Miss Bennett has had graduate training in music, and special study in Latin and in French, earning minors in each of these fields.

W. M. WALL

Before joining the English staff here in September, Miss Bennett had teaching experience at Columbia and Crystal Springs high schools, and seven years at Meridian Junior College, where she sponsored the college Y.W.C.A., and the Wesley Foundation, and served as the district director of the Meridian District Methodist Youth Fellowship.

Vocational-Technical Departments Show Exhibits In Assembly Program

Introduced by Mr. Walter Gibbes, coordinator of the college vocational-technical school, the vocational staff of the school with some 30 students presented to the college assembly a program exhibit last Wednesday morning that revealed to the assembly a widely expanded schedule of classes in the school.

The morning devotional led by Mr. C. M. Burleson, director of the barbering department, emphasized through scripture and prayer the dignity of work.

Students who appeared on the program were the following: in refrigeration and air-conditioning—Eugene Harper, Crystal Springs; Irving Forrester, Jackson; Shelton McDuff, Anguilla; James P. Moore, Jackson; Floyd Byrd, Florence; Albert E. Armstrong, Jackson; James E. Hollingsworth, Boyle; Bobby Fuggitt, Booneville; and Donald Weeks, Ridgeland.

The office machines repairmen—James N. Dillard, Clinton; Jack Ward, Philadelphia; John Robinette, Yazoo City; and Bobby Green, Jackson.

The speaker who represented electric motor repairs was Roderick W. Cutrer, Osyka.

Radio and Television—Billy Woods, Jackson; Joe Meleigin, Wesson; Hugh Flowers, Jackson; and G. Wallace, Ballard, Aberdeen.

Airplane and aircraft mechanics—Eugene Adcock, Pearl; Ray Stuart, Jackson; Peter Russell, Jackson.

Auto mechanics—John Davis, Jackson; and Jimmy Allison, Redwood.

Machine shop—James Grigsby, Jackson; James Stanford, Carrollton; and Charles Bass, Jackson.

Electricity and wiring—Gilbert Mitchell, Lucedale; and Lacy Rogers, Jackson.

Staff members of the vocational-technical school who took part in directing the program were the following: J. Z. Landrum, refrigeration; C. E. Kynerd, office machines repair; J. H. Rice, electric motor repair; James P. Smith, radio and television; K. Bryant, airplane and engine mechanics; D.

W. Lewis, auto mechanics; F. J. Stephenson, machine shop; Tom G. Slay, general electricity and wiring.

At the conclusion of the exhibit, Mr. Gibbes explained that students wishing to win diplomas in junior college may submit as many as 24 hours of credit in the vocational-technical areas. He stated that there are 233 vacancies in these fields in the varied industries in this area at his latest notification.

Music Students Present Recital

In the first presentation of music students of the current session, the music faculty introduced some 20 performers to a campus audience last Thursday evening.

Consisting of organ, piano, and voice students, the program revealed a variety of talent.

The following students participated in the recital: Fred Maret, James Furlow, Bettye Vann King, Dorothy Brock, Jimmie Sheppard, Jimmie Hawkins, Billy Tingle, Betty Denton, Edgar Bates, Patricia Jones, Carol Benton, Marion Woods, Carol Benton, Bob Wallace, Larine Herrin, and Margarita Morris.

The accompanists were Betty Denton and Laverne Barlow.

Home Economics Students Attend State Convention

Four home economics students of Hinds Junior College attended the Mississippi Home Economics Convention last week-end at the Heidelberg Hotel in Jackson.

Accompanied by Miss Fleta Whitaker, head of the Home Economics Department, the students attended panel discussions, installation services, lectures, a breakfast and a banquet of the two day convention.

Those attending from Hinds were: Ramona Sartin, Joyce Bethume, Anita Shoemaker, and Carolyn Faye Richardson.

Hinds Victorious; Host Northwest

With their sixth victory of the season safely under their belts, the Hinds Junior College Eagles have been preparing for an invasion of the Northwest Rangers of Senatobia tomorrow night.

"Northwest always gives us a rough ball game," was Coach Joe

SIGNAL CALLER, Melvin Champagne, of Houma, La., will quarterback the Eagles this week against Northwest's Rangers. Champagne is a high school senior.

LINE STAR, Don Sharp, plans to make good of his last junior college football competition Thursday night. Sharp hails from Forest Hill and played a part in the Eagles' 6-2 record this year.

Renfro's only comment on the Thursday night battle.

Northwest possesses the second best defensive club in the state. The Rangers have had only 59 points scored on them this year.

Hinds blanked the Sunflower Trojans 7-0 last Saturday night for their last road game of the season.

Playing their last junior college game Thursday night will be Pete Gray, Joe Campbell, Bart Schriener, Burley Smith, Earl McFeaters, Don Sharp, Ira Betts, Max Stephens and Bobby Young.

PETE GRAY SCORES

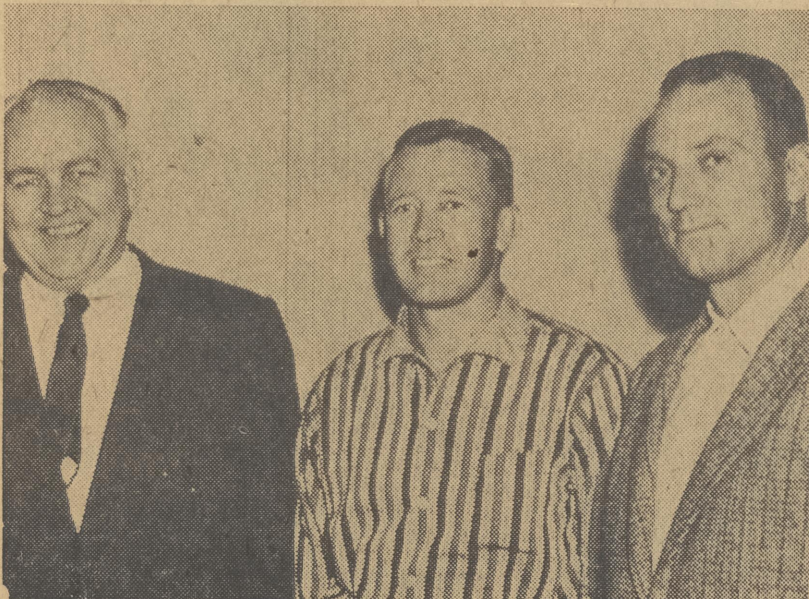

In last week's game the Eagle touchdown came with 5:35 minutes left in the second quarter. Fullback Pete Gray was the scoring ace from the two.

A pass from Andrews to Campbell was good for 22 yards to the two. Campbell hit once for no gain and Gray ploughed through right tackle for the tally.

Andrew's placement split the up-rights.

COACH JOE RENFROE looks the situation over as the Eagles workout for Northwest Thursday night. Coach Renfro, in his 10th year at Hinds, is hoping for his 80th victory this week. He has lost only 19 games and tied five in the last decade as an Eagle coach.

Westside Murders Main In Dormitory Battle Wednesday

Westside dormitory came through victorious over Main Wednesday afternoon when they mauled their rivals 11-2 in a speedball game.

Outstanding team play among the winners started early in the first quarter and the Main lassies failed to defense the Westside girls.

Bobbie Nell Noland was top scorer for the winners, with four points. Roxie Easley, Peggy Catledge, and Regina Godley scored two each, while Marilyn Simmons accounted for one point.

Other outstanding play was turned in by Alice Walton, Betty King, Shirley Ferguson, and Docie Joyner.

The only score for the losers was made by Lillie Mathes.

PLAYS LAST GAME Thursday night when the Hinds Junior College Eagles host the Northwest Rangers. End Ira Betts, a sophomore, is from Birmingham, Ala.

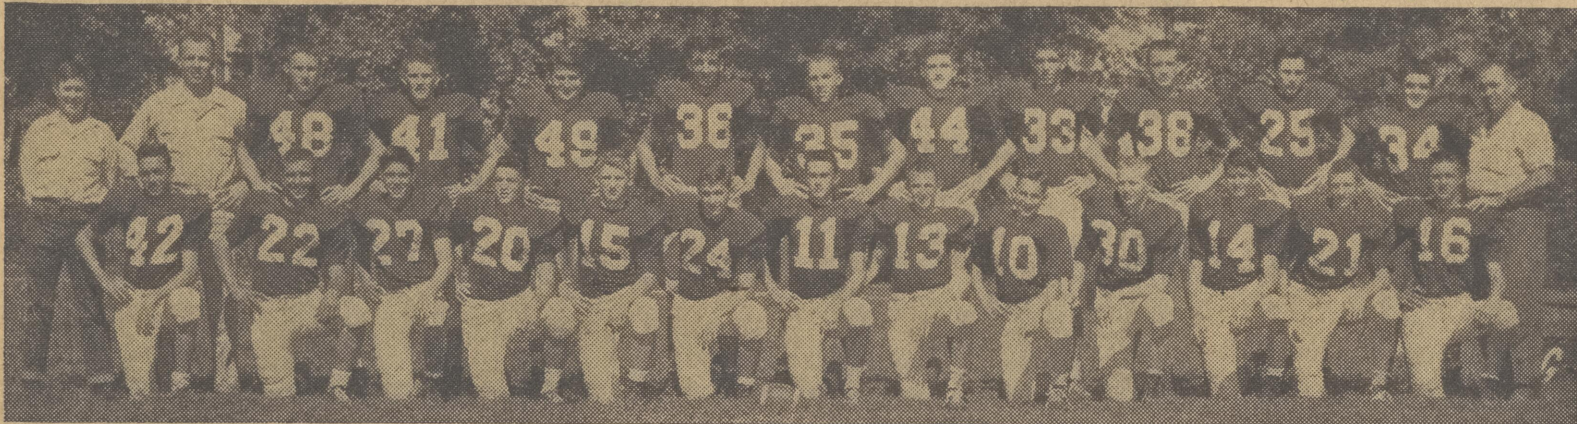

Byram Bulldogs Maul Hinds High 12-0; King Leads Scorers During Season

Byram's Bulldogs blasted and blanked the Hinds High Eagles 12-0 for the Eagles last game of the season last Friday night at Byram.

Coaches Louis Boteler and J. J. Mason's team closed the 1956 season with a 2-5-1 record. The Eagles

have scored 117 points to their opponents 122.

Players accounting for the points are Carol King 36, W. L. Anderson 24, Dickie Osborn 18, Jimmy Forgey 12, Jimmy Chapman 9, Dalton Thames 6, Billy Ferguson 6, and Doyle Ray Whitehead 6.

IRL DEAN RHODES, Hindsonian editor, will preside over the Mississippi Junior College Press Association's fall workshop at Scooba this weekend and will lead a discussion on straight news writing.

Newspaper Staff To Participate In Scooba Workshop

Traveling by cars, ten members of the Hindsonian staff expect to leave the campus at noon Friday to attend the State Junior College Press Conference to be held at East Mississippi Junior College, Scooba.

The program is scheduled to begin at 4 o'clock with delegates registering in the lobby of the girls' dormitory.

The featured speaker of the evening session following a banquet is to be Mr. Howell Gwin, Mississippi State College, on the topic, "The Liberal Arts Basis of Journalism."

The conference will continue into Saturday with group discussions arranged on editorials, news reporting, features, sports, advertising, and pictures.

Irl Dean Rhodes, editor of The Hindsonian, is president of the conference. He will preside over the business sessions, and will lead a discussion group on news reporting.

Other members of The Hindsonian staff who plan to attend the conference are Jane Pickett, Nan Ertle, Sharlott McClurg, Carl Brock, Randy Rickles, Jimmy Joplin, Ramona Sartin, Leverene Barlow, and Miss Gertrude Davis, faculty sponsor.

College Trustees Receive Invitations

President G. M. McLendon, Mrs. Marion J. Welch, college dietitian, and Mrs. Ruby Berryhill, assistant dietitian are inviting the holders of supper meal tickets to the annual Thanksgiving menu to be served at five o'clock, Tuesday evening, in the college cafeteria.

The other guests on this occasion will be members of the Board of Trustees and their wives.

NEW STAFF EDITORS

Editor Makes Six New Appointments For Editorships On Hindsonian Staff

Six new appointments for staff positions on the Hindsonian were released Friday at the regular activity period staff meeting.

Freshmen who were appointed are expected to serve through the

second semester of the 1956-57 session.

The following appointments were named by Irl Dean Rhodes, Brandon, sophomore editor: Leverne Barlow, Utica freshman, copy editor; Ramona Sartin, Jackson freshman, feature editor; Patsy Ratcliff, Jackson freshman, make-up editor; Freddie Burrow, Prentiss freshman, club editor; Florence Hearn, Redwood freshman, publicity editor, and Dick Bowers, Jackson sophomore, staff photographer.

Seven other freshmen were named as staff reporters. They are Sharlott McClurg, Vicksburg; Wally Adams, Bovina; Noel Monsour, Vicksburg; Carolyn Barton, Macon; Marilyn Phillips, Carthage; Randy Rickles, Yazoo City, and Jimmy Joplin, Puckett.

Three sophomores who worked on the Hindsonian last year have been renamed to staff positions. Carl Brock, Vicksburg, will serve as assistant editor. Jane Pickett of Utica, and Nan Ertle, of Benton, will work together as co-news editors.

Faculty Members Plan To Represent Hinds At St. Louis

Two teachers in the Hinds Junior College English department are planning to attend the National Council of Teachers of English convention next week.

Miss Christine Berry and Miss Mary Alice Bennett will leave Wednesday morning to attend the convention which is to be held in St. Louis, Missouri on November 22, 23, and 24 at the Sheraton-Jefferson Hotel.

They will hear outstanding speakers, participate in panel discussions, attend a luncheon and take a tour of the city of St. Louis. The subjects of discussion will be literature composition, dramatics, and journalism.

Initial Production Starts This Week

On a stage glamorized by new gray velvet curtains, spotlights, and a light-dimming system, the Lendon Players will present, Friday of this week, a three-act play, **Magnificent Obsession**.

The public is invited to attend. There will be no admission fee.

Mr. Fred L. Brooks is the director, and Mary Jane Loper is assistant director.

The play is adapted from the novel by the same title, written by Lloyd C. Douglas.

The Players have been working on the production for more than a month. Curtain time next Friday evening is eight o'clock.

The following is the cast of characters: Iris McKay, Martha, a housekeeper; Carolyn Barton, Nancy Ashford, a friend of the Hudsons; Melanie Matthews, Helen Hudson, wife of Dr. Hudson; Dee Greathouse, Dr. Malcolm Pyle, colleague of Dr. Hudson; Zane Nowlin, Monty Brent, cousin of Helen Hudson.

Jo Ann Nutt, Joyce Hudson, daughter of Dr. Hudson; Richard Bowers, Bobby Merrick, a friend of Joyce; Wally Adams, Dr. Wayne Hudson, an eminent brain surgeon; Michael Logan, Perry, a handy man; Jeannine McGuire, Mrs. Wickes, an acquaintance; Barbara Cline, Marion Dawson, and Don Alexander, Jack Dawson, a friend to Bobby.

Bolton Students Reign Over Annual Penny Festivities

Last night climaxing the Penny Fair Carnival Betty Taylor and Joe Milano, high school representative from Bolton were crowned queen and king during the talent program.

Queen Betty and King Joe and their court, composed of Bobbie Nell Noland and Foy Scroggins, sophomore representatives; Sharon Banks and Wimpy Martin, freshmen representatives, were seated on the stage after the coronation and entertained by a program of organ, piano, jazz and vocal music.

General chairman of the floor show committee was Marilyn Simmons. Mr. Walter Gibbs acted as master of ceremonies.

Those who participated in the program were Marion Woods, Jimmie Ruth Hawkins, Gerald Pabst, Lawrence Baylot, Milton Hodo, Tommy Grove, John Turnage, Jimmie Eichelberger, Myrna Loy Stuart, Bob Wallace, James Furlow, and Fred Marrett.

JOYCE HUDSON (Jo Ann Nutt) speaks scornfully as Helen Hudson (Melanie Matthews) attempts to placate her step-daughter in **Magnificent Obsession**. This, the first play of the season, is directed by Fred L. Brooks, new speech head. There is no admission fee. The curtain will rise at 8 p. m., Friday, November 16.

Thanksgiving, A Time To Be Thankful

"Heap high the board with plenteous cheer, and gather to the feast,
And toast the sturdy Pilgrim band whose courage never ceased."

—AWB

In the winter of 1621, the Pilgrims gathered in Plymouth, Massachusetts, to give thanks to God for their success and prosperity for the past year in the new land. This was the birth of the first American holiday, Thanksgiving.

In the United States, Thanksgiving is usually a family day, celebrated with big dinners and joyous reunions. Many persons travel hundreds of miles to spend the day with their parents. The very mention of Thanksgiving often calls up memories of old farmhouse kitchens and pantries crowded with good things to eat.

Thanksgiving is also a time for serious religious thinking, church services, and personal prayer.

On Thanksgiving Day, November 22, 1956, we, as representatives of "Young America," should take time to count our blessings and offer thanks to God that there were those before us who saw a need of thanksgiving.

Many people forget the original purpose of Thanksgiving and think only of the good dinner. We should always be mindful of the land which has offered us freedom and liberty. We should remember the early Pilgrims who crossed strange oceans to go where a speech was spoken that was alien to them, knowing that whatever the speech, there was but one longing and utterance of the human heart, and that was for liberty and justice.

On this day, especially, we should be thankful for the many privileges and freedoms that we, as American citizens, have. Freedom of speech and the press, the right to vote as we choose, the privilege to worship as we please; these are a few of the reasons for thanksgiving.

Now, more than ever, to insure the future security of our great nation, and to build a better land in which to live, it is very necessary to pray for world peace, and take time on Thanksgiving Day to sing from our hearts: "God bless America, my home sweet home."

Penny Fair Serves Worthy Purpose

Plenty of wholesome fun and unsurprisingly keen competition among the classes for the Penny Fair royalty has been the center of attention in the earlier part of the week at Hinds Junior College.

All Penny Fair activities were climaxed last night with the floor show in the auditorium and the crowning of the king and queen.

Students were giving to a worthy cause in their efforts to elect their favorite candidates to reign as king and queen. The Young Women's Christian Association on the campus gives of the proceeds of the program to the World University Service Fund. This is the yearly contribution from the college.

The money goes to help needy students and promote world peace through better world understanding.

The annual Penny Fair carnival is definitely serving a two-fold purpose—to create school spirit, and to promote a worthy cause.

Second Term Tests Start Next Week

Second term six weeks tests are looming on the horizon for students at Hinds Junior College. The tests will be taken Monday through Wednesday of next week.

Although instructors claim that tests are not all-important, a student's scholastic record is established by the outcome of these exams.

Next week's tests are of great importance to your record. What will your record be? How will it look when the final marks are recorded?

SOPHOMORE OF THE WEEK

Jane Pickett Deserves Hall Of Fame Award In Junior College Activities

By CARL BROCK

This week's featured sophomore is a very deserving young lass from down Utica way. She is the lovely, talented Jane Pickett, who, we are proud to say, is a hard working member of the Hindsonian staff.

The honor that we now bestow

JANE PICKETT

upon her as Sophomore of the Week may come as a complete surprise since this article was compiled and written in a sneaky way—behind her back.

The daughter of Mr. and Mrs. F. N. Pickett, Jane was born in Utica, (Hinds County) Mississippi, on August 15, 1937. Jane Opheila Pickett comes from a large family, and a loyal one, too. Of her five sisters and two brothers, four and one, respectively, have come to Hinds in the past years, and several have graduated with the highest honors in their class.

At Utica High School Jane, who was salutatorian of her graduating

class in the spring of 1955, was editor-in-chief of her school's student publication, *Utica Buzz*.

Jane's freshman year at Hinds was filled with many activities. Besides being an honor student, she was copy editor of the *Hindsonian*, and played on the Hinds Independent Basketball Team.

Jane, president of the Wesley Foundation at Hinds Junior College, represented the local student group as one among several hundred delegates from the southeastern colleges of America at Lake Junaluska, North Carolina for the Methodist Student Regional Leadership Training Conference this past summer.

This year, as a sophomore, brown-eyed Janie is an honor student again, and as usual is all wrapped up in student affairs and activities. She is president of the Y.W.C.A., president of the Wesley Foundation, news editor of the *Hindsonian*, secretary of the Women's Athletic Association, and a member of the Modern Language Club. On top of all this, she (bless her heart) does secretarial work for the English Department.

Jane is taking a general course of instruction while here at Hinds and is, as yet, undecided as to what the future holds in store for her.

She need not worry about her future too much, for we know, by the record that she has made so far on our campus, that her future will be filled with surprise and success, challenge and victory.

But, it's not the future that we are concerned with at the moment, no, it's the present. And, at present it is the *Hindsonian's* greatest pleasure to show her off as its honored guest this week as Sophomore of the Week.

Speech Teacher To Attend Meeting

Mr. Fred L. Brooks, head of the speech department at Hinds Junior College, will attend a planning committee meeting in Hattiesburg Saturday morning of the 1957 South Mississippi Speech Festival to be held at Hinds Junior College

on February 16.

State Junior College Supervisor, Mr. B. L. Hill, will lead the discussion on the proper procedures and methods of the junior college speech festival.

Speaker Describes Opportunities For Young College Men

Mr. A. E. Beall, organizational director of the Mississippi Federated Cooperatives, was the Agriculture club's recent guest speaker.

Mr. Beall spoke on the opportunities of young men in cooperatives.

The Agriculture Club, consisting of 20 members, is currently raising six animals in order to gain both experience and finances. These animals, three calves and three pigs, are fed and cared for by members of the club.

The club has \$262 vested in the six animals and they will sell them in the spring at the Hinds County Livestock Show.

Sponsor of the club is Mr. W. M. McKenzie, member of the agriculture staff.

He has served as superintendent of schools at Monticello and at Kosciusko. He served as a vocational psychologist for the government just prior to his coming to Hinds.

Mr. Booth's comments on Hinds are, "I have always understood that Hinds is one of the best junior colleges, and now I can verify that statement."

Hinds Eagles Nail Northwest 20-6

MAIL CARRIER, Pete Gray is off for a good yardage gain for the Eagles in last Thursday night's 20-6 victory over Northwest. Gray rushed 15 times for 81 yards and scored one tally to run his total for the year to 54 points.

Female Football Teams Battle To Tie In Campus Contest Monday Afternoon

The Lady Tigers and the Teddybears battled to a 0-0 deadlock Monday afternoon in an all-girls football game on the campus between dormitories.

Regina Godley was captain of the Teddybears while Louise Earnhart was chief of the Tigers.

Running from a T-formation, the Bears were led offensively by Peggy Catledge, Betty King, Regina Godley, Alice Walton, Bobbie Noland, and Bobbie Twiner.

Defensive stars for the Bears were June Austin, Roxie Easley, Zula Harris, and Jimmie Hawkins.

The Tigers pulled a surprise attack by directing their offense from the single wing with Louise Earnhart, Ann Boyd, Martha Fugate and Nancy Perry being standouts.

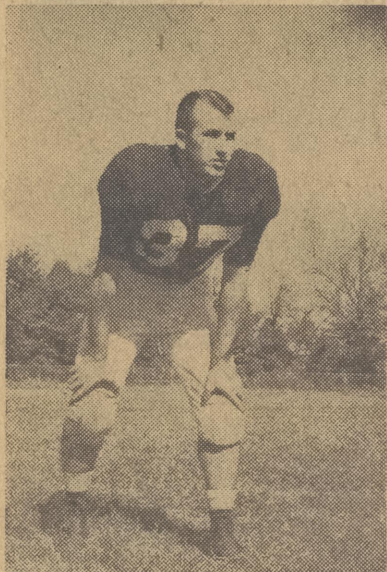

Lillie Mathes, Sherrell Weathers-

by, Peggy Fugate, Betty Jo Williams, and Dot Pickett dominated the defensive show for the Tigers.

Burney Kay "Wimpy" Martin, Hinds freshman, was crowned king of the homecoming at halftime ceremonies. He was escorted by Burley Smith.

Bobbie Noland, Wanda Lou Wortman, Barbara Cline, Regina Godley, Louise Earnhart, Bobbie Twiner, and Sherrell Weathersby are in finals and semi-finals of the local girls tennis tournament.

The Women's Athletic Association is organizing a basketball league for the girls of both dormitories. Girls in Main should sign up with Iris McKay or Ruth Martin and girls in Westside should contact either Regina Godley and Jane Pickett.

Team Closes Season With Seven Wins, Two Losses In Mississippi JC Circuit

Hinds Junior College drew the curtain on the 1956 gridiron season by dropping the Northwest Rangers of Senatobia 20-6 here last Thursday night before a small crowd of chilled fans.

The Eagles reached the desired territory in the first, second, and fourth periods while Northwest tallied their lone score in the final four minutes of the last quarter.

With Fullback Pete Gray, Halfback Joe Campbell, and Quarterback and Halfback Chris Andrews accounting for most of Hinds' yardage, the Eagles racked up 17 first downs and the Rangers picked up seven first markers.

The great difference came in the net yards rushing with Hinds garnering 301 and Northwest 121.

Andrews intercepted a Ranger pass on the Hinds 43 in the first quarter that set-up the first touchdown.

Gray ran up the first six points from the six to make his total for the year 54.

Andrews' placement was good with four minutes left in the opening quarter for a 7-0 advantage.

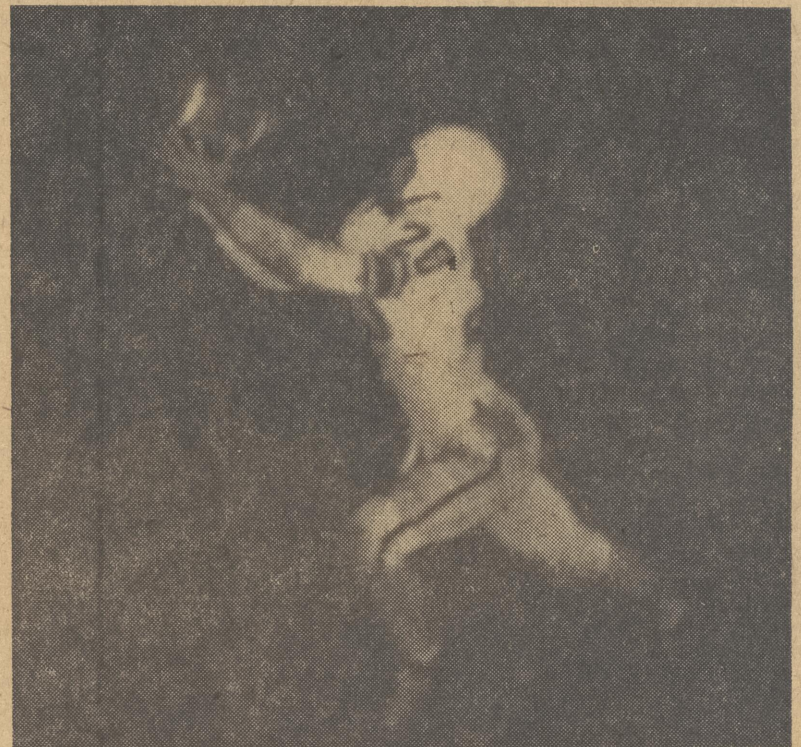

Hinds' second tally saw Andrews rolling around right end from the eight. Center Glynn Russell partially blocked a Ranger punt that dropped on the Northwest 40 to open the touchdown drive.

With 9:40 remaining in the game, Andrews flipped a nine yard pass to Campbell in the end zone for the touchdown.

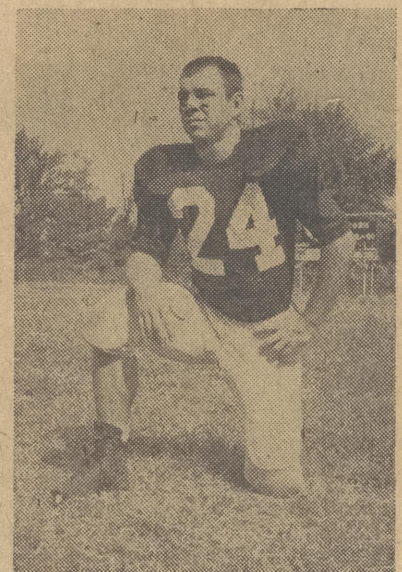

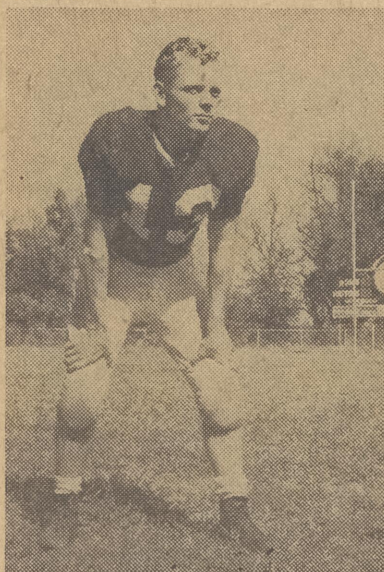

The last point was scored by Andrews.

The Rangers made their lone tally of the evening with less than four minutes on the clock.

A quick pass from Quarterback Jack Adams to End Joe Gilmore from the 11-yard line was good for the score.

HALFBACK JOE CAMPBELL waits eagerly in the end zone to gobble up Quarterback Chris Andrews' aerial for Hinds last scoring play of the season. The play covered nine yards against the Northwest Rangers. Campbell packed the pigskin 12 times for 87 yards for the winners.

Three Staffers To Attend Meet

Second Semester Students Register For January Term

The new semester will begin January 21. Pre-registration for classes is now underway in the registrar's office.

Getting underway Monday, registration has been brisk so far, reports the office personnel. The deadline for free registration is published January 18, last day of the current semester.

Students who delay registration till January 21 will be charged \$1.00 penalty.

Students who expect to graduate from either high school or college at the end of the semester should make their application for diplomas by January 11.

Application consists of checking requirements for graduation in the registrar's office, and depositing a graduation fee of \$7.00 in the business office.

The graduation fee covers cost of diploma, rent of cap and gown, etc.

Hinds President

President G. M. McLendon of Hinds Junior College is posed before leaving his desk for the Southern Association meeting of junior colleges in Dallas, Texas. The conference will be staged from December 3 through 6. President McLendon is a member of the 1956 Executive Committee; and he was the 1955 president of the association.

McLendon, Herrin, Herring Represent College At Dallas

President and Mrs. G. M. McLendon, Mr. M. F. Herring, Dean of Instruction, and Miss Mildred Herrin, Registrar, will attend the Sixty-first Annual Meeting of the Southern Association of Colleges and Secondary Schools to be held at Dallas, Texas, next week.

The theme of the meeting this year is "Education in an Expanding Economy."

In a day long meeting on Monday the junior colleges of the Southern Association will work through the following committees: Administrative, Student Personnel, Curriculum, Legislative, and Teacher Preparation. They will have a dinner session with President-Emeritus Umphrey Lee of Southern Methodist University as speaker.

Prior to the dinner, the Junior College Athletic Association will hold a luncheon session.

President McLendon is a member of the Executive Committee of the Southern Association of Junior Colleges. Last year he was president of this Association.

VOTE FOR FAVORITES TOMORROW

Who's Who Balloting Starts This Thursday

Nomination for Hinds Junior College's 1956-57 Who's Who election will be held tomorrow, November 29.

Polls will open in the administration building at 8 a. m. and close at 2 p. m.

All academic freshmen and sophomores are eligible to participate in the election.

Candidates for Miss H. J. C. and Mr. H. J. C. are chosen from the sophomore class. Election to these two positions represent the highest honor students can bestow on their fellow classmates, chosen for their quality of character, scholarship, participation in activities, and service to their fellowmen.

A sample ballot is printed below:

Students, Study, Lest We Be Dangerous

The elections have come and gone, and the President is back in office.

The Thanksgiving holidays are but a memory now. Second six weeks' exams have taken their toll and left their mark, for all the good they'll do. As they say on TV, Christmas is just around the corner and there are only 22 shopping days left.

The time has come, the teacher said, to think of many things; of business math and chemistry, of economics and geometry. Yes sir, it's time, time to get down and wrap this semester up with some good grades. No joke, daily work counts two thirds of our final average.

There are 15 actual classroom days left on the calendar before the Christmas holidays which begin at noon, Wednesday, December 19. We will have 13 days to get out of the mood of studying before Santa disappears and the new year ushers us back into the collegiate swing of things on January 2, 1957. After the holidays, there will be only eight days to drink from the cup of knowledge before the week of final exams is upon us.

So drink hearty, my lads, and remember: "A little learning is a dangerous thing," so, let's get on the ball and get a lot of it, lest we be dangerous.

State's Junior Colleges Are Important

(GUEST EDITORIAL)

In the next year or so, new dormitories and other buildings will rise on the campuses of Mississippi junior colleges under a million-dollar bond issue.

The bonds, authorized by the state legislature, will renovate many classroom buildings on the verge of collapse. Construction is slated at both Negro and white junior colleges.

Almost as the enabling act was signed, we heard grumblings that the junior colleges should be abandoned, that all their funds should go into building up the senior college system.

These skeptics are dodging reality.

Were the junior colleges abandoned, thousands of Mississippi youngsters would be denied advanced education.

For not only is attendance at the junior college cheaper, permitting close-at-home schooling, it enables many students to go on and obtain bachelor degrees from the senior institutions.

Possibly a family feels it could not afford to send a son or daughter the full four years several hundred miles away to one of the senior colleges. But by means of the junior colleges, two years of expenses are reduced.

Of course there is the added fact that many students can manage only the education possible at the junior colleges.

To them we are rendering a special service, one the state and counties would be foolish, even cruel, to stop. (Courtesy of *State Times*).

SOPHOMORE OF THE WEEK

Actor, Photographer, Scholar Bowers Reigns In This Week's Honor Position

By CARL BROCK

A MAN IS AS MUCH AS THE THINGS HE DOES

DICK BOWERS is certainly a man if the qualifications include versatility and activity. He is usually up to his neck and often snowed under with things to do, but still he cries out for more.

DICK BOWERS

This situation would probably lead to a throat cutting, end-it-all party for most 19 year olds, for the mind can only take so much, then — Wham! Richard's secret is to remain calm, cool, and collected. As the philosopher Pogo once said "Why take life serious? It ain't nohow permanent anyway."

Dick Bowers was born in Onawa, Iowa on July 30, 1937, and at the age of 10 moved to Des Moines. He lived there only a short while before coming to Jackson to take up permanent residence.

Bowers, like almost everyone else, likes to travel. Past summers bring memories to him of very

enjoyable trips to San Antonio, Minnesota, the Smokey Mountains, and the Carolinas. Last summer he worked on the Mississippi River with the U. S. Corps of Engineers.

Dick, a cracker jack photographer for the *Hindsonian*, has made his mark on the Hinds campus as an actor. It doesn't seem strange that a young man, such as he, with a good background in engineering, medicine, militarism, photography, and speech, should want to express himself through acting. His rich, deep, northern voice tied him for first place in the dramatic monologue at the South Mississippi Junior College Speech Festival last spring in Hattiesburg.

A member of the Lendon Players his freshman year at Hinds, the tall, dark, and handsome actor was cast as the villain in "Curse You Jack Dalton," and as the dissipated old actor in the "Swan Song," two of the five scenes that made up Stage Productions. Dick was the narrator and also played the lead male characterization opposite Glenda Rush in the 1956 spring presentation of *Glass Menagerie*.

This year he is once again a member of the Hinds dramatic society, and only a few weeks ago was elected president of the group. The curtain has just been pulled on his most recent endeavor as Bobby Merrick in the Players' production of *Magnificent Obsession*.

Someone once said that the world is a stage, and each must play his part. Dick, in all his undertakings, is sincere, individual, enthusiastic, and gives forth from the heart. The Sophomore of the Week award expresses, we hope, our appreciation for Dick Bowers' inventiveness, ambitiousness, and industriousness.

Poets' Corner

NOVEMBER GARDEN

Here in this darkening garden
where you came
In other years, time out of mind,
almost,
I came this evening. The warm wind
speaks your name;
Low shadows of the trees like a
ghost
Return and cross the grasses and
the stones.
The pool, as indolent as Time is
now,
Waits for a lone frog's familiar
tones;
Within its mirrow stars like fire
flies glow.
There is a hint of early winter here
As dew slides down a canna's
pointed spear,
Making a small sound, silvery and
clear,
Cooler the wind comes now; a late
bird cries.
I rise and go, to leave the ques-
tioning eyes
Of opening moonflowers, having no
replies.

From Our Readers

Dear Editor:

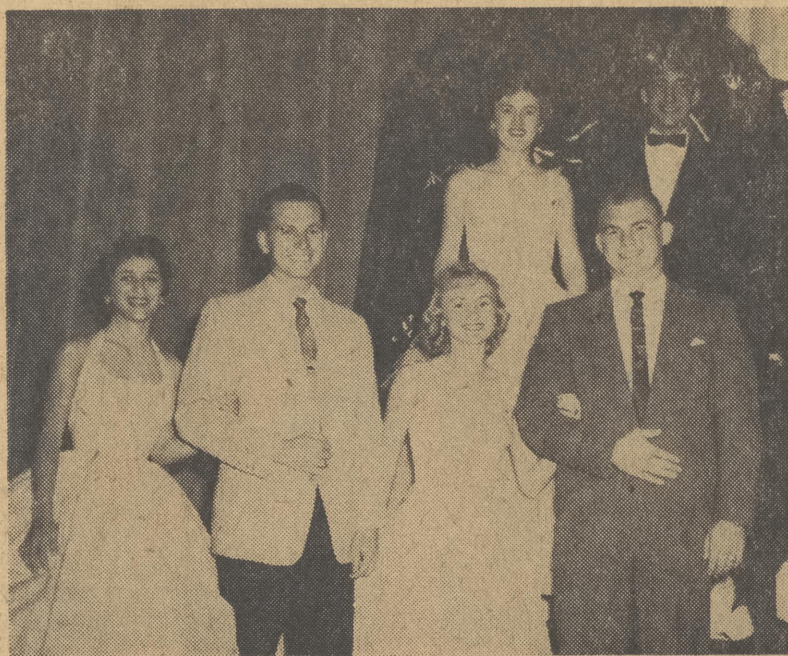

May we express through your columns our very sincere appreciation to many people?

The Penny Fair was a definite success. For the king and queen project the classes made the following contributions: the high school, winners of the campaign, \$53.95; the college sophomores, close runners-up, \$51.84; the freshmen, \$16.00. Floor show, and side show pennies brought the total to \$140.96 for the college Y. W. C. A.

The Y-Teens cleared through the very popular "La Y-Teen Cafe," operated during the Penny Fair hours. \$35.00.

The budgets of these two very active groups on the campus were considerably strengthened by all patrons of the project, all students who contributed ideas, talent, time, physical labor, and pennies; and all good cooks who contributed cakes, pies, candies, and drinks. To all these, we are deeply grateful.

Local Library Offers Many New Items For Hinds' Students Reading Pleasure

(Editor's Note: Mrs. Marvin Riggs, Hinds Junior College's assistant librarian, has compiled information on some of the new reference books that have been purchased recently by the college. Listed below is information on seven of the new books.)

Often in history to understand what happened we must also know where it happened. Valuable in this respect is the **Atlas of American History**, edited by James Truslow Adams.

Maps of discovery, exploration, the frontier, and territorial organization are arranged chronologically. This book presents our geographic history as completely as its companion volume, **Dictionary of American History**, presents our written history.

Shepherd's **Historical Atlas**, long a classic in its field, was out of print for many years, but because of constant demand is again available. The library has recently acquired the eighth edition (1956). The collection of historical maps represents political divisions from the old Babylonian Empire (about 211 B.C.) to 1956.

Webster's Geographical Dictionary is a quick-reference source of geographical information covering all the world's important places. There are more than 40,000 name entries covering not only present-day names but also important ones of Biblical times. A complete guide to pronunciation using the familiar symbols of the Merriam-Webster

dictionaries is an important aid.

Consisting solely of information about proper names, the **New Century Cyclopedia of Names** is a unique reference work. It gives the most frequently used English and native spellings, pronunciation, and essential facts about more than 100,000 proper names of all classes—persons, places, historical events, literary characters, works of art, legendary persons and places. This work is in three volumes.

To answer those questions about English writers, literary works and characters, and various related items which are most likely to be raised by modern American readers of English literature **The New Century Handbook of English Literature** is an effective tool. One reviewer claims that there is no other reference work which has the same timeliness, scale, and scope as this.

Hack's Chemical Dictionary contains the words generally used in chemistry and many of the terms used in the related sciences of physics, agriculture, biology, engineering, etc. Names of outstanding chemists (some with portraits), dates, and brief characterizations are included.

The next time you are in the library take a few minutes to examine these new reference books.

Ex-Hinds Student Serves As Officer Of Medical Class

Mary Will McKenzie, who is attending Washington University Medical School, was elected junior class vice-president.

She is majoring in Occupational Therapy.

Mary Will is the daughter of Mr. and Mrs. W. M. McKenzie of Raymond. Mrs. McKenzie teaches in the English department at Hinds and Mr. McKenzie is in the agricultural department. Mary Will, a graduate of Raymond High School, graduated with honors at Hinds Junior College last year.

Eight College Students Attend Press Meeting

Eight Hinds Junior College students attended the annual Fall Mississippi Junior College Press Conference held at East Mississippi Junior College in Scooba Friday, November 16.

Visiting staff members were invited to an informal Coke party in the student center Friday afternoon at 4:30. Later in the evening

the guests were treated to a turkey dinner with all the trimmings.

Dr. Crickard, head of the English department at East Mississippi, gave a talk on "The Liberal Arts Basis of Journalism" after the dinner. An all-student dance was held at 8:15 with the college orchestra furnishing the music.

After breakfast the following morning, the staff members met in their chosen discussion groups. The groups included: Editorials, News reporting, Features, Sports, Advertising, and Pictures.

Reports were then heard from the group discussions. At 10:30, a business meeting, President Irl Dean Rhodes presiding, was held. The college papers were criticized by officers of the conference at this time.

Students attending the conference from Hinds Junior College were: Jane Pickett, Charlotte McClurg, Nan Ertle, Randy Rickels, Carl Brock, Irl Dean Rhodes, Laverne Barlow, and Miss Gertrude Davis, sponsor.

Junior colleges represented in the conference included: Perkinson, East Mississippi, Holmes, Jones, East Central, and Hinds.

Speech Instructors Elect Fred Brooks

Fred L. Brooks, Jr., Hinds Junior College speech director, was elected president of the South Mississippi Speech Festival composed of eight junior colleges at a meeting last Saturday morning in the Forrest Hotel at Hattiesburg.

Hinds will be host to the state speech festival next spring. Mr. Brooks will be in charge of arranging the spring program.

INSPECTING THE CAFETERIA THANKSGIVING arrangement after supper last Wednesday night are, left to right: Mary Jane Loper, Marilyn Phillips, Walter Smith, Alton Ray Parker, Jimmy Joplin, Jesse Babb, Billy Parker, Talmadge Harrell, Jean Gill, and Jeannine McGuire.

Hinds Hi Judging Team Wins Fourth

Under the sponsorship of Mr. Jack Treloar, member of the vocational education department, the Hinds High parliamentary procedure team placed fourth in the Tomato Belt District contest last week.

The Crystal Springs team placed first.

Members of the Hinds team are David Barton, Jimmy McNair, W.

L. Anderson, Eugene Osborn, Chris Lewis, and Dalton Thames.

The new rules of the contest this year include the drawing of the team's topic and the chairman's name, according to Treloar.

A tractor driving contest will be held on December 11 for Future Farmers of America in this district.

Hinds Eagles Nip Lions 80-79

Bobby Lee Stars In Season's Opener; High School Eaglettes Tie, Eagles Win

Hinds Junior College's 1956 Eagles opened their basketball campaign here last night by edging past the East Mississippi Lions 80-79 in thrilling fashion.

The top-notch, spectator performance saw the score never more than nine points apart.

CAGE COACH Troy Ricks beamed a smile last night after his first hardwood victory of the season. Hinds edged out East Mississippi 80-79.

Featuring Forward Bobby Lee, who turned in a fine job on the floor and flipped in 23 points, the Eagles of Coach Troy Ricks managed to hold a 19-17 edge at the end of the opening quarter.

Coach Keyes Currie of the Lions put his quintet to work in the second period and went out front 37-34 at the intermission. The score was knotted twice in the second stanza.

Hinds turned on the steam and went on a scoring spree in the

third quarter to set the pace 58-53 after third period of action. The playmaking of Guard Jerry Ivy contributed to the cause and better rebound power led to the improvement.

With 1:30 minutes remaining in the game, Lee tossed in two charity shots, Ivy sank one and Guard Johnny Gray flipped in a free throw. The Eagles led 80-75 with 45 seconds left.

Two quick baskets by Sonny Russ and Don Darby of East Mississippi accounted for the Lions' points as the final buzzer sounded.

Gray and Ivy chalked up 15 and 12 points respectively. Center Buck Smith bucketed 13 points.

For the losers, Forward Russ garnered 25 markers while Center Darby and Guard Mel Reynolds got 17 and 18 in that order.

Coach Ricks' Eagles will hit the road for North Mississippi this weekend by playing Itawamba Friday night at Fulton and Northeast at Booneville Saturday night.

Prior to the Hinds-Scooba game, the Hinds High cagers met the Jett basketball teams with the girls' teams battling to a 38-38 deadlock and the Raymond boys rolled up a 50-32 score.

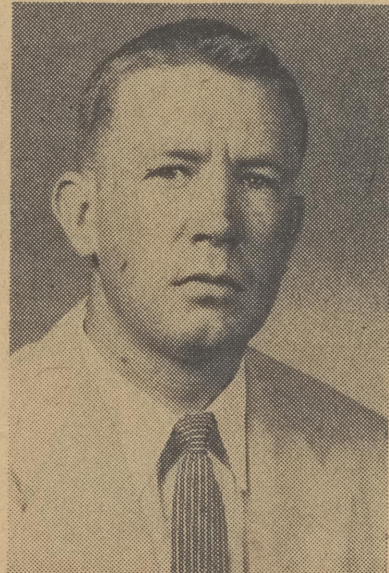

Johnny Oberhausen and Jimmy Forgey led the Baby Eagle attack with 16 and 13 points. Hennington was high scorer for Jett with 22 points in the boys' game.

Nancy Chapman led the Eaglettes with 23 markers and Winnie Smith aided the home team with 13 points. Phars was high scorer for the Jett girls with 17 points.

Hinds plays Co-Lin here next Tuesday night for their second home game of the season.

HARD WORKERS — Managers Austin Baggett and Sonny Wiman pose for photographer Dick Bowers while in the process of taking care of their daily chores as managers of the Eagle football team. Baggett is from Fort Myers, Fla., and Wiman hails from Brandon.

FOOTBALL MENTORS — Coach Joe Renfroe (left) and Frank Young have completed a successful gridiron campaign with seven wins and two losses. In a decade, Renfroe has won 80 games since he has been at Hinds while Young has accounted for 17 victories as an Eagle coach in two years.

Football Team Deserves Recognition

(SPORTS EDITORIAL)

The 1956 football campaign at Hinds Junior College has been written on the pages of time. Flashes of 7-2 show the record of the current season.

Nine players lined-up for their final time bearing football uniforms earlier this month. They were: Bart Schriener, Pete Gray, Joe Campbell, Burley Smith, Earl McFeaters, Max Stephens, Ira Betts, Bobby Young, and Don Sharp.

These players will forget part of their gridiron careers; however, there is one thing that they will never forget, and that is that they were fighting Eagles.

Closing out the season with the third place position in the rugged Mississippi Junior College circuit, the Eagles had a crave to win and determination for the team's success.

Demonstrating courteous treatment and the very best sportsmanship, were Coach Joe Renfroe, Frank Young and each individual member of the team.

Women's Athletic Association Starts Basketball Battles On Hinds Campus

The Women's Athletic Association's intramural basketball began Monday night at 6 o'clock with Ruth Martin's team clashing with Bobbie Nell Noland's team.

The lineups for both teams were the following:

Ruth Martin, captain; Forwards: Peggy, Fugate, Docie Joyner, Doris Toles, Frances Ainsworth, Yvonne Ladner, Jeanette Mahaffey, and Betty Jo Williams;

Guards: Ann Boyd, Jo Ann Johnston, Martha Fugate, Ramona Sar-

tin, Selma Earnest, Noel Monsour, Marilyn Phillips, Evelyn Bronson, and Virginia Vaughan.

Bobbie Nell Noland, captain; Forwards: Jimmie Shepperd, Louise Earnhart, Jimmie Hawkins, Kay Churchill, Sissy Graham, Wanda Lou Wortman, and Jeffie Trapp.

Guards: Catherine Owens, Zula Harris, Alma Lee Grantham, Jane Pickett, Joyce Bethune, Elizabeth Jackson, Pat Gastrell, Sylvia Simon, Faye Richardson, and Virginia Ronkin.

Halfback Andrews Receives All-Star Award In State

Chris Andrews, Hinds Junior College halfback this season, was chosen Monday by coaches of the conference as a member of the Mississippi Junior College All-Star team.

Guard Earl McFeaters of Hinds received honorable mention.

They were the only two Hinds players selected on the team.

Who's Who Election Tomorrow

WANDA LOU WORTMAN, Leland (left), and Jane Pickett, Utica (right), were nominated in last Thursday's nomination for the title of Miss HJC. They will vie for that position in tomorrow's Who's Who run off.

TOP CANDIDATES FOR MR. H. J. C. are, left to right, Amos Jack Gray, Raymond; Irl Dean Rhodes, Brandon, and Foy Scroggins, Yazoo City. They were

nominated by secret ballot Thursday, November 29. The first primary will be held tomorrow from 8:00 to 2:00 in the administration building.

Registrar Reveals Grade Honors As Second Term Ends

Though considerably fewer in numbers, the girls out-distanced the boys in winning places on the second term honor roll, released from the Registrar's office Monday. The Hinds High School paced the junior college in listing two students on the "All A" record to the college's one.

Holding her record established last term, Marilyn Simmons, McCall Creek sophomore, was the one college student to make straight A record. High school straight A winners were Margaret Lynn Peyton and Donald Sheffield, both of Raymond.

Deaf Students Lead Normal College Life

Sunday's **Clarion Ledger-Jackson Daily News** featured an eight picture feature story on the ten deaf students that are attending college here. The article, written by staff writer Harold Turnage, former journalism teacher at Hinds, states in its headlines that the history-making experiment is proving successful up to date. He explained that the ten deaf students are leading a normal college life with normal college students in an education trial that could serve as a pilot program for the nation and the world. Mr. Turnage told how the students were selected to take part in the program, and the reason why Hinds was chosen to play host to the experiment.

Mr. James C. Canon is the coordinator of the special project and has played a major role in the intense success in teaching the deaf students how to overcome their handicap and fit into the outside world. Actually, there are no barriers, in education or in friendship, here at Hinds. Thanks to Mr. Canon's distribution of sign language cards, most of the students on the campus have learned how to make a closer contact with the non-hearing boys and girls.

Hinds is proud of the courage and success of the ten deaf students, and Hinds is proud of its student body for accepting them, and helping them.

Apprehend, Execute Jack The Ripper

Fellow students, someone is falling down on the job. Jack the Ripper has struck again and not a soul has thought of apprehending him. This time, as in the past, he did his dirty work in the recreational room. Countless times during the past thirteen weeks this destructive varmit has dealt deadly blows to the furniture in the recreation hall and the grill.

Despite previous warnings that have been issued, the troublesome critter slipped into the building unnoticed. When his doity deeds were done, there was nothing pleasant left to look at; only a sight for sore eyes.

The little idiot has to be stopped before any more damage is done. It would probably take a squadron of woodpeckers and a fleet of termites a week, working day and night, to do the damage that has already been done. The IBM brain would more than likely go into hysterics trying to tally us the initials that are inscribed in the campus woodwork.

Campus organizations, take heed! This problem must be worked out and solved. Consider this as a project. This monkey on our backs must be executed and buried. Now is the time. Let's clean this mess up and keep it clean.

College Extends Sympathy

Sympathy from the campus goes out to Mr. James P. Smith of the Vocational-Technical School in the passing of his mother Friday; and to Mr. F. E. Bearden, business manager, whose mother was critically injured in a car wreck, which took the lives of his uncle and aunt, Sunday afternoon.

Hindsonian Bestows Recognition On Reader, Leader, And Honor Student

By CARL BROCK

Her voice is the soft tinkle of a
raindrop on a misty night,
A distant bell, clean and clear,
unsurpassed by might.
Her eyes reflect the purest hue
from the skies above,
Yet, gentle and petite with a
sparkle of love.

MONA McCLURG

MONA McCLURG, daughter of Mr. and Mrs. D. W. McClurg, sister of Sharlotte, and sweetheart of Whit, corners the popularity market this week as the **Hindsonian** reviews the highlights in her life and gives out with her plans for the future.

Attractive Mona McClurg is number one in her family of six children, and was born in Kilmichael, Mississippi, on November 11, 1936. She began her early years in Kilmichael, and studied in Greenville and Leland before coming to Vicksburg and enrolling as a fourth grade student at Jett Vocational School.

War Orphans May Secure School Aid

Students who qualify under the War Orphans Education Program should be aware of the Government's provision for the education of those whose parents — World War I, World War II, or Korean veterans — died of injuries or diseases resulting from their military service.

Generally these beneficiaries are between the ages of 18 and 23 years, but certain conditions may extend these age limits.

Up to 36 months of schooling may be secured by those who qualify under this program, a "program of education" aimed at a specified goal, such as a college degree; or a professional goal, such as law or medicine; or a vocational goal, such as bookkeeper or machinist.

Payments are named as \$110 per month if in school full time; \$80 per month, three-quarters time; and \$50 per month, half time.

For further information concerning this program which is designated as Public Law 634, 84th Congress, war orphans should inquire at the nearest VA office.

She stayed at Jett until her graduation in the spring of 1955.

She sang in the girls' sextet and the glee club for three years, played a leading role in her senior play **A Connecticut Yankee**.

Mona attended an FHA convention in Hattiesburg while in high school, and also was a representative to Magnolia Girls' State in 1954.

Mona, who is a lovely brunette with hazel eyes, came to Hinds Junior College to major in secondary education so that, upon graduation from a senior college, she may become a high school teacher.

A special honor student in her freshman year, Mona was initiated into Phi Theta Kappa, national junior college scholastic society, and attended the National Convention of that group in Columbia, Missouri. She also belonged to the Baptist Student Union, and was a typist for the **HINDSONIAN**.

This semester, as a sophomore, Mona McClurg is president of Phi Theta Kappa, a member of the Women's Athletic Association, and is Mr. Beemon's Botany Lab. assistant.

This week's Sophomore of the Week position goes to a very deserving girl, one who likes to read books by the dozen, to paint and draw pictures, and likes popular music, semi-classical music, and E. P.

Congratulations, Mona, for winning the **Hindsonian** award this week. We hope that your career will turn out according to your wishes, and that possibly some day you may seek revenge on those who have made you study so hard by coming to Hinds to begin your teaching profession.

WHAT IT TAKES

Ramona D. Sartin

To make a dream and have it torn apart

By one wrong slip or turn in Life's cruel games

As time alights with graceful, leaping flames

And burns the years of youth away from heart

And soul and makes the earth's existing art

Seem dull and frayed in tarnished picture frames,

To meet your foe and fail to throw the blames—

But on your shoulders all the blames you take.

Take patience, nerve, and understanding in

This world of agonizing discontent.

To be an IS and not a MIGHT HAVE BEEN

It takes a youth with earnest, firm intent

Who conquers doubts and fears unknown to man—

Who stays with hands of never wincing skill.

Announced in another column, the College Choir will present a full evening of worship and music in the college auditorium, Sunday night, December 16.

Christmas Dinner

Mrs. Marian Welch, college dietitian announces plans for the annual Christmas dinner for the campus family on the evening of December 18.

Coffee and Carols

Christmas coffee and carols will be the Season's greetings from Westside Dormitory to the campus one afternoon during the pre-holiday period. At this time guests will be invited to see the living room renovation with new TV room, front porch, and faculty sitting room.

WUS Contribution

Among the projects underway in the various religious organizations for gifts for the unfortunate, is that of a large contribution given in the name of the college, and sponsored by the Y.W.C.A. for the World University Service fund. This annual contribution will go this year to relief of Hungarian students.

TENSELY AWAITING term reports are left to right: Ross Alman, Marvin Baker, Jeannine McGuire, Harlan Giles, and Carl Brock. Selma Earnest, left, and Dorothy Beckman, student assistants in the registrar's office, give out student reports.

Sports Scribe's Scribblings

By CARL BROCK

Our beloved editor and sports writer, Irl Dean Rhodes, is under the weather this week and the sports page, along with its readers, miss him tremendously.

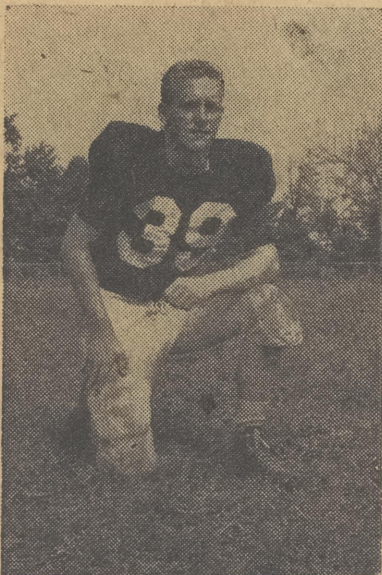

The All-SEC Football Team has picked Tennessee's Johnny Majors to head an imposing list of outstanding 1956 grid performers. Full-back Paige Cothren and Tackle Billy Yelverton are Ole Miss first team representatives, and Quarterback Billy Stacy and End Ronald Bennett are the Mississippi State selections.

Mississippi's Paige Cothren received additional recognition this week when he was named to the College All-Star squad for the 11th annual Hula Bowl to be played in Honolulu on January 6.

Mississippi Southern will play its Tangerine Bowl grid game

against West Texas State in Orlando, Florida.

Speaking of all-stars, Jackson, Mississippi's Memorial Stadium will be overflowing with them on December 14. A full-blooded "Ute" Indian, Robert Chapoose, rated one of the greatest junior college football players ever developed in Utah, will leave his "Ute" reservation to attend the Junior College All America Classic. The North America All American was virtually an automatic choice on every all-star team picked in the Utah Junior College conference. This will be truly an all star football game, one you won't want to miss.

EARL McFEATERS has been selected to play in the first All-American Junior College Classic. He lettered in high school football and he has been a great asset to the Eagle team this past year.

High School Cage Menu For 1956-57

Coach Louis (Skin) Boteler has released the following 1956-57 Baby Eagles' and Eaglettes' basketball schedule:

Hinds High Teams Win Doubleheader Over Flora Squads

Hinds High's hardwood teams took a doubleheader over the Flora basketball squads at Flora last night.

The Eaglettes downed the Flora sextette 61-35 and the Baby Eagles tripped the Flora Lions 63-51.

Winnie Lou Smith filled the basket with 39 points to win high scoring honors for the Eaglettes this season.

Forward Johnny Oberhausen chalked up 24 points to keep his average at 24 points per game.

Hinds Defeats Wolves For Second Home Win

Playing their fourth game of the 1956-57 cage season, the Hinds Junior College Eagles topped the Copiah-Lincoln Wolves 83-79 last night for their second conference win of the season.

Center Buck Smith, a real scoring threat, was the top offensive man of the evening. Smith poured in 33 points.

The victory gave Coach Troy Ricks a 2-2 record in the junior college basketball conference. Hinds won its opener over East Mississippi last week and lost two games to Northeast and Itawamba this past weekend.

The Eagles face Clarke College from Newton Friday night and Pearl River Junior College of Poplarville next Tuesday night in a two game road trip.

Other than Smith, Guard Dickie Axtell pumped in 15 points, Guard Bobby Lee garnered 12 markers,

Women's Athletic Group Presents Basketball Teams

In the first games of the Girl's Intra-Mural Basketball League, Martin's team and Godley's team were victorious.

In the first game played last week Martin's team won over Noland's team by a large margin 47-29. The high scorer for the winners was Peggy Fugate, ex-Madison, with 25 and next was Docie Joyner, ex-Brandon, making 16 points. For the losers Bobbie Noland, ex-Brandon, and Louis Earnhart, ex-Central "Y", with 14 and 10 respectively.

Guards Ann Boyd, ex-Raymond; Jo Ann Johnston, ex-Clinton; and Ruth Martin, ex-Puckett, Hinds Independent were the top guard performers for the winners, while guard Jane Pickett, ex-Utica, Hinds Independent made a good showing for the losers.

The second game of the week was a tough battle, but Godley's team managed to edge out McKay's team 32-24. The high scorer for the winners was Lillie Mathes, ex-Utica, with 13, close behind was Peggy Catledge, ex-Port Gibson, with 12 points. The top scorer for the losers was Iris McKay, ex-Pelahatchie, with 19 points.

Outstanding guard performers for the winners were Alice Walton, ex-Slate Springs, Hinds Independent; Regina Godley, ex-Gloster; Florence Hearn, ex-Redwood; and Barbara Cline, ex-Yazoo City. Fay Tanksley, ex-Redlick was the losers top guard performer.

Games to be played this week are McKay's vs. Noland's and Godley's vs. Martin's.

were blasted 70-46 by the Central High Tigers in Jackson Monday night. Oberhausen racked up 29.

Both Hinds High teams will enter the Port Gibson Invitational Tournament this weekend.

and Forward Doyle Denbow flipped in 11 points to round out the Eagle scorers in the double figures.

Hinds won the Bee game 66-39 in a warm-up contest. Forwards Carl Harris and Ernest Turcotte set the pace for the winners with 12 and 10 points respectively.

Kenneth Smith led the losers with 19 points.

College Choir Presents Program Sunday Night

In stage settings of colored windows, fireside scene, and finally the scene of the Bethlehem manger, the college choir of 32 voices will present "The Lights of Christmas," Sunday evening at 7:30 in the College auditorium. All the churches of Raymond will participate in this service.

Rev. Bob Simmons, pastor of the Raymond Baptist Church, and Rev. Clay Lee, pastor of the Raymond Methodist Church will serve as narrators. Prayer will be led by Rev. George Kirker, pastor of the Presbyterian Church.

In addition to the numbers by the choir, the following special songs are listed on the program: "The Star Was His Candle", sung Holy Nnight", by Zane Nowlin, of

Yazoo City; Myrna Loy Stuart, Pelahatchie, and Edgar Bates, Jackson; "Shepherds in the Hush of Night" by Edgar Bates, and Merle Graham, both of Jackson; "Gesu Baming" by Betty King, Jackson, and Larine Herrin, Bentonia; "Twelve Days of Christmas" by sopranos — Myrna Loy Stuart, Betty King, and Larine Herrin; contraltos — Patricia Jones, Carson; Carl Jean Benton, Jackson; and Jimmie Hawkins, Bruce; tenors — Aubrey Lucas, Raymond; Zane Nowlin and Edgar Bates; and basses — Merle Graham, Bob Wallace, and Jimmie Holder, Jackson.

Instrumental accompaniments of organ and pianos will be used.

Art Classes Make Various Posters

Contributing largely to the Christmas spirit abroad on the Hinds Junior College campus are the many beautiful posters made in the Art Department.

These reflecting the Christmas theme in a variety of portrayals, and a profusion of colors and shining ornamentations bear the following names of art students: Bobby Tickell, Merle Graham, Mona McClurg, Carl Criner, Jeannette Mahaffey, Jean Peterman, Bob Seawright, and Sherrill Weathersby.

Let Us Adore Him, Christ The Lord

This year, as every year, Christmas comes again, and again assures us that God is good, and that He cares for us.

Over our heads, as in the long ago, the Heavens shine and celestial voices hail the birthday of the King.

Many long centuries ago a cold, gray, cheerless December day was forever transformed by that birthday into a warm, shining day of gladness, of songs and carols, of family reunions, and of worship of the King throughout the world in lowly frame churches, in great cathedrals, and in the shrine of the human heart.

Christmas comes again, and this year, as every year, there are broken hearts, vacant chairs, and long vigils in the night by the sick beds of loved ones. But the Christmas message abides—**God so loved the world, that he gave his only begotten son . . .** Hearts are uplifted; and the lights of Christmas continue to glow; and faith becomes as steadfast as the light in the Christmas candles, and in the sun and the stars, and in the eyes of little children.

Let us adore Him and have a part in establishing His peace on earth, and joy in the hearts of all the children of all the world; for God is good and He cares for all.

Don't Balk, Get Salk Vaccine Today

Last week President Eisenhower made a special appeal to the nation urging swift and increased use of the Salk polio vaccine. His plea was issued after he received an official report that about 17,000,000 doses of the vaccine are now lying unused.

Use of a large part of that supply of vaccine might save many lives and prevent the crippling of some of the victims.

Lack of use of such huge available quantities of the Salk vaccine, which was scarce only a few months ago, is largely blamed upon public apathy or indifference. Because of this, vaccine which would prevent paralytic poliomyelitis or even death — next year — may lie unused.

The Hinds County Public Health Service will be on our campus December 12 and 13, beginning at 10 a. m., to administer the Salk vaccine to the students and faculty. For those under 20 the shots will be provided without any cost by the Health Department. The College will provide for those who are 20 and older. A free chest X-ray will also be available at this time.

Don't get left out. For assurance against the crippling disease, sign up for a shot. Just roll up your sleeve, grin and bear it.

The demand for the vaccine may be greatly increased if next year's polio season starts early or develops fast and seriously.

Don't balk, get Salk. Remember: the life you save may be your own.

The **Hindsonian** staff is very grateful to Bobby Tickell of the Hinds Junior College art department for the front page pen and ink sketch used this week. This expresses the Season's greetings from the campus to all friends everywhere.

SOPHOMORE OF THE WEEK

Lewis Tingle Earns Hindsonian Award As President Of Baptist Organization

By CARL BROCK

The story of Lewis Tingle's successful and inspiring life is a story that cannot be kept out of print. It is said that you can't keep a good man down, and it is inevitable that the name of Lewis Tingle should appear in our Sophomore of the Week feature.

Lewis may best be described as an example setter. He is the type of person that exhibits the God-given talents that we all possess

LEWIS TINGLE

but seldom use. His warm, genuine smile, and his never ceasing actions speak for themselves in such a way that, to be near him is to hear him say: "I can do all things through God;" and, "Please, let me help you, I want to be your friend."

Perhaps Lewis' greatest attributes are ambition and initiative. For, being the 11th child in a family of 13 children didn't alter the path that lead him to the top honor position in his high school

class, and to several highly bestowed citizenship medals, also.

Lewis, who could possibly enter into any number of vocational fields and be a success, feels that his life should be a dedicated one, dedicated to the Lord's service.

Lewis Tingle was born on June 20, 1937, in Soudheimer, Louisiana. He now lives with his parents, who are merchants, in Vicksburg.

He received his elementary education at Bovina Elementary school, and at Culkin Academy in Vicksburg. Lewis graduated in 1955 with the highest honors in his class. At graduation he was awarded the Agriculture Medal, the highest award given in his agriculture class, the D. A. R. citizenship award, and the Kiwanis citizenship award.

During his freshman year at Hinds Junior College he was elected president of the B. S. U., to serve until completion of his sophomore year.

Lewis is a member of the Raymond Baptist Church, sings in the church choir, and is president of the college boys' Sunday School class.

Tingle, whose older brother Billy was recently elected President of the freshman class, is a member of the Eagle Band, the choir, the boys' chorus, and spends many long hours working in the grill.

Lewis, who is preparing for foreign missionary service, sees in the future a Ph. D. degree which will enable him to teach on the mission field in Brazil.

It isn't hard to realize the good that Lewis will do for his fellow man in the days to come, as he continues living with the inspiration, "Love thy neighbor as thyself."

On The Nation's Campuses

By NAN ERTLE

A new addition to the staff at Meridian Junior College is "Mr. Bones," a skeleton, who is an assistant in the science department.

NAN

To quote Carol Kinard in **The Wildcat**, Mr. Bones "just stands in front of the class, staring blankly into space never saying a word."

"Mass communication media," says Doctor Lee, "must be recognized for what they are . . . mechanical means for the one-way transmission of information or entertainment. A student cannot argue a point or discuss a problem with a television set or a radio, or ask questions of either. In the end there must always be a gifted teacher present if true mental growth is to take place."

For a closing note, here's this from the **Statesman**, published at the University of Minnesota, Duluth Branch:

The young man who just received his college degree rushed out and said: "Here I am world: I have an AB!" And the world replied: "Sit down, son, and I'll teach you the rest of the alphabet."

THOUGHT FOR THE WEEK

—by President McLendon

When you see passing before your eyes the panorama of all that is good, beautiful, wholesome, and pleasant, you can begin to visualize the spirit of the Yuletide and what it symbolizes. Surely, approaching this season, we can take time to try to emulate some of these characteristics, even though in a small way when compared to the luster of the Master.

Jackson Student To Edit Yearbook On Local Campus

Jeanette Mahaffey, a Jackson sophomore, was named this week as editor-in-chief of the Eagle, Hinds Junior College yearbook.

Other students named to the annual staff were Alma Lee Grantham, assistant editor; Gerald Miles, business manager; Jimmie Ruth Hawkins, assistant business manager; Wanda Wortman, feature editor; Charlotte McClurg, assistant feature editor; Bobbie Nell Noland, Don Alexander, Sylvia Simon, club editors; Elizabeth Herrin, typist; Ernest Turcotte, sports editors; and Regina Godley, assistant sports editor.

Mr. and Mrs. T. T. Beemon, members of the science and math departments, are faculty sponsors of the yearbook.

Baptist Students Attend Retreat

Students who attended the convention were Betty Cardwell, Edna Mullens, Merle Graham, Edgar Bates, Pat Jones, Betty Jo Williams, Pat Magee, Lewis Tingle, Bob Sheffield, Betty Vann King, Amos Jack Gray, Margarita Morris, Don Clark, Selma Earnest, Carolyn Fay Richardson, Elizabeth Herring and Jean Gill.

A state choir provided the special music for the convention.

Hinds Junior College was represented in this choir by Betty Vann King, Pat Jones, Edgar Bates, Merle Graham, and Margarita Morris.

Messengers, or voting delegates, were Lewis Tingle, Pat Magee and Amos Jack Gray.

MRS. MARION WELCH TELLS CHRISTMAS DINNER MENU

The menu for the Christmas dinner as published by Mrs. Marian Welch, college dietitian is as follows:

Baked Turkey
Oyster Dressing Giblet Gravy
Cranberry Sauce Spiced Apples
Broccoli Green Peas
Hot Buttered Rolls
Ambrosia and Fruit Cake
Coffee Tea
Toasted Pecans and Candy

Student hosts and hostesses will assist Miss Maudine Thrash and Mr. William C. Oakes of the faculty in receiving the dinner guests.

Miss Christine Berry is in charge of the decorations for this occasion.

Hinds' Choir Holds Lake Square Dance

Members of the Hinds Junior College Choir enjoyed a party at Raymond Lake Lodge last Saturday night. The evening was started by a square dance called by Mr. Oakes.

Later in the evening refreshments were served.

The gathering then participated in round and group singing.

Mr. Aubrey Lucas, "president of hobo conventions of America," was guest of honor.

Second Semester Evening Classes Open In January

Evening classes announced for the second semester beginning January 21, are the following: Monday nights—Math 71, Math 51, and Law 101; Tuesday nights—English 51 and English 101; Wednesday nights—History 101, and Accounting 51; Thursday nights—Political Science 60 and English 110; Friday nights—Science 70.

Classes will begin promptly at 6:30 p.m., and end promptly at 9:00.

Costs of evening classes are \$5 matriculation fee, and \$5 per semester hour credit. Students continuing evening classes from the first semester have already paid their matriculation fee.

Christmas Spirit Teaches Lesson of Past, Present, Future In Dickens' Poem

"I will honor Christmas in my heart and try to keep it all the year. I will live in the past, the present and the future. The spirit of all three shall strive within me. I will not shut out the lessons that they teach."—from *The Christmas Carol*.

ONE WEEK UNTIL VACATION

Christmas Represents Christ's Birth In Bethlehem Almost 2000 Years Ago

By RAMONA SARTIN

Christmas time is approaching and all students are thinking it won't be long 'til Christmas vacation, and when we're out we'll really have a big time.

Christmas will be a time for parties, for giving, and for fun; but we must not be so much absorbed in these things that we forget the real meaning of Christmas and the spirit of joy and giving that was witnessed in Bethlehem almost two thousand years ago.

"And there were in the same country shepherds abiding in the field keeping watch over their flock by night.

"And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them:

SUDDENLY, IT'S CHRISTMAS

The city streets are wearing tinsel, Sketched by a silver pencil.

The brisk winds grow cold,

And yet, you are told,

It's just a little airy—

Why, it's quite ordinary!

You wonder now, could that be so,

Or is there something you don't know?

You're far behind,

Lost somewhere along the line—

Between texts and tests,

You couldn't care less.

And then, the day they let you out,

You run in circles, scream and shout.

Home is so far, and yet so near—

You know it must be the time of year.

The evergreen stands so crisp and clean,

Its single star a radiant beam.

The silent night has come to pass—

Suddenly, it's Christmas.

College Registrar Tells Of Unusual Statistics

The statistical data used below were supplied by Miss Mildred Herrin, Registrar.

Gathered from student requests for transcripts to be mailed to senior colleges, and verified by reports from institutions where students enrolled, these facts reveal distributions in the graduating classes of the high school and college divisions of the 1956 Hinds Junior College classes.

The proportion of college graduates who went on to senior colleges exceeded that of the high school class who continued in college. This has not been true for several years in the past, according to Miss Herrin. The proportion of boys going on to college exceeds that of girls in both junior college and the high school lists.

In the college division 65% of the boys, and 62½% of girls went on with higher education. In the high school class 80% of the boys, and only 50% of the girls continued in college.

Of the high school class 75% of the graduates who registered in college are at Hinds Junior College, and 25% went to other colleges.

Of the total class in college, 64% are continuing their education; of the high school, 61%.

The following is the distribution of the 1956 classes continuing their education: From the college class:

At Mississippi College — Frances Abernathy, Charles Armstrong, Vernon Bishop, Wilson Brent, Clifford Charlesworth, O. J. Dear, Charles Eastland, Gerald Eastland, Hermanell Hearn, Tom Hudson, Robert Hughes, Nan Lane, Ridell Leggett, Janice Lewis, Janet Mackey, Euren Satterfield, Judith Sigrest, Karlene Stafford McNair, Earline Vandevender, and Vonda Viverette.

At Mississippi State — Donny Ainsworth, Milton Berryhill, Jerry Caldwell, Earnest Different, Joe Farrar, Clifford Gookin, Douglas Love, William Pat McCormack, Phil Oxner, Maurice Pierce, Leonard Prisock, Sam Scott, Thomas Stricklin, Larkin Tucker, Billy Sam Walton, Wilford Ward, Virgil Wells and Van Worley.

At the University of Mississippi — Joe Butler, Ben Fulton, Jo Ann Lane (school of nursing), and Donald Thompson.

At the Millsaps Center — Kenneth Burke, Harry Geoths, Jack Hamill, and Jesse Martin.

At Mississippi Southern — Harry Anderson, Betty Jane Berryhill, William Cole, Joe Kinsey, Stewart Spann, and Wayne Winstead.

At M.S.C.W. — Ann Alessio, Annette Cheatham, Sue Hallberg, and Betty McCaskill.

At Delta State College — Frances Bliss, Billie Jean Phillips, and Carolyn Templeton.

At Millsaps College — Raymon Huff, Robert Huffman, Hugh Long, and Charles Wicker.

At Belhaven — Richard Morgan.

At Blue Mountain — Peggy Stubbs.

At John Hopkins University — Nancy Ann Reese (school of nursing).

At George Washington University — Mary Will McKenzie.

At L.S.U. — Martha Gillespie, Charles Malone, Melvin Oakes, Olin Renfro, Glenda Rush, and James Taylor.

At Southeastern Louisiana — Ann Johnson.

At Auburn — Eugene Britton, Jim Corbitt, and George Gross.

From the High School entering Hinds Junior College — Ross Alman, Robert Barnette, Ann Boyd, Homer Boyd, Nancy Carter, Charles Causey, Milton Cox, Tommy Ray Cox, Jean Gill, Kendall Harris, Blake Harrison, Evelyn James, Tommy Lynch, James McNair, Ruth Martin, Norris Moody, Dot Roper, Sara Selman, James Shepherd, Randolph Smith, Myrna Loy Stuart, Doris Toles, Joy Worley, and Joy Zeringue.

Those entering colleges from Hinds High School—Walter Blaine, L. S. U.; Maureen Eichelberger, Hammond, La.; Betty Furness, Millsaps; Mary Marguerite Hart, M.S.C.W.; Ann Laseter, Southern; George Romano, Southern; Don Trotter, Mississippi State; and Carolyn Wright, M.S.C.W.

F. Brooks Stages Christmas Party

Highlighting one of the Christmas social events on the campus was the Lendon Players Christmas party held last Thursday evening in the speech classroom.

The festive occasion called for much merriment and presented just that, in the form of carol singing, game playing, listening to recorded Christmas music, and eating.

The members of the Lendon Players were greeted at the door by Melanie Matthews, party chairman, and Mr. Brooks, sponsor of the dramatic society. Upon entering the yuletide celebration, each girl was pinned with a miniature corsage made of ribbon and jingle bells. The boys were presented boutonnieres of jingle bells.

Dot Roper and Jo Anne Nutt served the refreshments.

Sports Scribe's Scribblings

By IRL DEAN RHODES

HISTORY WILL be made in Mississippi Friday night when the first annual All-American Junior College football game between the East and West teams will be staged in Hinds Memorial Stadium in Jackson. At least one member from every Mississippi Junior College team will be represented on the squad. Hinds' Guard Earl McFeaters will be the only Eagle player in an all-star uniform.

We believe the West team will

Godley's Sextette Leads Cage Squads

Regina Godley's sextette is high atop the standings of the Women's Athletic Association with two victories.

In games played last week Iris McKay's team won over Bobbie Nell Noland's crew by a 38-20 margin. McKay led her team with 24 points while Noland and Graham garnered six each for the losers.

Jeffie Trap paced the Noland squad.

In the second game of the week Godley's team won their second straight victory by defeating Martin's forces 39-21. Kay Tanksley and Peggy Catledge spearheaded the winners' attack with 14 and 11 points respectively.

Peggy Fugate and Docie Joyner grabbed 10 and 7 points in that order for Martin's team.

League Standings:

	Won	Lost
Godley's	2	0
Martin's	1	1
McKay's	1	1
Noland's	0	2

lower the boom on the Eastern gridders and carry home the blue ribbon prize.

This is a new idea and the success of Friday night's classic will determine the interest of Junior college football on the individual level.

NICK REVON, one of the greatest cage stars to ever pass through the portals of Hinds Junior College, is pumping in the points for the Wichita Vickers. All-NIBL guard two years ago, Revon is the playmaker for the Vickers. Although 5'9", he can high jump 6'3".

The Vickers lost to the United States Olympic team before the latter quintet took part in the Olympic games and the supposedly top team squeezed past the Wichita crew 76-72. In the match, Revon made three out of four field goal attempts and flipped in four-for-four on charity shots.

Revon's wife, the former Betsy Warren of Columbia, is an ex-student of Hinds and is one of the better cage stars of her day.

It is apparent to all that Texas has strong junior college football. Kilgore sailed past the Pearl River Junior College Wildcats 20-7 in the Hospitality Bowl at Gulfport Saturday night and Arlington State of Texas upset Compton 20-13 in the Junior Rose Bowl Classic Saturday afternoon.

GUARD EARL McFeaters and Tackle Burley Smith, members of the 1956 Eagle edition have received honorable mention on the Wigwam Wisemen America All-Star team.

MAY WE hope for each and every one of you a most happy Yuletide season.

Troy Ricks' Crew To Host Trojans Tomorrow Night

Primed for action, the Hinds Junior College Eagles will roll out the welcome mat for the Sunflower Trojans tomorrow night in their third home game of the season and their last encounter before the Christmas holidays.

Before last night's game with the Pearl River Wildcats, the Eagles of Coach Troy Ricks carried a 3-2 overall record. In the conference the Hinds cagers have posted a 2-2 record.

Hinds High Eagles Win Cage Tourney

Still jubilant over winning the Port Gibson Invitational Basketball Tournament last weekend, the Hinds High Eagles will meet the St. Joseph Rebels and Rebelettes in the Hinds Junior College gym Monday night for their last game before Christmas.

Although the Eaglettes, defending District Six champions, lost their initial encounter in the tournament, the Baby Eagles rallied to the cause and annexed three victories to win the meet.

Coach Louis Boteler's squad won the tournament over the Port Gibson cage team in an overtime match 42-38. The regular game ended 38-38.

Joe Milano and Johnny Oberhausen of the Eagles were selected on the all-star squad. Donald Campbell was outstanding for the Eagles in the tournament.

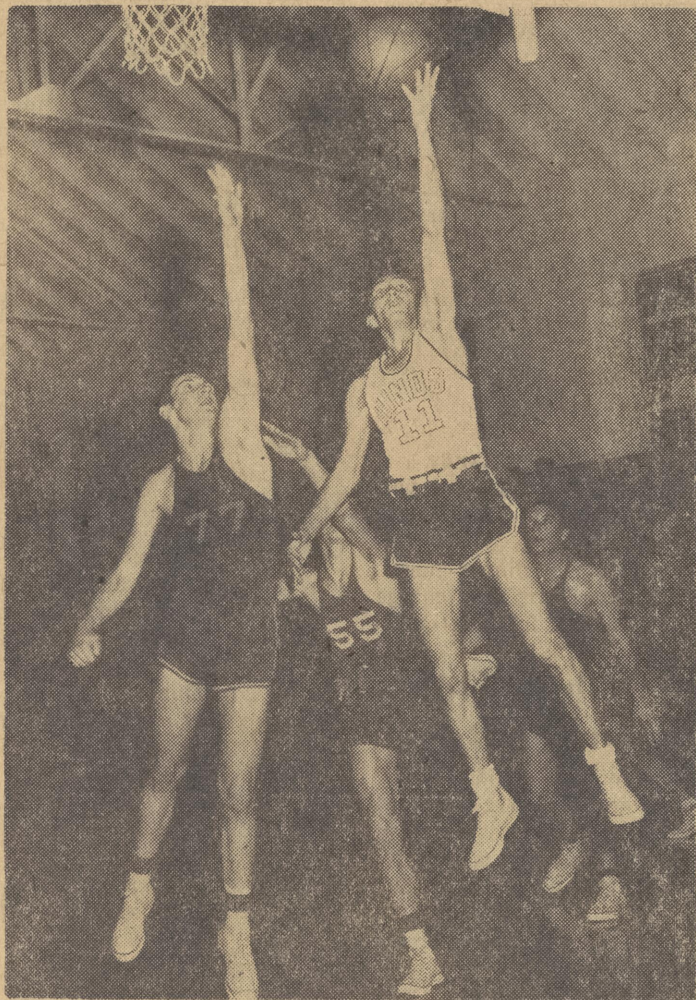

Bulletin

Pearl River Junior College Wildcats topped the Hinds Junior College Eagles last night 99-94 at Poplarville in a hard fought contest.

The defeat left the Eagles with a 2-3 record in the conference.

Top point makers for the Eagles were Bobby Lee with 20, Jerry Ivy with 16, Johnny Gray with 14, Buck Smith with 13 and Doyle Denbow with 10.

Guard Benton and Center Smith led the winners with 29 and 20 points respectively.

DARING DICKIE AXTELL of the Hinds Junior College Eagles flipped in a two pointer against the Co-Lin Wolves last week despite the efforts of Wolves' Kenneth Fortenberry (77). Hinds won the game 83-79. (Photo by Lee Baker.)

Hinds Junior College, Raymond, Mississippi

Volume 23—Number 14

Semester Exams Start Monday

Former Graduate To Teach Science Second Semester

Miss Genevieve Williams, former graduate of Hinds and for the past four years head of the chemistry department at Odessa College in Texas, was elected Monday to head the chemistry department at Hinds, starting at the beginning of the next semester.

This change in faculty resulted from the resignation of Mr. John P. Mitchell who has resigned to enter industry at the close of the current semester.

Miss Williams comes to the faculty with a Master's degree in her chosen field.

After graduating with honors at Hinds, she completed her senior college and graduate work, with outstanding records at the university of Mississippi. She expects to complete work for her Doctorate at L. S. U., as her teaching career permits.

Her home is at Flora. She is a niece of Miss Glenn Hartwig who was a teacher and citizen of Raymond through a number of years.

Miss Williams will live on the campus in an apartment at Main Dormitory.

District Singers To Meet At Hinds

Three dates have been submitted for the spring calendar by Mr. James Reeves, head of the voice department.

One of these is the schedule for the District High School Piano Festival to be observed at Hinds Junior College in April. The specific date for this is not yet available.

Hinds music students will participate in the Junior College Festival at East Central Junior College March 23.

The High School Festival will also include a number of local students in its activities. This festival is scheduled at Vicksburg, March 28, 29.

Six Groups To Entertain Local Students, Faculty Members In Coming Weeks

Representatives from six different colleges and one high school will conduct assembly programs here during the next four months.

The coming programs are to be presented by the Central High Chorale on January 30, William Carey College representatives on February 13, East Central Junior College representatives on February 20, Blue Mountain College students on March 6, University of Mississippi representatives on March 13, M.S.C.W. students on March 27, and Millsaps College representatives on April 17.

HAND, ANDERSON TOP HONORS

Hinds High Who's Who Contest Tells Winners

Velma Ruth Hand and W. L. Anderson, both of Raymond, were chosen today to wear the highest honors their schoolmates can bestow in the second primary of Hinds High's Who's Who contest.

Anderson topped Bobby Sheffield two votes in a very close balloting contest. Additional honors added to Mr. and Miss Hinds High were those of Best Boy Athlete and Most Beautiful girl.

Hinds Instructor Resigns Position

Mr. John P. Mitchell, head of the chemistry department, has resigned his position at Hinds to enter industry at the beginning of the new semester.

He will serve as laboratory supervisor in the Atomic Energy Commission plant operated by the Union Carbide Nuclear Company at Paducah, Kentucky. Though with a large salary increase, and facing future promotions, Mr. Mitchell expresses reluctance at leaving his students and friends at Hinds where he, his wife, and two children have lived since June of last year.

They will live at Paducah, Kentucky.

Miss Genevieve Williams will arrive January 21 to take over the work in the chemistry department.

Other favorites named were Norma Jean Carter, Most Likely to Succeed Girl and senior class favorite; Nancy Ruth Chapman, Wittiest Girl; Mary Bess Beard, Friendliest Girl; Bettye Taylor, Most Popular girl and Best Girl Athlete; Dot Brock, Most Courteous girl; Sissy Graham, Most Neatly Dressed girl; and Winnie Lou Smith, junior class favorite.

Boys that were elected are Bill Grogan, Friendliest boy and Courteous boy; Jimmy McNair, Wittiest boy and Most Popular boy; Charles Weissinger, Most Intelligent boy; Melvin Champagne, Most Handsome boy; Robert Seawright, Most Neatly Dressed boy; Bob Sheffield, Most Likely to Succeed boy; Joe Milano, senior class favorite; and Eugene Osborn, junior class favorite.

Becky Dawson and Donny Sheffield were elected the cutest couple.

Speech Delegates To Meet At Hinds

The South Mississippi Junior College Speech Festival will be held at Hinds Junior College, Saturday, February 16.

Seven of the Mississippi junior colleges covering the southern half of the state will send delegates to participate in debating and all other forms of public speaking.

Mr. Fred L. Brooks, Hinds Junior College speech director, is the director of the speech festival.

Term Tests Close Next Friday Noon With Last Exams

First semester examinations will begin Monday, January 14, at 8:30 a. m., and close on Friday, January 18, at 12:50, the end of the 3rd period.

No examinations are to be given earlier than that shown on the schedule. If for any reason students must have special examinations, they will be given at a time later than shown on the schedule — not earlier.

The schedule for examinations follows:

COLLEGE

Monday, January 14: 8:30-10:20 1 TT classes; 11:00-12:50, 4MWF classes; 1:45-3:35, 5 TT classes

Tuesday, January 15: 8:30-10:20, 3 MWF classes; 11:00-12:50, 7 TT classes; 1:45-3:35, 7 MWF classes.

Wednesday, January 16: 8:30-10:20, 2 MWF classes; 11:00-12:50, 2 A, 3 TT classes; 1:45-3:35 4 TT classes.

Thursday, January 17: 8:30-10:20 1 MWF classes; 11:00-12:50 2 TT classes; 1:45-3:35 5 MWF classes.

Friday, January 18: 8:30-10:20 6 MWF classes; 11:00-12:50 6 TT classes.

HIGH SCHOOL

Monday, January 14: No exams. Regular class work.

Tuesday, January 15: 8:30-10:20, 3rd period class; 11:00-12:50, no exam; 1:45-3:35, 7th period class.

Wednesday, January 16: 8:30-10:20, 2nd period class; 11:00-12:50, no exam; 1:45-3:35, 4th period class.

Thursday, January 17: 8:30-10:20, 1st period class; 11:00-12:50, no exam; 1:45-3:35, 5th period class.

Friday, January 18: 8:30-10:20, 6th period class.

Paper Uses Poor Journalism Ethics

We are deeply hurt and disappointed in the journalism ethics used by Pearl River Junior College's monthly publication, the **Dixie Drawl**. As a fellow competitor and member of the Mississippi Junior College Press Association, the **Dixie Drawl** should use more discretion in by-line rights and credits when printing an article previously published in another newspaper.

Claiming someone else's copy as original material is as underhanded as stealing copyrights or patent rights, and casts an unfavorable reflection on the culprit in relation to recognition in the journalism field.

On October 24, 1956, an article featuring the Hinds night-watchman, by Marilyn Phillips, appeared in the seventh edition of the **Hindsonian**.

On November 20, 1956, almost a month after Marilyn's article was published, the **Dixie Drawl** printed a feature on its night-watchman giving the writing credit to a Pearl River student, Phil Bonadona.

The **Drawl's** article was identical to the **Hindsonian's** article in many respects with the exception of name substitution for the night watchman. To be more specific, the two articles begin and end with the same quotation, have the same form, contain many identical paragraphs and have 178 identical words in the same order.

It is extremely difficult to believe the similiarity coincidental.

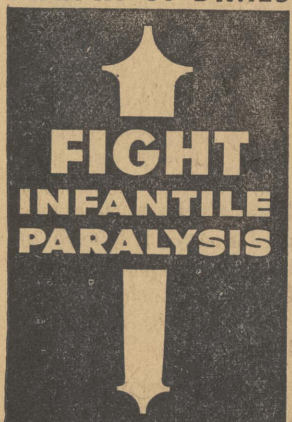

We appreciate the fact that Mr. Bonadona liked our story well enough to duplicate it, but we would have appreciated it even more had he given us credit for it.

This matter will be discussed further and will certainly be brought up at the spring press conference.

March Of Dimes Needs Your Help

The **Hindsonian** sincerely urges the students to dig deep into their hearts and pockets and support the 1957 March of Dimes to help repair the crippling damage that has been done by polio.

MARCH OF DIMES

JANUARY 2-31

Happily, the 1957 campaign opens on a note of triumph. 1956 was a year of great achievement in the long fight against infantile paralysis. Tens of millions of American children were inoculated with Salk vaccine. The number of polio cases was sharply cut. By next summer millions more—adults as well as children—will be protected.

With the total defeat of paralytic polio now on the horizon, everyone is deeply grateful. A source of terrible fear gradually is being removed from our lives.

Because of the increasing use of Salk vaccine, the fallacy exists that the polio problem has been solved. We still have with us the enormous assignment of financing necessary to care for tens of thousands for whom the vaccine came too late.

Your dimes and dollars reflect your thoughtful concern for the job that remains to be finished. Please accept our thanks in the name of those who look to the March of Dimes for help when polio strikes.

Carl Brock, who has been assistant editor of the **Hindsonian** this past semester, is leaving Hinds next week for other fields of interest.

Carl, an outstanding journalism prospect and actor, has been a tireless and hard worker on this weekly publication. His many features and editorial contributions will be greatly missed.

Best wishes and good luck, Carl.

Again the strong hand of industry has reached over into the teaching field and taken away a choice spirit. This time it is Mr. John Mitchell chemistry teacher at Hinds, summer, 1956, and first semester of the current session.

We sincerely regret the Mitchells' departure.

SOPHOMORE OF THE WEEK

Nan K. Ertle Enjoys Many Activities In Scholarship Work, Talent, Writing

By CARL BROCK

NANCY KATHERINE ERTLE is the last outstanding sophomore to be praised for her achievements by the **Hindsonian** staff this semester.

Nan has been a hardworking newspaper staffer ever since she enrolled at Hinds in the fall of 1955. During her frosh year she contributed to the paper as assistant news editor. This year she holds the title of news editor.

NAN ERTLE

It seems fantastic, but she graduated from Anding High School in Bentonia, Mississippi, as valedictorian of her class at

the young age of 15. When she receives her junior college diploma from Hinds in the spring of 1957, she will be only 17 years old. That may be a record. Most students are 18 before they even think about getting out of high school.

Nan is the only child of Mr. and Mrs. C. R. Ertle of Bentonia, Mississippi. Her father is a farmer and her mother is a school teacher. She was born October 4, 1938, in Yazoo City.

Nan is a chemistry enthusiast (one who likes chemistry). For sports, she likes to play badminton and tennis. Someone said that she likes to go snake hunting in the summer, but that's debatable.

As a freshman, Nancy belonged to the BSU, YWCA, IRC, the Lamp-lighters, and the **Hindsonian** staff. She finished her first year of college work with honors.

This year she has retained membership in all of her freshman activities, and has risen in position in some. She is president of the IRC and treasurer of the YWCA. Nan is also a recent initiate of Phi Theta Kappa.

This talented little gal, who stands 5' 2", weighs 100 pounds, has dark blonde hair and brown eyes, is a home economics major and plans to attend Mississippi College when she leaves Hinds.

Study Now And Be Proud Next Week

As examinations approach, it is a challenge for us to review our attitudes toward school work and apply ourselves to some real studying in preparation for the first semester finals.

Also let us remember the object of attending school is not to pass examinations, but to learn. Furthermore, is the game worth the candle, if only the immediate advantages of a high grade are considered? Possible loss of reputation and forfeiture of grades heavily out-weigh any advantages of a dishonestly earned score.

Certainly, Hinds Junior College prides itself on the intelligence and high caliber of its students. Let us all, every single pupil, be prepared for these all important exams.

Chart Your Course In Life Wisely

Inventory: What shall we discard, what shall we keep, as we gird ourselves for travel into the new year?

In reviewing and evaluating some of the possessions we have brought with us so far, we realize that many things clutter our lives and make the going difficult, things which we should lay aside. But we must hold fast the things that we know in our hearts are safe and right, the riches of Faith, and Love, and Life.

What could our campus and life about us be if all of us would lay aside the sins that so easily beset us, the sins of dishonesty, self-centeredness, intolerance, lack of trust in others, insincerity in our own lives, and that great readiness we have to point to weaknesses rather than the strong points in the characters of our associates.

The new year will be our best yet if we carry with us the shield of Faith, the habit of Prayer, and the dedication of our lives to better serve our fellows.

These are some of Life's great riches which we should hold fast.

College To Offer Additional Classes Second Semester

A number of new courses, as well as first semester courses, will be offered in the new semester, according to Mr. M. F. Herring, dean of instruction, and Miss Mildred Herrin, registrar.

Among these are the following: first semester freshman English, and freshman orientation. These are offered primarily for the new freshmen who enter in the second semester; for engineering students only, a course in slide rule; in the speech department oral interpretation, and advanced fundamentals of speech; typing, intermediate and advanced; introduction to sociology; descriptive geometry; office machines; economic geography; world geography; first semester psychology; New Testament.

Designed particularly for prospective teachers, a course open to all students will be offered entitled "Human Growth and Development."

Those students who have not already decided on courses and made their second semester schedules should report to the registrar's office this week.

New Faculty

MR. B. A. HILL, new Hinds Junior College instructor of radio and electricity, is a graduate of Mississippi Southern College at Hattiesburg. Mr. Hill and his family live on the campus.

WAITING FOR WORK to do is the entire Y-Teen service organization from the Hinds Junior College high school department. Seated left to right are Nancy Chapman, president; Barbara Smith, vice-president; Lou Ann Carter, secretary; Dot Brock, treasurer; and Linda Herrington, reporter. Stand-

ing are Ethel Rumbavage, Betty Denton, Winnie Smith, Jackie Armstrong, Mary Glynn Beasley, Betty Jo Clement, Katie Lee Houston, Rebecca Dawson, Juanita Lewis, Jane Kelly, Jo Ann Ray, and Mrs. Jack Combs of the music department, who is sponsor of the club. (Photo by Dick Bowers).

Elections, Meetings, Socials, Test Highlight Hinds' First Semester

By RANDY RICKELS

Have you ever been asked, "What is going on at Hinds?" Perhaps some of your answers included everything from an arch-rival football game to a dull chapel program.

It is the policy of the *Hindsonian* each semester to take out a few moments time and review the top news stories on the campus. Many outstanding events have occurred since the first student passed through the portals of Hinds Junior College in September 1956.

Listed below are a few of the top news stories that have been recorded this past semester.

Hinds students were guests of the Raymond churches at various denominational church parties on September 6.

The sophomore class elected Amos Jack Gray president over Foy Scroggins in a heated campaign by 11 votes on September 20. Malcolm Miller defeated Jane Pickett for vice-president. Mickey Farmer topped Bobbie Nell Noland for secretary, and Wanda Lou Wortman won out over Ernest Turcotte for treasurer. It

was the first time a local Raymond boy has been elected president of the sophomore class in some years.

Bozo, the symbol of school spirit at Hinds, made himself known for the first time to many college students on October 2.

October 12 was declared State Fair holiday — need more be said? The revenge minded sophomores

had their say on October 17, Freshman day. That was a day never to be forgotten by freshmen, sophomores, and faculty.

October 1 — Bozo was taken hostage by foreign hands.

The Phi Theta Kappa, junior college scholastic organization, held its annual initiation on October 31.

Billy Tingle, a husky veteran from Vicksburg, was elected president of the freshman class over Tommy Cox on November 1. John Dee Greathouse won the vice-president position with Nancy Carter and Myrna Loy Stuart being elected to serve as secretary and treasurer respectively.

Hinds choir presented a program at the Raymond Methodist church on November 11.

The high school ruled the roost in the annual Penny Fair carnival by electing Betty Taylor and Joe Milano, Queen and King of Penny Fair on November 13.

Magnificent Obsession was presented on November 16 by the Lendon Players. The same day eight members of the *Hindsonian* staff attended the Junior College Press Conference at Scooba for a two day meeting.

December 5 — Honor students were revealed.

Jane Pickett, Utica, and Irl Dean Rhodes, Brandon, were elected by the student body to the coveted position of Mr. and Miss. H. J. C. Other campus celebrities were also announced.

The initial All American Junior College All-Star Football Game featured the Hinds band and Hi-Stepers on December 14 at Hinds Memorial Stadium in Jackson. Earl McFeaters was a star guard for the East team.

Wesley Foundation Host To District Methodist Group

Sunday, January 6, the Hinds Junior College Wesley Foundation was the host to the Jackson District Methodist Student Movement meeting.

Groups representing Holmes Junior College, Millsaps, East Central Junior College, Mississippi College, and Hinds Junior College met at 10:45 a. m. at the Raymond Methodist Church for the regular morning worship.

At 1:00 p. m. the groups again assembled at the Raymond Methodist Church for the afternoon sessions of the meeting. After being welcomed by the Rev. Clay Lee, the group was led in a discussion period by a panel consisting of the presidents of the Wesley Foundations represented and the president of the district. A film, *The Boundary Line*, was shown, and the Rev. John Sutphin, State M.S.M. Director, and two Millsaps students presented the remainder of the program.

Students representing Hinds Junior College were Kay Tanksley, Fay Tanksley, Catherine Owen, Carolyn Ferguson, Jane Pickett, George Marie Fraiser, and Jean Searcy.

Rev. Clay F. Lee, pastor of the Raymond Methodist Church and leader of the Wesley Foundation, and Mr. Fred L. Brooks, Hinds Junior College speech director, were present at the meeting.

Hinds To Host Perkinson Friday

GOLFER GOOKIN — Mrs. Anne Gookin, girls' physical education instructor at Hinds, participated in a inter-club golf tournament in Jackson yesterday. The Capitol Club of which Mrs. Gookin is a member played in connection with the other two Jackson clubs — the Colonial and the Jackson. She is the defending city champion and was the runner-up for the state award last year. Most observers believe Mrs. Gookin to be the best lady golfer in this part of the state.

Intramural Action Continues Tonight In Women's League

The Women's Athletic Association at Hinds Junior College will stage two basketball games tonight in the Eagle gym at 6:30 and 7:30.

Regina Godley's sextette meets Iris McKay's lassies at 6:30 and Ruth Martin's girls tangle with Bobbie Nell Noland's six at 7:30 in the night-cap.

Mrs. Anne Gookin, Hinds physical education instructor for girls and sponsor of the organization, reminds all girls that they will likely be on a new team this semester for the new year.

The league standings are:

	W	L
Godley's	3	0
McKay's	2	1
Martin's	1	2
Noland's	0	3

Coach Joe Renfro Left Tuesday For St. Louis Meeting

Coach Joe Renfro, athletic director and head football coach at Hinds, flew from Jackson's Municipal Airport at 7:15 last night to attend the annual meeting of the American Football Coaches Association in St. Louis.

Renfro, a 10-year veteran mentor at the Hinds County Junior College, has compiled one of the best junior college football records in the nation in the past decade.

He will attend the meeting with an estimated 1500 coaches over the nation.

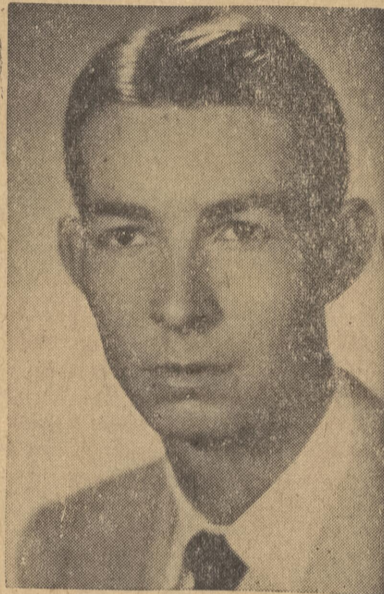

Recruiting and financial aid are expected to highlight the week-long meeting.

Hinds High Eagles, Eaglettes To Play Forest Hill, Clinton In Tournament

Coach Louis Boteler's Hinds High Eagles and Eaglettes will meet the Forest Hill boys and the Clinton girls in the annual Hinds County Tournament at Clinton this week-end.

Bulletin

Hinds' Eagles topped the Co-Lin Wolves 98-94 last night in a thrilling encounter that featured Forward Bobby Lee, Center Buck Smith, and Guard Jerry Ivy with 29, 23, and 21 points respectively.

RECREATIONAL DIRECTOR — W. C. Oakes of Hinds is releasing the intramural basketball team opponents for the next six weeks and the time and teams they will play each week. With a Master's degree from Miss. Southern College, Mr. Oakes is starting his third year at Hinds.

Slated for Thursday, Friday, and Saturday, the following teams will participate in the three-day contest: Hinds High, Bolton, Terry, Clinton, Utica, Byram, and Forest Hill.

Both Forest Hill teams are favored by most people to walk away with both crowns. This tournament does not include the city schools of Jackson.

The Baby Eagles fell by the wayside in the Pearl Invitational Tournament last Wednesday night to the strong Murrah quintet 71-38. Sub Dan Hodge was the top scorer for the Eagles with 10 points.

Drawing a bye in the initial rounds, the Eaglettes were beaten by the Forest lassies 62-42 Saturday afternoon in the quarter-finals. Forward Bettye Taylor, an all-star of the tournament last year, pumped in 35 points for the Eaglettes to earn top individual scoring honors.

Jackson Pine-Sol Queens Defeat Hinds' Eaglettes In Monday Night Contest

Jackson Pine-Sol Queens sailed past the Hinds Junior College Eaglettes 49-32 Monday night in Eagle gymnasium.

Sparked by Myrt Jones, the victors had plenty trouble handling the home standing Eaglettes, directed by Anne Gookin. Jones deposited 24 points while her co-worker Shirley Jones netted 17 points.

Iris McKay, diminutive set shot artist, tallied 21 points for the losing cause. Kay Tanksley tossed in nine markers.

Troy Ricks' Team Wins Second Place In Booneville Meet

Hinds Junior College's cage forces will host the Perkinson Bulldogs Friday night from Perkinson in their initial home game since the Christmas holidays.

Winning the runner-up position in the Northeast Junior College Invitational Basketball Tournament at Booneville last week, they played the Co-Lin Junior College Wolves of Wesson last night in an arch-rival match.

The Eagles, directed by Troy Ricks, carried a 4-3 record of regular scheduled games into last night's game and a 6-4 record including tournament play.

The Perkinson athletic teams have always dealt the Eagles ample misery and the same is expected Friday night when the South Mississippi Junior College invades for action. Perkinson edged past Pearl River Junior College by one point and the Eagles were defeated by the Pearl River Wildcats 99-94 at Poplarville.

Coach Ricks plans to put Center Buck Smith, a 1956 all-stater, at the pivot slot for his scoring ability and excessive rebound power. Smith is averaging over 18 points per game.

Opening as forwards will be Bobby Lee, who has a 12 point average and who is considered one of the best floor men in the circuit, and Doyle Denbow. Guards to receive the initial calling are Dickie Axtell and Jerry Ivy, both with 10 point averages with the latter being one of the best playmakers in the state.

The Bee teams of the respective schools will meet at 7 p. m. to get action underway.

REAL MUD FISHERS — Members of the Hinds Junior College football team along with their coaches attempted their luck at mud fishing at the Raymond lake and from the looks of the 50-pound Buffalo they captured their luck was plenty good. Prof. Fred L. Brooks, Jr., President of the South Mississippi Speech Festival and director of speech at Hinds, has submitted the program and plans for the full day of speech activities to be held here February 16.

The following schedule for the day-long Festival has been made: 8:30-9:00, registration; 9:00, first debate; 10:30, second debate; 10:30, oration; 12:00, lunch; 1:00, third debate; 1:00, drawing for extemporaneous speeches; 1:00, impromptu speeches; 2:00, extemporaneous speeches; 2:30, after dinner

Enrollment Increases Says Hinds Registrar

Mid-year on the campus has a number of new students enrolling in courses.

Yesterday, according to Miss Herrin, registrar, the number of new students in the daytime program already exceeded that of this date last year. Registration for new students will continue through the week.

The majority of new students already registered plan to be day students commuting from their homes nearby the campus. A few others have become domiciled in campus dormitories.

The field of study requested by a majority of the entering students

so far is that of business. Second in popularity is that of engineering.

Students In Night Work Double Day Course Graduates

More than doubling the number of mid-year graduates in the day school are the junior college graduates of the night school, who last week completed all requirements for graduation, and will receive college diplomas. The following are the graduates:

Billy L. Green, William Forrest Thorn, Curtis Entrican, Frank Allen Robinson, Gladys Gaynell McNeil, Lewis B. Traweck, Jr., John D. Quarles, Jr., John L. Mixon, and Loring H. Thorpe, all from Jackson.

Four students in the daytime college division have completed their junior college careers. These are Mary Ann Liles, Learned; Mary Jane Loper, Jackson; J. J. Mason, Birmingham, Ala., and Duwayne Ezelle, Jackson.

speeches; 3:30-4:00, coffee hour; 4:00, oral interpretation; 4:00, dramatic monologue; 6:00, banquet in college cafeteria.

Topics selected for the extemporaneous speeches are the following: Are We Up-To-Date on Atomic Power and Its Uses?, Ways of Control for the Suez, Whose Inflation—Government's or Business's?, The Effects of President Eisenhower's Power to Call Out Troops in the Middle East, Advantages and Disadvantages of Television in the Home, How Our Spending Patterns (Money) Will Change in the Year 1957, Our National Dilemma for School Buildings.

International Club Elects Flora Girl

Betty Jo Williams, Flora sophomore, was elected president of the International Relations Club at Hinds Junior College this week.

Florence Hearn, Redwood freshman, was elected vice-president and Nan Ertle, Bentonia sophomore, was elected secretary.

Miss Lula Mae Fowler, member of the social science department, is the sponsor of the IRC.

Eaglettes Defeat Faculty In Thriller

With proper costuming and suitable accoutrements, impersonations of Elvis Presley (Miss Thrash), Madame Sheri of Paris (Miss Pennell), a learned college president from Italy (Miss Brantley), one of Paris' latest fashion models (Miss Herrin), a diminutive career girl (Mr. Oakes), and ex-coach Jobie Harris (Mrs. Clark) added interest, if not skill, to the faculty women's performance at a March of Dimes benefit game sponsored by the YWCA last night with the Eaglettes topping the faculty by a 22-21 edge.

son, has just been completed.

The courses taught were technical blueprint reading and technical mathematics.

The vocational co-ordinator's office also reports that since the first of January there have been 13 new enrollees in the vocational department.

Several men have completed their training since the first of the year and have left the department to go to work.

Girl Dormitory Students Change Theatre Evening

Girl dormitory students at Hinds Junior College will be permitted to attend the Park theater at Raymond on Thursday nights the second semester, according to Miss Gertrude Davis, Dean of Women.

The girls have been attending the show on Tuesday nights during the first semester. This change is being made due to less school activities on Thursday than on Tuesday nights.

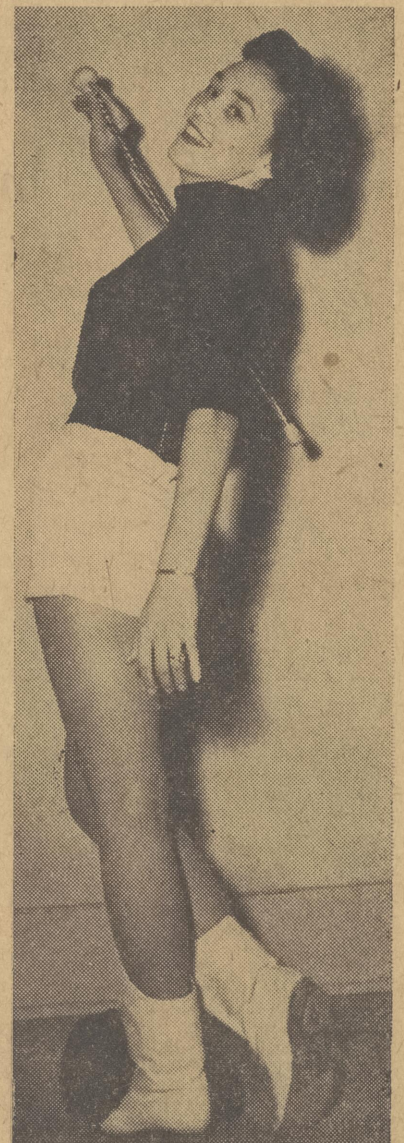

Clinton Freshman To Head Business Leaders Conclave

Jo Ann Johnston, a Clinton freshman, was elected president of the Hinds Junior College Future Business Leaders Association for the second semester at the club's regular meeting last Friday morning.

Elected to serve in the other offices of the club are Joan Brunner, Jackson, vice-president, and Lavelle McLendon, Jackson, secretary and treasurer.

Officers that are being succeeded in the business club are Foy Scroggins, Yazoo City, president; Ray Owens, Jackson, vice-president; and Barbara Yarbrough, Terry, secretary-treasurer.

Mrs. Maybelle Furness, a member of the business department, is sponsor of the F. B. L. A.

Hinds Hi-Stepper SARA SELMAN gives photographer Dick Bowers a cute pose before leaving for a performance in Jackson.

Barring Papers Endangers Freedom

The public needs the public's business to be transacted publicly.

Yes, this is still a democratic nation. But it is not nearly as democratic as it once was and we as young people cherish our freedoms! We have, each of us in our own way, a massive undertaking ahead of us.

Gov. J. P. Coleman, Mississippi's chief political boss, promised the people of Mississippi on the night of May 10, 1955, in his opening campaign address at Ackerman, Miss., that no steamroller secret committee sessions would be held and the public had the right to know on every public issue. Evidently, since being elected governor, he is a changed man.

Meeting with lawmakers at district meetings over the state last week to decide whether or not to hold a 10-day session of the legislature, Gov. Coleman banned the press. Was that public business?

Unless this situation is soon corrected, much of the information which you read in your home-town newspapers about the state and national laws, under which you live, will be after the fact.

Ours, as members of the press, is an ethical responsibility to provide Americans with information that is free of taint. What the First Amendment recognized was that when men cannot freely convey their thoughts to one another then no freedom is secure.

This American freedom is not a newspaper task alone. It is a task for every citizen — for every lawyer, for every merchant, for every housewife, and every young person. The newspaper has been in the forefront of the battle only perhaps because the newspaper has been closer to it and because the press has seen the tide turning.

Let it be said of us that we, too, have made some contribution to the preservation of democracy in America.

And in this process, let it be said that we never for one moment forget Benjamin Franklin's great dictum:

"They that give up essential liberty to obtain a little temporary safety desire neither liberty nor safety."

Our freedom is a duty for every citizen. It is a mission. It is one of the noblest of all crusades—and it is one that all of us can serve alike.

Semester Marks Another Milestone

This week marks another semester milestone in the history of Hinds Junior College and it offers you as a student an opportunity to start off your studies and activities with a clean slate.

At 8:30 Monday morning the college bell sounded to open the second semester of the 1956-57 session. Grades of students were started on a new white page and you, as a student, will write the final scores in that grade book by the way you apply yourself the following 17 1/2 weeks.

The life you lead and the course you take will be on file at Hinds Junior College forever. When the curtain rings down on the second semester, what will your record be?

You have 122 days, 2,928 hours, 175,680 minutes or 10,540,800 seconds to make that decision.

SOPHOMORE OF THE WEEK

Diminutive, Popular, Witty Favorite Plans To Teach Elementary Children

By IRL DEAN RHODES

The story you are about to read is true and the character involved is real.

BOBBIE NELL NOLAND

Surprisingly, the person described has two unusual characteristics. This week's celebrity, known for her diminutive size, attended an amazing 12 years of high school without missing a single day's attendance.

This dynamic 95 pounds of sparkling fun and wit is named Bobbie Nell Noland. She is a pleasure to know and a joy to be associated with.

She's majoring in elementary education, with the thought of going into teaching as a career. So it is obvious that she is going to be with her same size group, small people.

This shapely miss, daughter of Mr. and Mrs. W. A. Noland of Brandon, was elected most popular girl at Hinds, where she is president of the Women's Athletic Association, treasurer of the Baptist Student Union, club editor of the

annual, and a member of the women's house council.

Besides being the sophomore class penny fair queen candidate, the lovely lass was elected campus favorite and has done a remarkable job as an Eagle cheerleader for the past two years.

Bobbie Nell, a cat-eyed (green) lady, reached God's earth on a hot sunny day of August 22, 1937 in the hills of Rankin County.

Although a short 5' 1" member of the fairer sex, the dainty brunette chalks a 32-19-32 measurement where statistics are considered important.

During her high school days she was honored by being elected the cutest and wittiest by her classmates, and she was a faithful cheerleader for four years. Garnering the lion's share of high school awards, Bobby Nell, a pint size youngster known by many as "Pee Wee," was secretary of the Future Teachers Association at Hinds last year.

With memories of high school days, she graduated with honors from Brandon High School in May of 1955. She excelled, in a great manner, in both her junior and senior class plays. Fond of all kinds of sports and movies, her favorite entertainment and hobbies are eating and sleeping, and listening to the radio.

Bobbie Nell will do one of three things when she graduates from Hinds in May — continue her schooling, get married, or go to work.

With Bobbie Nell's sense of humor and pleasing personality coupled with a flowing wit and sincere heart, the future holds limitless possibilities for her success. It is visible in the crystal ball that some day you can look back and say, "Evidently dynamite comes in small packages."

On The Nation's Campuses

By NAN ERTLE

As a part of the Hungarian Student Scholarship drive, two Hungarian students will enroll at Ole Miss for the second semester. The

students, who are taking entrance exams and receiving courses in English, are in New York, and they will arrive on the campus by February 15.

From the editor's column in the University of Toledo's **Campus Collegian** comes this quip:

Two men were discussing the question of their children's education. Said one:

"What's your boy going to be when he finishes his education?"

The other replied: "An octogenarian, I think."

Mississippi Southern, representing the institutions in higher learning with a medium class enroll-

ment, is being used as a yardstick to aid higher education. The findings of the space utilization committee report that Southern is using its facilities to a high percent.

With the hope that the following happened to none of you last week in exams, I'll close with this excerpt from the Idaho paper:

He read the textbook,
He studied the notes,
He outlined both.
Then he summarized his outline.
Then he outlined his summary on 3 x 5 cards.

Then reduced the card outline to one single card.

Boiled the card down to one sentence.

Boiled the sentence down to a phrase.

Boiled the phrase down to a word.

Entered the exam.
Analyzed the question.

And then,
Forgot
The
Word.

Students Rate Grill Popular Gathering Place

Grillology Majors Drink Quantities Of Colored Water

By JIMMY JOPLIN

How many times have you strolled into the Eagles' Nest, the college grill, this year? If you are an average student, the number would probably amaze even you.

Did you ever wonder just how many goods are purchased every day in the grill? That would possibly make you faint. It is very interesting to note, for instance, that the grill sells an average of over four hundred cups of coffee a day in cold weather. To go with that black-colored water, customers buy about three hundred and seventy-five cold drinks, one hundred and twenty hamburgers, ten gallons of milk, sixty-five sandwiches, two hundred and forty donuts, sixty packs of gum, and sixty packs of cigarettes.

Each day the juke box plays about eighty times to furnish music to help flavor the atmosphere. At three minutes per record that is four hours a day.

To make the grill operate efficiently there are three people who work full time during the day. They are Mrs. Curtis Jones, Mrs. Elizabeth McNair, and Q. T. the colored worker. There are also six part time workers. They are Mrs. Pat Smith, and five student workers, Wallace Ballard, Bobby Breedon, Louis Tingle, Don Weeks, and Jimmy Joplin, all of which work sometime during the day or at night.

Mrs. Margaret Kimble is manager of the grill.

The correct name for the grill is the Eagles' Nest, but it has, over the years, been called the grill until the name Eagles' Nest has been almost forgotten.

The grill was previously located underneath the gym in what is now the men's physical education room. When the student union building was erected in 1951 a site was provided for the grill.

The Eagles' Nest is one of the finest, most modern grills in the state. Every junior and senior college in the state has a grill and the Eagles' Nest holds its place among the best of them. It is well furnished and presents a very clean appearance.

The sole purpose of the Grill is for the enjoyment of students.

In the grill you can buy almost anything you need in the way of school supplies and the quick snacks that some say help the mind to function better. You can find companionship and friends to talk to. You can always find someone to sympathize with you for flunking that trig test, at least until the girls leave at night.

Have you noticed those little pennants and badges that are for sale in the grill as memories of your junior college days.

Stop and realize for a minute, what a vastly different place this would be if we couldn't say, "Let's go over to the grill for a Coke."

GRILLOLOGY MAJORS at Hinds Junior College are numerous but a few of them have been captured in the above photo. The Eagle's Nest, better known as the college grill, is possibly the most popular

place on the campus. Shown, left to right, are Mrs. McNair, Joe Campbell, Charles Causey, Marie Allen, Levi Barber, Mrs. Kimble, Pete Gray and Glenn McClelland.

FACULTY PARTICIPATES

President McLendon, Prof. Treloar To Serve As Delegates At Meeting

President G. M. McLendon and Mr. Jack Treloar, vocational agriculture head, were elected recently by the Faculty Club to serve as official delegates to the Delegates Assembly of the Mississippi Education Association annual convention which will be held in March.

Mrs. Thomas A. Bratscher of Jackson has arrived on the campus to take over the classes in high school mathematics relinquished by Mrs. John Mitchell at the close of the first semester. Mrs. Bratscher will also serve as co-sponsor of the 11th grade.

Rev. Clay Lee, Director of the Wesley Foundation, presented the Rev. Norman Boone as speaker to the campus group Monday night. Mr. Boone spoke on the topic, "Intellectual Maturity."

Miss Genevieve Williams, new teacher of chemistry, will begin her schedule of classes in general and organic chemistry this week. She will live in an apartment in Main Dormitory.

Miss Mildred Herrin, college registrar, attended a meeting of some two dozen registrars, high school principals, guidance heads, and others interested in revising high school transcripts in the schools of the state. The meeting was held Thursday of last week in Jackson.

Mrs. Gertrude Rowzee, college librarian and treasurer of the Jackson Branch of the A. A. U. W., and Miss Gertrude Davis, dean of women, attended the Sunday afternoon coffee of the Branch held at the Jackson Y. W. C. A.

Miss Lurline Stewart, head of the mathematics department at Hinds, will speak at the meeting of the Mathematics Section on Friday of the annual meeting of the Mississippi Education Association. Her topic is "Here's How I Do It In Algebra."

Miss Maudine Thrash of the Music Department announces that the next concert sponsored by the Jackson Music Association will be that by pianist Eugene Estomin, Monday night, January 28.

VELMA RUTH HAND, left, and W. L. Anderson, right, have recently been chosen by their classmates as Miss and Mr. Hinds High, representing the highest honor their fellow students can bestow.

Band, Hi-Steppers To Participate In New Orleans Meet

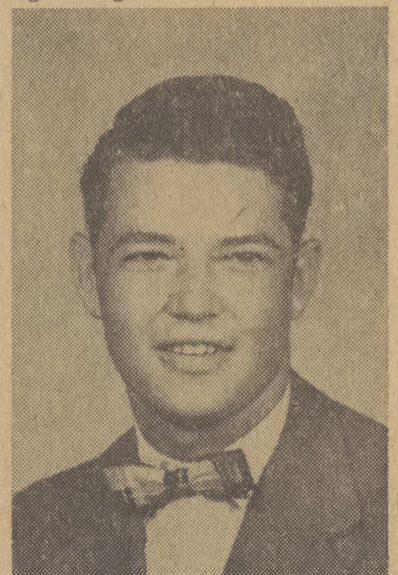

The Hinds Junior College Band and Hi-Steppers are planning their annual trip to Mardi Gras in New Orleans. The group will leave Sunday, February 24 and will spend two days in New Orleans.

The band, under the direction of Mr. Albert Rowan, and the Hi-Steppers directed by Mrs. Alon Bee will parade down Canal Street in one of the world famous Mardi Gras parades. Members of the two groups will ride to New Orleans in the college buses.

FORMER HINDS STUDENT TO EDIT SCHOOL PAPER AT HATTIESBURG COLLEGE

Mrs. Mary Payne, a former Hinds Junior College student, has been elected as editor of the *Cobbler*, William Carey College newspaper at Hattiesburg.

Mrs. Payne is the former Mary Edythe Bullock of 419 Grandview Circle in Jackson. She is majoring in English.

Hinds Cagers To Clash With Clarke This Week

Hinds Junior College basketballers will match their ability and talents against the Clarke College cage team Friday night at 8.

Coach Louis Boteler's high school aggregation will tangle with Coach Tom Poe's Pisgah team at 7 p. m. in a warm-up encounter. Poe is a former graduate of Hinds Junior College.

The Eagles, directed by Troy Ricks, were victorious in a twin bill two-night outing this past

weekend over Itawamba and Northeast in home games. The game Friday night with Clarke will mark the Eagles' last home contest until February 12.

Hinds has only two more home battles this season, with the exception of Friday night's game.

The South Mississippi Junior College tournament is set at Summit on February 22 and 23, with the state overall meet slated for March 2 in Jackson's City auditorium.

This will be the second such meet for Hinds and Clarke this season. Hinds swamped Clarke at Newton back in the earlier part of the season by some 20 points.

Next Tuesday night the Eagles travel to Holmes to meet the defending state champions.

Hinds Basketeers Motor To Brandon In Tonight's Game

Riding high as the defending District Six champions of class B-BB with a 6-4-1 record, the Hinds High Eaglettes along with the Hinds High Eagles will journey to Brandon tonight for a March of Dimes benefit game.

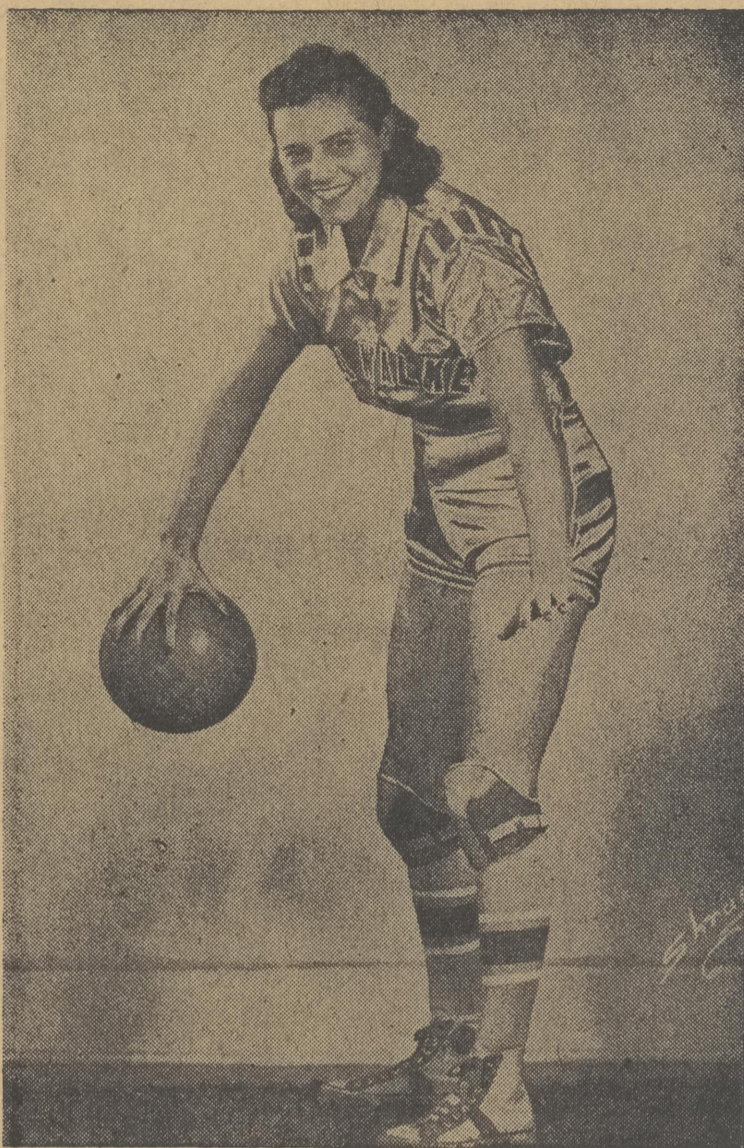

Coach Louis Boteler will carry his teams to Jackson tomorrow night to meet the Mississippi School for the Deaf squads. Friday night the Baby Eagles will clash with the Pisgah Green Waves in a preliminary contest to the Eagles' match with Clarke.

St. Joseph of Jackson will host the Boteler-coached teams next Tuesday night.

Bulletin

It was learned today that six top high school basketball squads will clash in the Hinds Junior College gym on Saturday night, Feb. 2, in a March of Dimes benefit program.

Coach Louis Boteler, high school coach, reported the Murrah Mustangs would play the Byram Bulldogs, the Central Tigers will battle the Utica Gold Waves, and the Hinds High Eagles would host the Provine Rams to complete an excellent cage card.

ALL-AMERICAN HAZEL WALKER, the premier woman basketball player in the nation, will lead her nationally known Arkansas Travelers against the Hinds County basketball coaches in the Hinds Junior College gym on Tuesday night, Feb. 5.

Athletic Director Joe Renfroe Names Gridiron Players To Receive Jackets

A total of 21 football players lettered at Hinds Junior College this past season and will receive maroon and white leather jackets as soon as the shipment arrives, according to Coach Joe Renfroe, athletic director and head coach.

Renfroe and his assistant, Frank Young, listed the lettermen as follows: Melvin Champagne, Hal Battle, Bobby Young, Joe Campbell, Chris Andrews, Pete Gray, Earl McFeaters, Benny Hawkins, Jimmy

Stubbs, Bart Schriener, Charles Sessums, Homer Boyd, Ira Betts, Max Stevens, Elmer Stringer, Burley Smith, Shelly Vaughan, Glynn Russell, Red Fuller, Wimp Martin, and Don Sharpe.

Schriener, Gray, Campbell, and Russell are the only members on the team that have lettered two years straight.

Austin Baggett, who has been manager for the past two seasons, will receive a manager's jacket.

Godley's Sextet Unbeaten This Season; Tops Basket Action In Intramural Play

In their last game of the first semester this past weekend Regina Godley's sextette continued their winning streak by downing Iris McKay's squad 30-23 in the Women's Athletic Association's intramural basketball conference.

Demonstrating excellent team work, both teams turned in top-notch performances. Kay Tanksely paced the winners with 14 points to lead the offensive attack while Lillie Mathes and Doris Toles hit for six each for the Godley-managed crew.

McKay pumped in 19 markers for the losing cause.

The undefeated Godley team was led defensively by Alice Walton, Roxie Easley, Barbara Cline, and Regina Godley. Patty Carter, Fay Tanksely, Sharlotte McClurg, and Martha Fugate were standouts for

the losers.

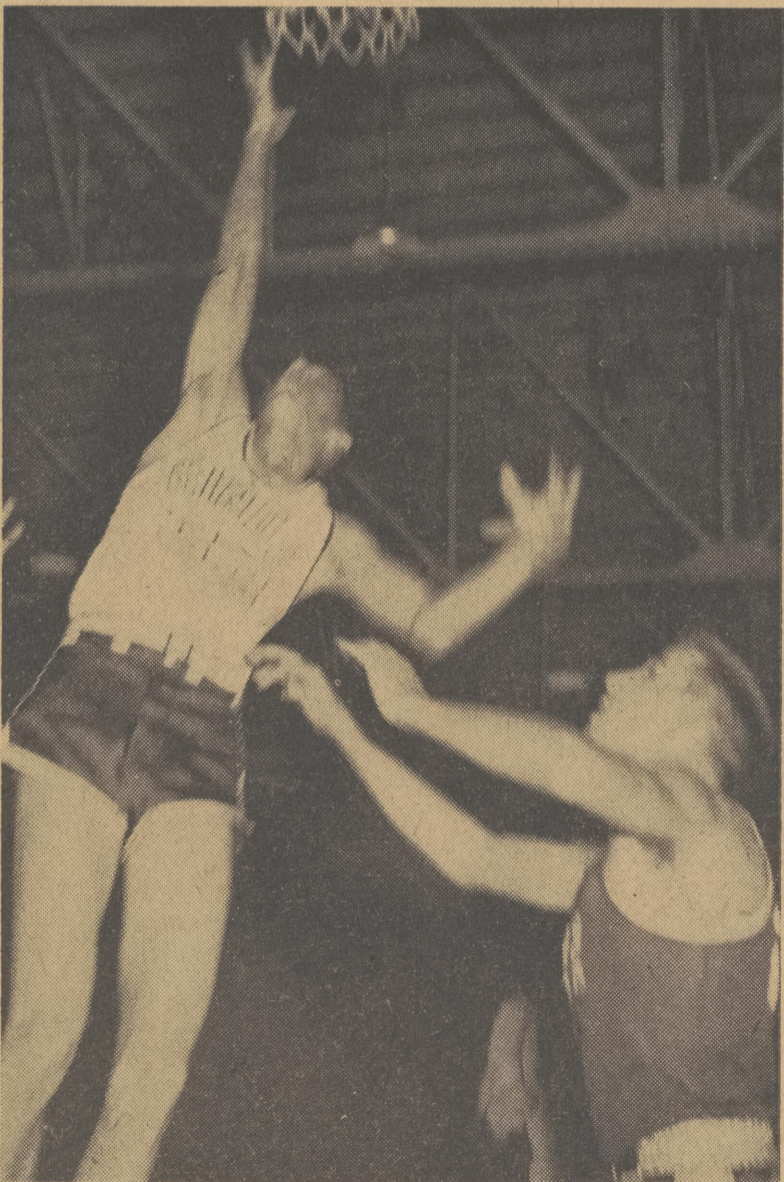

Bobbie Nell Noland's six went winless for their fourth straight time at the hands of Ruth Martin and company to the tune of 16-15 in the finale of the same meeting.

Jane Pickett and Ruth Martin starred for the defense on both teams.

The top 10 scorers in the league are Iris McKay 74, Peggy Fugate 51, Kay Tanksely 42, Bobbie Nell Noland 34, Docie Joyner 31, Peggy Catledge 31, Lillie Mathes 29, Frances Ainsworth 24, Jean Gill 22, Louise Earnhart 22.

The league standings:

Graduating Students To Make Application

All college sophomores and high school seniors expecting to take diplomas at the spring commencement in May should make their applications the week of Monday, February 4 through Monday, February 11.

Business Leaders To Visit Company

Members of the Future Business Leaders of America chapter at Hinds Junior College will visit the offices of the Mississippi Power and Light Company and the Rex I. Brown Generating Plant in Jackson tomorrow.

The entire FBLA and their sponsor, Mrs. Maybelle Furness, who is a member of the business department will make the trip and will be served lunch through the courtesy of the power company.

Chapter members have recently received their membership cards and five new members have joined the organization. New members are Jefelette Trapp, Elaine Cunningham, Yvonne Ladner, Josephine Watson, and Anna Summers.

Hinds Music Group Plans Three Trips

Hinds Junior College's Formal Choir is preparing for three appearances in the next few weeks.

Directed by Mr. James L. Reeves the choir will appear at the Westpark Methodist Church in Jackson on February 3, the Mendenhall Methodist Church in Mendenhall on February 10, and the First Baptist Church in Yazoo City on March 7.

Most of these trips are being booked for Sunday nights.

During this semester the choir will be making additional trips to churches in the Hinds area.

Making application consists of checking requirements for graduation in the registrar's office and depositing the graduating fee of \$7 at the business office.

Orders for diplomas will be placed Tuesday, February 12.

Students who will receive diplomas at the spring commencement, May 24, will be exempt from second semester examinations if their term grades are B or above.

Students graduating from either the high school or junior college with a quality point average of 2.2 will be graduated with "Honors." Those with a quality point average of 2.6 or above will receive "Special Honors."

Choir To Present 'Down The Valley' On Local Campus

"Down the Valley," a one act opera written by Kurt Weil will be given by the Hinds Junior College Choir in the early spring.

Rehearsals have already begun in preparation for the opera.

Four members have been named by Mr. Leslie Reeves, head of the voice department, to make up the cast for this production and other members of the cast will be announced later.

Mr. Reeves announced the following members that have already been selected — Zane Nowlin as Brack Weaver; Bettie Vann King as Jennie Parsons; Merle Graham as Tomas Bouche; and Bob Wallace as the Leader.

HISTORY IS BEING made at Hinds Junior College. These three shapely misses mark the first time three sisters have been members of the Hinds Hi-Steppers. Shown, left to right, are Nancy Carter, a college freshman; Norma Jean Carter, a high school senior, and Lou Ann Carter, a high school junior, all of Raymond.

Beta Club Group To Participate In State Convention

Three Beta club members from the high school department of Hinds Junior College will attend the annual state Beta club convention in Jackson at the Heidelberg Hotel Friday and Saturday of this week.

Bobby Sheffield, president of the Hinds High Beta Chapter, will represent the club as the official delegate and Nancy Chapman and Dorothy Brock will attend the convention and lead the singing at the sessions.

Other officers of the Hinds High Beta club are Norma Jean Carter, vice-president; Nancy Chapman, secretary; Donnie Sheffield, treasurer; and Betty Denton, reporter.

Mr. A. L. Denton, high school principal, and Mrs. Jeannie Muse, member of the English department, are sponsors of the scholastic service organization.

Louisville Student To Be On Telecast Tomorrow Evening

Miss Carolyn Barton of Louisville will be featured on the American Legion Television Show Thursday, January 31, at 6:30 p. m., over WLBT Channel 3, Jackson.

Miss Barton won the eight-county District Oratorical Contest last year and took second place in the State Contest sponsored by the American Legion.

This television show is sponsored over WLBT by the American Legion of Mississippi for the purpose of acquainting the people of Mississippi with the services rendered by the American Legion through its 200 local Legion Posts in the State.

This program appears on Channel 3 at 6:30 p. m. on alternate Thursdays, and features different people from all over the state who are active in the Legion and in the programs of the American Legion.

Miss Barton, who is currently enrolled as a student at Hinds Junior College, will be interviewed on the program by Jack Pace of Magee, Mississippi, State Commander of the American Legion.

Hungarians Need Your Goodwill Help

Many Hungarian students are shedding blood, sweat, and tears and sacrificing a great many pleasures, but it's not bothering a vast group of American people.

Hinds Junior College started a Hungarian drive, sponsored by the International Relations Club, today in assembly and a quota has been set-up for Hinds students to strive to attain. If every student on the campus would give a dime the quota would be more than reached.

World-minded citizens and students are needed in this crusade. Public spirited individuals have ample chance to do something with their lives for humanity.

Work mounts in this world of ours and the workers are few in number. Some of the most powerful weapons possessed are the ideas of the student.

May we give generously to a cause that will help other people have food, clothing, shelter, and the other necessities of life.

Although this fight is only for the brave and fearless, it is a courageous challenge for the highest and the best that any American student possesses.

Will Hinds Junior College students, as God-fearing and peace loving red-blooded Americans, place a NO on a dying cause to help their fellow world citizens?

Polio Campaign Enters Home Stretch

Nearing the home stretch in the fight against the dreaded polio, we are making a final plea to the members of the Hinds student body and faculty that have not had a chance to participate in the fund raising drive to give and give generously to the worthy cause.

Help Hinds Junior College reach an all-time important high peak in this year's total gift to the March of Dimes.

LETTERS TO THE EDITOR

To: The Editor of the Hindsonian
From: Don Alexander

Dear Sir,

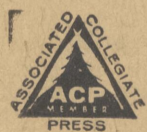

As long as I have been a student at Hinds Junior College it has been my pleasure to be a constant reader of your weekly publication of The Hindsonian. Never have I been let down or disappointed by the lack of proper coverage of all of the activities which have transpired during the period between issues . . . and I have always found a copy of The Hindsonian available to me without cost, which is another reason why I consider The Hindsonian to be "one of the Best."

In the years to come I will be

proud to turn the pages of my scrapbook and reread the many fine words of print which are stored within the pages of my collection of issues of The Hindsonian.

Mr. Editor, you and your staff have my personal thanks for a job well done, and in the future whenever The Hindsonian is placed in direct competition with the numerous other Junior College newspapers I have no doubt that you and your staff will continue to be recognized as the leaders in the field of journalism in our state of Mississippi.

Sincerely,
Don Alexander

SOPHOMORE OF THE WEEK

Marilyn Simmons Possesses Ambition Intelligence, Wit, Outstanding Record

By JANE PICKETT

What qualifications must one have in order to succeed? If these include intelligence, wit, ambition, and versatility, then our sophomore of the week is destined to be a success.

MARILYN SIMMONS

The place of honor this week is held open for Sally Marilyn Simmons, a brown-haired, green-eyed, seventeen-year-old sophomore from McCall Creek.

Marilyn was born at Rose Hill, Miss., in Jasper county. Both her parents are teachers, which accounts for her traveling around so much and attending several different schools. Marilyn has attended schools at Heidelberg, Johnston, Loyd Star, and Independence, where she was gradu-

ated at the age of 15 as valedictorian of her class.

While she was in high school Marilyn was a member of the 4-H Club, Y-Teens, and the girls' glee club. Besides being on the varsity basketball team, Marilyn served as secretary and treasurer of her senior class.

Not to be outdone by her high school record, last year at Hinds Junior College Marilyn was a member of the Modern Language Club, Baptist Student Union, Young Women's Christian Association, and the Hindsonian staff.

As a sophomore Marilyn is president of the Modern Language Club, treasurer of the Women's Athletic Association, council member of the YWCA, and a member of the college choir. She does all this and maintains a straight A average, too.

A versatile person naturally has many hobbies, and Marilyn is no exception. Her favorite pastimes are baking, reading, music, sports, and writing — especially writing.

Marilyn has interest in the field of writing, and next year she plans to attend MSCW and receive her degree in journalism with minors in English and library science.

Who knows, perhaps this young lady will some day become known in newspaper circles as "Hot-Scoop" Simmons, or in literary groups as the author of a sequel to "Gone With the Wind".

Sally Marilyn Simmons has made big plans for herself, and with all her talents she is bound for success.

On The Nation's Campuses

By NAN ERTLE

For the past few weeks nearly every college newspaper has carried news of drives to aid the Hungarian students who were in the revolution. At the University of California at Los Angeles, Istvan Laszlo, one of the Hungarian student leaders of the recent revolution, explained how he and his friends "did not intend to fight with arms, but "we had our demands and we wanted the nation to know them."

In a story in UCLA's DAILY BRUIN, he said that the revolution started as a demonstration of sympathy for Poland. During one demonstration, a Hungarian boy and girl entered Laszlo's city's radio building to present the student demands.

"A few minutes later the bleeding boy appeared at the door with the dead body of the girl in his arms. Faced with such an answer to our demands, we had to take up arms."

Laszlo was touring the United States to build support for Hungary's freedom movement.

"The American way of living is different from that in Brazil, even the people and their way of thinking are different. When we first came here, we were a bit timid, but now we like it very much. Everybody is very friendly, "announced Chris Araujo, a senior law student who acted as spokesman for the group of Brazilians who have enrolled in the Institute of Latin American Studies for eight weeks at Mississippi Southern.

At the University pharmacy laboratory of the University of Mississippi, experiments are being made with Toby, a pedigreed white rat, and his brother rats to determine the effect of tung oil upon hypertension (high blood pressure). The research is being carried on by Dr. W. Lewis Nobles, professor of pharmacy and pharmaceutical chemistry in an effort to isolate from tung oil a drug that lowers blood pressure.

Toby has the edge on humans who have the same disorder — he doesn't worry about it — so they say!

Hinds Art Department Brightens Classrooms

By RAMONA SARTIN

Let's face a fact, a pleasant fact — art is the production or expression of what is beautiful or appeals to the faculty of taste. Talents of

MRS. A. L. DENTON
Art Instructor

art may swing in any direction, illustration, fashion, cartooning, children's books, portraits, designing.

Yes, there are wonders in every field of art. And the beauty of it is that art work is a part of each individual that produces a finished product.

Art is the great leveler, and since the first cave man chiseled an illustration of a hunting scene on his wall, talent has never been a respecter of sex, creed, or color.

The art department of Hinds Junior College, under the direction of Mrs. A. L. Denton, is doing a wonderful job. As you pass through the

halls of the administrative building be sure to notice the very attractive bulletin board outside the door of the art department, and if you have an extra minute, step inside the door and look at the bulletin board and the beautiful pictures that are hanging on the walls. The art department is also responsible for some of the pictures that are hanging in some of the offices and class rooms.

What does it take to draw? Most of the following points can be learned and developed through proper study. First, perseverance and application are required to complete an acceptable picture. Then comes drawing ability, imagination, dramatic insight, and taste. As to these special qualities: you must possess the imagination to project yourself into the situation as written by the author of fiction, to be in sympathy with the sometimes tedious work of selecting and staging an incident detail by detail, going beyond the author's description as to gesture, expression, and attitudes, drawing out the mood by dramatic insight, and adding to it by the character of props, lighting and rendering.

This requires an ability to observe and remember details from daily life that ring emotional bells. The technical ability to draw, to handle the mediums and to design must be mastered before stepping into the complications of illustration.

Remember, the art department of Hinds Junior College is the most colorful room on the campus. Drop in sometimes and look it over — seeing is believing.

Card Of Thanks

I wish to express to the many friends who called at the time of my recent illness, and to those who expressed their thoughtfulness otherwise, my sincere gratitude.

I am now happy to be out and on my job again.

Signed,

F. M. Herron,

College Nightwatchman

THOUGHT FOR THE YEAR

I said to a man who stood at the gate of the years, "Give me a light, that I might tread safely into the unknown," and he replied, "Go out into the darkness and put your hand into the hand of God. That shall be to you better than a light and safer than a known way."

(Note: The lines above written many years ago by an obscure poet, Miss M. L. Haskins, were quoted by the late King George as a benediction for his people at a time of great threat and peril to the English nation. Quoted many times later, the passage has been spoken of as a text for a universal sermon for a troubled world.)

Methodist Pastor Speaks At Wesley In Program Series

Completing their series on the general topic, "Maturity," the Wesley Foundation Monday night presented as speaker the Rev. Ed DeWeese, pastor of the Clinton Methodist Church; and had as their guests the campus Baptist Student Union.

Mr. DeWeese spoke on the topic, "Spiritual Maturity." Earlier meetings in the series stressed the topics, "Emotion Maturity," and "Intellectual Maturity."

Other speakers in the series were Rev. David McIntosh and Rev. Norman Boone.

Rev. Clay Lee, pastor of the Raymond Methodist Church, is director of the Hinds Wesley Foundation.

FRESHMAN APPLICATIONS INCREASE THIS SEMESTER ON NATION'S CAMPUSES

Freshman applications in the nation's colleges are 19% heavier than a year ago.

That's the estimate given in the past two weeks by registrars in public and private colleges from coast to coast. On the average they expect twice as many applicants as they can accept. Obviously, many high school seniors are applying to two or three institutions. Those who do so promptly — and who have acceptable grades — should be able to enter one of the country's 1,700 colleges and universities.

Some three million students are on campuses this year — a quarter of a million more than this year and a half million more than 1948-49, peak year for the GI bill.

Enrollment next fall is expected to jump by another 12%. So this year's high school juniors, some registrars say, should apply a full year in advance.

This statewide activity is the project of nine colleges in the state.

Faculty Students Hear Piano Artist

A bus load of Hinds students attended the piano concert at the Jackson city auditorium presented by the world-famed Eugene Istomin Monday night.

The 31-year-old artist captivated his audience with a program of numbers from Schubert, Beethoven, Chopin, Haydn, and Schumann.

Istomin was born in New York, and made his debut with the Philadelphia Symphony Orchestra in 1943.

A critic speaks of his performance as one of "finesse, beauty, and inspiration."

Some of the Hinds faculty people attending the concert were Mr. and Mrs. James L. Reeves, Miss Maudine Thrash, Mr. and Mrs. Aubrey Lucas, Mr. Fred Brooks, Miss Gertrude Davis, and Mrs. Jack Combs.

Young Ladies Hold Services; Project For Polio Monday

"Seeking the Truth" was the title of the weekly meeting of the YWCA Monday in the Music Hall. A large number of college girls, dormitory and day students, participated in the service planned by Marion Woods and her committee.

Billie Kelly and Rose Shaw conducted the program.

At the preliminary business meeting of the organization, Jane Pickett, president, called a cabinet meeting for 7:15 p. m., next Wednesday in the office of Miss Gertrude Davis, faculty sponsor.

Plans were made for a March of Dimes coffee to be held in the Administration Building next Monday. This will complete the YWCA's polio projects for the year.

Study of Foreign Language Affords Way To Better World Understanding

By TOMMY WELCH

The reasons, and there are many of them, for studying a foreign language might well be placed in two principal categories — reasons arising from an international or cosmopolitan outlook, and reasons arising from a desire for personal gratification.

First, let us consider the reasons arising from an international awareness. As the Western World daily commits more and more diplomatic blunders, our statesmen are finally coming to the conclusion that the narrow quantitative approach to world problems only creates more complex problems. We are about to realize that to achieve world unity and harmony we must understand and consider people, rather than deal with material things. And a knowledge of a nation's language is prerequisite to an understanding of that nation.

This is readily seen when it is noted that a study of foreign language is also a study of geography, literature, grammar, and history. A foreign language affords the opportunity to learn about people, and whether we realize it or not, the part of life which is most important to us is the part taken up in personal contacts.

We can form a score of United Nations Councils, but we are still a world of individuals and we must still seek to understand one another. Foreign language is of paramount importance in understanding the other fellow. And let us never forget that a willingness to see the other fellow's side of a matter is a basic concept of American Democracy.

AMERICA'S PRIDE

Just plain personal satisfaction can result from study of a foreign language. As Americans we take great delight and pride in our physical gymnastics. Yet, many of us are overlooking foreign language study — an excellent intellectual

exercise. A disciplined mind, a mind trained in exactness, and a good memory are all prizes to be gained from a study of foreign languages. A broadened vocabulary and a better understanding of one's own tongue are also benefits to be had for the asking.

The opportunities provided by language study for travel, jobs, and cultural betterment are limitless. Whether one jaunts all over the globe or maintains his own little private world, a knowledge of foreign languages can make life fuller and richer. Arguments against studying foreign languages are not sound.

PRESBYTERIAN MINISTER TO TEACH COURSE IN BIBLE AT HINDS JUNIOR

Rev. George Kirker, pastor of the Raymond Presbyterian Church will teach the night school course of English 110, a study of the New Testament. This course was taught by Dr. Bob Simmons, pastor of the local Baptist Church. Dr. Simmons has recently transferred to the Oak Forest Baptist Church in Jackson.

ALL GIRL PROFESSIONAL HARDWOOD AGGREGATION

Hazel Walker will invade the Hinds Junior College gymnasium at 7 p. m. next Tuesday night with her Arkansas Travelers for a match with the Hinds County basketball coaches. Three of her team members are native Mississippians. The Travelers play only by men's rules.

College Freshman To Fight Tonight

Gerald "Buddy" Miles, Hinds Junior College freshman, will make his opening introduction in the sport of boxing tonight in the State Golden Gloves bouts in Jackson's city auditorium.

Late last night Miles did not know who his opponent would be in the match. The teams were expected to meet this afternoon and draw for pairings.

Miles, a 1956 graduate of Clinton High School, will box in the novice bantam weight class. He has been practicing with other candidates on the Jackson team at the airbase and YMCA building for the past six weeks.

Weighing only 118 pounds, Miles is 18 years old.

His only comment about the fight was that he thought he was in fairly good shape; and this being his first bout, he was on the edge of being afraid.

In case the Hinds freshman wins Wednesday, he will box in the finals tomorrow night. The winners of each division will go to Memphis next week for the mid-South tournament.

Hazel Walker's Quintet To Play Tuesday Night

How do the amazing Arkansas Travelers Basketball Team (all girls), who play more than 200 games during their season, stand such a gruelling, back-breaking pace?

That seems to be the question every basketball fan asks after seeing this great team, which makes its first showing of the season in the Hinds Junior College gym Tuesday night against the Hinds County basketball coaches at 7 o'clock.

Although they perform night after night and often in double-headers — Hazel Walker's talented girls never appear to be exhausted or weary. Every night they stage their dazzling whirlwind show with the same enthusiasm and skill from October through May in a different town each night.

How do they do it? During the past season, for instance, they played a total of 220 games and set an amazing record of winning 201 and only losing 19. This record was accomplished against many of the strongest male teams in the nation.

Miss Walker has the answer to the questions and it's one of the reasons for the Travelers tremendous success as the Nation's No. 1 Girls' Basketball Team.

"Condition", says Miss Walker,

who coaches and owns the Travelers. "The girls are in tip-top condition from the beginning of the season through the end over a six-month period."

Actually the girls are prime athletes who've had many seasons of basketball experience. They've learned the art of pacing themselves, going full steam during a drive and then slacking up while executing a particularly intricate pass pattern. They have also learned the art of relaxing under pressure, a test of true ability. Each girl, in her own right, is an outstanding athlete, not only possessed with a knack for basketball but with the ability to excel in other sports.

Godley's Sextet Suffers Setback For Initial Defeat

Ruth Martin's keyed-up sextette turned the tide on Regina Godley's lassies last week to rack up a 24-19 victory for their initial loss of the season.

Peggy Fugate was the high scorer for the winners with 15 points.

High point maker for the once defeated Godley team was Kay Tanksley with 10 points.

A full slate of games is carded this week.

The top ten scoring aces thus far this season are Iris McKay 74, Peggy Fugate 66, Kay Tanksley 52, Bobbye Nell Noland 34, Docie Joyner 34, Peggy Catledge 34, Frances Ainsworth 28, Jean Gill 22, Louise Earnhart 22, and Jeffie Trap 19.

Located in the 1956-57 Hinds Junior College Handbook on page 20 is a pledge that every student should take before entering this college.

In part it reads:

"... I shall encourage honest principles and **LOYALTY TO THE INSTITUTION**, and shall conduct myself at all times as a cultured young man or woman should."

We take the phrase "loyalty to the institution" meaning loyal to any organization, club, class, athletic team, or any other group that might be directly or indirectly connected with Hinds Junior College. The Eagle basketball team is a very vital part of Hinds Junior College. We should be loyal to our basketball team by our attendance at the games, encourage other people to attend the games, and do our share of the cheering at the games.

Holmes Junior College at Goodman and East Central Junior College at Decatur have their bands to perform at all home cage games and we're of the opinion that it would be serving a good purpose if the Eagle Band and Hi-Steppers would observe the same practices.

This would definitely effect two changes—the attendance would increase at the games and school spirit would possibly reach an all-time high.

Hinds Junior College has never won a state basketball championship and it is going to take more than 10 players, a manager, and a coach to accomplish this mission.

When the final whistle sounds for the season's end what part can you say YOU played toward the team's success?

A good many of our friends have taken a great liking to the fights on television on Monday, Wednesday, and Friday nights.

Packard Sports Library, a sports magazine, was sent to many sports writers over the country and we managed to get our hands on one of them that contained the boxing rules of the New York Boxing Commission.

It is believed that they will be helpful in giving you a better understanding of the fights. The rules are:

MAJOR FOULS

Hitting an opponent who is down or who is rising from being down.

Using the knee against an opponent.

Purposely going down without being hit.

Failure to heed the referee's warnings concerning low blows or other minor fouls.

Any dangerous or unsportsmanlike conduct.

(Upon the occurrence of fouls listed above in any round, the

referee may disqualify the offending boxer and award the bout or any round thereof to the fouled boxer).

MINOR FOULS

Holding an opponent.

Deliberately maintaining a clinch.

Hitting with the inside or butt of the hand, the wrist or the elbow.

Backhand blows.

Low blows.

Hitting or flicking with the open glove.

Wrestling or roughing at the ropes.

Deliberately striking at the part of the body over the kidneys.

Use of a rabbit punch. (A blow deliberately struck at the back of the neck).

Hitting on the break.

(It is within the discretion of the referee as to whether the offending boxer should merely be warned or should lose the round because of the commission of a minor foul.)

INVADE SCOOPA TUESDAY

Holmes Bulldogs Defeat Hinds Eagles For Fifth Setback This Season, 99-84

Popping the net from all angles, the Holmes Junior College Bulldogs racked up a 99-84 victory over the Hinds Eagles at Goodman last night for the Eagles' fifth loss of the season.

The five losses of the Eagles have been compiled with a record of 11 wins in 16 games this season.

Guard Spud Doyle led the victorious Bulldogs as they hit an amazing 70 per cent of their field goal attempts the opening half.

Holmes, the defending state champions, piled up an early lead and continued out front the entire

game. The victors led 57-42 at the halftime intermission.

All-State Center Buck Smith paced the losing aggregation with 18 points. He was followed by Forward Bobby Lee with 17 markers. Guard Dickie of Hinds scored 13 points.

Spud clipped the nets for 24 points for the home standing Bulldogs. Hinds' Jerry Ivy, Rex Polly, and Doyle Denbow hit eight apiece.

The Eagles travel to East Mississippi of Scooba next Tuesday night for their second meeting with the Lions this season.

Murrah, Byram, Central, Utica, Provine, Hinds High To Play Here Saturday Nite

Six top high school basketball teams from Hinds County will compete in what is expected to be an excellent three-game cage card in the Hinds Junior College gymnasium Saturday night with all proceeds going to the March of Dimes.

The Hinds Junior College Band and Hi-Steppers will present other entertainment for the program. No admission will be charged but the Hi-Steppers will take up donations at the door in wash tubs.

Coach Louis "Skin" Boteler, high school coach and official chairman of the program, is in charge of all planning of the March of Dimes special.

Three city schools, Provine, Murrah, and Central, will lock horns with three county schools, Hinds High, Byram, and Utica. Action is slated to start at 7 p. m. Saturday.

Coach Howard Shook will pit his Provine Rams, composed of Larry Pennington and company, against Coach Louis Boteler's Hinds High Eagles. The Rams have one of the most improved squads in this section. After a slow start this season, Provine has defeated all their city opponents this year.

Loaded with such characters as Harry (Jumping Jack) Strauss, the

strong Murrah Mustangs, directed by Johnny McDaniels, have one of the most versatile attacks in this part of the state. McDaniel's artful array of cagers clash with Coach Walter Hemphill's Byram quintet.

To complete the final match of a three-game encounter, Utica, paced by point-maker Gibbes Goodwin, tangles with Coach Bob Stevens' Central Tigers. Goodwin will have a chance to match his ability and scoring talent against Kenneth Fisher, big Tiger gun.

Hinds High Squads Journey To Utica, Bolton This Week

Hinds High's Eagles and Eaglettes, master-minded by Louis Boteler, will invade the Bolton cage teams tomorrow night and journey to Utica Friday night for hardwood competition.

Loaded with a 7-4-1 record, the Eaglettes will be gunning for their eighth victory of the season. This will be the initial meeting for the Hinds basketball squads with Bolton and Utica this year.

Boteler's aggregation of Eaglettes will be sparked by Forwards Bettye Taylor, Winnie Lou Smith, and Nancy Chapman and Guards Jimmy Lou Stingley, Norma Jean Carter and Lou Ann Carter.

UNDERSTUDY EAGLES—Posed ready for action is the Hinds Junior College Bee team. The Eagle Bee team has been serving as an excellent understudy for Coach Troy Rick's quintet this season. Left to right are, front row, Gary Everett, Cross

Roads; Ernest Turcotte, Vicksburg; Joe Hand, Terry; Levi Barber, St. Petersburg, Fla.; second row, Bobby Skipper, Forest Hill, Tommy Lynch, Raymond; Charles Murphy, Brandon; William Till, Pelahatchie, and Glenn McClelland, Terry.

GROUND-BREAKING CEREMONIES at Hinds Junior College last week officially began the construction for the new science building, which is scheduled to be completed by September 1. Taking part in the ceremony from left to right are T. E. Wheeler, Reed Construction Company, contractor; President G. M. McLendon; F. J. Stephenson, physics instructor; J. T. Liddle, architect; Miss Genevieve Williams, chemistry instructor; F. M. Greaves, president of the Board of Trustees; Joe E. Aldridge, Hinds County Superintendent of Education; Robert E. Ringer, chemistry instructor, and T. T. Beemon, biology instructor.

Honorary Society Sends Invitations To Scholar Group

Seven students chosen on the basis of grade averages and character and citizenship records are receiving invitations this week to become members of Phi Theta Kappa, national junior college honorary society.

Phi Theta Kappa has for its purpose promotion of scholarship, development of character, and cultivation of fellowship among the students of junior colleges in America.

Membership in Phi Theta Kappa is dependent upon certain qualifications. At the time of his election a student must be within the upper ten percent of the regularly enrolled student body of the college division. Sophomores must have had a quality point average of 2, or above, on each semester of all past college work. Freshmen receiving invitations are from the "special honors" list, having maintained a quality point average of 2.6, or above, in their first semester of college work.

In addition to scholastic qualifications, a student must be judged of good moral character, and of recognized qualities of citizenship as seen by the active members and faculty committee who constitute the election committee.

The following are the students who are being issued invitations to membership: sophomores — Betty Cardwell, Jackson; Selma Earnest, Slate Springs; Larine Herrin, Benton; and Marilyn Simmons, McCall Creek.

Freshmen selected from the "special honors" group are Leverne Barlow, Utica; Carol Jean Benton, Jackson; and Ben Morgan, Braxton.

Initiation of the new members, which is open to the public, will be announced in the near future.

Robert Bridges, Brandon, is president of the local chapter and will direct the initiation ceremony.

Miss Mildred Herrin and Miss Gertrude Davis are faculty sponsors of the organization.

PEP RALLY

Plans are being made for a pep rally in preparation for the Hinds-Holmes game Tuesday night at 6 p. m. to be staged between the administration and academic buildings.

Next year's prospective cheerleaders will lead the pep rally.

Science Structure To Be Modern

Wesley Members To Participate In State Conference

Representatives from the Hinds Wesley Foundation will participate in the state-wide Methodist Student Movement conference at Mississippi Southern College in Hattiesburg this week-end.

The featured speaker secured for the three-day conference is the Rev. Stuart D. Currie, associate professor of Bible in Queens College, Charlotte, North Carolina. All lectures center around the theme, "You in a World Revolution."

Hinds students registered for the conference include Catherine Owen, Fay Tanksley, Kay Tanksley, Joan Bruner, George Marie Fraiser, Mickey Farmer, Dot Pickett, Leverne Barlow, Jane Pickett, Kenneth McRaney, Richard Franklin, and Bobby Breeden. These students, accompanied by Mr. Aubrey Lucas, Hinds Junior College reading instructor, will leave the campus on a Hinds bus at 3:30 Friday afternoon.

Coordinator Canon Attends District Meet At Ole Miss

Mr. J. C. Cannon, Coordinator of the Deaf students at Hinds Junior College, attended a meeting of the Vocational Rehabilitation Division of North Mississippi last Thursday at Oxford.

State Director of the Vocational Rehabilitation program, Travis McChaven of Jackson, presided over the meeting.

Ground Breaking Ceremonies Complete Actual Construction To Commence Soon

By IRL DEAN RHODES

Science students at Hinds Junior College will enter the portals of one of the most modern and best equipped science structures in the state this fall.

Ground breaking ceremonies took place last week and work has started at a furious pace in preparation for the construction of the streamlined one-story structure.

Surface work is almost completed and the actual construction will

start in the next few days.

Plans are for this building to house the biology, chemistry, and physics departments.

The entire building will be air-conditioned with forced draft heat and controlled ventilation to be furnished by a central heating plant.

All departments will be equipped with the latest facilities, consisting of elevated seats, projector films, and ample space for classroom demonstrations.

Located in the structure will be offices for all science instructors, audio visual storage room, balance room, dark room, four lab rooms, three lecture rooms, and rest rooms.

The modern home of the science students at Hinds will take the place of the present science building, a converted army war surplus barracks.

Five Students To Represent Hinds

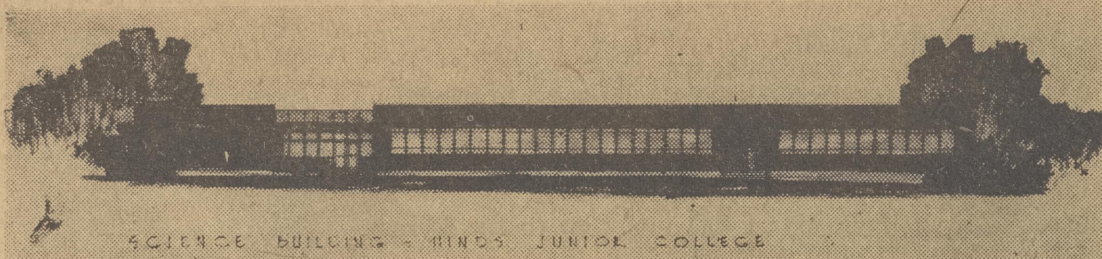

Five Hinds Junior College students will attend the Gulf States' Speech Festival to be held Friday at Mississippi Southern College in Hattiesburg.

The students to attend are Zane Nowlin, Melanie Matthews, Virginia Ronken, Carolyn Barton, and Jo Anne Nutt.

Mr. Fred L. Brooks, speech director at Hinds, will accompany the students to Mississippi Southern.

Dr. Don George, director of the festival, is from Mississippi Southern.

Students from several states will participate in this festival.

THE ARCHITECTS' DRAWING of the new the building will be modern in every respect. The Hinds Junior College science building shows that structure will be valued at almost \$150,000.

Students Strive For Better Service

Just past the midway mark of volume 23 of this publication, staff members of the **Hindsonian** are constantly working to improve Mississippi's only weekly junior college newspaper.

Competitive minded individuals are striving for quantity as well as quality.

Over 300 different news stories and numerous features have been brought the readers along with the very latest information possible in the initial 16 issues. The **Hindsonian** attempts to give fair, accurate, and complete news coverage.

This paper is part of Hinds Junior College and you Hinds students are part of Hinds Junior College. The editors are ready for suggestions that will lead to any form of improvement.

Realizing that it is impossible to satisfy everybody all the time, the copy is edited according to the importance of the story. Many stories are never printed because of the carelessness of the club reporters.

Copy for space in the **Hindsonian** must be edited very closely due to the four column four-page size paper. All constructive comments, good or bad, are welcomed at any time.

Contributing to the lack of 100 per cent all-around coverage is the small staff that works on the paper.

Thankful indeed for the kind words that have been spoken about Hinds' publication, we promise to present a better product in the weeks and months ahead.

Everything is being done to make the **Hindsonian** more informative and of better service to the students of Hinds Junior College.

With a circulation of over 1000, the highest in history, it is the hope of the entire staff to boost reader interest to an all-time high.

America Needs Scientists, Engineers

There's a crying need in America today for trained men and women in the field of science and engineering.

Statistics-wise, the Soviet Union is scheduled to produce 1,200,000 trained engineers and scientists as compared to the United States' 900,000 in the decade, 1950-1960. In the category of engineers alone, the Soviets have multiplied the number of trained men tenfold since 1930, when records showed they had 41,000 engineers.

Continuing to mount, these shortage conditions must be met. Soviet Russia is graduating engineers in numbers two and a half times greater than the United States.

We Americans, if we are to succeed in our role of world leadership, must help to produce citizens who have vision, foresight, wisdom, and the knowledge to compete successfully with world problems.

Anger Destroys Important Brain Cells

Control that temper of yours! Dr. Cile, one of the greats in medicine, a surgeon of Cleveland, Ohio, said that destruction of brain cells occurs under anger which can be only slowly repaired, if at all and that under stress of such prolonged emotion the brain becomes permanently injured.

Losing your temper and getting mad over the minor things in life are signs of the lack of intelligence.

Getting angry causes two things — the destruction of the brain cells and reflection on the character of a person.

When we are very angry, we are no more our normal selves than when we are very drunk, according to Dr. Cile.

THOUGHT FOR THE WEEK

Now is the time for all good students to come to the aid of their school records. If students begin now to prepare each lesson assignment thoroughly, they will not be caught off guard when three-week and six-week tests are given. If students are unable to study in their rooms, they may go to the library, which is open at night until 9 o'clock.

SOPHOMORE OF THE WEEK

Cheerleader B. King, Campus Favorite Enjoys Celebrity Position This Week

By NAN ERTLE

"She excells each mortal thing
Upon the dull earth dwelling."

This week the **HINDSONIAN** salutes a talented young lady from Jackson, Bettie Vann King.

BETTIE KING

Bettie spent most of her nineteen years at Crosby, Mississippi. She was graduated from Crosby High School in the spring of '54 as salutatorian of her graduating class.

As evidence of her leadership she was very active in student activities. Bettie was a member of the Y-Teens, the glee club, the sextette, and the 4-H club. She served

as a class officer and as a cheerleader three years and as a homecoming maid two years. She was also selected Miss Crosby P.T.A.

For her participation in these various clubs, her athletic ability, and her scholastic achievement, she was presented an activities award upon her graduation.

Between high school and college days, Bettie ventured into the business world. She was employed as a secretary for a real estate firm in Tulsa, Oklahoma. She entered Hinds at the second semester last year as a freshman.

Again, she assumed an active role in many campus activities. A member of the college choir and the girl's ensemble, Bettie has been selected as a member of the cast of "Down in the Valley," an opera to be presented this spring by the college choir.

Bettie is a member of the Modern Language club and the Y.W.A. She was a cheerleader this fall and was chosen one of the campus favorites in the Who's Who election.

Swimming, tennis, and music,

especially singing, are included among Bettie's hobbies.

We feel that the future holds much in store for this brown-haired, brown-eyed lass. She plans to enter Mississippi Southern next fall if "Mr. Bobby Young" doesn't change her mind.

Best of luck and success to you in whatever you may undertake, Bettie Vann King.

Publishing Newspaper Proves No Picnic

Publishing a paper is no picnic. If we print jokes, people say we are silly; if we don't, they say we are too serious.

If we stick close to the office all day, we ought to be out hunting interesting things to print; if we go out and try to hustle, we ought to be on the job in the office.

If we don't accept contributions we don't appreciate genius; and if we do print them, the paper is filled with junk.

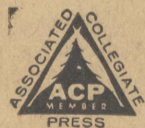

If we edit the other fellow's story

we are too critical; if we don't we are asleep. If we clip things from other papers, we're too lazy to write them; if we don't, we're stuck with our own stuff. Some will say we swiped this article, and we did!

Letters to the editor are encouraged by the **Hindsonian** and will be printed whenever possible.

New Science Program To Expand In Future

By RANDY RICKELS

You've probably noticed the construction work going on behind the music building, that's the beginning of the new completely modern science building which the future students of Hinds will enjoy.

It is to be finished by September of 1957. The new structure will house the chemistry, physics, and biology departments.

It will have four labs, three lecture rooms, a dark room, and a balance room.

The new building will be a transition, however, and not a beginning, for work is going on at a steady pace at present in the converted army barracks known to students of Hinds Junior College as the science department. The present building was converted in 1948.

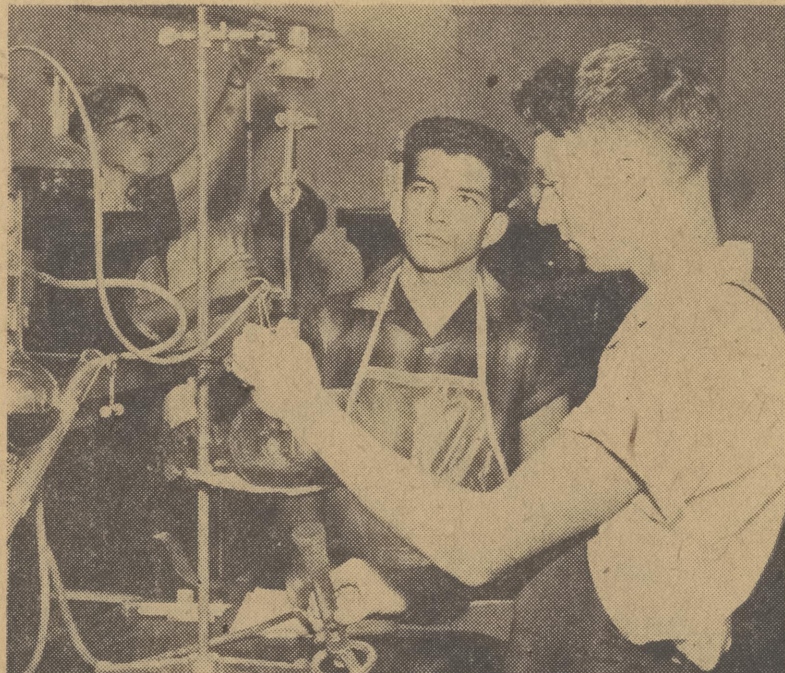

There were 146 students enrolled in chemistry the first semester

of this year. Two sophomores are chemistry majors. The majority of people taking chemistry are engineering majors.

The science staff includes Mr. Robert Ringer, and Miss Genevieve Williams, Chemistry; Mr. T. T. Beemon, Biology; and Mr. Frank Stephenson, Physics.

Many students taking chemistry go to Mississippi State, Mississippi College, Millsaps and other senior college institutions. The demand for chemists and scientists is great today. The fact that Hinds has had six instructors in the past three years is proof in itself, for many of those six were lost to hungry American industry.

American industry is hungry for trained personnel in the sciences. Never were the opportunities so great as they are today. The Science and Engineering major has a bright future ahead of him.

SCIENCE MAJORS in all of America's colleges are assured of high salaries when they graduate with a four-year degree. The demand is so great that industry is taking over in the present atomic age. Preparing to be future scientists seen in the Hinds Junior College chemistry lab are John Bell of Jackson, left, and Robert Bridges of Brandon taking chemical tests.

Football Coach Releases Gridiron Menu Ten-Game Schedule In View For College

Joe Renfro, head football coach and athletic director at Hinds Junior College, has recently announced the 1957 gridiron menu for the Hinds Eagles.

Hinds has added an additional member to their slate to make the Eagles have a 10-game schedule. The new opponent is Itawamba Junior College of Fulton.

Six of the Eagle games will be played at Raymond and three will be away with the Itawamba site being undecided.

The Eagles compiled a 7-2 record against this same schedule last year with the exception of Itawamba team in the rugged Mississippi Junior College circuit.

Hinds gridiron schedule is as follows:

Sept. 7, Pearl River at Poplarville.

Sept. 14, Itawamba, site undecided.

Sept. 21, Perkinson at Raymond

Sept. 28, East Mississippi at Scooba.

Oct. 5, Jones at Ellisville.

Oct. 12, East Central at Raymond.

Oct. 19, Copiah-Lincoln at Raymond.

Oct. 26, Holmes at Raymond.

Nov. 2, Sunflower at Raymond.

Nov. 9, Senatobia at Raymond.

Hinds County School Dates Back To 1917 Increases In Enrollment, Faculty Seen

By NOEL MONSOUR

The Agricultural High School of Hinds County was opened during the year of 1917 with 117 students and a faculty of eight members.

Thirty freshmen college students were enrolled in the year 1922-23, while the first year of high school was discontinued. The second year of college started in the year 1926-27 and seventy-four students were added to the original number.

In 1949-50 the total attendance of both high school and college, numbered above 1,000; the faculty then increased, and new departments and courses were added. Year by year the number increased until it reached in 1954-55 a total of 1568, while the year 1955-56 showed a total of 1686.

The school during its first year, entered the membership in the Southern Association of Colleges and Secondary Schools. The College Department too, was admitted to membership in the Southern As-

sociation in December, 1928.

The presidents that directed the school affairs since its existence were:

Mr. W. N. Taylor 1917-23

Mr. E. L. Sutherland 1923-30

Mr. G. J. Cain 1930-38

Mr. G. M. McLendon 1938-

Hinds Junior College is located in a calm spot in the little town of Raymond, Mississippi, and it has a nice campus with more than twenty-five buildings which are surrounded by the beautiful scenes of nature.

North Mississippians Evacuate Homes

By JANE PICKETT

Hundreds of North Mississippians evacuated their homes as the swollen Tombigbee River overflowed over farmlands and into the edges of cities. No deaths were reported.

The cause of the Northeast Airlines DC-NA crash, which killed twenty people, in New York Friday night has not been determined. The veteran pilot, who has had two previous airline accidents, said that the plane was under maximum weight and that nothing was wrong with the plane's instruments or electrical system.

King Saud is reported to have assured President Eisenhower that Saudi Arabia wants no part of any Soviet arms deal and still looks to the U. S. for military aid.

President John S. Coleman of U. S. Chamber of Commerce said Sunday that a Federal budget cut of at least five billion dollars is "absolutely essential" to the national economy.

LANGUAGE CLUB ELECTS BOLTON SOPHOMORE TO VICE-PRESIDENT POST

Martha Ann Smith of Bolton has recently been elected Vice-President of the Modern Language Club. She is replacing Alicia Gabriele.

Jane Pickett of Utica is the new reporter for this semester.

The other officers who were elected at the beginning of first semester are Marilyn Simmons, President; George Marie Frasier, Secretary-Treasurer; and Jeanette Mahaffey, Publicity Chairman.

More than \$250,000 damage was reported Sunday to two ships which collided in the Mississippi River below New Orleans. No one was reported injured.

Japan's shipbuilding industry has outstripped Great Britain's to take first place in the number of ships built annually throughout the world. The demand for Japanese manufactured ships (supplying 27 percent of the world's production) is so great that Japan's shipyards are booked full for the next forty months.

Coffee Sale Lifts Contribution Total In March Of Dimes

The YWCA reports as a result of the coffee sale held in the hall of the Administration building Monday, the total of their March of Dimes contribution was brought to \$30.00, counting the profits from the student-teacher ball game.

The YWCA members who helped with the serving of the coffee and cookies were Joan Bruner, Jimmie Ruth Hawkins, Catherine Owens, Lillie Pearl Meadows, and Regina Godley.

Future Teachers Of America To Meet Friday For Election Of Officers, Picture Taking

All members and all prospective teachers are invited to a meeting of the Future Teachers of America at Hinds Junior College Friday morning.

The chapter pictures will be taken at that time and new officers will be elected.

Renfroe Reaches For Big Crying Towel In Second Week Of Gridiron Workouts

Head Coach Joe Renfroe of the Hinds Junior College Eagles reached for a giant-sized crying towel as he viewed his 1957 gridiron prospects, and the big round tears on the athletic boss' cheeks are rightly justified.

With a week and one-half of spring drills completed Renfroe is still looking for a tackle, an end, a center, and an array of back-field members.

Renfroe and his assistant, Frank Young, who is in charge of the line have planned a six weeks practice that will run through the second week in March.

Losing 13 lettermen from last year's squad leaves the Eagles with only five first stringers returning this fall. They are End Homer Boyd, Tackle Wimpy Martin, Guard Benny Hawkins, Center Glynn Russell, and Quarterback Chris Andrews. Andrews is expected to play halfback some also.

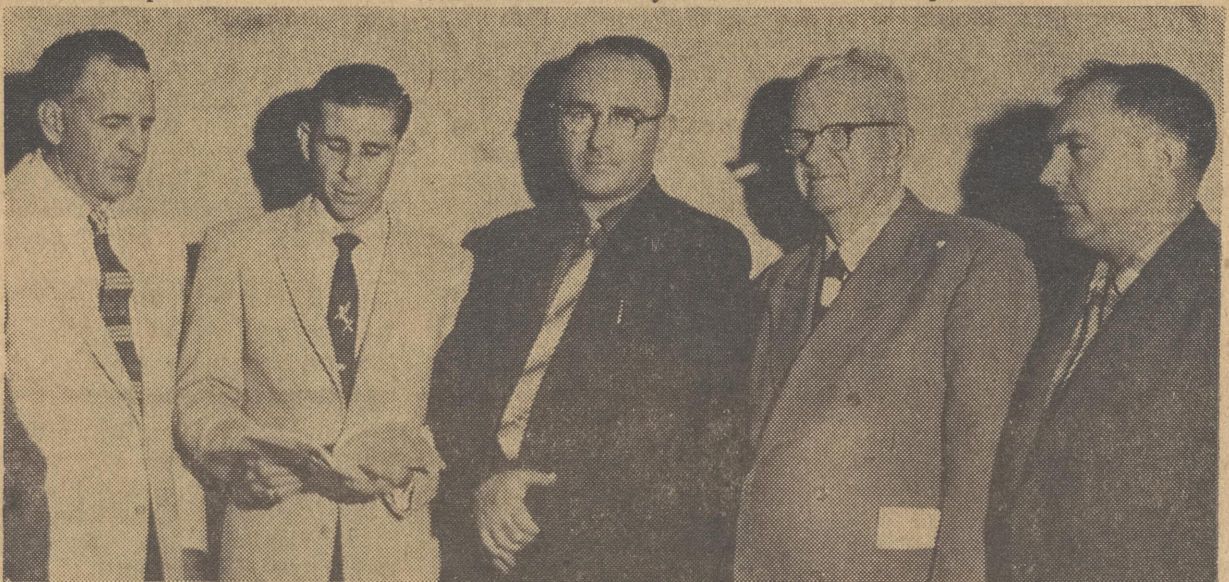

Other squadsmen that will be hard-pressed to fill the shoes of some of last year's standouts are James Gurley and John McDonald, fullback; Melvin Champagne, quarterback; Pruitt Blaylock, Rairford Hancock, and Pruitt Norman, right halfback; and Levi Barber and Hal Battle, left halfback. Battle will likely alternate at the quarterback slot.

Linemen that are taking part in drills at the Hinds camp con-

sist of Tackle Don Ray Boyd, and Guards Elmer Stringer, Jimmy Stubbs, and Don Brady.

New gridders for the line positions that have already reported this semester are Roosevelt Thames, Leon Barnhill, John Carbo, Earl Phillips, Howard Taylor, and Donald Moore.

C. J. Alexander is the only back-field candidate that has reported. Alexander is presently working at the fullback position.

Hinds Cagers To Play

Battered and depressed over recent defeats in the strong Mississippi Junior College bounceball conference, a crew of Hinds Junior College Eagles will board buses only twice more this season for regular cage play in the circuit.

Tomorrow night the Hinds quintet motors up the Mississippi Delta at Moorhead to lock horns with the Sunflower Trojans, and Saturday night an Eagle aggregation journeys down to Ellisville to match their ability and talent with the Jones Bobcats.

Hinds has previously swamped the Sunflower five, 119-92, but this

will be their initial contest with Jones this season.

With the exception of last night's game the Eagles rode with an 11-6 record this season in overall play.

Holmes, the defending state champions, and Perkinson handed Hinds their last two recent setbacks.

Hinds Junior College will roll out the welcome mat to Holmes next Tuesday night in what promises to be a rough and tumble evening.

The only other regularly scheduled encounter this season after the Holmes game will be the Jones Bobcats in a return visit on February 13.

The Eagles will participate in the South Mississippi tournament on February 22 and 23.

Defending Champs To Enter Tourney

Riding high with a 10-4-1 record in this year's play, the Hinds High Eaglettes will battle to keep the title of the Capitol Athletic Conference his week-end at Utica in the conference's annual tournament.

The Eaglettes, the defending champions of the league, will be risking an excellent record in the tournament. Hinds High's sextette won the tournament last year over the Byram lassies.

Byram's Bulldogs, coached by Walter Hemphill, were the circuit leaders last year but Coach Louis Boteler of the Hinds High Eagles has other plans for the Byram quintet this year.

Hinds Basketeers Tops Scooba Team

Sparked by Guard Dickie Axtell, the Hinds Junior College cagers clobbered the East Mississippi Lions 71-59 at Scooba last night.

Axtell poured 19 points through the net for the victors. His comrades, Forwards Doyle Denbow and Bobby Lee tossed in 14 and 10 points in that order.

This was the Eagles third win on the road this season to make their total victories for the year reach 11.

Gookin's Sextette Plays In City Loop Meet At Jackson

Losing their first game in the Y.W.C.A. tournament in Jackson, the Hinds Junior College Eaglettes have been dropped in the losers bracket of the double-elimination tournament being held in Jackson.

Directed by Mrs. Anne Gookin, the Hinds lassies fell to the Highway Patrol sextette 41-33 last week.

Joyce Lassiter was the top offensive gun for the victors with 16 points.

Eaglette Forward Kay Tanksley bucketed 12 points for her team and Hinds' Barbara Cline deposited 10 markers.

HAZEL WALKER'S QUINTET WINS OVER HINDS COUNTY BASKETBALL PERFORMERS

Exhibiting an entertaining performance, the Hazel Walker Arkansas Travelers trimmed the Hinds County basketball coaches 40-38 last night in the Hinds Junior College gym before an estimated 1000 thrilled spectators.

George Cronin, Clinton coach, was the high scorer of the game with 16 points.

Hinds To Host Speech Conference

Local Participants Enter Individual Speaking Contest

Six Hinds Junior College students will participate in the South Mississippi Junior College Speech Conference to be held here Saturday.

Each student will enter an individual event.

Students and the classes they are entering are as follows: Carolyn Barton, extemporaneous speech; Virginia Ronken, original speech; Melanie Matthews, interpretative reading; Jo Anne Nutt, dramatic monologue; Zane Nowlin, after-dinner speech; and Betty Jo Williams, impromptu speech.

Speech coach is Mr. Fred L. Brooks, Hinds Junior College speech instructor.

LEAVES SATURDAY

Canon To Attend Meet For Training In Florida

Mr. James C. Canon, Rehabilitation Counselor for deaf students at Hinds Junior College, will attend the annual Orientation Training Institute for Rehabilitation Counselors at the University of Florida at Gainesville, Florida, from February 18 to March 1.

The program is held each year at the University for the Rehabilitation Counselors in the South-Eastern district. The district covers all of the Southern states — Mississippi, Alabama, Georgia, Florida, Louisiana, Tennessee, and South Carolina.

Mr. Canon will be in classes beginning the morning of February 18, and will continue until March 1, 1957.

This training period is offered primarily to counselors who are in their first year of work, and it offers additional training to supplement the training they received before they were placed in their present positions. At this Institute such types of handicaps will be discussed as: speech, sight, physical, mental, emotional, and hearing.

Mr. Canon's work here is in the hearing department.

This is Mr. Canon's first year here at Hinds Junior College as Rehabilitation Counselor. This is also the first year that the school has participated in the program whereby deaf or partially deaf students are enrolled in the same school as are regular students.

Staff Member To Appear On WLBT Thursday Evening

Mr. John Virden, Administrative Assistant at Hinds Junior College, will appear on "The American Legion Speaks," over WLBT Channel 3, Thursday, February 14 at 6:30 p.m.

This program, sponsored by The American Legion, Department of Mississippi, will feature the Legion's famous Boys' State program, in which Mr. Virden has been very active for the past several years, acting as State Director.

"The American Legion Speaks" is presented live over WLBT-TV on alternate Thursdays at 6:30 p.m. in an effort to fully acquaint the people of Mississippi with the programs and services of the Legion which are available through the local Legion Posts of the State.

These programs and services are presented by the people who actually participate in them from all over the State.

Boys' State Governor Jim Yelverton of Hattiesburg and Lt. Governor Con Maloney of Jackson will appear on the program with Mr. Virden on February 14.

Boys' State will be held at Hinds Junior College again this year from June 1 through June 8.

The next two Legion Telecasts will be seen on February 14 at which time the Boys' State program will be featured and on February 28 the telecast will feature the Legion's "Go to Church—Back to God" program.

Speaking, Debating To Fill Saturday's Festival Activities

Hinds Junior College will host the annual South Mississippi Junior College Speech Festival Saturday.

The conference will begin at 8:30 a.m. and close at 8 p.m. Seven junior colleges will be represented.

Scheduled to participate are Southwest of Summit, Clark Memorial of Newton, Jones of Ellisville, Perkinson of Perkinson, Pearl River of Poplarville, Co-Lin of Wesson, and Hinds Junior College of Raymond.

Mr. Fred L. Brooks, head of the Hinds Junior College speech department, is in charge of the program.

President G. M. McLendon of Hinds Junior College will present the welcoming address.

The following schedule for the day-long festival is made: 8:30-9:00, registration; 9:00-10:30, First Debate; 10:30-12:00, Second Debate; 10:30-12:00, Original Speaking; 12:00-1:00, Lunch; 1:00-2:30, Third Debate; 1:00, Draw for extemporaneous; 1:00-2:15, Impromptu; 2:15-3:30, After dinner; 3:30-4:00, Coffee hour; 4:00-5:30, Oral interpretation; 4:00-5:30, Dramatic monologue; 6:30, Banquet.

Mrs. J. R. Harris of the English department, and general hostess, is in charge of registration. Jane Pickett, college sophomore, will assist in registration.

A social hour will entertain the students in the afternoon in the home economics building.

Senior college speech professors will act as judges for the speech contest.

Rev. Clay F. Lee of the Raymond Methodist Church will address the group at the banquet, which is to begin at 6:30 p.m.

Summer Program To Offer Regular Courses Of Work

The summer school bulletins, soon to be off the press, announce the annual summer school at Hinds will open June 10, and continue through August 16.

Courses will be in charge of the regular college and high school staff.

Students carrying the average load may earn 12 semester college credits. High school students may earn 1½ units on new work, or 2 units of review work.

Classes will be held in air-conditioned classrooms, and a full program of recreation will be open to all students.

VALENTINE SWEETHEART Mickey Farmer could be most anybody's valentine from the way she looks in the posed photo. For more details on this shapely miss see page two for a complete feature.

Revival To Offer Activating Services

Soul searching services of the Gospel will highlight activities in Raymond Methodist Church's annual revival next week. Rev. Clay F. Lee, church pastor and Bible instructor at Hinds Junior College, has urged all members to put forth a conscious effort in preparation for the coming series of services.

Cottage prayer meetings are being held, and church wide visitation has been made in order to reap the maximum benefits from the revival. Bringing the dynamic evangelistic words of the Gospel will be the Rev. Norman U. Boone, pastor of the First Methodist Church in Columbia, and former pastor of the West Park Methodist Church in Jackson.

Youth worker, Rev. Elton Brown, Pachuta's Methodist minister, will work with the young people. All music will be under the direction of Mr. and Mrs. James Leslie Reeves of the Hinds Junior College music department.

Services are carded for 7:15 a. m. and 7:30 p. m. Monday through Friday.

A refreshing spiritual experience of the power of God awaits the attendants along with excellent church fellowship.

Church members are anticipating a great spiritual awakening in Raymond next week.

Attend and receive a blessing.

Speech Students Receive High Rating

It is seldom that any college can field three superiors out of four entries in a five state speech festival. But when a junior college does great strides in history are made.

Four Hinds Junior College students, three girls and a boy, participated in the Gulf States' Speech Festival at Hattiesburg last Friday. Three superiors and one excellent rating was the outcome of the event.

First place participants were Zane Nowlin, after-dinner speech; Melanie Matthews, interpretative reading; and Carolyn Barton, extemporaneous speech. Virginia Ronken, an original speaker, received the excellent award.

The students and their speech coach, Fred L. Brooks, are to be commended for the splendid way in which they represented Hinds Junior College. Not only did they bring honor to themselves, they brought prestige to Hinds and the entire junior college program.

Coupled with ability and desire, this group will surely make a strong showing at the State festival Saturday.

Observe St. Valentine's Day Tomorrow

Tomorrow is February 14, Valentine Day. Many people ask, each year, when did Valentine Day start and who started it.

Legends are numerous as to the true story of this day with the sending of Valentine cards, candy, and roses, but most people believe Valentine Day started in the third century.

Desiring to express his love for God, St. Valentine, who was a Christian monk, used his talent without realizing it. Arranging bouquets of lilies for brides of the village and picking flowers for crippled children were his ways of showing his love.

Since his death, St. Valentine has been remembered by tokens of love in thousands of ways to people everywhere.

Let's let St. Valentine's Day be a day of love and good deeds to our fellowmen.

Mickey Farmer, Valentine's Favorite Achieves Hindsonian's Honor Of Week

By JANE PICKETT

"To see her is to love her,
And love but her forever . . ."
—Burns

This week's Sophomore of the Week, one of our campus favorite girls, is Mickey Farmer from Forest Hill.

Mickey, a black-haired, brown-eyed, five foot, seven inch, Hinds Hi-Stepper, with vital statistics measuring 34-22-36 would dress up any valentine.

That is why she has been selected as the Hindsonian's 1957 Valentine Sweetheart, and her photo is featured on page one of today's paper.

This year at Hinds Miss Executive Mickey is secretary of the Sophomore class, vice-president of the Future Teachers of America Club, a member of the Wesley Foundation, the Methodist organization on the campus, president of the Raymond Methodist Youth Fellowship, and a student worker in the English department for Miss Christine Berry.

As a freshman at Hinds Mickey was student director of the Lendon Players and a member of the Wesley Foundation.

Previous to her coming to Hinds Junior College, the popular lass was a student for twelve years at Forest Hill High School. There Mickey was a member of the chorus, Y-Teens, secretary of the Future Homemakers of America, feature editor of the **Hi-Lights**, the school newspaper, a junior-high cheerleader, and sophomore class reporter.

After earnest consideration of her future, Mickey is now majoring in elementary education and is planning to attend Mississippi Southern next year.

Mickey, the only girl in a family of three boys, enjoys dancing, cooking, and fishing. Her favorite recipe for fishing includes having the proper bait at the proper place at the proper time. (Girls, she says this is foolproof.)

Any leisure time that she might have to herself Mickey spends it looking at the moon or counting the stars.

"I have enjoyed going to Hinds and I have met many nice people here," says Mickey.

We think Mickey is a very nice person herself, one with charming personality, wit, character, and beauty.

Engagement rings for men? Jewelry manufacturers have been suggesting it.

The OKLAHOMA DAILY at the University of Oklahoma found out what some of the

students there think about it.

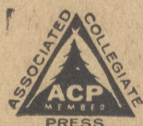

"Too expensive," said one coed. "The girl and her family have to pay for the wedding. That's enough."

Other comments: "Men are too conservative to wear them." "Buying an engagement ring would hurt women's femininity." "Men don't want people to know they're engaged. It would inhibit them."

Would it be practical for students to supplement their income

by shoveling campus snow? Not in this section of the country, but students at Lehigh University, Bethlehem, Pennsylvania thought about it. The scholarship and self-help officials decided against it. Their arguments as reported in the **Brown** and **White** are that the major problem would be organizing the crews, especially if the snow should fall late at night.

Mississippi State College is fighting the proposed discontinuance of the State College Post Office. President Ben Hilbun charged that "any small savings which might result through making the State College Post Office a branch of the Starkville Post Office would be more than offset by delays in service, by confusion to the public generally, by poor mail service, and by hampering of vital services to the people of the state of Mississippi and the nation."

College Choir Presents Choral Music Program At Simpson County Church

Hinds Junior College's A Capella Choir, under the direction of Mr. James L. Reeves, presented a concert of sacred choral music at Mendenhall Sunday night. The program was presented in Mendenhall Methodist Church.

The program consisted of several numbers by the complete choir, one number by the girls' ensemble, one number by the men's quartette, and several solos by individual members of the choir.

Soloists for the evening were: Bettye Vann King, Carol Jean Benton, Myrna Loy Stewart, and Bob Wallace.

The choir has several more trips planned in the near future to various churches in the vicinity, and to nearby schools. Later in the spring the choir will participate in

the state junior college choral festival to be held at Decatur. The choir has received new choir robes of maroon with white stoles for wear in concerts and on other occasions.

Choir members making the trip to Mendenhall included: Soprano: Sharlott McClurg, Myrna Loy Stewart, Bettye Vann King, Carol Jean Benton, Margurita Morris, Faye Richardson, Jean Searcy, Pat Magee, Virginia Ronken, Linda Middleton, Jimmie Sheppard, and Sara Smith. Alto: Jimmie Ruth Hawkins, Carolyn Ferguson, Joyce Bethune, Pat Jones, Shirley Webster, and Marilyn Simmons.

Tenors: Zane Nowlin, Bob Bloodworth. Basses: Merle Graham, Jimmy Holder, Bob Wallace, Joe Edward Pace, and Jimmy Joplin.

Honorary Society To Initiate Group Of New Members

Plans have been completed for the initiation of new members of Phi Theta Kappa.

The chapter ritual will be directed by Robert Bridges, president, assisted by Nan Ertle, vice-president; Melanie Matthews, secretary; Marion Woods, historian; and George Marie Frasier, treasurer.

The initiation will be held in the home economics building at 6:00 o'clock in the evening of Thursday, February 21.

New members to be initiated are Betty Cardwell, Jackson; Selma Earnest, Slate Springs; Larine Herin, Bentonia; and Marilyn Simmons, McCall Creek; sophomores. Freshman initiates are Leverage Barlow, Utica; Carol Jean Benton, Jackson; and Ben Morgan, Braxton.

Hinds Group Wins Top Three Places At Meet

With four entries at the Gulf States Speech Festival held at Mississippi Southern, Friday, Hinds Junior College students came home with three "Superiors" and one "Excellent" as rated by judges in the five-state festival.

More than 300 students from Alabama, Florida, Kansas, Louisiana, and Mississippi participated in the festival.

Local students who were ranked superior in their presentations are Melanie Matthews, Carolyn Barton, and Zane Nowlin. The rating of excellent was won by Virginia Ronkin.

From the delegations, three students were invited to appear on the banquet program. These were from Kansas, Mississippi Southern, and from Hinds, Zane Nowlin was

invited to give his selection, an adaptation with original variations from the play, *Green Pastures*.

Joan Nutt, who had planned to present a dramatic monologue, did not participate as this phase of speech was not represented in the day's program.

Mr. Fred Brooks, head of Hinds Speech Department, accompanied the students to the festival.

Hinds Polio Funds Reach Over Quota

March of Dimes collections on the campus and the town of Raymond have over reached their quota with a total of \$458.10.

Campus wise, a total of \$261.41 was collected, and in the town, \$186.69 was contributed.

Money given by the students was divided into six different groups. A triple-header high school basketball card, directed by Coach Louis Boteler, led the list with \$94.64.

Hinds Junior College faculty members contributed \$77.29, and the Young Women's Christian Association's contributions netted \$30. for the second and third ranked contributors.

The freshman class collected \$23.30 and the 11th grade gave \$20 to the fund. College coin containers brought \$16.27.

Town coin collectors posted \$24.69 and the mother's march on polio accounted for \$162.

President G. M. McLendon was chairman of the overall drive in charge of Raymond, and Irl Dean Rhodes, *Hindsonian* editor, was chairman of the campus campaign.

DeVall succeeds John Gregory, who is the new end coach at the University of Georgia.

The former Hinds athletic boss resigned as Louisiana head coach to take the McNeese job.

Rumors are that J. W. Patrick, head football coach at Holmes Junior College, will get the Louisiana College position that DeVall left open.

Coach of the 1950 state champions at Holmes, Patrick is known throughout Mississippi in the coaching, business, and political circles.

He and DeVall were district field representatives for the same candidate in the 1955 gubernatorial campaign.

Georgia Tech's gridiron Coach Bobby Dodd in 97 regular season victories, 27 losses, and three ties has completed 12 seasons.

In a relaxed mood he states that he requires the observance of only two rules: his players must go to church on Sundays, and they must wear ties and coats on road trips.

Dodd takes players' wives to games, and seats them on a sideline bench near the team.

That's excellent insurance for a good team.

Holmes Tops Hinds In Thrilling Finish Before Big Crowd

Playing their last regular catalogued game of the season, the Hinds Junior College Eagles meet the Jones Bobcats Thursday night in the Eagle gymnasium.

The Eagles lost their second home game of the season last night in an overtime encounter 72-68 to the Holmes Bulldogs, defending state champions.

Running an attack without the services of Center Buck Smith, and Forwards Rex Polly and George Sanders, Coach Tróy Ricks' fighting aggregation never gave up.

The home standing quintet led most of the contest.

At one time in the game Hinds had a 10 point advantage.

The score was knotted in the last stanza at 54-all, 56-all, 58-all, 60-all, and 62-all.

Bobby Lee, a top flight floor player with excellent field goal accuracy, rammed 26 points through the net as he tied the game up in the last five minutes of play.

Eagle Guard Dickie Axtell hit to put the host squad out front.

Holmes, blood thirsty for victory, used Guard Jackie Hemphill, who was the Bulldog top point man with 15 markers, to tie the score.

The battle ended 62-62.

Johnny Gray sank a charity shot and a field goal in the overtime to give the Eagles hope.

But the hope faded quickly when the visitors rolled in four quick field goals to put things under control.

Instructors To Attend Education Meetings

Mr. A. L. Denton, guidance head, and Mr. J. B. Patrick, social science instructor, will leave Sunday, March 3, for Chicago where they will attend the 12th National Conference on Higher Education sponsored by the Association for Higher Education, N.E.A.

Personnel of the participants in the four-day meeting will include faculty members, deans, and administrators from all types of schools throughout the country and representatives from professional and lay organizations and government agencies.

The general theme of the conference is "Higher Education: A Bold New Look at the Not-Too-Distant Future."

Approximately 26 discussion groups concerned with the future of higher education will consider problems of programs, structure,

staff, support, and management of colleges and universities.

Mr. Denton and Mr. Patrick will take part in discussions of mass techniques in teaching, desirable campus-life activities for undergraduates, curricula of America's new role in world affairs, changing patterns in student values, and responsibilities of the colleges and universities to adult education.

Three of the lecturers to address the conference are August Heckscher, president of the Woodrow Wilson Foundation; Richard Neutra, world-famed architect; and Barbara Ward, foreign editor of *The London Economist*.

Friends and relatives of the Phi Theta Kappa initiates are cordially invited to attend the initiation ceremony to be held in the new home economics building in the evening of Thursday, February 21, at 6:00 o'clock.

Pearl River Junior College Wins Medal; Hinds Student Rates Superior Award

Pearl River Junior College of Poplarville won first place in the South Mississippi Junior College Speech Conference here last Saturday.

Jones Junior College placed first in debate.

Melanie Matthews, Hinds Junior College sophomore, placed first in the oral interpretation division.

Betty Jo Williams, Hinds Junior College sophomore tied for second place in the impromptu division.

College President To Participate In Utah Convention

President G. M. McLendon will leave the Hinds Junior College campus Monday, March 4, to attend the National Convention of the American Association of Junior Colleges at Salt Lake City, Utah, for five days.

Mr. McLendon, one of the two of the administration committee who will serve through 1960, will assist in the investigation of the organization and administration of the Junior colleges as to building standards, costs, library standards, public relations, publicity practices, financial methods, administrative structure, and classroom teachers.

Adjournment for the conference is scheduled for Saturday, March 9.

Faculty Members To Stage Talent Program Tuesday

Scheduled as a climax in campus entertainment is Faculty Talent night on Tuesday evening, February 26, beginning at 6:30 o'clock.

The program, ranging from high classical to low non-classical, is composed of a number of selections designed to please all who attend. A peek at the program in the office of the registrar revealed, Mr. A. L. Denton, harmonica selection; Mr. Bill Oakes and coaching staff, an original performance; Mr. L. K. Clark, piano; Mrs. F. E. Bearden, violin selection; Mrs. Gertrude Rowzee.

This program is sponsored by the campus chapter of Phi Theta Kappa. Campus and community residents are cordially invited to attend.

MR. T. T. Final Annual Material Leaves For Publisher

By LEVERNE BARLOW

Today the third and final shipment of "The Eagle," Hinds Junior College yearbook, arrived in Dallas, Texas.

That is with the exception of three other conclusive pages to be mailed by March 1.

"The Eagle," sponsored by Mr. and Mrs. T. T. Beemon, of the biology and math departments respectively, is the annual's respectful name.

It is published for the purpose of giving to the students a pictorial history of the year's activities in the college. Publishing of the annual takes place in Dallas, Texas, by Taylor Publishing Company.

Here's a brief preview of the 1957 Eagle. It will contain 128 pages picturing the classes, clubs, and activities at Hinds Junior College.

Thirty-two pages will be devoted to the two high school and two college classes. Students in the vocational department will be featured on eight of the pages.

The feature section, containing Who's Who, will fill 12 pages. Club pictures will occupy 18 pages. Reflecting the interest in athletics

at Hinds, "The Eagle" will contain 21 pages honoring those who have been active in the athletic program.

One page will carry snapshots of the deaf students, who are for the first time attending Hinds.

A staff of 14, headed by Editor Jeanette Mahaffey, have worked throughout the year to produce this yearbook. All the pictures except class pictures are made, developed, and printed by the staff photographers.

Dick Bowers, Hinds sophomore, was the photographer the first semester and Mr. Beemon has been in charge of the camera and dark room this semester.

"We have had good co-operation and hard work from the members of the staff. We hope everyone will like the annual," commented Editor Mahaffey as the last shipment was being made.

Gerald Miles, college freshman, serves in the business manager capacity on the staff.

Others on the staff are Elizabeth Herring, Alma Lee Grantham, Regina Godley, Sylvia Simon, Bobbie Nell Noland, Jimmy Ruth Hawkins, Wanda Lou Wortman, Don Alexander, and Ernest Turcotte.

Hinds Junior Choir Presents Program At East Central College On Tuesday

The Hinds Junior College A Cappella Choir, directed by Mr. J. Leslie Reeves, head of the voice department, presented an assembly program at East Central Junior College in Decatur yesterday morning.

Choir members also presented a program at Central High School in Jackson last Friday morning.

Numbers rendered by the choir on both occasions were: "Now Let Every Tongue Adore Thee," "He Shall Come Down Like Rain," "God So Loved the World," "Madame Jeanette," and "Greensleeves."

Hinds' male quartet sang "On the Street Where You Live," and the girls' ensemble sang "I Could Have Danced All Night."

"Deep Purple" was presented by the woodwind ensemble, composed of four clarinets.

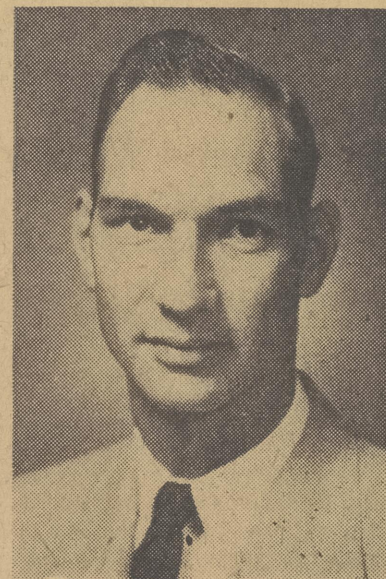

Quartet members are Jimmy Holder, Bob Wallace, Zane Nowlin, and Edgar Bates. The girls' ensemble is composed of Sharlott McClurg, Bettye Vann King, Myrna Loy Stewart, Faye Richardson, Virginia Ronkin, Jimmy Hawkins, Pat Jones, Shirley Webster, and Jean Searcy.

Petie Weems, Evelyn James, Marvin Baker, and Floyd Hodo are members of the woodwind ensemble group.

Other choir members are Carol Jean Benton, Margarita Morris, Pat Magee, Linda Middleton, Jimmie Sheppard, Carolyn Ferguson, Joyce Bethune, Marilyn Simmons, Bob Bloodworth, Merle Graham, Billy Tingle, Joe Edward Pace, and Jimmy Joplin.

Band, Hi-Steppers Leave Saturday Noon For Mardi Gras Parade In New Orleans

By RANDY RICKELS

"New Orleans, here we come!"

That is what many eager band members and HiSteppers are shouting this week, as the time for the annual trip to the Mardi Gras draws near. The trip to "America's most interesting City" is one of the highlights of the year for the two groups.

The band, under the direction of Mr. Albert Rowan, and the Hi-Steppers, under the direction of Mrs. Alon Bee, will leave the Hinds campus at noon, Saturday, Feb. 23.

The band members and the Hi-Steppers will take in the city Monday. The groups will leave the city at 4:00 p. m. Monday afternoon.

Hinds Draws Bye In Tournament

Lock Horns With Southwest-Clarke Winner This Week

Completing the regular season with a 12-11 record the Hinds Junior College Eagles will participate in the South Mississippi Junior College tournament at Southwest Junior College in Summit this week end.

The Eagles of Coach Troy Ricks will play the winner of the Southwest-Clarke game at 8:30 p. m. Friday night.

Victory in the first game for Hinds would mean the Eagles will play the winner of the top bracket composed of Jones, Co-Lin, Perkinson and Pearl River in the South finals Saturday night.

Saturday night's winner will play the top team from the north in Jackson city auditorium next week end for an over-all state champion.

Eagle cage members have been working out daily in preparation for the tournament.

Hinds' 12-11 record includes all tournament play. The Eagles have posted a 11-9 record in the conference this year.

A bus will carry students to the game Friday night in Summit if a sufficient number contacts Miss Hilda Brantley, Hinds Junior College secretary, prior to the trip.

Eagle cagers to make the trip are centers Buck Smith and "Moose" Merritt, forwards Doyle Denbow, Rex Polly, Bobby Lee, and Carl Harris; guards Jerry Ivy, Dickie Axtell, C. T. Thornton, and Johnny Gray.

James Conerly, team manager, will also make the trip.

STARTS TODAY

District Cage Tourney Underway On Campus

District Six's B-BB cage tournament opens its initial round here this afternoon of an 18 game tournament that will run through Saturday night.

A total of 20 teams representing 16 high schools in this area will participate in the tournament.

Officials will be Pop Allen and Jim McLeod.

Quarter-conclusive rounds will be held in four sessions on Wednesday and Thursday. The semifinals are carded for Friday night and the finals Saturday night.

Admission to Wednesday and Thursday games will be 25 and 50 cents and the Friday and Saturday encounters will be 50 and 75 cents.

The Hinds High Eaglettes and the Brandon Bulldogs are the defending champions of the tournament, although the latter quintet is not represented this year.

GIRLS BRACKET

Hinds Hi Sextette Wins Tournament

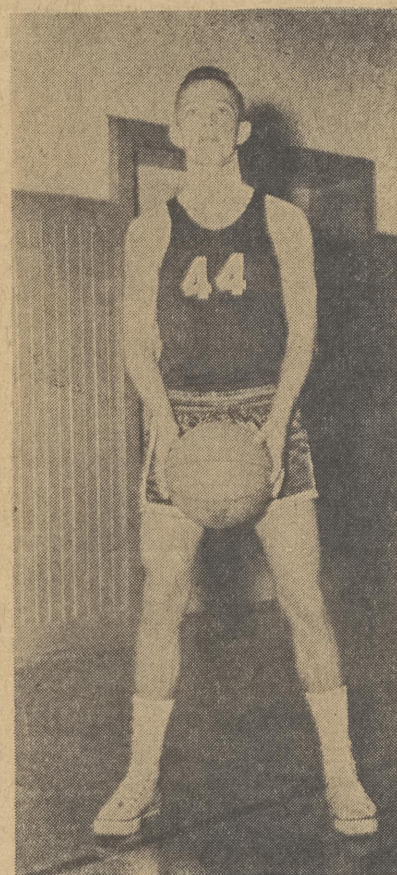

Earning a right to participate in the district tournament this week, the Hinds High Eaglettes, coached by Louis Boteler, topped the Georgetown lassies 43-32 Saturday night to take top honors in sub-district two.

The Byram Bulldogs won the boys crown over the St. Joseph Rebels 60-58.

The Eaglettes are presently sporting one of the best records in the district, and they will play the Sebastopol sextette tomorrow afternoon at 2 p. m. in the quarter final rounds of the district tournament here.

The Hinds High Eagles were eliminated from further competition this year by the Harrisville basketballers in the tourney last week.

Probable starters to defend the District Six B-BB title in tomorrow afternoon's game will be forwards Winnie Lou Smith, Nancy Chapman, and Betty Taylor; and guards Norma Jean Carter, Lou Ann Carter, Jimmy Stingley, or Sissy Graham.

PLAYBAKER Jerry Ivy will be one of the contributing factors in the South Mississippi Junior College basketball tournament for the Eagles at Southwest in Summit Friday night when the Hinds quintet plays the Clarke-Southwest winner. Ivy, who plays guard, is a product of Clinton.

BULLETIN

Utica's sextette sailed past the Pinola lassies in flying colors 44-23 in the initial rounds of the District Six B-BB basketball tournament here this afternoon.

Coach Harmon Boggs pulled all kinds of rabbits out of the hat to advance his team in the tournament.

Shirley Beasley, a dainty, dazzling dart of the winning aggregation, poured in 28 points to pace the offensive attack.

The second session is carded for tonight with three games on tap.

McKay's, Godley's Teams Victorious

McKay's girls defeated Martin's crew 30-16, and Godley's lassies defeated Noland's six 35-22 in games last week.

This brings to a close the Women's Athletic Association League for this year.

All the girls on the Women's Athletic Association Council are asked to be present for the meeting Thursday at 3:00 in the Visual-Aids room.

The League standing:

Students To Get Two Holidays For Teachers Meeting

Spring holidays are near, for the students, that is.

Beginning immediately after last classes on next Wednesday, March 13, students will be free from classes until Monday morning, March 18.

At this time faculty members will be attending the annual convention of the Mississippi Education Association.

General meetings at nights when educators will address the group, and departmental meetings during the days, and any number of luncheons and breakfasts have been scheduled to engage the attention of the Mississippi teachers at this annual meeting held in Jackson.

Touring Students To Perform Here

The Blue Mountain College Department of Music and Dramatics will present in the Hinds Junior College auditorium Victor Herbert's lilting light opera, **Babes In Toyland**, tonight at 8 p. m.

The cast and chorus, comprising some sixty students, will be under the direction of Brooks Haynes, professor of music and a native of Jackson. He is assisted by Mr. Sanders, accompanist.

They will be overnight guests Wednesday on the Hinds campus. Traveling with the students will be Miss Cawood and Miss Mullekin of the college faculty, Mr. Buchanan, business manager, and Dr. Lawrence T. Lowrey, college president.

Their performance at Hinds, the only one in this area for the season, is sponsored by the national honor society on the campus, Phi Theta Kappa.

Admission to the performance is 50 cents for students, and \$1.00 for adults.

College President Returns To Hinds From Utah Meet

President G. M. McLendon left Jackson's Municipal Airport Sunday to attend the National Convention of the American Association of Junior Colleges at Salt Lake City, Utah.

Mr. McLendon is assisting in the investigation of the organization and administration of the junior colleges as to building standards, costs, library standards, public relations, publicity practices, financial methods, administrative structure, and classroom teachers.

Plans are for President McLendon to return to the campus this week-end.

PATTY CARTER

College Sophomore Enters Cover Girl Magazine Contest

Patty Carter, chosen as "Most Beautiful on the Hinds Junior College campus for the second time in the past two years' Who's Who contest, has been entered in the Campus Cover Girl for 1957 contest, sponsored by the **Dixie Roto** magazine of **The Times-Picayune**.

Schools in Louisiana and Mississippi are submitting entrants. Each beauty competitor will have one picture come out in the magazine prior to the cover selection, for which ballots will be cast.

The cover picture of the winning Campus Cover Girl will appear in **Dixie Roto** as soon as possible after ballots are in.

In addition to her beauty title, Patty also won the title of "Best Dressed Girl" on her campus.

Dramatic Club Selects Broadway Production

The **Happiest Years**, a three-act comedy, will be presented by the Hinds Junior College Lendon Players on April 5, Prof. Fred L. Brooks, head of the speech department, announced this week.

Produced on Broadway in 1949 by Peggy Wood, the play cast is composed of four males and five females.

The nine-member cast has been selected and the opening rehearsals will start this week.

Cast members selected are Dee Greathouse as Richard Johnson, Carolyn Barton as Martha Johnson, Margaret White as Miss Wentworth, Melanie Mathews as Clara Graves, Norman Presson as Bertram Greaves, Randy Rickles as Roger Littlefield, Barbara Cline as Joan Miller, Don Alexander as Morton Greaves, and Iris McKay as Florence Greaves.

Charles Wall of Utica has been named as student director.

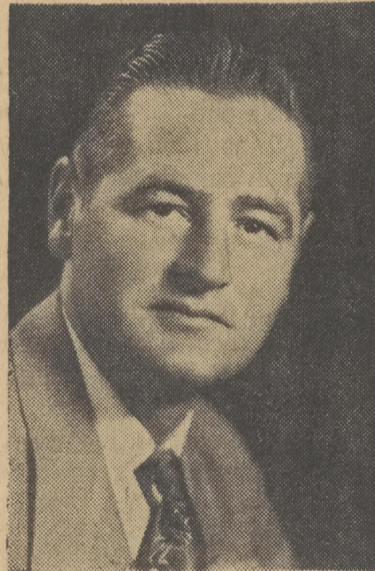

Other assistants of the production will be announced at a later date, according to Mr. Brooks.

Former Editor Of Paper Gets Honor As Man Of Year

Pat Smith of Mendenhall, Public Relations Administrator for Vickers Inc. of Jackson, and former editor of **The Hindsonian**, was recently awarded the Distinguished Service Award for 1957 of the Junior Chamber of Commerce of Mississippi.

This particular citation was awarded for Pat Smith's work for the youth of his home town, some of which was named as organizing a youth recreational program in the summer of 1956, donating two hours daily in schooling young people in physical education, body building, and Christian sportsmanship.

Pat Smith's book published in 1953, **The River Is Home**, was a best seller, and won the International Mark Twain Society Honorary Membership Award for Southern literature.

Classroom Manners Reflect Character

Classroom manners, have you ever thought of such things? If you haven't, then stop a minute and think of the things done inside the classroom that reflect a factor in each personality.

The way every student acts in the classroom is very important. Classroom manners, some call it citizenship and character, will always count considerably on the grades made.

Several other points to bear in mind are also important. The most important, of course, is not to talk when someone else is talking. This should be remembered outside the classroom too!

By not talking out of turn shows respect for the teachers as well as for the fellow-students. It is always better to ask for permission to speak.

When entering or leaving the room, do so in a quiet, mannerly, and orderly fashion. Pushing, shouting and scuffling are signs of poor manners.

Good posture and close attention pave the way toward success not only in the classrooms of Hinds Junior College but in later life. It is never too late to learn and practice something new and something better.

So let's all start with making good manners a marked characteristic of our campus.

Encourage Students To Get Education

Encouraging the education of young people is to the best interest of every American living. Living in a period of competitive coexistence with other countries, the task of insuring that every youth in our land is aided in achieving his highest potential intellectual growth is a formidable one.

The great emphasis which the Soviets have placed on the training of their youth is a challenge which cannot be ignored by the Western World.

A good sound education is the most beneficial thing a person of any rank in life can possess.

Dr. Paul Glick, of the Census Bureau, estimated about a year ago that male college graduates will receive an average of \$100,000 more in lifetime income than the average high school graduate.

Is not only four years of your life and the cost of this much training worth \$100,000 plus many other advantages?

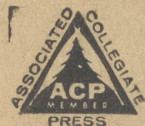

Cheer-Leading Aids Squad's Support

Some school authorities over the country say the student body is growing up and the ancient and honorable profession of cheer-leading at athletic events is going out of fashion.

Fundamentally, the American people are independent. They dress, eat, go to the movies, and root at athletic games as they please. They cheer, or are silent, because of what they see and feel at a game. That is one side of the situation.

But we believe that cheerleading creates an enthusiastic atmosphere for the player participants and it improves the team's play.

Whole-hearted, spontaneous cheering is one of the greatest assets a team can have toward success.

SOPHOMORE OF THE WEEK

Pittsburgh All-American Junior College Gridiron Star Directs Forest Hill Line

By JANE PICKETT

Earl McFeaters, All-American junior college football player and "all-around good guy", is our Sophomore of the Week.

EARL McFEATERS

Guard Earl weighs 185 pounds, has blonde hair, hazel eyes, and is 5 feet 11 inches tall.

The younger of two boys, Earl is the son of Mr. and Mrs. Ellis McFeaters of Pittsburgh, Pa. Earl was born in Pittsburgh on April 19, 1937. He attended school in that city for eleven

years; he spent one year in Buffalo, New York.

While attending Branford High School, popular Earl was president of the student body, a member of Phi Eta Sigma National Scholastic Fraternity, and a four-year football letterman. Earl was graduated from high school with honors.

Previous to coming to Hinds Earl played freshman football for the L. S. U. Tigers last year.

This year Earl, an engineering major at Hinds, played guard for the Hinds Eagles. In the Who's Who contest this year our Sophomore of the Week was elected "Best Boy Athlete", and he and Shirley Ferguson were voted "Cutest Couple."

This handsome lad likes popular, rock 'n roll, and semi-classical music. His favorite past time must be being with Shirley, because that's how he spends his time.

At present Earl is football line coach at Forest Hill, but as for the future, his plans are indefinite. Earl does, however, plan to continue his education.

With the mental as well as physical talents and abilities that he possesses, Earl McFeaters is destined to have a bright future.

Hinds Junior College salutes him and wishes him the very best that life may offer.

On The Nation's Campuses

By NAN ERTLE

According to THE COURIER, Clarke College, Dubuque, Iowa, Nurse Jeanice Fox reports that college illnesses can be categorized according to the day of the week.

The first type of illness is Monday morning misery. A sign of the onslaught of this disease is the sight of a collegian, suitcase in hand, waiting for a taxi on Friday afternoon. First real symptoms are visible Sunday evening when the student feebly signs in.

"The cure? A complete day of recuperation."

Then on Tuesdays and Thursdays, the Clarke students suffer from "I-ache-all-over-itis." The symptoms of the disease are sore throats, stiff backs, weak knees, unprepared assignments.

Cure: exemption from physical culture classes.

Friday, Saturday and Sunday seem to be the healthiest days of the week, and students who have been sick all week suddenly recover by Friday afternoon.

Down at the University of Florida, tall students whose feet are too long or their beds are too short will receive seven-foot beds soon. Now they will be able to sleep without their feet hanging off the bed.

Political contests at Hofstra College were really close, as quoted from the College USA column in the Student Printz. Ten minutes before the polls closed, the following scene took place:

Candidate: "Did you vote yet?"

Frosh: "No. I'm going home now."

Candidate: "Come on. It takes only a second to vote. The polls close in 10 minutes."

Frosh: "Well. . . mmmmm. . . oh, O. K."

The candidate was the winner of the office of freshman class president. He won the election by two votes.

HINDS JUNIOR SAYS . . .

Prof. Jobie Harris asked his students to write on their six-weeks test papers last week that they had not cheated. One student wrote: "I haven't received any help on this exam and God knows I couldn't give any."

BROOKS HAYNES, professor of Music at Blue Mountain College, announces that the annual operetta for 1956-57 session will be Victor Herbert's "Babes in Toyland." The premier showing was given at Blue Mountain College on Friday evening, March 1, at 8

p. m., in Modena Lowrey Berry Auditorium. The date for the performance at Hinds Junior College in Raymond is Wednesday night at 8 p. m. The cast and chorus are pictured above. Music director Haynes is a native of Hinds County.

College Library Affords Peaceful, Attractive Atmosphere For Study

By MERLE GRAHAM

Have you visited the library and taken time to really look around? Did you know that Hinds has one of the most attractive and well equipped libraries in the junior colleges of the nation?

It was re-decorated recently and is one of the most attractive places on the campus. There are many paintings on the walls which are very beautiful and add to the attractiveness of the library. There are two official librarians which the school engaged for the benefit of all the persons who use the library.

They are willing to assist you at any time just for the asking. In addition to Mrs. Gertrude Rowzee, the librarian, and Mrs. Virginia

Riggs, the reference and circulation librarian, there are several students who help in the operation and maintenance of the library.

Did you know that our college library has approximately 10,000 books, a file of periodicals consisting of approximately 110 various magazines, some of which date back to 1929, and a number of newspapers? These magazines and newspapers are for reference on subjects such as current events, old news, and feature articles.

In addition to the magazines which the library receives periodically there are many more which have been donated to the library. The library keeps a file of current newspapers from towns in the area and larger cities of the nation. You can also find every edition of the *Hindsonian* there.

If you would pay a visit to the library you would find that the students whose grades stand out in front will be there studying. Possibly if you would take your studies there too your grades would show an improvement.

The library provides a quiet place for studying, and there you may find references on almost any subject you wish to clarify.

Reading Instructor To Open Programs On College Dating

Mr. Audrey Lucas, Hinds Junior College reading instructor, will open a series of programs Monday night in the Wesley Foundation.

Mr. Lucas' discussion is the first program in a series of four.

These programs will concern dating and boy-girl relationships. Filmstrips, debates and group discussions will provide variety, and the opportunity for the Wesley members to view the subjects from different angles.

At the close of this series of programs, the Wesley Foundation will begin its pre-Easter programs, which concern the true meaning of Easter, the meaning of Lent, and the significance of Palm Sunday.

If you are a reader and you should be because of the enjoyment and knowledge you will receive from it, you will find a wide variety of books which are for pleasure reading. There are books on fiction, biography, history, and almost anything which you choose to read.

It is a well known fact that the person who reads is usually a person of wide knowledge and a good conversationalist.

Begin using the library and improve your mind and your classroom grades.

Business Leaders To Invite Schools To Commerce Day

Future Business Leaders of America at Hinds Junior College will sponsor Commerce Day on Wednesday, March 27.

Commerce Day, under the direction of Mrs. Maybelle Furness, business instructor and FBLA sponsor, is an annual project of the FBLA's.

Business machine companies from Jackson will exhibit various kinds of machines during the day in the Academic Building.

Companies to be represented are Monroe Calculating Machines, Hinds Business Machines, International Business Machines, National Cash Registers, Burroughs Calculating Machines, Office Supply Company, Remington Rand, Friden Calculating Machines, and others.

Members of the FBLA plan the program and serve as host during the day.

All commerce departments from the high schools in Hinds' three-county area will be invited to participate in the Commerce Day activities.

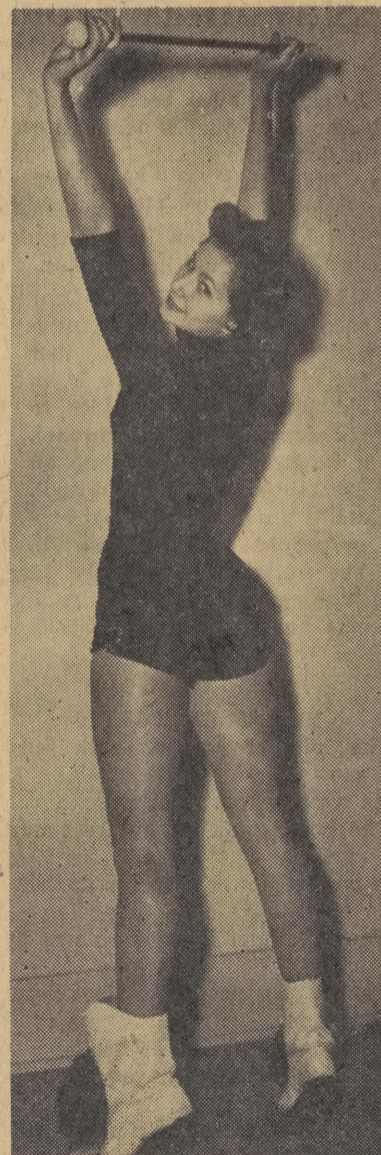

NOTICE

Because of spring holidays, the *Hindsonian* will not be published next week. The next issue of the *Hindsonian* will be published on March 20.

Marines To Be On Campus Two Days

Representatives from the Marine Corps Officer Procurement Office in New Orleans, La., will visit the campus on the 19th and 20th of March, 1957.

All training is given during summer vacation or after graduation.

JO ANN NUTT, Hinds Hi-Stepper, takes a long tip-toe reach after her last performance as a member of the dance routine team at the Krewe of Carrollton Ball in New Orleans last week. She reached high enough to get her a husband and she left school today via the wedlock route to join the new groom.

Band, Hi-Steppers Return To College

The Hinds Junior College Band and Hi-Steppers returned from their annual trip to New Orleans last Monday night.

The three-day trip was filled with activities.

At 9 p. m. Saturday night the buses arrived at the army camp, Leroy Johnson, located on Lake Pontchartrain. Later that night, there were group activities which included touring the famous French quarters on Bourbon Street.

Sunday morning the buses took the groups into New Orleans where the Mardi Gras parade was forming. The Hinds group started at the corner of Oak Street and Leonidas, and marched over five miles. The Krewe of Carrollton parade went by route of Tulane Avenue, Canal Street, South Rampart Street, and others.

Sunday night the Hi-Steppers, accompanied by the Hinds dance band, were guests at the Krewe of Carrollton ball. The exclusive ball was held at the city auditorium. Later the same night, many made a closer study of "America's Most Interesting City."

The groups bade farewell to the Crescent City and left for Hinds at 1 p. m. that afternoon.

INTERNATIONAL RELATIONS CLUB members at Hinds Junior College pose after successfully completing the Hungarian fund drive on the campus. They are left to right, front row, Florence Hearn of Redwood, vice president; Nita Jo Moss of Natchez, Carolyn Ferguson of Forest Hill, Leverne Barlow of

Utica, and Mary Jane Halle of Mendenhall; second row, Betty Jo Williams of Flora, president; Gwen Jones of Vicksburg, treasurer; Jobie Harris, sponsor; Nan Ertle of Benton, secretary; Noel Monsour of Vicksburg, reporter; and Miss Lula Mae Fowler, sponsor.

ELVIS' HEADQUARTERS

Stay Away From Green Doors, Joe's

By **NANCY TURNAGE**

Lately there has been much discussion as to what is behind a certain door—the Green Door. Some say Elvis has his headquarters back there. I don't know about that.

If I had a Green Door I would keep Tommy Sand behind it.

The original Green Door song throws out several interesting clues. Behind that famed aperture there is an old piano (I don't object to old pianos, if they are in tune), a smoky cloud concealing an eyeball (Crazy, man, crazy!), and a group of laughing, happy people (Must be a party!).

The fellow who sings the song is wishing he could go in but seems unable to enter. This fact

PEACH BLOSSOMS

By **RAMONA SARTIN**

The hills are capped with fairy snow,
As frosting tops a sugar cake.
The petals pink fall to fresh new earth,
A perfect flower shape, each flake.

The breath of breezes blown by spring
Their fragrance waft like sweet perfume.
Each one is perfect in itself—
Each petal flake of every bloom.

Perfection formed by Master hands
Is wrought in every tiny part.
In each is breathed the breath of life

The same as breathed in man's own heart.

Could soul be, too, within these blooms
For purpose yet to us unknown:
A purpose noble such as that
Ordained from heaven's highest throne?

leads to a real gone conclusion: the Green Door is locked!

The other day I heard a song in which some poor soul groans that he is the only man who knows what is behind the Green Door. The applicant for admission was sent by someone named Joe, a guy who seems to have a little influence with the Green Door crowd. If Joe sent the boy, he must know something. Let us assume, therefore, that Joe and the singer of the "I Know" song are one and the same.

Now I shall proceed logically from the facts gathered. The people behind the Green Door are insane. Only criminals and crazy folks are locked up; and criminals, as I understand, do not stay up most of the night laughing and carousing; hence these people are crazy.

The Door is green because insane asylums are not usually wealthy and green paint is cheap. Soon an inmate will come to unlock the Door and let him in.

When the poor boy is behind the Green Door, he will have not just "one more night without sleeping", but many sleepless nights. The Green Door gang will see that he stays awake.

There is a moral to this story: stay away from Green Doors and people named Joe. They just aren't healthy!

Modern Language Students Sponsor Washington Party

Members of the Modern Language Club had the opportunity to see a color film, "Chile Copper," last week which showed the history of copper manufacturing in Chile.

At the regular club meeting Miss Hilda Ree Davis, sponsor and Language teacher, gave the members a party celebrating George Washington's birthday. After members were served Cokes and cookies, the members played a game. Martha Anne Smith won the prize, a box of candy.

Mr. Beemon, who took a picture of the group, was a special guest.

ONE OF THE BEST animals to be shown at the Hinds County Livestock Show at Edwards next week will be this white faced Hereford of Billy Banes. Banes of Raymond will exhibit his steer in the Baby Beef division. A total of 13 students from the Hinds Junior College high school department of the Future Farmers of America will exhibit animals at the show. Five will show fat calves and eight will exhibit fat barrows. Many FFA members and 4-H Club members from other schools will compete for top honors at the show.

Hinds' Farm Club To Exhibit Swine, Steers At Show

Thirteen boys from the Future Farmers of America organization at Hinds Junior College will exhibit animals at the Hinds County Livestock Show at Edwards next week, Monday through Wednesday.

The local FFA chapter will show exhibits in swine and beef at the show. The chapter plans to show five steers, twelve fat barrows, and two breeding hogs, according to Mr. Jack Treloar, sponsor of the club and vocational-agriculture instructor at Hinds.

Exhibitors in the swine department from Hinds will be Billy Carol King, Eugene Kynerd, Lamar Gates, Buck Ware, Frank Sutterfield, Doyle Ray Whitehead, Miles Ray Goode, and Perry Abernathy.

Billy Banes, Kendall Harris, Eugene Osborne, David Barton, and Charles Banes will have animals competing in the baby beef division.

All the club members will be entered in the junior division.

RAYMOND SOPHOMORE TO HEAD DRAMATIC GROUP

Melanie Matthews, Hinds sophomore from Raymond, and winner of the interpretative reading contest at Mississippi Southern last week, has been recently elected to serve as president of the Lendon Players, Hinds Junior College's dramatic club.

She succeeds Dick Bowers who has left Hinds to enter the cadet school.

Other officers are Virginia Ronkin, Jackson, secretary and Jeanine McGuire, McComb, reporter.

Mr. Fred L. Brooks, head of Hinds' speech department, is sponsor of the club.

Two Teachers To Return Thursday

Guidance director, Mr. A. L. Denton and social science instructor, Mr. J. B. Patrick, will return from the 12th National Conference on Higher Education in Chicago tomorrow night.

"Higher Education: A Bold New Look at the Not-Too-Distant Future," was the general theme of the conference.

Participating in the four-day meeting, Mr. Denton and Mr. Patrick have been taking part in the discussions of teaching techniques, campus life, student values, and responsibilities of the colleges.

Students To Get Second Polio Shots At Infirmary In March

There are quite a few students on the campus who have not yet taken their second polio shot, according to Mrs. Rachel Robinson, Hinds Junior College nurse.

These shots will be given on March 21st at the College Infirmary. If you are not able to go to the Infirmary, go to your Health Center to receive the vaccine.

sociation. Other officers are left: Charles P. Hogarth, president of Mississippi State College for Women, vice-president; and right, Charles T. Morgan, president of Wood Junior College, president. This is the eighth consecutive year for Miss Herrin to hold this post.

College Assistant, 3 Students Visit District Schools

As a part of the college public relations program Mr. John Virden, administrative assistant, accompanied by three college students, visited two schools yesterday.

The group talked with high school students interested in registering at Hinds Junior College next fall.

Nan Ertle and Malcolm Miller, sophomores, and Barbara Cline, a freshman, visited the high schools at Bentonia and Yazoo City. Nan Ertle is a graduate of Bentonia High School, and Barbara Cline and Malcolm Miller are graduates of Yazoo City High School.

Hinds Junior College Buys Hampshire, Yorkshire Swine

Hinds Junior College has recently purchased eight breeding hogs, reports Mr. Jack Treloar, who is in charge of the college farm.

The hogs purchased were four hampshires and four yorkshires. All eight are breeding gilts.

With these swine additions to the college farm, Hinds now has most of the well-known hog breeds.

RELAXING AFTER THE LONG Mardi Gras parade in New Orleans last month, the Hinds Hi-Steppers are posed while preparing for other performances in the near future. The Band and Hi-Steppers marched in the Krewe of Carrollton Parade and also at the Krewe of Carrollton Ball

while in New Orleans. Mrs. Alon Bee, Hi-Stepper instructor, says the Hi-Stepper agenda will be filled with as many performances as the group can participate in this spring. No definite dates were available on coming performances at noon today.

LINE COACH FRANK YOUNG of the Hinds Junior College Eagles is giving tackles and guards that are participating in the Hinds spring football practice the proper techniques and fundamental requirements of linemen. They are left to right, Tackle Don

Hinds High Female Cagers Close Year With 16 Wins, Five Setbacks, One Tie

Coach Louis Boteler's Hinds High Eaglettes closed the curtain on the 1956-57 basketball season last week with an amazing record of 16 wins, only five losses, and one tie.

The Eaglettes were the victors of the Capitol Athletic Conference crown and the runners-up in the Hinds County tournament while the Hinds High Eagles took top honors in the Port Gibson Invitational Tournament.

Three versatile sharpshooters have been the big offensive guns this season. Winnie Lou Smith, Bettye Taylor, and Nancy Chapman have pooled their efforts for 956 points in 22 games.

Smith led the list with 333 markers and Chapman pumped in 328 points. Taylor ran third with 295.

Other Eaglette scorers this season were Clara Murrah with 51, Martha Wade with 14, Katie Lee Houston with 12, Sissy Graham with 12, and Jimmy Stingley with 6.

Eaglette members making the

Capitol Athletic Conference All-Star team were Lou Ann Carter, Jimmy Stingley, Winnie Lou Smith, and Nancy Chapman.

Bettye Taylor and Jimmy Stingley were selected on the Hinds County and District Six B-BB teams respectively.

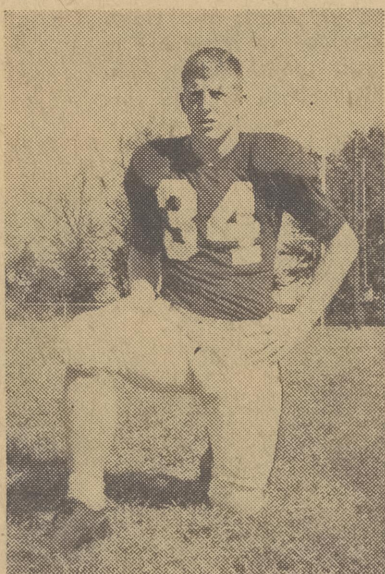

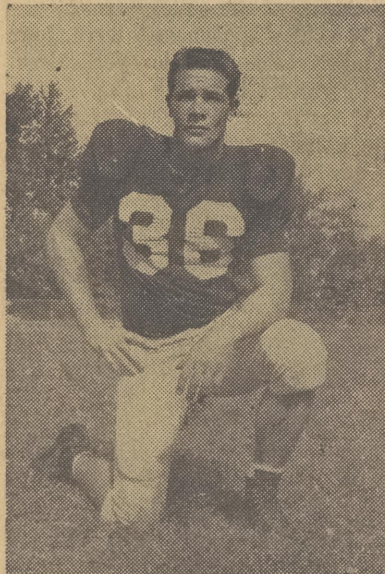

Norma Jean Carter, Graham, Taylor, Murrah, and Wade are all seniors this year.

Johnny Oberhausen paced the Eagles with 294 points this season. He was followed by Joe Milano with 19 and Donald Campbell with 130.

Buck Smith Makes All-State Quintet

Buck Smith, Hinds Junior College pivot-cage star, was selected on the All-State Junior College basketball team last week for the second straight year.

Bobby Lee, the sharpshooting sophomore forward, received honorable mention on the All-State squad.

Westside Wallops Main Aggregation As Tanksley Stars

To complete the cage season at Hinds, the Westside girls smashed the Main lassies 48-20 last week.

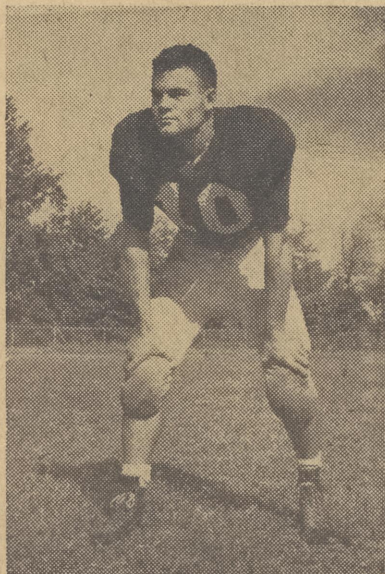

Alice Walton coached the Westside team and Louise Earnhart the Main sextette.

Kay Tanksley paced the winners with 22 points and Iris McKay led the losers with 14 markers.

A badminton tournament is presently underway on the campus from 6 to 8 p. m. each evening for members of the Women's Athletic Association. Each participant in the tournament will receive two points per game.

Jane Pickett and Louise Earnhart of Westside and Main respectively are managers of the meet.

The top ten scorers of the league this season were Iris McKay 110, Peggy Fugate 72, Kay Tanksley 69, Bobbie Nell Noland 52, Peggy Catledge 43, Frances Ainsworth 30, Louise Earnhart 29, Jeffie Trapp 24, Jean Gill 22, and Barbara Cline 14.

Athletic Director Renfroe Releases Diamond Schedule

Athletic Director Joe Renfroe of Hinds Junior College released an eight game junior college baseball schedule for the 1957 campaign this week.

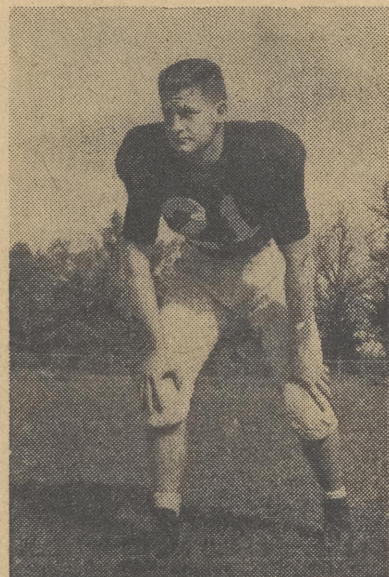

All of the games are with junior colleges from the southern half of the state, since Hinds is a member of this half. The team with the highest percentage at the end of the season will play the top forces for their overall junior colleges playoff.

Troy Ricks, basketball coach at Hinds, will be in charge of the diamond nine this season.

Renfroe plans to schedule two games with Millsaps and will likely add a few more additional games before the season is over.

The schedule is as follows:

April 2—Jones at Raymond
April 5—Pearl River at Raymond
April 6—Perkinston at Raymond
April 9—Jones at Ellisville
April 12—Southwest at Summit
April 16—Southwest at Raymond
April 25—Pearl River at Poplarville
April 26—Perkinston at Perkinston

RETURNING Center Glynn Russell is the only ball snapper from last year's team that compiled a 7-2 record in the rugged Mississippi Junior College Conference. Russell is from Jackson.

FOUR EAGLE STANDOUTS that have been looking well in spring drills are four returning lettermen. They are, from left to right, Bennie Hawkins, Homer Boyd, Hal Battle and Melvin Champagne. Hawkins, a native of Memphis, has been converted from a guard to an end. Boyd

of Raymond, will be playing his second year as a first string end. Battle of Byram and Champagne of Houma, La., are presently working at the quarterback slot. Battle is also alternating at halfback.

District School Students To Be Guests Of Future Business Leaders On Campus

Future Business Leaders of America at Hinds Junior College will sponsor the chapter's annual Commerce Day next Wednesday, March 27.

Over 200 high school business education students from the Hinds Junior College district are expected to spend the day on the campus as guests of the FBLA and participate in the day's activities.

Visitors will be given identification badges on arrival, and then they will assemble in the auditorium for a welcome address by President G. M. McLendon.

Hinds Junior College students will entertain the visitors with a program, and take them on a tour of the campus.

Business machine companies from Jackson will have exhibits in the Academic Building and representatives to demonstrate the machines.

Part of the afternoon program will be taken up with a social period at the Raymond Lake and Lodge.

Mrs. Maybelle Furness, sponsor of the FBLA and a business in-

structor, is the general chairman of the program.

Faculty Members Receive Positions

Three Hinds Junior College instructors were elected to positions in the work of the Mississippi Education Association this past week-end in Jackson.

Elected were Miss Mildred Herren, registrar; Miss Lurline Stewart, head of the math department; and Mr. Fred L. Brooks, head of the speech department.

Miss Herrin, for the ninth consecutive year was elected to the position of secretary-treasurer of the Mississippi Association of Colleges.

Miss Stewart was named vice-president of the state mathematics group. On Friday of the MEA, Miss Stewart spoke before her group on the topic, "Here's How I Do It," in reference to the teaching of algebra.

Mr. Brooks was made chairman of the drama section of the Mississippi Speech Association. In the state oratorical contest held Friday, Mr. Brooks served as one of the judges.

State Conference Invites Delegation

The annual Young Women's Christian Association, the Young Men's Christian Association and the Student Christian Association Conference for college students is scheduled at Castalian Springs, near Durant, Mississippi, for the week-end of April 5-7.

A bus load of Hinds students accompanied by Mrs. Margaret Kimball will attend the conference.

Spring Brings Many Refreshing Things

To awake on a cool spring morning, to have the fresh air pass through your nostrils, to see the green grass glisten with dew, and to hear the March wind breeze through the towering trees—these are sure signs of spring.

Tomorrow is spring, credibly the most talked about and cherished season of the year.

Books and thousands of poems have been written about this popular season of the year, but words cannot explain the thrilling experience of spring. Here at Hinds it means everything from the beginning of baseball season to the Commencement exercises.

Suddenly spring is thrust upon us and we burst into a new life.

Tennyson said, "In the spring a young man's fancy lightly turns to thoughts of love."

Many a romance started in the springtime when the birds were joyfully singing in the tree tops.

"The spring comes truly when, between the rains,

The stiff new wasps ascend the window panes."—FF

Spring showers make the plants grow faster and the sod turn greener.

"You have to believe in happiness, or happiness never comes—

Ah, that's the reason a bird can sing—

On his darkest day he believes in spring."—DM

It is a gay and happy season if we do not succumb to Spring Fever.

"Come gentle spring! ethereal mildness! come.—JT

And as it comes it brings the inspirational Easter season, representing the Resurrection of Christ.

The season of spring, handwork of God, is truly a refreshing and spiritual renaissance of new life and hope.

Signs Would Be Helpful To All Visitors

Hinds Junior College is in dire need of a sign in front of each building to identify the building. A sign in front of each building would be very helpful to visitors and newcomers to the campus.

Dark metal signs with white lettering about three feet from the ground would be ideal for this purpose. The signs would help the visitors and newcomers to become acquainted with the campus more quickly.

Hosting numerous meetings, conventions, and programs each year for many purposes—the junior colleges, high school meetings, tournaments, agriculture meetings, religious conventions, boys' state and many others—Hinds would find such signs a contribution and outstanding asset to the added success of a program of any kind.

Moreover, hundreds of new students that pass through the portals of this institution each year would be benefited by the signs.

Identification signs would be especially accommodating to visitors who are looking for a particular building.

The signs, in addition, would be a great aid to new students during those first few confusing days on the campus.

SOPHOMORE OF THE WEEK

Prospective Chemical Engineer Earns Publication's Weekly Student Salute

By NAN ERTLE

The Hindsonian is pleased to name Robert Kemp Marble as Sophomore of the Week.

BOBBY MARBLE

Robert, better known as Bobby, was born at Richton, Mississippi, but he now makes his home in Jackson. He graduated from Forest Hill High School in 1955, and he entered Hinds the following September.

This brown-eyed, brown-haired

sophomore stands 5' 10" and weighs 145 pounds.

As a freshman, Bobby was a member of the Lendon Players and the a capella choir. This year he is a bus driver for the Eagle band and the Hi-Steppers.

Bobby enjoys singing, music, dancing, and all types of sports, including hunting and fishing. His musical tastes range from Benny Goodman and Glenn Miller to some classical compositions.

In August Bobby will be wed to Joy Zeringue, a Hinds freshman from Raymond.

As a chemical engineering major he will enter Louisiana State University after leaving Hinds.

Bobby has this comment about Hinds: "To me Hinds has been a means to an end. Had it not been for this school, my major in chemical engineering would have been delayed."

We salute you, Robert Marble, as Sophomore of the Week. With your determination and pleasing personality we feel sure that you will succeed in whatever you may undertake.

Sigma Alpha Epsilon fraternity at Oregon State College celebrated "We Hate Women Week."

Members and pledges wore their "mungiest" clothes, boarded up doors and win-

dows of the house and circled their lawn with barbed wire, reports the DAILY BAROMETER.

Those who were able grew beards, and all refrained from speaking to women, trying to prove that "every man is an island." What was the purpose of the week? That question can best be answered by this statement. "The men are weary of continually trying to maintain their best appearance. They want a vacation."

Up at Mississippi State, Frank Donovan, a former Hinds student, recently gave his new "tin can" aeronautical creation a test flight, as reported in the REFLECTOR. The "aircraft" is made of two one-gallon food cans. Two friends, Carlton Ray and Scottie Barland, both of Jackson, helped him in the construction and in the test flight.

Skeptical onlookers commented, "It'll never get off the ground." But Frank proved to them that it WOULD fly.

It takes two of them to handle the model which is almost square, and is about 12" on each dimension.

HINDS JUNIOR SAYS . . .

Poet's Corner

EVALUATION

By RAMONA SARTIN

I asked myself as I went my way
If I had done one deed today
That I could look upon and feel
Was not the type that I'd reveal—
I thought for a moment, then I knew

The deeds were more than just a few—

No great things—that I had done,
But little things that I'd thought fun—

The thoughts I'd thought, the little white lies,

The sharp-edged answers, the self-fish cries,

The little things that spoil our day
And keep it from being quite so gay—

I promised myself, then I promised God,

A new and narrower path would be trod.

Hinds Future Farmers Place First In Judging

Hinds High Future Farmers of America from the high school department of Hinds Junior College took top honors in two of the four divisions of judging in the Tomato Belt Council held on the campus of Hinds Junior College Saturday morning.

Coached by Mr. Jack Treloar, vocational agriculture instructor at

Hinds, the Hinds High general livestock and dairy judging teams won first place honors.

Members of the first place livestock team were Maurice Holliday, Robert Moody, and Charles Banes. Banes was the individual high scorer on the livestock team.

Carol King, Eugene Osborn, and Jimmy Chapman made up the initial placed dairy team. Chapman was the top scorer of the contest.

The Hazlehurst crops judging team won first place and the Georgetown poultry team won the top placing.

Hinds High captured second place honors in the crops judging. David Barton of the second place team was the high individual scorer in the contest.

Hinds High's poultry team ranked third.

The first place winners in each of these four contests will compete for state honors in the State Future Farmers of America judging contest to be held at Miss. State College, Saturday, March 30.

Business Leaders Participate During Utica Career Day

Mrs. Maybelle Furness, business education instructor at Hinds and sponsor of the FBLA, and four members of the Hinds Junior College Future Business Leaders of America spoke to the student body of Utica High School last Tuesday on the coming Commerce Day program at Hinds.

Students participating in the program were Don Alexander, Elizabeth Herring, Jo Gene Hand and Jo Ann Johnston.

Commerce Day at Hinds is scheduled for Wednesday, March 27.

Hinds Choristers Reveal Activities

Hinds Junior College's choir has five performances booked for the coming weeks, and more will likely be added to their agenda, according to Mr. James L. Reeves, head of the Hinds Junior College voice department.

The music group presented a program at the Brandon Baptist Church last Sunday night and at Pearl High School Monday morning. With the exception of two Sunday nights, the choir has performed every Sunday night this semester at churches in the district.

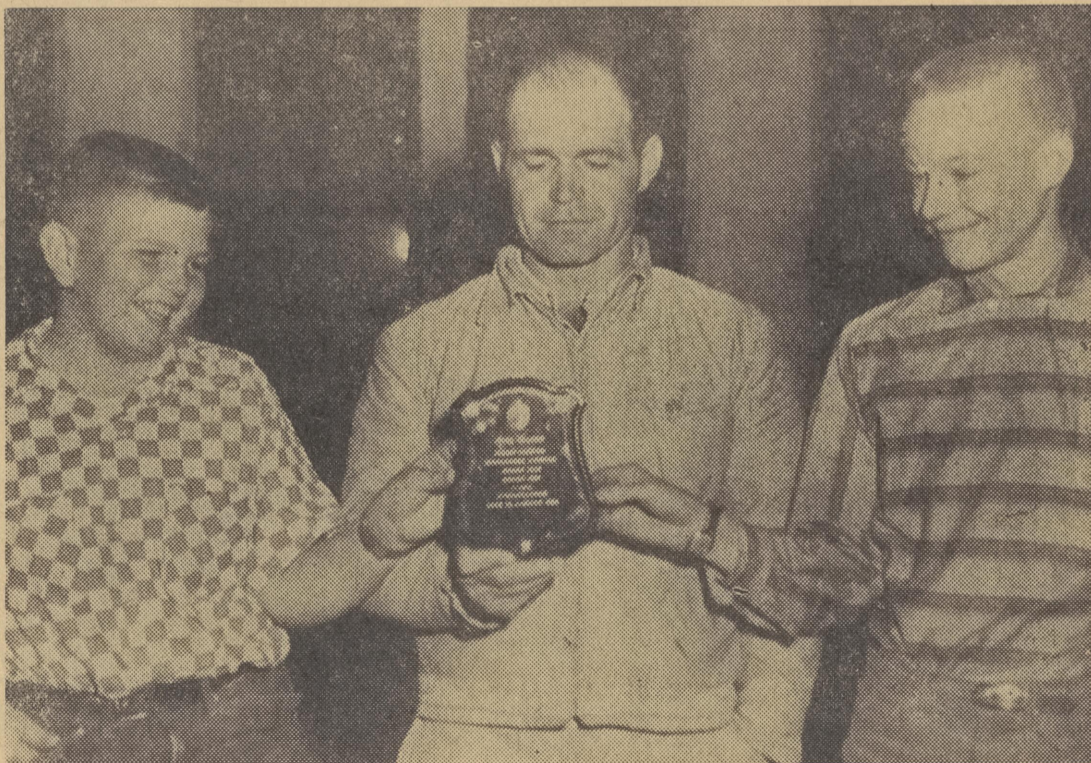

Plans are in the making for presenting a program at the dedication of the Yazoo City Baptist Church soon, although the date is indefinite at this time.

Saturday the choir will participate in the State Junior College Choral Festival at East Central Junior College in Decatur.

On April 28, the choir will take part in a church dedication at Bruce, and will remain over in private homes in Bruce Sunday night and present a program to the Bruce High School student body on Monday, April 29.

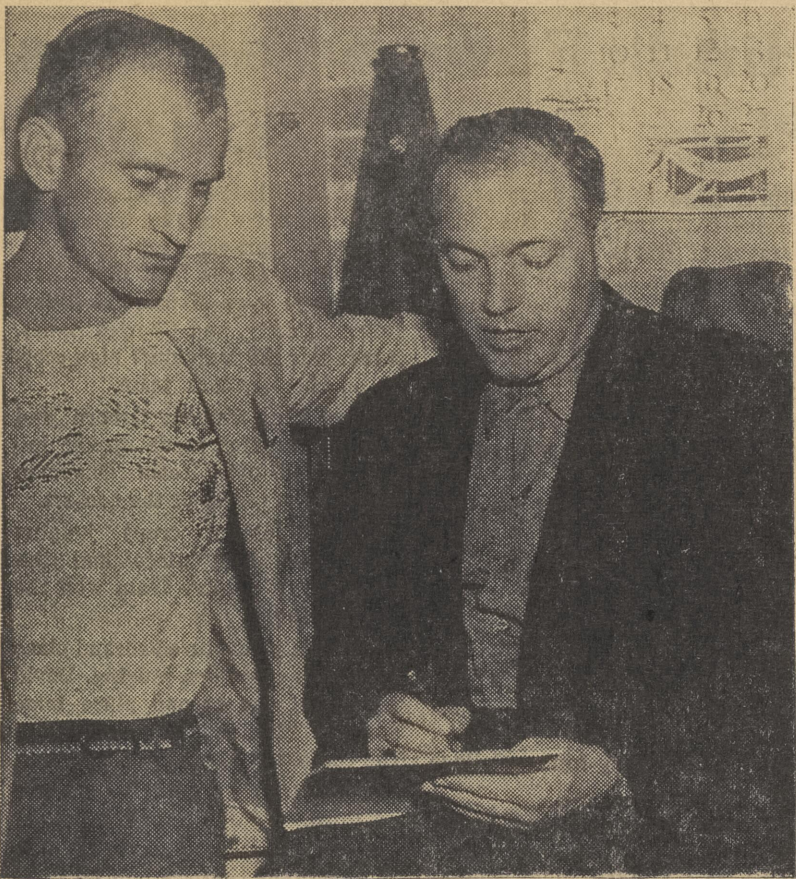

The choir will perform at the LeTourneau assembly in Vicksburg on May 2.

Other dates are being catalogued.

JUDGING WINNER DICK Liggett, high school senior, proudly helps hold the plaque he won last week at the Hinds County Livestock Show at Ed-

Trackmen Open Drills To Defend State Title

Hinds Junior College's track squad started practice this week with 15 candidates on hand to prepare to defend their 1956 State Junior College crown.

Coach Frank Young, head track mentor, is in the driver's seat with only three members returning from the championship squad last year. Returning are Ernest Turcotte, Vicksburg; Bobby Young, Clarksville, Tenn.; and Austin Baggett, St. Petersburg, Fla.

Turcotte won the first place in the 100-yard dash last year in the state meet in 9:95 seconds, was a member of the first place 880-yards relay team and won third place in the 220-yard dash.

Young, who directed Hinds' second place track team in 1955, says that plenty of work is the main thing his trackmen need at the present time.

"We hope to be able to make a creditable showing," was Young's comment about the 1957 prospects.

"All our positions are wide open and it is up to the boys to make the team."

The Eagles' number one mission at the present is getting in shape for their opening track meet with the Co-Lin Wolves next Tuesday.

Turcotte and Young will participate in the sprints and relays and Baggett will enter the field events.

Newcomers to the team are: Ronnie Carroll, weights and field events; Homer Boyd, pole vault and relays; Levi Barber, pole vault and relays; Randolph Smith, sprints and relays; Carlo Bradshaw, distance man and relays; Allen Shivers, distance man and relays; Ralph Emerson, sprints and relays; Alex Womack, sprints and relays; Max Stephens, high and low hurdles and relays; Hal Battle, sprints and relays; Melvin Champagne, high and broad jumps and relays; and Jim Brown, distance and relays.

Although additional meets will be carded with Sunflower, Wesson, Perkinson and Mississippi College B team before the state meet, the schedule is as follows:

March 26—Copiah-Lincoln at Raymond.

March 30—Memphis State relays at Memphis.

April 3—Sunflower at Moorhead.

April 13—Southwestern relays at Lafayette.

May 4—State Junior College meet at Wesson.

Girls' Physical Ed Instructor Serves At Health Banquet

Mrs. Anne Gookin, Hinds Junior College physical education instructor for girls, served as master of ceremonies at the Mississippi Association for Health, Physical Education and Recreation luncheon in Jackson last Friday in connection with the annual Mississippi Education Association convention.

Mrs. Gookin presided in this capacity as a member of the executive committee of the association.

At the women's section meeting on girls' and women's sports, the Hinds instructor compared Hinds' program with that of other colleges and high schools. Mrs. Gookin reports that the physical education program for girls at Hinds is as varied, both in class work and intramurals, as that in any school in the state.

HINDS MENTOR FRANK Young, third from right, is pictured chatting with a few of the hundreds of Mississippi coaches that attended and participated in the Mississippi Coaches Association Clinic and Mississippi Educational Association meet-

ing in Jackson last week-end. Others posed left to right: Coach Joe Walker of Utica, Coach Bob Fuerst of East Central, and formerly of Hinds, Coach Harrell White of Perkinson, Coach Young, Coach Pop Allen of Jackson, and Coach Jack Davis of Natchez.

Publication Interprets Policies, Ethics

Criticism of newspapers is a perennial American indoor sport. The **Hindsonian** always has gotten, and always will get, its share. It always should.

Now and then it is a good practice to analyze the criticisms, however — and to explain why the **Hindsonian** acts as it does in certain situations.

Complaints have been registered that too little space is given to activities in which "everybody is interested"—dances, social outings, and the like. On what basis do we decide problems like this?

Space for and placement of news stories are entirely in the hands of the editors. These editors operate on the principle that not only interest, but also importance, must be considered. A dance or a coffee hour, even if campus-wide, is not as important as, say, the ground breaking of a new science building.

This is not to say that social activities will be excluded from the **Hindsonian**. But the fact that Jerry Lane's orchestra or the Red Tops are going to play is hardly big news.

Incidentally, let it be said here that the **Hindsonian** wants that story in the paper—not big, not seven times, but in its proper proportion. But the **Hindsonian** isn't omniscient. It doesn't always know everything that is going on, though its staff members try hard to cover the campus thoroughly. We invite the cooperation of publicity agents of all campus activities.

The importance and interest of the event govern its news play — not the size of the organization sponsoring the event.

Sometimes the **Hindsonian** finds it impossible to get cooperation from news sources.

Editors of this publication reserve the right to edit all stories as they see fit.

Some say we do not carry enough humor in the paper. This newspaper does not claim to be of the high school variety and we hope it has outgrown its childish idiosyncrasies.

A few persons even have the temerity to say that our only interest editorially is to "pat the administration on the back." That statement is far from true and the editorial columns of this paper speak for itself.

We do, however, support all projects that are for the betterment of Hinds Junior College.

The **Hindsonian** is a student newspaper and it asks to be treated as such, as much as possible.

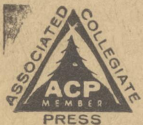

We recognize our responsibilities and insist on good newspaper ethics. It is our sincere hope that the students of Hinds Junior College are considerably more informed on the policies and editorial ethics of the **Hindsonian**.

APRIL MEAL CARDS DUE MONDAY

Bought that April meal ticket yet?

If you want your "three squares" on Monday, April 1, you had better see about that ticket before the business office closes, Saturday, March 30.

Now a warning—Monday morning is coming and no meal ticket, no eat, in the dining room, that is.

SOPHOMORE OF THE WEEK

Energetic Musician, Chemistry Major Captures Local Place Of High Esteem

By IRL DEAN RHODES

Presenting in high esteem as Sophomore of the Week the **Hindsonian** salutes a skilled and talented young man in the science of music, Marvin Baker.

Marvin, who plays a musical in-

MARVIN BAKER

strument to almost perfection, is in his seventh year as a band member. He played five years at Brandon High School and is now in his second year at Hinds.

A keyed reed instrument of the oboe class named clarinet is his specialty. Attending the state band clinic for three years in high school, Marvin became one

of the best high school players in the state.

The young and capable clarinet artist has been a valuable asset to the Eagle Band for the past two years in the reed section.

Although outstanding as a member of the band, the Brandon graduate has been a tremendous success as an individual with his native gift, knack, and genius in the music field. While in high school, he could be counted on to win a superior rating in the state contest as an individual, a member of a duet, or a quartet member.

The son of Mr. and Mrs. M. A. Baker of Brandon, Marvin was a member of the band, Hi-Y, Beta Club, Future Farmers of America, chorus and paper staff in high school.

Hinds Junior College's Gamma Lambda chapter of Phi Theta Kappa, junior college honorary society, proudly claims this competent scholar.

However, the qualified sophomore is not exactly a bookworm. He finds time to play plenty of tennis, participate in the PTK, and take part in the Baptist Student Union.

Majoring in chemistry, Marvin is a soft-spoken individual.

If good-natured qualities, ability to get along with people, and true sincerity mean anything, this young man will be a tremendous success in life.

Students Tell Needs Of Local College

By NAN ERTLE

What does Hinds need that it doesn't have? This question was asked of several students on the campus. Condensed below are some

NAN

of their answers. Comments ranged from "I like it the way it is" to installing a better heating system for the dormitories.

"Signs in front of the buildings are needed on our campus." — Jean Searcy.

"There should be more reasonable rules for the girls." — Jeanette Mahaffey.

"The school needs better relations between the students and the faculty." — Fred Maret.

"A girls' gymnasium with a swimming pool would be an asset to the college." — Betty Cardwell.

"There should be some type of activity planned for the students who stay on the campus over the week-end." — Terry Blackman.

"Hinds needs a Student Government Association badly." — Bobby Breeden.

Other advocates of student government are Lewis Tingle, and Leverne Barlow.

"I like Hinds as it is." — Iris McKay.

"There should be different types of recreation planned for the students during the week and also on the week ends." — Mary Jane Halle.

Poet's Corner

THOUGHTS

By RAMONA SARTIN

The thoughts that come like rain to you and me

Have weight, in time, on what we say and do.

The thoughts that come with ease, so gay and free

May aid and stay with us our whole life through.

The thought of trees and flowers and things so gay

May move a man to write an ode or song.

The thought of youth on each and every day

Can make a short time from one e'er so long.

A song, brought back, brings thoughts of long ago

And stirs the heart of men who've long forgot.

These thoughts can fill our hearts with that lovely glow;

That sense of joy that memories allot.

The hidden secret that men oft' have sought.

Could soon be found if they would pause for thought.

Industry Demands Hinds Students In Vocational-Technical Training

By IRL DEAN RHODES

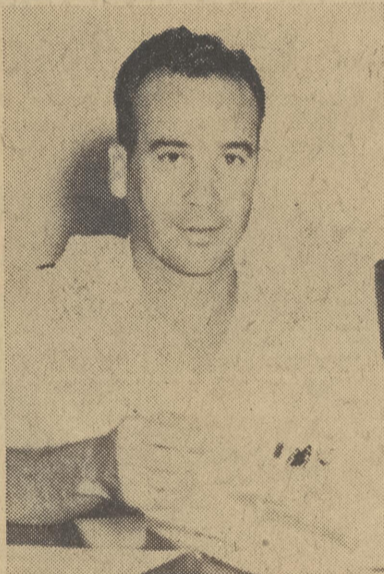

"Personnel is becoming South-wide in technical requirements," is the cry of Mr. Walter H. Gibbes, coordinator of vocational training at Hinds Junior College.

Industry is sweeping southward by leaps and bounds and the Hinds vocational school can not attempt to fulfill the tremendous demand for technically trained men. A great majority of the demand is by local industry.

Mr. Gibbes is very pleased with the favorable interest that is being shown by Jackson industry. The shortage is in skilled and expertly trained men.

The day instructors at Hinds are: Mr. C. M. Burleson, Barbering; Mr. Tom G. Slay, electricity and wiring; Mr. Jack H. Rice, electric motor repair; Mr. H. M. Cook, FM and TV; Mr. W. C. Loggans, ma-

Sports Scribe's Scribblings

By IRL DEAN RHODES

Editor's Note: This is the first of a series of six articles that will feature members of the Hinds Junior College athletic staff.

By IRL DEAN RHODES

Credibly one of the best assistant coaches ever to pass through the portals of this institution, Mentor Frank Young represents a level head, a genius of a coaching mind and the ability to get the most out of his boys.

IRL DEAN

He has returned to Hinds on this second occasion possibly to make it his home. Coach Young was Coach Joe Renfroe's assistant in the 1954-55 campaign when the Eagles won the National Junior Rose Bowl title.

A native of Copiah County, Coach Young is a Mississippi Junior College product. He was a standout on the Hazlehurst football team during his high school days.

From 1943 to 1945 the United States Navy used his services. Hinds' line specialty starred at Copiah-Lincoln Junior College as a guard and center on the single wing formation before entering Delta State Teachers College at Cleveland in the fall of 1947.

Although a diminutive griddler for senior college football, the Hinds mentor displayed his agile ability in astounding fashion to become an ace performer at the center slot on the Statesmen squad in 1947 and '48.

Gulfport High was proud to secure the services of the energetic and aggressive young tutor as line coach for three years following graduation.

Always a zealous and enthusiastic supporter of the junior colleges of the state, the young Young accepted the job as the line mastermind of the Sunflower Trojans for two seasons before coming to Hinds.

After the Renfroe-Young combo shocked and surprised the nation with their national recog-

Tennis Racketeers Start New Season

The Hinds Junior College tennis teams, directed by W. C. "Bill" Oakes, launched their 1957 campaigns this past week with 16 candidates on hand for practice.

Jerry Ivy and Dickie Axtell are the only returnees from last year's Eagle squad, and Wanda Lou Wortman, Ruth Martin and Jean Gill are the only Eaglettes from the 1956 team taking part in the practice sessions.

The five other Eagle tennis prospects are Warner Snell, Glen McClelland, Bob Wallace, Bill Horne, and Barney Kulp.

Newcomers to the ladies' tennis team are Mary Katherine Gates, Bobbie Nell Noland, Anna Summers, Barbara Cline, Peggy Fugate, and Regina Godley.

inition in 1954, Coach Young was employed by May and Jackson for a year.

When Coach Bob Fuerst elected to leave last fall Coach Frank Young, naturally, was President G. M. McLendon and Head Coach Joe Renfroe's first choice.

He is married to the former Roberta Selman of Hazlehurst. They have two children.

Hinds Trackmen Squeeze Past Co-Lin; Carroll, Turcotte Pace Winning Team

Sparked by field general Ronnie Carroll and fancy and swift-footed Ernest Turcotte, the Hinds Junior College track squad squeezed past the Co-Lin Wolves 66-62 here yesterday afternoon.

Mississippi School for the Deaf edged past the Hinds High Eagles 72-69 in the dual meet.

Carroll copped the initial place in three field events and Turcotte displayed his ability in two dash events.

Results:

Baseball Season Opens Jones Invades Tuesday

Baseball practice at Hinds Junior College is officially underway with 30 eager and battling youngsters out for the summer sport.

Starting berths could be any nine of the 30 hopefuls, according to Coach Troy Ricks, baseball mentor.

Only three returning players reporting cast a dim and dull light on the 1957 picture. But new boys with experience and native talent will be able to help the situation greatly.

Reporting from last year's squad are Billy Magee, outfield; Pete Gray, 2nd base; and Frank Wynn, pitcher.

The Eagle baseballers will kick-off the 1957 campaign at home with the Jones Bobcats next Tuesday afternoon at 3 p.m., and will host Pearl River Friday afternoon, and Perkinson Saturday afternoon.

Coach Ricks hopes to develop plenty of new talent with the large group of candidates participating in daily practice sessions.

From two to nine hopefuls are trying for opening assignments at every position.

Pitchers that are newcomers are Johnny Gray, Ed Foshee, Dee Greathouse, Lamon Echols, John

McDonald, and Leonard Siana. Gray is expected to be used at the shortstop slot and as a relief pitcher.

The catching behind the plate will be determined by Pruitt Blacklock, Jack Manor and Terry Vance, three capable candidates.

First base prospects are C. T. Thornton, Wiles Farr, Jimmy Gunter and Joe Pace. Thornton will likely be used as a utility infielder and Gunter will perhaps alternate at 3rd base.

Making Pete Gray hustle and earn his keystone sack are Gafford Alderson and Burdette Boyd.

W. C. Alderman is the only shortstop prospect with the exception of Johnny Gray.

A real battle is developing over the hot-corner post between James Winstead and Lee Pennebaker.

The nine outfield prospects are Bobby Burgess, Frank Moore, Don Thompson, McKea Adcock, Norman Presson, Carl Harris, Nelford Walton, Rex Polly, and Billy Magee.

Boteler Prepares For Track Season Minus Top Stars

Coach Louis "Skin" Boteler, Hinds High head coach, possessed a puzzled and mystifying look on his face this past week as he viewed his 1957 track prospects.

The \$64 question is whether or not his young and inexperienced track lads can compare with last year's fourth place in the State B-BB track.

"We'll be in there fighting until the end," Boteler declared.

Coach Boteler's number one problem now is to replace Homer Boyd, Tommy Lynch and Randolph Smith, who are members of the junior college team this season.

Missing from his girls' team are Mary Hart and Ann Boyd.

Candidates participating in drills are W. L. Anderson, Buster Brewer, Jimmy Chapman, Miles Goode, Carol King, Eugene Kynard, Jimmy McNair, Joe Milano, Dale Myers, Johnny Oberhausen, Bobby Sheffield, Doyle Whitehead, Willie Worrell, David Barton, Bill Ferguson, Billy Forgey, Lamar Gates, Bill Grogan, Jimmy Jackson, Dickie Osborn, Don Sheffield, Dalton Thames, Buck Ware, Perry Abernathy and Chris Lewis.

In the girls' division are Winnie Lou Smith, Sara Smith, Margaret Lynn Peyton, L'Teené Gray, Norma Jean Carter, Eleene Varner, Mary Bess Beard, Conner Williams and Jimmy Stingley.

Hindsonian Enters Modern Paper Era With Color Photos

By IRL DEAN RHODES

A new era is dawning in Mississippi junior college journalism. The Hindsonian, as usual, is continuing to set the pace.

History was made with this issue of the Hindsonian. Yes, for the initial time to appear in the state junior college newspapers a color photo beautifies page one of today's paper.

Three primary colors — red, yellow and blue — are blended to make 18 different shades and tones to give our readers a pleasing photo.

Shades of color are rust red, fuchsia, vermilion red, canary yellow, royal blue, peacock blue, baby blue, sky blue, medium brown, tan, olive drab, dark brown, beige, smoke gray, moss green, kelly green, black and white.

The Hindsonian, the only weekly newspaper in the state junior college circles, is blazing the trail to quality journalism. It has always been our policy to keep the best news and graphic coverage before our readers at all times.

When bigger and better milestones are recorded in junior college newspaper annals the Hinds Junior College publication will make them.

Play Cast To Present Comedy Friday Night

A three-act comedy entitled "The Happiest Years" will be presented by the Lendon Players Friday night in the college auditorium at 8 p. m.

Directed by Mr. Fred L. Brooks, head of the speech department, the cast includes four boys and five girls. The composers of the Broadway production are Thomas Coley and William Roerick.

Briefings of the play are discussed in story form.

Dee Greathouse as Richard Johnson, a veteran, is back at College on the G. I. Bill, studying to be a biology professor. He

and Carolyn Barton as Martha, his young wife, live with her family and the house is crowded.

Melanie Matthews as Clara Graves, his mother-in-law, decides that he is interested in Barbara Cline as Joan Miller.

Slate Springs Girl To Direct Baptists

Selma Ernest, a Slate Springs freshman, was elected president of the Hinds Junior College Baptist Student Union Monday night to serve for the coming year.

Other officers elected were Elizabeth Herring, devotional vice president; Alma Compere, enlistment vice president; Alma Lee Grantham, secretary - treasurer; Florence Hearn, promotional and publicity chairman; Don Sheffield, Sunday School representative; Jean Gill, training union representative; Bobby Sheffield, social chairman; and Charlott McClurg, co-social chairman.

The action is further complicated by the arrival of Martha's aunt, Iris McKay as Flo, and Don Alexander as Uncle Mort.

A family quarrel based on a misunderstanding results in Richard's walking out of the house, and staying away over night.

Charles Wall as Bertram, Martha's father, gives his daughter some helpful advice about the need for people to give in to each other in order to get along together.

At the final curtain everyone is happy, especially Clara.

Other characters in the play are Randy Rickles as Roger Littlefield and Margaret White as Miss Wentworth.

OKLAHOMA BOUND

Gamma Lambda Delegates To Attend National Phi Theta Kappa Convention

Joining the 100,000 spectators, the largest Easter group in the nation, at the annual Easter observance in the Wichita Mountains near Lawton, Oklahoma, will be the Hinds delegation to the national Phi Theta Kappa convention scheduled at Lawton, April 13-16.

The local chapter, Gamma Lambda, will be represented at convention by Robert Bridges, president; Nan Ertle, vice-president; Melanie Matthews, secretary and elected member of the executive council; George Marie Frasier, treasurer; Carolyn Smith, historian; and Selma Earnest, Marvin Baker, Larine Herrin, Leverage Barlow, and Ben Morgan.

Miss Mildred Herrin, sponsor of Gamma Lambda; and Miss Gertrude Davis, chairman of the Sponsor Advisory Committee will attend the convention with the students.

The local delegation named to the constitution committee will make the trip to Lawton by school bus, and at convention end, Saturday, April 16, will stop in the mountain area, when the lighted tableaux of the pageant, "The Easter Pageant-Forerunner," will begin at midnight, and reach the climax at sunrise.

The local delegation will return to the campus Monday, April 22.

Fifth Term Test To Start Monday

Fifth term tests will begin next Monday, April 8, with the 3rd period classes in college, and close Friday, April 12, at the end of the 6th period for both high school and college classes.

The following is the schedule for fifth term tests.

High School:

Monday, April 8—No tests.

Tuesday, April 9—no tests.

Wednesday, April 10—tests in 1st and 3rd period classes.

Thursday, April 11—tests in 4th, 5th, and 7th period classes.

Friday, April 12—tests in 2nd and 6th period classes.

College:

Monday, April 8—tests in 3rd and 7th period classes.

Tuesday, April 9—tests in 1st, 2nd, 4th, and 5th period classes.

Wednesday, April 10—tests in 1st, 4th, and 5th period classes.

Thursday, April 11—tests in 2A, 3rd, 6th, and 7th period classes.

Friday, April 12—tests in 2nd and 6th period classes.

Activities Lack Students Participation

The greatest need at Hinds Junior College is interest in the activities on the campus. This is especially true of the freshman and sophomore classes.

Sophomore class president Amos Jack Gray called a business meeting of the sophomore class last Wednesday in chapel to be held Monday morning at activity period in the college auditorium. Very few students have classes at that time.

One dozen of the almost 200 members of the class were present at the meeting, and four of that number were class officers along with Mr. T. T. Beemon, class sponsor. That's the reason that class activities are run by the minority of the class.

Cream of the crop in dramatic talent will be presented by the Lendon Players Friday night and we wonder how many students will remain over on the campus to enjoy the play presentation. Two baseball games, Friday and Saturday afternoons, are also on the agenda this weekend.

Some students say, "There is nothing to do on the campus on the weekends." Usually that is true but not this weekend. Officials of the college would like to see more students stay on the campus every weekend because they feel that school spirit will be more evident throughout the year.

Planned activities for the students is the fastest and best method of getting students to stay on the campus for the weekend. If a bus is not available to carry the students to the show on Friday or Saturday night, a show or some other form of recreation should be planned in advance for the students.

This would probably solve the problem. At least, it is worth trying.

Good Appearance Leads To Well Being

Brighter teeth, better shined shoes, clean clothes, and well-kept finger nails—these are qualities of pride indirectly reflecting the character of a person. If every young man on this campus wore clean clothes to school they would look better, do better, and be better.

Blue jeans are fine if they are clean. The added pride would make a decided difference in a number of items on the campus. Wrestling by the husky young men of the campus in the grill would be discontinued and the destruction of seats in the recreational room would be reduced to a minimum.

As long as you don't care what you look like, you don't care what you do to other people's property. Actually you are a part owner in this institution.

In case you feel that the added items to your appearance are too costly this is a suggestion. Four ways of reducing your budget are: cut your money spent in the grill, reduce your cigarette smoking, use less gasoline, and stop drinking so much, whether it be Cokes, or coffee, Dr. Peppers, or beer!

Abide by these comments and you'll be better off physically, spiritually, financially, and mentally.

SOPHOMORE OF THE WEEK

Social Science Major, IRC President Wins Hindsonian's Weekly Salutation

By JANE PICKETT

Last Saturday our Sophomore of the Week, Bettie Jo Williams, celebrated her twentieth birth-

BETTIE JO WILLIAMS

day. These years in the past have been full, purposeful ones for Bettie Jo and have set the pace for the years that lie ahead.

Bettie Jo was born on March 30, 1937, at Carthage, Mississippi but she moved to Flora and attended school there.

In high school intellectual Bettie Jo was a member of the Beta Club, a national honorary scholastic organization. Besides being a mem-

ber of the Glee Club and serving as its president, Bettie Jo was a member of the Y-Teens and made the girls' basketball and track teams for five years.

Even though she takes quite an interest in sports, Bettie Jo loves quiet hobbies such as listening to the radio, reading, and collecting poetry.

Recently Bettie Jo, as president of the International Relations Club, spearheaded a campaign to raise money for Hungarian relief. This endeavor showed her interest in such worthy activities.

Bettie Jo is an active member of the Baptist Student Union and a participant in the Women's Athletic Association's activities.

Recently our Sophomore of the Week placed fourth in the singles division of the intramural badminton tournament. Also, she and Florence Hearn placed third in the doubles division.

Concerning her future, Bettie Jo says, "I plan to work this summer, probably at the Walthall Hotel, where I was employed last summer. Then I plan to enter Mississippi College in September to prepare for full time Christian service in Religious Education with a major in Social Studies."

We salute Bettie Jo Williams for her accomplishments thus far and for those that await her in her chosen vocation.

On The Nation's Campuses

By NAN ERTLE

"Are you a man or a porcupine?" This question is being asked of members of a certain fraternal group of men at Mississippi Southern whose thoughts have turned to BEARDS. To quote Jackie McCullough in the Student Printz, "... beards may distinguish a man but they disgust a girl."

NAN

Here's some advice given by the Ohio University

POST that might be useful in next week's six-weeks' tests.

The results of the POST's student interviews showed that students get more sleep than usual during the time of tension. And "A" students seemed to have slept more than any.

One honor student recommended "taking cat naps during the afternoon to revive oneself from the tension of exams."

Other students said to take easy courses, and another one said to set the alarm clock earlier.

This quip from the STUDENT PRINTZ sheds a new light on the value of an education:

"After passing his induction physical the draftee was taken in tow by a burly sergeant who inquired if he had completed grammar

school.

"Yes," replied the draftee, "I also finished high school, graduated Phi Beta Kappa from Yale, received my Master's from Columbia, and my Doctorate from Harvard."

The sergeant nodded and then stamped the young man's questionnaire with a single word: LITERATE."

And in closing here's this quotation from Murrah's Hoofbeat:

"Hypochondriac's epitaph: 'I told you I was sick.'"

Hinds Farm Achieves Top Quality

Pasture Crops, Swine, Chickens, Dairy, Beef Cattle Make Versatile Enterprize

By IRL DEAN RHODES

Hinds Junior College students majoring in animal husbandry, general agriculture, agronomy, farm machinery, poultry production, dairying and general horticulture have the finest and most modern facilities available on the college farm for applying book knowledge to the actual practice.

Owned and operated entirely by the college, a total of 1298 acres of land make possible the largest junior college farm in the nation, of which 900 acres is actually in farm use.

The farm, supervised by Mr. Jack Treloar, vocational agriculture instructor, stresses quality rather than quantity. All animals on the farm are registered grades

that are popular in this area.

Swine, dairy cattle, beef cattle, chickens, hay, clovers, oats, peas, corn, silage, grasses, and soils are the major part of the college's experiment farm that breaks even or makes money every year. Hinds' farm, the most diversified in the state, is complete in all phases.

The college keeps 15 brood sows and one boar on hand the year around in breeds of durocs, hampshires, and yorkshires. Over 160 hogs are marketed and used by the college each year. College students consume over 10,000 pounds of pork yearly.

A farrowing house has increased the number per litter and a pig parley will be built this summer.

All of the beef cattle are registered Herefords composed of 45 cows, two bulls, 17 yearling heifers, and 25 steers. Six bulls are sold each year. Over 50,000 pounds of beef is used in the cafeteria each year.

The 40 dairy cows, jerseys and holsteins, are bred to rotate about 30 milkers at all times. More than 22 replacement heifers graze the 50 acres of wild winter peas, white dutch clover, crimson clover, oats, and rye grass.

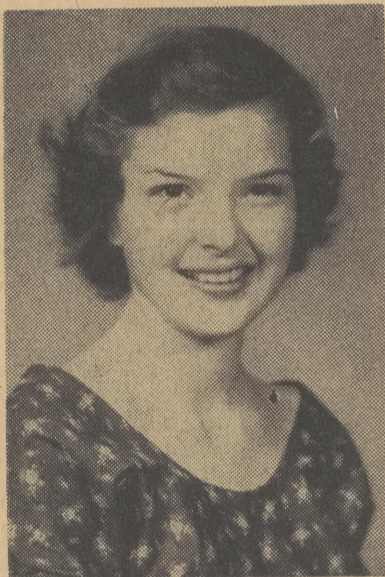

Irrigation is used on temporary pastures for dairy cattle.

In his fifth year as director of the farm, Mr. Treloar described the college chicken unit with having 900 laying leghorn hens, 12,000 cross-breed broilers and the 12,000 broilers are consumed by the cafeteria each year.

The college combines the grain on the 150 acres of oats that amounts to over 5,000 bushels.

Silage for all cattle is placed in silos at the rate of 350 tons each year. Oats and grass hay are baled to the tune of 2,000 bales per year.

Mr. W. M. McKenzie, agriculture instructor, helps out with the farm and is in charge of the soils and crops.

Hindsonian Enters Modern Paper Era With Color Photos

By IRL DEAN RHODES

A new era is dawning in Mississippi junior college journalism. The Hindsonian, as usual, is continuing to set the pace.

History was made with this issue of the Hindsonian. Yes, for the initial time to appear in the state junior college newspapers a color photo beautifies page one of today's paper.

Three primary colors — red, yellow and blue — are blended to make 18 different shades and tones to give our readers a pleasing photo.

Shades of color are rust red, fuchsia, vermilion red, canary yellow, royal blue, peacock blue, baby blue, sky blue, medium brown, tan, olive drab, dark brown, beige, smoke gray, moss green, kelly green, black and white.

The Hindsonian, the only weekly newspaper in the state junior college circles, is blazing the trail to quality journalism. It has always been our policy to keep the best news and graphic coverage before our readers at all times.

When bigger and better milestones are recorded in junior college newspaper annals the Hinds Junior College publication will make them.

Play Cast To Present Comedy Friday Night

A three-act comedy entitled "The Happiest Years" will be presented by the Lendon Players Friday night in the college auditorium at 8 p. m.

Directed by Mr. Fred L. Brooks, head of the speech department, the cast includes four boys and five girls. The composers of the Broadway production are Thomas Coley and William Roerick.

Briefings of the play are discussed in story form.

Dee Greathouse as Richard Johnson, a veteran, is back at College on the G. I. Bill, studying to be a biology professor. He

and Carolyn Barton as Martha, his young wife, live with her family and the house is crowded.

Melanie Matthews as Clara Graves, his mother-in-law, decides that he is interested in Barbara Cline as Joan Miller.

Slate Springs Girl To Direct Baptists

Selma Ernest, a Slate Springs freshman, was elected president of the Hinds Junior College Baptist Student Union Monday night to serve for the coming year.

Other officers elected were Elizabeth Herring, devotional vice president; Alma Compere, enlistment vice president; Alma Lee Grantham, secretary - treasurer; Florence Hearn, promotional and publicity chairman; Don Sheffield, Sunday School representative; Jean Gill, training union representative; Bobby Sheffield, social chairman; and Sharlott McClurg, co-social chairman.

The action is further complicated by the arrival of Martha's aunt, Iris McKay as Flo, and Don Alexander as Uncle Mort.

A family quarrel based on a misunderstanding results in Richard's walking out of the house, and staying away over night.

Charles Wall as Bertram, Martha's father, gives his daughter some helpful advice about the need for people to give in to each other in order to get along together.

At the final curtain everyone is happy, especially Clara.

Other characters in the play are Randy Rickles as Roger Littlefield and Margaret White as Miss Wentworth.

OKLAHOMA BOUND

Gamma Lambda Delegates To Attend National Phi Theta Kappa Convention

Joining the 100,000 spectators, the largest Easter group in the nation, at the annual Easter observance in the Wichita Mountains near Lawton, Oklahoma, will be the Hinds delegation to the national Phi Theta Kappa convention scheduled at Lawton, April 13-16.

The local chapter, Gamma Lambda, will be represented at convention by Robert Bridges, president; Nan Ertle, vice-president; Melanie Matthews, secretary and elected member of the executive council; George Marie Frasier, treasurer; Carolyn Smith, historian; and Selma Earnest, Marvin Baker, Larine Herrin, Leverne Barlow, and Ben Morgan.

Miss Mildred Herrin, sponsor of Gamma Lambda; and Miss Gertrude Davis, chairman of the Sponsor Advisory Committee will attend the convention with the students.

The local delegation named to the constitution committee will make the trip to Lawton by school bus, and at convention end, Saturday, April 16, will stop in the mountain area, when the lighted tableaux of the pageant, "The Easter Pageant-Forerunner," will begin at midnight, and reach the climax at sunrise.

The local delegation will return to the campus Monday, April 22.

Fifth Term Test To Start Monday

Fifth term tests will begin next Monday, April 8, with the 3rd period classes in college, and close Friday, April 12, at the end of the 6th period for both high school and college classes.

The following is the schedule for fifth term tests.

High School:

Monday, April 8—No tests.

Tuesday, April 9—no tests.

Wednesday, April 10—tests in 1st and 3rd period classes.

Thursday, April 11—tests in 4th, 5th, and 7th period classes.

Friday, April 12—tests in 2nd and 6th period classes.

College:

Monday, April 8—tests in 3rd and 7th period classes.

Tuesday, April 9—tests in 1st, 2nd, 4th, and 5th period classes.

Wednesday, April 10—tests in 1st, 4th, and 5th period classes.

Thursday, April 11—tests in 2A, 3rd, 6th, and 7th period classes.

Friday, April 12—tests in 2nd and 6th period classes.

Activities Lack Students Participation

The greatest need at Hinds Junior College is interest in the activities on the campus. This is especially true of the freshman and sophomore classes.

Sophomore class president Amos Jack Gray called a business meeting of the sophomore class last Wednesday in chapel to be held Monday morning at activity period in the college auditorium. Very few students have classes at that time.

One dozen of the almost 200 members of the class were present at the meeting, and four of that number were class officers along with Mr. T. T. Beemon, class sponsor. That's the reason that class activities are run by the minority of the class.

Cream of the crop in dramatic talent will be presented by the Lendon Players Friday night and we wonder how many students will remain over on the campus to enjoy the play presentation. Two baseball games, Friday and Saturday afternoons, are also on the agenda this weekend.

Some students say, "There is nothing to do on the campus on the weekends." Usually that is true but not this weekend. Officials of the college would like to see more students stay on the campus every weekend because they feel that school spirit will be more evident throughout the year.

Planned activities for the students is the fastest and best method of getting students to stay on the campus for the weekend. If a bus is not available to carry the students to the show on Friday or Saturday night, a show or some other form of recreation should be planned in advance for the students.

This would probably solve the problem. At least, it is worth trying.

Good Appearance Leads To Well Being

Brighter teeth, better shined shoes, clean clothes, and well-kept finger nails—these are qualities of pride indirectly reflecting the character of a person. If every young man on this campus wore clean clothes to school they would look better, do better, and be better.

Blue jeans are fine if they are clean. The added pride would make a decided difference in a number of items on the campus. Wrestling by the husky young men of the campus in the grill would be discontinued and the destruction of seats in the recreational room would be reduced to a minimum.

As long as you don't care what you look like, you don't care what you do to other people's property. Actually you are a part owner in this institution.

In case you feel that the added items to your appearance are too costly this is a suggestion. Four ways of reducing your budget are: cut your money spent in the grill, reduce your cigarette smoking, use less gasoline, and stop drinking so much, whether it be Cokes, or coffee, Dr. Peppers, or beer!

Abide by these comments and you'll be better off physically, spiritually, financially, and mentally.

SOPHOMORE OF THE WEEK

Social Science Major, IRC President Wins Hindsonian's Weekly Salutation

By JANE PICKETT

Last Saturday our Sophomore of the Week, Bettie Jo Williams, celebrated her twentieth birth-

BETTIE JO WILLIAMS

day. These years in the past have been full, purposeful ones for Bettie Jo and have set the pace for the years that lie ahead.

Bettie Jo was born on March 30, 1937, at Carthage, Mississippi but she moved to Flora and attended school there.

In high school intellectual Bettie Jo was a member of the Beta Club, a national honorary scholastic organization. Besides being a mem-

ber of the Glee Club and serving as its president, Bettie Jo was a member of the Y-Teens and made the girls' basketball and track teams for five years.

Even though she takes quite an interest in sports, Bettie Jo loves quiet hobbies such as listening to the radio, reading, and collecting poetry.

Recently Bettie Jo, as president of the International Relations Club, spearheaded a campaign to raise money for Hungarian relief. This endeavor showed her interest in such worthy activities.

Bettie Jo is an active member of the Baptist Student Union and a participant in the Women's Athletic Association's activities.

Recently our Sophomore of the Week placed fourth in the singles division of the intramural badminton tournament. Also, she and Florence Hearn placed third in the doubles division.

Concerning her future, Bettie Jo says, "I plan to work this summer, probably at the Walthall Hotel, where I was employed last summer. Then I plan to enter Mississippi College in September to prepare for full time Christian service in Religious Education with a major in Social Studies."

We salute Bettie Jo Williams for her accomplishments thus far and for those that await her in her chosen vocation.

On The Nation's Campuses

By NAN ERTLE

"Are you a man or a porcupine?" This question is being asked of members of a certain fraternal group of men at Mississippi Southern whose thoughts have turned

NAN

to BEARDS. To quote Jackie McCullough in the Student Printz, "... beards may distinguish a man but they disgust a girl."

Here's some advice given by the Ohio University POST that might be useful in next week's six-weeks' tests.

The results of the POST's student interviews showed that students get more sleep than usual during the time of tension. And "A" students seemed to have slept more than any.

One honor student recommended "taking cat naps during the afternoon to revive oneself from the tension of exams."

Other students said to take easy courses, and another one said to set the alarm clock earlier.

This quip from the STUDENT PRINTZ sheds a new light on the value of an education:

"After passing his induction physical the draftee was taken in tow by a burly sergeant who inquired if he had completed grammar

school.

"Yes," replied the draftee, "I also finished high school, graduated Phi Beta Kappa from Yale, received my Master's from Columbia, and my Doctorate from Harvard."

The sergeant nodded and then stamped the young man's questionnaire with a single word: LITERATE."

And in closing here's this quotation from Murrah's Hoofbeat:

"Hypochondriac's epitaph: 'I told you I was sick.'"

This afternoon the Eagles invaded Moorhead for a dual meet with the Sunflower Trojans for their third meet of the season. They have previously defeated Co-Lin.

The Eagles will meet the Mississippi College B team in dual meet next Tuesday afternoon.

Coach Frank Young, track tutor, has hopes of securing games with the Mississippi College B Team, Perkinston, Copiah-Lincoln, and Sunflower before the Southwestern Relays.

Hinds was represented by 10 participants, Manager Sonny Perry, and Coach Young at the Memphis Relays. Austin Baggett entered the shot put but did not place in the top five.

Other Hinds participants are:

High Jump: Melvin Champagne, 6'3 1/4" (tied for 1st place).

Hinds Thinclads to Enter High School Relays Next Week

The Hinds High thinclads are working to be in shape for the Capitol Athletic Conference track meet at Clinton next Wednesday and for the Southern relays on next Friday.

Members of the track squad have selected Velma Ruth Hand as their queen choice in the Southern relays.

Participating in their second duel of the season, the Hinds High aggregation took on the Moorhead Aggies this afternoon at Moorhead.

Coach Louis Boteler is pleased with most of the players' showing up to this time.

Shot Put: Ronnie Carroll, 44'4" (5th place).

880-yard relay: (Hinds, 3rd place) Ernest Turcotte, Hal Battle, Randolph Smith, Bobby Young.

440-yard relay: (Hinds 3rd place): Turcotte, Battle, Smith, Young.

Mile relay: (Hinds 4th place): Max Stephens, Tommy Lynch, Carlos Bradshaw, Battle.

Sprint Medley: (Hinds 3rd place): Bradshaw, Young, Stephens, Lynch.

Renew Your Faith With Easter Spirit

The earth is born anew each Eastertime—
In gardens where life wakes in daffodils;
And where new grasses spring upon the hills,
The earth is new again!
Old bonds of fear and hopelessness are gone,
For reassurance enters with the dawn,
And hearts are strong again! — Selected.

We need Easter! Today's world offers us so much of questioning and wondering, listening and worrying and dreading. Suffering and despair, loneliness and uncertainty and fear crowd so very close to our daily living that we desperately need Easter!

And even as we speak for ourselves, countless others join us. Some of them, too, are fearful; many are tear-blinded, but the cry is all the same, "We need Easter!"

We need our faith made new—faith in the good and faith in right. We need our purposes reinforced and our hearts refreshed. We need to hear the glad, good news that the tomb could not hold the life that God had made.

We need to be told that wrong can never kill what God has created. We need to be assured, everlastingly, that there is something so like the Eternal within our hearts that nothing can destroy us. And what is true for us is equally true for those whom we love!

We need Easter to remind us, too, that we need no more be chained to graves by failures or by doubts or by fears. Because Christ lives, we shall live, free and unafraid.

Practice Good Sportsmanship Always

Sportsmanship comes from the constant practice and individual effort of the person who tries to develop his personality and social contact with humanity. An individual may be a sterling example of friendship and flowery personality, but that isn't all that stimulates good sportsmanship.

One must realize that type of incident which might occur in everyday affairs deserves the kindness and thoughtfulness of the true sporting character. One of the most noticed and acclaimed forms of sportsmanship is linked with the sports; of course one who is noted for his sportsman-like character is usually strong in interests which make him appreciate the person next to him, or commonly his opponent.

People think of sportsmanship as a byword for a loser or a contestant in the heralded ranks, but someone has to lose to make a winner. Not always does a winner gain the whole glory. In some instances, the loser shows a superb dignity in himself, as if to say, "I have gained more by the rights of competition in losing, by learning that I must better myself."

This cause for improvement shows progress and achievement toward a goal that will steady one's faith in Christian living and moral attitudes.

We must think of others and show interest in other people's achievements. Thoughtfulness, courtesy, and the desire to win or lose, to enjoy and benefit by our fellowmen's achievements prompts sportsman-like conduct in our world today.

SOPHOMORE OF THE WEEK

Outfielder, Scholar, Future Engineer Receives Hindsonian's Honor Award

By NAN ERTLE

This week's featured sophomore is William "Billy" Roy Magee. Billy hails from Florence, Miss., and graduated from high school there.

BILLY MAGEE

This blue-eyed, brown-haired sophomore stands 5' 8" and weighs 165 pounds.

Billy's favorite foods are steak and seafoods; his favorite dessert is pecan pie.

For relaxation in his spare time, Billy enjoys participating in sports, hunting, dancing, and experimenting with electrical devices. As for his favorite types of music, popular and rock and roll are his choices.

This is Billy's second year with the Hinds baseball team, playing right field and sporting a good batting average.

Billy was initiated into the Gamma Lambda chapter of Phi Theta Kappa last October.

An engineering major, our sophomore of the week plans to attend Mississippi State after leaving Hinds. After completing his education, Billy plans either to work with some electrical manufacturing company or to serve his time with Uncle Sam in the armed forces.

Billy has this comment to make about Hinds: "Hinds is just great. The faculty and students make Hinds a great junior college. I will always cherish my memories of the good times I have had at Hinds."

Best of luck in all that you do, Billy Roy Magee. In judging from your accomplishments thus far, we predict a bright, successful future for you.

LETTERS TO THE EDITOR

Okolona, Miss.
April 12, 1957
Dear Irl Dean,

Congratulations for your color photo in *The Hindsonian*! I even had a feeling of pride of accomplishment that I used to have when the *Whitworth Whistle* came up now and then with something good—not that I had done, but that students had done.

I don't believe that anyone outside of your staff and those connected with you and the paper got such a thrill as I did when I opened the April 3 issue and saw that beautiful color picture. You have every right to feel proud.

You are to be congratulated also on having a printer who can do color printing.

I enjoy your newsy, interesting paper.

Best of wishes to you and your staff.

Sincerely yours,
Pearl Harris

April 13, 1957

Dear Editor Rhodes,

I received your *Hindsonian* with the color photo on it April 13, and I was happy to see that progress is being made in the junior college newspaper field.

The process color picture was much better than any photo that I have seen in any of the Jackson papers.

I always enjoy getting a copy of your paper.

A Regular Reader

(Name withheld by request)

Dear Irl Dean:

Let me congratulate you on your paper's debut into the color photo arena. So far as I know it is the first such picture in any student newspaper in the state. I believe it would be correct to say that none of the larger senior colleges use presses that would do process color.

This is a real accomplishment on the part of your paper and only adds to many other well-deserved honors.

I hope to attend your press meeting again this spring.

Cordially,
Frank W. Buckley, Head
Department of Journalism
Mississippi Southern College
Hattiesburg, Mississippi

Dear Editor,

You and your staff are to be commended for a sensational color picture in an excellent paper.

I am always assured that I can find the latest school news in your paper, news that is colorful but unbiased in its coverage.

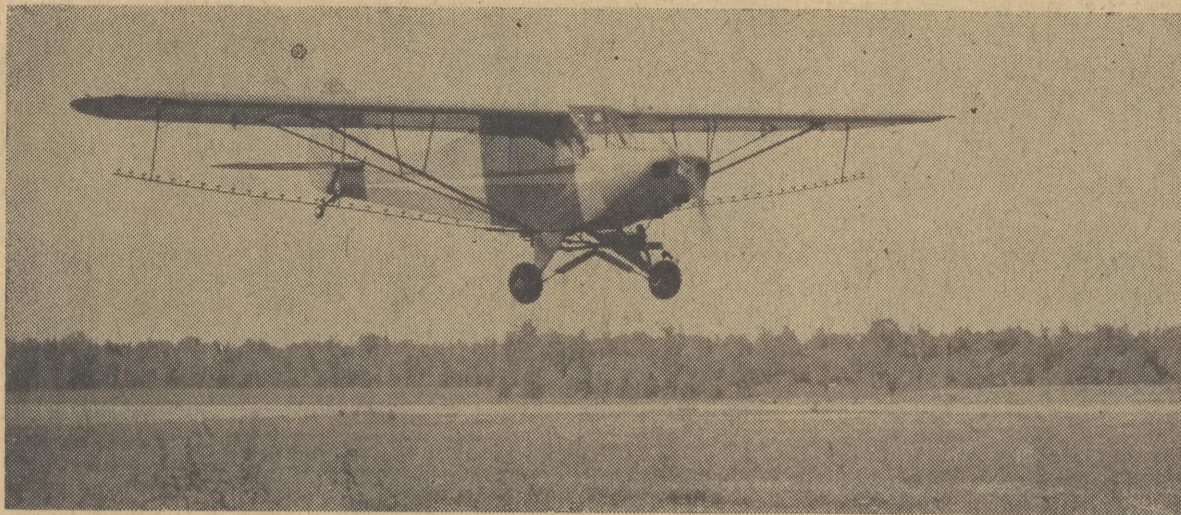

I read every word of the *Hindsonian* each week.

A Student.

GRATEFUL STAFF

Editor's note. The editorial staff of the *Hindsonian* is very grateful for the many letters, telephone calls, and other words of praise that we have received on the recent color photo. Because of a shortage of space we can not print all the letters, but we are very thankful for the many kind words.

HOW HIGH ARE THE CLOUDS?—Recreational Director W. C. "Bill" Oakes and Hindsonian Editor Irl Dean Rhodes soar into the air at the Hinds Junior College Airport with Mr. Kennis Bryant in the

cockpit to ride above the clouds. The Hinds Junior College flying school is the only one of its kind in the state.

Hinds Airplane Courses Represent Only Flight School In Mississippi

By IRL DEAN RHODES

Breezing along at a cruising speed of 110 m. p. h., 7,000 feet above the exterior part of the inhabited terraqueous globe and 4,000 feet above a

mass of clouds in a chilling atmosphere of some 45 degrees, Pilot Kennis Bryant, Hinds Junior College flight instructor, took Mr. Bill Oakes, recreational director, and this scribe on an unusual exploring expedition last week.

The airplane, a Piper Super Cruiser, soared into the air from the ground at 50 m. p. h. with its 100 horsepower engine roaring on all four cylinders. We were off the ground and bound for a trip over Clinton, Bolton, Edwards, Utica and Raymond.

Pilot Bryant, a real cockpit artist, fluttered his wings, gazed around at the surface and answered questions popped by the two. The riders were proudly reminded that the flight school at Hinds Junior College is the only such school of its kind in Mississippi to offer courses in flying.

And sorrowfully he added, "So few people know about our flying program and its reasonable cost." Mr. Oakes and the scribe learned right then that lessons cost only \$7 an hour, and that it takes 40 hours, 25 solo and 15 cross-country, to get a private operator's license.

We circled over the 640 acres, John Bell Williams Airport, a whole section of land. As we came over the top of the plot that leads to the landing strip, we saw a

sweeping and beautiful green sod with three 4,000 feet runways in the middle and a 135 by 80 feet airplane hanger nearby.

After carefully inspecting the port from the air, we tightened our safety belts and sailed higher into the wide open blue. We asked our pilot all about himself and his wonderful skill at the controls. Here is his story in fact:

"I attended Parks Air College in St. Louis, a division of St. Louis

Former Graduate To Receive Honor

Bobby Worley, a member of the 1956 graduating class at Hinds Junior College, who is attending Mississippi State College, has been chosen as the recipient of the Danforth Foundation Summer Fellowship, an honor that comes to only one boy from each state in the union.

Worley will spend two weeks in the research labs of Ralston-Purina Company in St. Louis, Mo., and two weeks in a summer camp on Lake Michigan.

The former Hinds honor student, who was recently initiated into the Alpha Beta, an honorary group of agriculture majors, made the Dean's list the first semester at State.

COLLEGE ART STUDENTS DRAW AT ALLISON WELLS

Hinds Junior College art classes visited Allison Wells, mineral springs resort, to do sketching yesterday.

Mrs. A. L. Denton, head of the art department, accompanied the students on the trip.

Merle Graham and Sherrill Weathersby, two art students, will attend the state art conference at Allison Wells from April 25-28.

Southwest Bears Defeat Hinds Nine

Southwest Junior College handed Hinds' Eagles their first baseball defeat of the season here Tuesday afternoon, winning 11-9 in ten innings.

Hinds' record now stands at 5-1.

Lamont Echols, who relieved Ed Foshee in the tenth inning, took the loss when the Bears scored their two tie-breaking runs off him.

Southwest had 11 hits and committed seven errors while Hinds rapped out nine safeties and bobbled six times.

Frank Wynn was the starter for Hinds, being replaced by Foshee in the eighth.

Hinds plays host to the Copiah-Lincoln Wolves Saturday morning at 9:30.

Hinds, Southwest Netters Tie Game

liam Carey College, is the meditation leader; and Nell Taylor, right, W. M. U. Department, is a conference leader.

Student Officers To Present Three-Day State Confab

Hinds Junior College is host this week-end to the annual State BSU Officers Retreat.

Approximately 400 Mississippi Baptist student leaders from all the colleges of the state are expected to reach the campus Friday afternoon, April 26, and convene through Sunday noon, April 28.

Outstanding program personalities include Dr. Ralph Noonkester, president of William Carey College, who will conduct the Bible study periods; Dr. Lewis Rhodes, pastor of the Daniel Memorial Church, Jackson, Dr. Wendell Bellew, Home Mission Board, Atlanta, Georgia; Dr. Tom Logue, state BSU director of Arkansas; and Dr. Eugene Patterson, head of department of evangelism, Baptist Theological Seminary, New Orleans, who will deliver inspirational addresses.

Important student personnel appearing on the program are Don Stewart, State BSU president, William Carey College; Sally Branch, organist, Blue Mountain College; Mary Liz Collums, pianist, Blue Mountain College; and Lena Risen, meditation chalk talks at opening of each session, William Carey College.

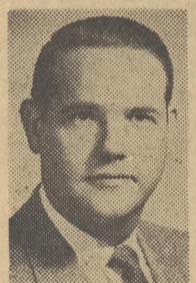

Among the highlights of the retreat will be the welcome reception by the Hinds Junior College BSUs directed by Mrs. J. R. Harris and Jimmie Sheppard; the five appearances of the state BSU choir composed of four voices from each campus in the state and directed by Miss Iris Deane Starkey, First Baptist Church, Columbus; and the election of the state BSU officers for the coming year.

(Continued on Page 3)

MAIN SPEAKERS—The six men will have leading parts on program in the State Retreat here this week-end. They are, left to right, Dr. Eugene Patterson, New Orleans; Mr. Wendell Bellew, Atlanta, Ga.; Dr.

Tom Logue, Little Rock, Ark., all main speakers; Dr. Ralph Noonkester, teacher of Bible; Dr. Lewis Rhodes, main speaker; and Rev. Charles Dorris, song leader.

PROGRAM PARTICIPANTS — Top figures on program at the Retreat here Friday through Sunday. Shown, left to right, are Mr. Kermit King, conference leader; Sally Branch, organist; Iris Deane Starkey,

state choir director; Don Stewart, state president; Gladys Bryant, program chairman; and Rev. David Sansing, conference leader.

College, High School Seniors To Hear State Professor, Southern President

Dr. W. D. McCain, president of Mississippi Southern College, will deliver the Commencement address at the thirty-ninth annual commencement of Hinds Junior College, scheduled for 10:30 o'clock, Friday morning, May 24.

Dr. Fred Neal, Associate Professor of Philosophy and Religion at Mississippi State College will preach the Commencement sermon, Sunday morning at 11:00 o'clock, Sunday, May 19.

Student valedictory speakers, chosen on the basis of highest grades in their respective divisions, are James Caulkins, Jackson, who has made the highest grades in the college graduating class for the two years of college; and Mildred Strong, Bolton, who will represent the high school graduating class, having made the highest grades in Thursday.

the class throughout the four years of high school.

All the Commencement exercises will be held in the college auditorium.

Faculty Members Attend Convention

President G. M. McLendon, Prof. A. L. Denton, high school principal and guidance director, and Mr. W. H. Gibbs, Co-Ordinator of Vocational Training left the campus yesterday morning to attend the Mississippi Junior College Conference, Department of Industrial Education at State College.

This conference, evaluating and discussing the development of Vocational and Technical Education in junior colleges, will extend through Thursday.

DISCUSS TECHNICAL DRAFTING—Civil Engineers confer with Hinds staff on course. They are, standing, left to right: Mr. W. H. Gibbs, vocational coordinator; Mr. W. M. Wall, drafting instructor; B. K. Melton, hydraulic engineer; L. W. Matthews, construction engineer; E. E. Ware, structural engineer; seated: Arthur C. Miller, president of Jackson engineers, and President G. M. McLendon.

Hinds Welcomes Mississippi Baptists

The welcome mat at Hinds Junior College is rolled out.

To our Baptist friends, who will attend the State Baptist Student Union Officers Retreat this weekend on the local campus, it is indeed a pleasure and honor for us, on behalf of the student body, the faculty and the administration, to bring hearty greetings, and a most cordial welcome to Hinds Junior College.

You are sincerely invited to make yourselves at home while on our campus. We hope your Retreat here will bring rich experiences to each person that attends.

It is our sincerest wish that you will call on us if we can help you. We shall deem it a pleasure to assist in any way possible.

The entire staff and student body at Hinds Junior College welcome you. We are wishing and hoping for you the best State Retreat you have ever had.

Let's Make Our Activities Successful

Interested and active students on the Hinds campus have had for the past few weeks, and will have for the remaining days of school, ample activities. There are many things that go together to make up a wholesome college. One of the first is well-rounded students.

Students should take part in religious, literary, and athletic activities. Convention, retreats, workshops, parties, picnics, banquets, and conferences will fill the college calendar for the final weeks of school.

The fading weeks of the current school year offer many opportunities to participate in many worthwhile programs of interest. Co-operation will play an important part in the success of the numerous activities. We need co-operation in supporting and backing all the conventions, conferences, retreats, athletic events on our campus. No team ever won without it and no meeting has ever been successful without it.

We should be proud to point with pride to Hinds Junior College of which we are a part. Our college days are our happiest days and the junior college days for college sophomores are becoming few in number, so let's make the best of them.

Yellow Slips Bring Differing Emotions

Yellow slips of paper were issued this week at the registrar's office signifying that the fifth six weeks of the 1956-57 school year is over and the current school year is in the home stretch.

The amazing thing about the mad rush to get report cards was that some students were happy, some were sad, some were mad, and others were disgusted with the results. Whatever your situation was some extra time poring over your quaint and curious volumes won't hurt you.

And as we enter the final fading few weeks of school, it is important to remember that the last lap of the race is often the most important part of the run.

Jim Lockhart, sports writer for the magazine "Sports Afield", flew to the Miss. Gulf coast to do some fishing last week. He and a local pilot flew out into the gulf to do some fishing from an oyster mound. While they were fishing a storm came up and blew the plane away.

The Coast Guard and the Air Force were alerted and a helicopter was sent from Keesler Field. They were rescued about 3:30 P. M. The owner says that the plane is worth around \$7,000, and is considered lost. Mr. Lockhart is planning to do a story on Gulf Coast fishing in the near future.

Deep psychological factors, indicative of your character, are brought to light in an analysis of your handwriting. Take for example, the letter "t." A "t" with a short cross characteristics of observation. A "t" with a long cross is indicative of energy, ambition, and ardor.

A weak-willed person who is easily dissuaded will usually make a weak cross. If the cross is eliminated, it is a sure sign of carelessness and absent-mindedness.

How do you make your letters? Remember your personality is showing.

Sports Scribe's Scribblings

By IRL DEAN RHODES

Editor's Note: This is the second of a series of six articles that will feature members of the Hinds Junior College athletic staff.

When the junior college athletic program is discussed in America, the name of Joe Renfroe is usually heard.

IRL DEAN

Coach Joe Renfroe, Hinds Junior College athletic director and head football coach, has given a decade of his life to improving the junior college athletic program. This is his 10th season at Hinds.

He was an All-American on almost everybody's gridiron team in the fall of 1943. Back in the pre-World War II days the name Renfroe, was the football talk of the South, and Tulane went hand-in-hand.

Graduating in the spring of 1944 Coach Joe was the tutor at the Gulf Coast Military Academy in Gulfport for two years and he

Hinds High Team Prepares For Meet

Coach Louis Boteler's Hinds High thincads, the defending champions of the District Six B-BB overall track crown, failed to stand the pressure last Friday night at Clinton and finally mustered up enough steam to register fifth place in the meet.

Winners from Hinds High that will go to Hattiesburg Friday are:
Shot Put: Lamar Gates, 2nd place.
Discus: W. L. Anderson, 3rd place.
100-Yard Dash: Dalton Thames, 3rd place.

Mile Run: Miles Goode, 2nd place.
880-Yard Run: Carol King, 3rd place.
180-Yard Low Hurdles: Dickie Osborne, 3rd place.

Baseball Throw: Bettye Taylor, 1st place.

Broad Jump: Lou Ann Carter, 2nd place.

worked for the government in connection with the Corrector Physical Education of the Rehabilitation program.

Tutor Renfroe's initial year as head gridiron coach gave him the thrill of his life. The Renfroe-Young combo put the Mississippi Junior College football program on the map world-wide by shocking and astonishing 75,000 Little Rose Bowl spectators in amazing fashion with a banner performance.

It is seldom that an individual in the span of one life is recognized on the national level twice. Hinds Junior College can be proud that Joe Renfroe ranks in that category.

The same year, 1954, Renfroe was named "Coach of the Year," in the Mississippi Junior College circles.

Whether Coach Joe wins or loses his best supporter is his wife, Irene Renfroe, the former Irene Rubel, always waiting and wearing a broad grin at the dressing room entrance after each encounter in victory or defeat.

And that's the kind of support that made the man who was an All-American player, coached an All-American team, and became the 1954 Mississippi Junior College Coach of the Year.

COPIAH-LINCOLN NETTERS TOP HINDS TENNIS TEAM

Co-Lin's tennis team took a 6-2 victory over the Hinds Eagles in Wesson Monday afternoon.

Jerry Ivy and Warner Snell accounted for the Eagle wins with a pair of single victories.

The results:

Singles: Robert Dunn (CL) defeated Kerry Irwin (H) 6-2, 6-1.

Sonny Ethridge (CL) defeated Mickey Moore (H) 6-, 6-2.

Jerry Ivy (H) defeated Robert James (CL) 6-3, 2-6, 7-5.

Gaston (CL) defeated William Horne (H) 6-2, 6-1.

Warner Snell (H) defeated Rankin (CL) 3-, 6-2.

Hendrix (CL) defeated Glenn McClelland (H) 6-3, 3-6, 5-7.

Local Thincads Crush Triangular Opposition

Hinds Junior College's undefeated thincads rolled to a decisive victory here Tuesday afternoon in a triangular track and field meet with Perkinston and Jones. Hinds led with 81 points, followed by Perk with 56½ and Jones with 32½.

The Eagles had three men in the double victory column. They were Ernest Turcote in the 100 and 220-yard dashes, Austin Baggett in the shotput and javelin and Levi Barber in the broad jump and pole vault. James Morton of Perkinston captured both the 880 and mile runs.

Next action for Hinds will be on Saturday afternoon when they host Sunflower in a dual meet scheduled to begin at 1 p. m. The Trojans gained a tie with the Eagles earlier in the season.

Results:

100-yard Dash: Turcote (H), Gentry (P), Smith (H), Sumrall. Time 9.9.

220-yard Dash: Turcote (H), Gentry

(P), Smith (H), Wimpy (P). Time 21.7.
440-yard Dash: Lynch (H), York (J), Boyd (H), Pitts (J). Time 54.9.

Mile Run: Morton (P), Hill (J), Walters (J), Bradshaw (H). Time 4:41-5.

Javelin: Baggett (H), Boyd (H), York (J), Wimpy (P). Distance 154-feet, 4-inches.

Shotput: Baggett (H), Carroll (H), McDaniel (P), Kuhn (P). Distance 43-feet, 4-inches.

Discus: Carroll (H), McDaniel (P), Baggett (H), York (J). Distance 133-feet, 8-inches.

Pole Vault: Barber (H), tie between Pitts (J) and Kopco (P), no fourth place. Height 10-feet.

High Jump: Champaign (H), Causey (H), Webster (P), McDaniel (P). Height 5-feet, 5-inches.

Broad Jump: Barber (H), Jentry (P), Causey (H), Wimpy (P). Distance 19 feet, 5½-inches.

880-yard Relay: Hinds (Turcote, Battle, Hawkins, Smith), Perkinston. Time 1:33.3.

Eagles Play Last Encounter Friday

Proudly showing a record of seven wins and one loss this season, the Hinds Junior College baseball team will close the curtain on the regular 1957 season with a two-game road trip this week.

The Eagles will leave the campus early tomorrow morning to invade the Pearl River Wildcats Thursday afternoon and the Perkinston Bulldogs Friday afternoon.

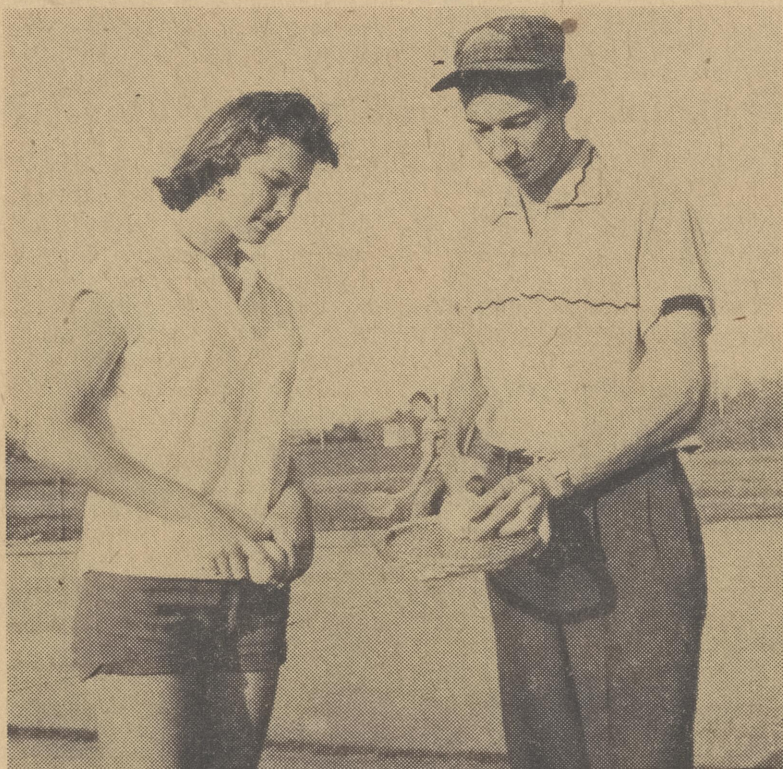

Lamon Echols, Eagle pitcher, used his rugged fireball and nifty curve to drop the Copiah-Lincoln Wolves in Wesson Monday afternoon. It was Echols' fourth win of the season as compared to one defeat.

Hinds collected eight hits while the losers mustered only two. The Wolves runs were unearned on 11 Eagle errors.

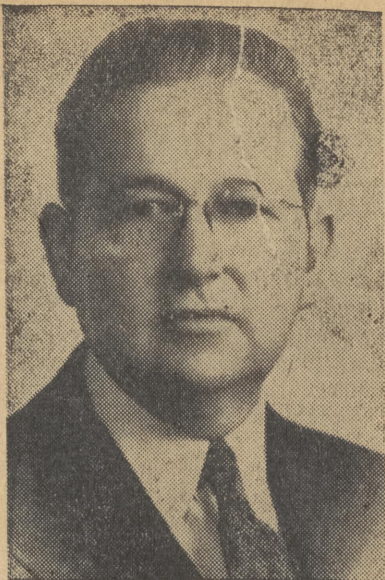

Don Thompson and Burdette Boyd rapped a triple and double respectively to pace the winners. Lee Penybaker garnered two singles.

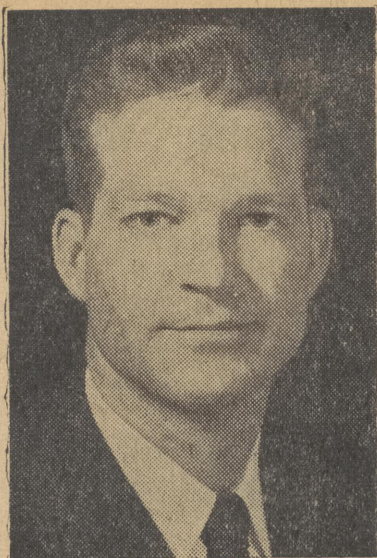

PITCHER Frank Wynn, who holds a 2-0 record for the Eagles this season, will likely get the starting nod against Pearl River tomorrow afternoon.

THIS IS THE WAY IT IS DONE—So says Coach Bill Oakes, Hinds Junior College recreational director, as he demonstrates the correct method of hitting the tennis ball to Barbara Cline, tennis lass.

Press Conference Troupe To Arrive Friday Afternoon

Delegates, representing Mississippi Junior College publications, will assemble here Friday afternoon for the annual spring Mississippi Junior College Press Association Conference.

Hinds Junior College will host the two-day program Friday and Saturday. Representatives from most of the junior college newspapers will gather to discuss ways of promoting better co-operation between the junior colleges, to improve the quality of journalistic endeavors and to create greater interest in individual staff-work, to elect officers, and to receive a rating of all issues for the 1956-57 school session.

Program personalities include Mr. Al Benton, member of the Mississippi Power and Light public relations staff, who will be the featured speaker at the Friday night banquet; Prof. Frank W. Buckley, head of the department of journalism at Mississippi Southern College, who will be the morning session speaker; President G. M. McLendon, Hinds Junior College, who

TO GIVE COMPETITIVE APPRAISAL—Dr. Leo Muller, left, head of the journalism department at Mississippi State College for Women, and Mr. Robert Webb, right, associate editor of the State Times, will give competitive appraisal in the way of criticisms and comments about each paper at the Saturday morning session of the press conference. They are two of the three judges of the publications.

College President Receives Honorary Society Citation

At the general assembly this morning, President G. M. McLendon was awarded honorary membership in Gamma Lambda Chapter of Phi Theta Kappa.

Conferred by Melanie Matthews, member of the Executive Council of the 1957 convention, the citation read, "for distinguished service to mankind, and for distinctive service to every student with whom you come in contact, and for outstanding aid to Phi Theta Kappa members, it is my high privilege to confer on you honorary membership, and to present this key, and engraved membership certificate from Phi Theta Kappa."

Choir Travels To Vicksburg Thursday; Conductor Releases Operetta's Cast

Hinds' choir will go to Vicksburg to present a concert at the Le

Tourneau plant Thursday afternoon at three o'clock. The program will consist of religious music, sacred, and Negro spirituals.

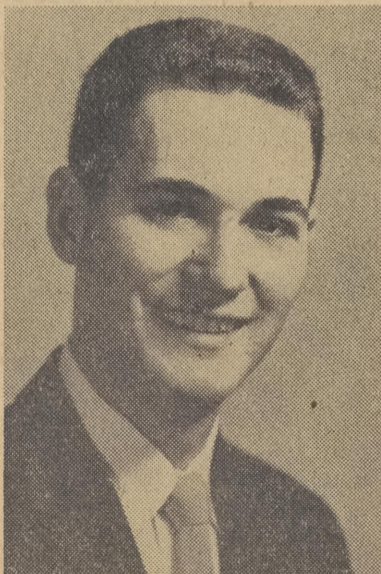

Hindsonian Earns First Place Award

The Hindsonian received First Class rating by the Associated Collegiate Press critical service, according to the release received on the campus at noon today.

The accompanying "Newspaper Guidebook" listed for the "Hindsonian" 11 "excellents", six "very goods," and six "goods" for its different departments. The overall score was 1510 points.

In this rating the Hindsonian competed with all weekly junior college newspapers in the United States.

The director, Mr. Reeves, announces the cast for the operetta, "Down in the Valley," to be presented May 10, in the college auditorium. Principals for the cast are as follows: The Leader, Bob Wallace, baritone; Brack Weaver, male lead role, Bob Bloodworth, tenor; Jennie Parsons, lead female role, Betty Vann King, soprano; Thomas Boche, Merle Graham, baritone; guard, Jimmy Joplin, baritone; Jennie's Pa, Jimmy Holder, bass; Peters, a jail bird, Joe Pace, bass. The rest of the choir will serve as chorus.

PROGRAM PERSONALITIES—Ken Rainey, left, editor of the Mississippi College Collegian, and Irl Dean Rhodes, right, president of the Mississippi Junior College Press Association and editor of the Hindsonian, will participate on program at the annual spring press conference this weekend. Rainey will discuss the newspapers Saturday morning and Rhodes will preside over the business sessions.

Hinds Welcomes Newspaper Delegates

Hinds Junior College continues its words of welcome as the members of the State Junior College Press Association convene here this weekend. They will arrive Friday afternoon and remain through Saturday noon.

We count it a special honor to have these potential journalists of Mississippi with us.

We graciously give them the key to Hinds Junior College. We wholeheartedly wish for them that their every hour with us will be pleasant and profitable.

Though the Mississippi Junior College Press Association is young in years we feel that it has made rapid strides in developing better relations among colleges, in improving the junior college publications, and in inspiring students to major in the field of journalism.

We have been fortunate in having the co-operation and inspiration from leading editors over the state and from the state department of education.

Hinds Drama Group Deserves Praise

The **Lendon Players'** interpretation of **The Happiest Years** was an exciting comedy filled with laughter. Nine college students, four boys and five girls, kept the close attention of an audience of their classmates, instructors and friends for two hours on two different occasions.

Noted and expert critics would have had a tremendous amount of difficulty in detecting a flaw, although on the second occasion the performance put the actors and actresses under added strain and pressure. The stage where they performed, causing laughter and sadness to flow intermittently, was primarily in the home of one family.

Richard, (Dee Greathouse) the serious-minded biology student, was an ideal veteran school boy. Martha, (Carolyn Barton) his wife, who was neither beautiful, brilliant nor glamorous, almost broke into tears when she said her husband treated her like an old shoe. Miss Wentworth, (Margaret White) the shy, retiring college librarian, was a striking reminder of an elderly lady in appearance and speech.

Martha's mother, Clara, (Melanie Matthews) a forever talking product of Southern aristocracy, put on an amazing exhibition of talent while trying to stick her nose in somebody else's business. A smooth talking, cool-headed gentleman with a rich voice called Bertram, (Charles Wall) her husband, portrayed the intellectual husband that loved his family and made an earnest effort to get along in top-flight form.

The naive freshman, Roger, (Randy Rickels) displayed his part very distinctly while Joan, (Barbara Cline) a striking looking lass with an alluring shape, did a competent job.

Morton, (Don Alexander) who was full of astounding jokes and wise-cracks, was brisk and spry in his role; and his wife, Florence, (Iris McKay) was madly in love with her husband and she was a generous lady.

Mr. Fred L. Brooks, head of the speech department and play director, and his troupe of Lendon Players gave two outstanding performances and are to be highly complimented for both.

SOPHOMORE OF THE WEEK

Versatile Student From Delta City Wins Weekly Honor From Hindsonian

By JANE PICKETT and
NAN ERTLE

"Precious things come in small packages," and our Sophomore of the Week is no exception.

Cute, blond, blue-eyed, 109-pound Mary Jane Halle, a gradu-

MARY JANE HALLE

ate of Inverness High School, is our smiling Sophomore of the Week.

Before coming to Hinds Mary Jane participated in various high school clubs and activities, and lettered in track. "Speedy" was quite a popular little girl.

"Always happy and smiling too, "She'll make you laugh whenever you're blue."

Mary Jane always has a cheerful smile for everyone, even her roommates. And whenever there's some activity going on, you can

bet Mary Jane will be right in the middle of it. Her favorite pastimes are dancing, reading (can this be), participating in or watching sports events; hula dancing, when her roommates are studying; and spending quite a few hours working her algebra.

Little Miss Mary Jane is an avid photography fan, also; and she loves to pose for, as well as, take pictures.

As a sophomore, Mary Jane has been an officer of the International Relations Club, member of the Baptist Student Union, and Young Women's Christian Association. She also participates in WAA activities. (As third baseman in softball, she's a whiz, and as for archery—well, she wasn't nicknamed "Robin Hood" from watching TV).

In her leisure time, besides listening to Rock n' Roll music and writing letters to a certain "somebody", this little chatterbox likes talking and eating. How this little girl, whose favorite meal is "a big juicy steak smothered in onions with plenty of French fries" can maintain her 109 pounds is beyond us.

Mary Jane has a job with Southern Bell Telephone Company in Jackson beginning in May. Can you imagine our "hula dancer" becoming an executive business woman giving orders to all her subjects? Well, it could happen, or could it?

Boundless energy, a warm personality, and a pleasing disposition make this cute little trick a real joy in anybody's life. At least we think so, she's our roommate.

College Sophomores To Work, Marry, Enlist In Service, Continue Education

By JIMMY JOPLIN

Come May 24 there will be released to the outside world, the graduating sophomores from Hinds Junior College.

They will go various ways to do various things, some will work, others will get married, and still others will go off to serve in the armed forces, but the majority will go on to the various senior colleges to continue their education.

They will take with them the many fond memories of their stay on the Hinds campus and the many fine people that they have chanced to meet while here.

After graduation many of them will never see their class mates again while many of them will still be going to school and working together.

Of those that will go to school next year Mississippi Southern will receive: Raymond Matlock, majoring in salesmanship; Ernest Turcotte, majoring in Industrial Accounting; and Marion Woods and Larine Herring, both of whom will major in Music. M.S.C.W. is to receive Marilyn Simmons, who is to major in Journalism, and Jane Pickett, an English major.

Mississippi State will get Don

Alexander, a finance major; while Texas Christian University will get Mickey Grove, who is majoring in Music.

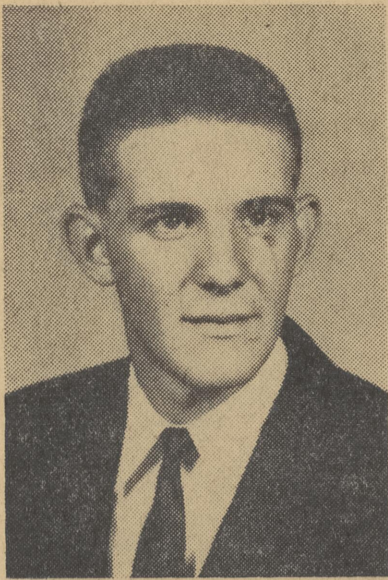

Merle Graham will go to Belhaven to major in Art while Sonny Perry will go to Murray State College in Kentucky and major in Agriculture.

Of the group that will continue their education at Mississippi College are: Nan Ertle, majoring in Home Economics; Bobbie Nell Noland majoring in P. E.; and Austin Baggett will probably major in matrimony.

Wesley Foundation Selects Officers

Catherine Owen, college freshman, was elected president of the Wesley Foundation for the coming year at the weekly meeting of the Methodist group Monday night.

The new slate of officers for other positions are Jimmy Joplin, vice president; Roxie Easley, program chairman; Jean Searcy, secretary and treasurer; Shirley Webster, publicity chairman; Virginia Vaughn, assistant publicity chairman; and Jimmie Ruth Hawkins, music and recreation director.

BOBBY SHEFFIELD, president of the Hinds High Senior class, was elected State Devotional Vice President at the annual state Baptist Student Union Officers Retreat on the campus of Hinds Junior College last weekend.

Christian Group To Install Officers

Tonight at 6:30 in the college auditorium the traditional candle-light ceremony for the installation of new YWCA officers will be observed.

Jane Pickett, retiring president, will direct the installation; Regina Godley, president elect, will give the response for the new cabinet. Others taking part in the service are Marion Wood, retiring worship chairman, and Leverage Barlow, new vice president. The dedication prayer will be offered by Carolyn Faye Richardson, new worship chairman.

New cabinet members to be installed, other than those mentioned above, are Virginia Ronkin, secretary; Florence Hearn, treasurer; Roxie Easley, social chairman; Alma Lee Grantham, world relatedness chairman; Sharlott McClurg, membership chairman; Jimmie Ruth Hawkins, music chairman; and Naomi Herrin, publicity chairman.

Press Conference

(Continued From Page 1)
will give the official welcome Friday night and a talk Saturday morning; Dr. Leo Muller, director of public relations at MSCW, Mr. Robert Webb, associate editor of the *State Times*, Mr. Ken Rainey, editor of the *Mississippi College Collegian*, who will judge and give competitive appraisal; and Mr. B. L. Hill, State Junior College Supervisor, who will present the state junior college trophy.

HINDS GROUP TO APPEAR ON TELEVISION PROGRAM

A special 24 hour program will be sponsored on channel 12, WJTV in Jackson for the Cerebral Palsy Drive, Saturday and Sunday. This program will be made up of talented personalities.

Saturday night and Sunday morning Myrna Loy Stuart is to sing. At 8:00 a.m. Sunday morning the Hinds Junior College Girls' Ensemble is to sing for a half hour period.

Seniors To Leave For Florida Trip

Hinds High seniors will leave the campus via bus Friday afternoon at 6 p.m. on their annual senior trip.

Mrs. C. G. Muse and Coach Louis Boteler, class sponsors, will accompany the group on the trip.

The initial stop will be Tallahassee, Florida's state capitol, and Saturday the troupe will visit Waculalah Springs. Saturday night's agenda calls for a chance to see the Florida State Circus, and other interesting attractions of the city. Over 450 people will take part in the concluding rounds of the circus.

The group expects to attend Sunday morning church services. In the afternoon Papa Howell will present his famous ski show in Panama City for the heart fund.

Monday, the class members will go deep sea fishing and Tuesday, a tour of Carter Craft Boat Manufacturing Company is carded.

Eglin Field Air Base is the main attraction for Wednesday. Thursday calls for a visit of the fish waters.

The group will return to the campus Friday.

MODEL AIRPLANES

Students Build One Cylinder Engines With Balsam Wood, Odd Doped Paper

By RANDY RICKELS

You may not be able to join the Air Force, but for less than \$5.00 you can fly an airplane. In fact, many students here at Hinds have taken up building and flying gas powered model airplanes as a hobby.

These are no sissy planes either; some of them are capable of flying at speeds of well over fifty miles per hour.

There are three main types of planes — free flight, U-control (with a fifty-foot wire), and the more advanced radio-controlled type.

The size of these models vary from about a two-foot wing span to the nine-foot radio-controlled model. The minimum radio controlled model costs about \$80 complete.

Don't consider building one of these models unless you are the patient type. They take about two or three weeks of spare time to build. These little engines run for about five minutes on a mixture of alcohol, castor oil, and methanol.

The stunt planes with fast powerful engines can exceed the state highway speed limit. All controls are handled from the ground by a twist of the hand which turns the ailerons. These planes travel so fast that many of the movements

Summer Students Start Registering

Pre-registration for summer school begins May 1, according to Miss Mildred Herrin, Hinds Junior College registrar.

Students may plan their schedules and attend to other matters of summer school registering, except for the payment of fees.

Convention Delegates Win National Trophy

A new national trophy is in the Hinds Junior College trophy case.

Presented in chapel this morning to President McLendon by Robert Bridges, president of the local chapter of Phi Theta Kappa, the award signifies that the Hinds dele-

gation to the national convention last week in Lawton, Oklahoma, won the most points for, not only distance traveled, but also for greatest percentage of members and officers present, and for encouraging other delegations to go to convention.

The local delegates traveled 660 miles, had 75% of their members present including 80% of their officers. They were accompanied by two sponsors, and delegations from two other chapters.

Though other representatives at Lawton had traveled farther, some from north Idaho, New Jersey, West Virginia, North Carolina, and other distant points, the accumulated points toward this award mounted in favor of the Gamma Lambda Chapter, which traveled by bus and transported the delegations from Perkinston, and from Scooba.

The bronze trophy standing 18 inches high is presented through the national convention by the Del Mar, Texas, Phi Theta Kappa Chapter.

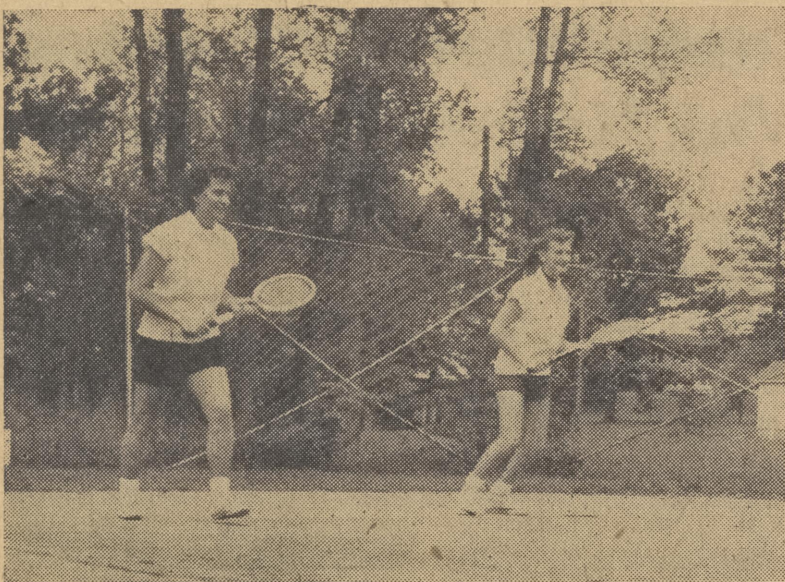

Local Club Elects Hinds High Junior

Nancy Chapman, Raymond junior, was elected this week as president of the Hinds High Y-Teens for the coming year.

Y-Teen adviser Mrs. Jack Combs also announced the other officers for next year. They are Barbara Smith, vice president; Lou Ann Carter, secretary; Dorothy Brock, treasurer; Betty Jo Clement, reporter; and Ethel Rumbavage, program chairman.

Thinclads To Defend State Track Title On Wesson Campus Saturday Evening

A stable full of galloping thoroughbreds from Hinds Junior College are putting on the final touch this week to compete in Saturday's statewide Junior College track scramble.

The Eagles, tutored by Frank Young, will be out to defend their state title. Tremendous speed in the track events and dynamic strength in the field events make up the chief reason for the Eagles' one defeat.

The initial loss of the season last week was to the Sunflower Trojans in a thrilling 68 1/2 to 66 1/2 meet. Ernest Turcotte tied the century and broke the 220 record while the Eagles 880 relay team shattered the state mark.

Ronnie Carroll and Melvin Champagne racked up two first place positions.

Coach Jim Randall, Sunflower mentor, and Joe Renfro, head football coach and athletic director at Hinds, presented their 1957 prospects in relays and dashes in three different divisions.

100 Yard dash: Ernest Turcotte (H), Billy Hughes (S), 9.8. Tied state record.

220 yard dash: Ernest Turcotte (H), Billy Hughes (S), Randolph Smith (H), 21.6. Broke state record of 21.8.

Shot Put: Ronnie Carroll (H), Austin Baggett (H), Wayne Perry (S), 45' 6". Broke state record of 44' 7 1/2".

Discus: Ronnie Carroll (H), Austin Baggett (H), Wayne Perry (S), 136' 0". Pole Vault: Jerry Beard (S), Levi Barber (H), Jamie Davis (S), 10' 6".

High Jump: Melvin Champagne (H), Billy Hughes (S), Charles Causey (H) and William Phillips (S) tied for 3rd, 6' 1".

Broad Jump: Melvin Champagne (H), Jerry Ivy (H), Willie Jones and Jack Forrest (S) tied for third, 20' 3".

880 yard relay: Hinds (Ernest Turcotte, Bennie Hawkins, Hal Battle, and Randolph Smith), 131.7. Broke state record of 133.5.

Football Relays and Dashes

440 yard relay backs: Hinds (John Hebler, James Gurley, Levi Barber and C. J. Alexander), 46.3.

440 yard relay tackles: Hinds (Don Brady, Wimpy Martin, Elmo Stringer, and Jim Westburg), 51.35.

100 yard dash backs: C. J. Alexander (H), Levi Barber (H), John Hebler (H), 10.2.

50 yard dash tackles: Jim Westburg (H), 6.3.

These are the best records from the files of Hinds Junior College on track performances.

100 Yard Dash: 9.8 Street, 1950. Tied by Turcotte, 1957.

220 Yard Dash: 21.6 Turcotte, 1957.

440 Yard Dash: 50.5 Stassinis, 1950.

880 Yard Run: 2:03 Faulkinberry, 1952.

Low Hurdles: 25.8 Roberts, 1952. Tied by Wickers, 1956.

120 Yard High Hurdles: 15.1 Landry, 1950.

Mile Relay: 3:27.9 (McCellan, Hestor, Stassinis, Peyton), 1950.

Mile Run: 4:40 Mariscal, 1939.

High Jump: 6' 3 1/4" Champagne, 1957.

Broad Jump: 23' 6" Revon, 1949.

Discus: 140' 6" Carroll, 1957.

Pole Vault: 12, 0" Newman, 1940.

Shot Put: 46' 6 3/4" Carroll, 1957.

Javelin, 180' Beriot, 1949.

880 Yard Relay: 1:31.7 (Turcotte, Battle, Hawkins, Smith), 1957.

Two High School Track Delegates Represent Hinds

Lamar Gates, shot put artist, and Dalton Thames, century runner, will represent Hinds High in the state track meet at Clinton Friday.

Gates has been second all year behind MSD's famed Joe Russell. His best throw has been 46' 2". Thames took second place in the 100 yard dash at the South Mississippi meet at Hattiesburg last week.

Other Hinds High participants, directed by Louis Boteler, were:

Mile run: Miles Goode, 5th.

880 yard run: Carol King, 4th.

Baseball throw: Bettye Taylor, 4th.

Running broad jump: Lou Ann Carter, 4th.

Discus: W. L. Anderson, 5th.

Low hurdles: Dick Osborn, 6th.

FAMOUS FOURSOME — The record breaking 880 yard Hinds Junior College cinder quartet shattered an unofficial state track record against the Sunflower Trojans last Saturday afternoon. They took the half mile in 1:37.7. The same group will participate in the state track meet at Co-Lin Saturday. Shown left to right are Bennie Hawkins, Hal Battle, Ernest Turcotte, and Randolph Smith.

With Top Record Completes Season

Hinds Junior College diamond performers have closed the 1956-57 baseball season with an outstanding record.

The Eagles have completed their regular season with nine wins and only one loss. The defeat was to Southwest of Summit in a 10 inning encounter.

Hinds' baseball crew, coached by Troy Ricks, defeated Pearl River and Perkinson last Thursday and Friday in their final games of the season.

Pitchers Lamon Echols, Frank Wynn, and Ed Foshee have played important factors in the team's success while Terry Vance and Pruitt Blalock, catchers, have contributed important roles in the 9-1 showing.

Other top Eagle performers this season have been Lee Pennybaker, 1st base; Pete Gray, 2nd base; Burdette Boyd, short stop and 2nd base; Johnny Gray, pitcher and short stop; C. T. Thornton, 3rd base; Don Thompson, centerfield; Billy Magee, rightfield; W. C. Alderman, utility man, and Norman Presson, left field.

Physical Ed Group To Go To Play Day

Physical education students at Hinds Junior College will attend Play Day at Mississippi Southern College in Hattiesburg this weekend.

Miss Genevieve Williams chemistry instructor at Hinds, will accompany the group to Hattiesburg. All types of physical activities are planned for the day.

Louise Earnhart, Peggy Fugate, Regina Godley, Bobbie Noland, Iris McKay, Sherrill Weathersby, Alice Walton, Virginia Ronkin, Noel Mon-sour, Doris Toles will represent Hinds at the meet.

College Paper Should Not Be Neutral

UCLA's **Daily Bruin** has recently carried an editorial entitled, "It is not an editor's job to take sides." We respectfully disagree.

Here condensed, is the **Bruin** editor's view:

"A number of comments have been received this semester about the lack of 'explosive material' in our pages. The paper, it seems, has lost the crusading, banner-waving, big city personality which the 'Old Bruin' and numerous other college newspapers have had.

"An answer requires, first, a description of what a college paper's duty is. Splashing crusades and expositions are fine for a metropolitan newspaper, but with a university publication both the audience and the information are limited, which they should be.

"The staff believes the main duty of the daily **Bruin is to present news about UCLA to UCLA, which it is doing. All the junior Steve Wilsons and other children are gone, and the policy of the 'new **Bruin**' is to be simple, informative and interesting journalism.**

"Anyone feeling cheated because we don't crusade day-by-day to get the campus trash cans painted or something on this order will continue to be disappointed.

"Also, if something does take place on the campus which is pertinent and explosive, it will be handled neutrally by presenting both sides of the situation by interested parties and with a minimum of opinion on the part of the editorial board. This, I feel, is the real duty of journalism. It is not an editor's job to take sides . . .

"Magnification of relatively unimportant things to the point of over-shadowing events of greater significance can only be combatted by establishing some measurement which we could call the 'Relative Standard of Importance.'

Loyola News, Chicago, defined the paper's work in a single sentence; "A newspaper's job is to objectively report the news, and then to candidly comment on it."

"The meaning of any newspaper is lost when it becomes irresponsible or when it 'rattles.'

Some very good facts have been discussed in the above material, but we wonder how many senior colleges, universities, junior colleges, and other schools teach a course in neutrality. We wonder how many men have brought honor to journalism by playing the philosophy of neutrality.

"American newspapers have a noble tradition of championing the cause of good government and social reform and freedom."

And surely the color-filled history of American journalism is jammed with the stories of brave publishers, editors, columnists, and reporters who have championed our way of life.

All these great editors were partisan men. These men chose their cause and supported it effectively. They were not bore hacks, but they were great, smart, able editors and reporters in real and noble American tradition.

We believe a campus publication that is neutral is a poor means to train reporters and editors. It is a part of American democracy to fight for what you believe in.

Words are tremendously powerful and are used in journalism as an effective weapon. We sincerely believe that our prospective journalists should be taught how to fight by writing.

Staff Accepts Honors With Humility

The **Hindsonian** staff accepts the recent honors with a deep sense of gratitude. Although we are proud, we are humble.

It was through the co-operation of the faculty, student body and administration that we were able to accomplish this feat. The two awards, representing a First Place Associated Collegiate Press rating, and the best all-around junior college newspaper in the state, were dished our way.

The time and effort behind these two awards are symbolic of leading college newspapers.

We are indeed grateful.

Sympathy from the campus is extended Miss Mary Alice Bennett of the English staff in the passing Monday of her mother, Mrs. D. E. Bennett of Crystal Springs.

SOPHOMORE OF THE WEEK

Jeanette Mahaffey, Editor of Eagle, Plans To Become Commercial Artist

By JIMMY JOPLIN

This week the **Hindsonian** staff bestows the honor of Sophomore of the Week on Jeanette Mahaffey.

This red headed, brown eyed, freckled, 5 feet 3 inch young lady was born in Jackson, Miss., on July 21, 1936, to Mr. and Mrs. J. L. Ma-

JEANETTE MAHAFFEY

haffey.

She was born the third of four girls in a family that now includes an 'adopted brother' named Jimmy.

Jeanette possesses a charming sparkle in her eyes that adds to her friendliness.

She attended grammar school at

George School in Jackson for her first six years of formal education. She attended junior high at Enoch's Junior High School for three years and then went on to Central High.

At Central she was very active in various fields, one of these being **Pegasus**, a literary publication of which she was editor in her senior year. She graduated from Central in the spring of 1955.

Since she entered Hinds as a freshman in the fall of 1955, she has been active in several organizations. Among these are the Modern Language Club, the Women's Athletic Association, the Art Club, and the **Eagle** staff of which she is editor.

At Hinds she has majored in art and her ambition is to be a commercial artist.

Her favorite interests are: boys, eating, listening to band music, and playing rook, in that order. Her hobbies include: tennis, art, and piano.

Jeanette's favorite foods are charcoal broiled steak, chocolate pie, and hot dogs.

This little dynamic lass will go a long way in this world in getting whatever she goes after. With a quick glance at the look of almost fierce determination to win that is always prevalent in her eyes, we know that she will get what she goes after.

The **Hindsonian** staff salutes you, Jeanette Mahaffey.

A lady in Rochdale, England, returned from a shopping trip to find that she had locked herself out of her own house. Not to be outdone she crawled through a grate in the coal cellar and then discovered that it too was locked. Finding it impossible to get out she waited until help came. It proved to be a 36 hour wait.

A 71 year old man was found between the railroad tracks South of McComb late Saturday afternoon. He was still alive after having been run over by a train of six cars. He fell between the tracks and the train passed over him without striking him. The fall cost him a broken rib and a punctured lung from the rib.

He was unable to give an account for his being on the track.

MISS HILDA BRANTLEY Secretary Performs Chores In Office

By IRL DEAN RHODES

Answering Alexander Graham Bell's great invention over 100 times daily, greeting Hinds Junior College visitors, handling President G. M. McLendon's secretarial work and many other sundry jobs is only part of Miss Hilda Joy Brantley's daily life.

The attractive young lady, who did not tell her age, watches television and dates in her vacant and private hours.

A dynamic personality coupled with friendly ways and amiable qualities make her an excellent individual to meet Mr. John Q. Pub-

lic. Gifted with sufficient and genuine talent, she teaches business classes on some occasions.

Born in the hills of Leake County near Madden, Miss., Miss Brantley is the daughter of a medical doctor. She graduated from East Central Junior College at Decatur and received her business education degree from Mississippi Southern College at Hattiesburg.

Prior to coming to Hinds, she was head of the commercial department at Brandon High School for three years. President McLendon managed to get her services on June 1, 1955.

She is happy at Hinds and she likes the type of work she is doing. A product of the junior college system, Miss Brantley has no definite plans for the future as to matrimony or other jobs.

This alluring and charming member of the weaker sex is competent, qualified, and capable. Her vivacious manner and striking enthusiasm are potent qualities for an outstanding person.

College Home Economics Department Offers Facilities For Clothing, Foods

By NAN ERTLE

Two years of advanced home economics courses of nutrition and clothing are offered to college students majoring in home economics at Hinds Junior College.

Home Economics majors from Hinds are accepted at all the senior colleges in the state offering home economics.

The Home Economics Building is one of the newer buildings on the Hinds Junior College campus. Completed in the summer of 1953, this building is a combination of classrooms, laboratories, and living area.

Classrooms are divided by modern folding doors, thus providing large classrooms for large classes.

The foods laboratory is equipped with six kitchen units that will

accommodate twenty-four students.

The clothing laboratory is equipped with modern sewing machines and other home-making facilities. The lab features an automatic zig-zag Singer sewing machine.

Floors in the classrooms and laboratories are tiled. The foods lab has grease proof tile floors.

The living area consists of a living room, a bedroom, a dining room and a bath. The living area is furnished with modern furniture and is used in a number of different ways.

The Home Economics Building is used by college and community groups for wedding receptions, showers, Y-Teen, 4-H Club, and Home Demonstration Council meetings.

Student Athletes Attend Play Days At Senior Colleges

Physical education students at Hinds Junior College will attend Play Day at Mississippi College Saturday.

Those who attended the Mississippi Southern Play Day last Friday and Saturday, from Hinds, were Louise Earnhart, Bobbie Noland, Mary Jane Halle, Ruth Martin, Peggy Fugate, Virginia Ronkin, Noel Monsour, Iris McKay, Regina Godley and Miss Genevieve Williams, chemistry instructor.

The girls participated in volleyball, basketball, table tennis, badminton, smash, and handball. Martin and Fugate represented Hinds in the tennis matches.

MUSIC INSTRUCTORS — Mrs. James L. Reeves, top; and Miss Peggy Pennel, bottom; have had students participating in recent music recitals. Mrs. Jack Combs and Miss Maudine Thrash, also of the music department, have had students in recitals.

Poet's Corner

FLAG OF FREEDOM

He was on the bloody battlefield,
All around him lay the dead,
Then he saw the Flag of Freedom,
And he lifted up his head.

That Flag of Freedom filled his mind,
It cleared his war torn brain,
It made him realize too,
That his fight was not in vain.

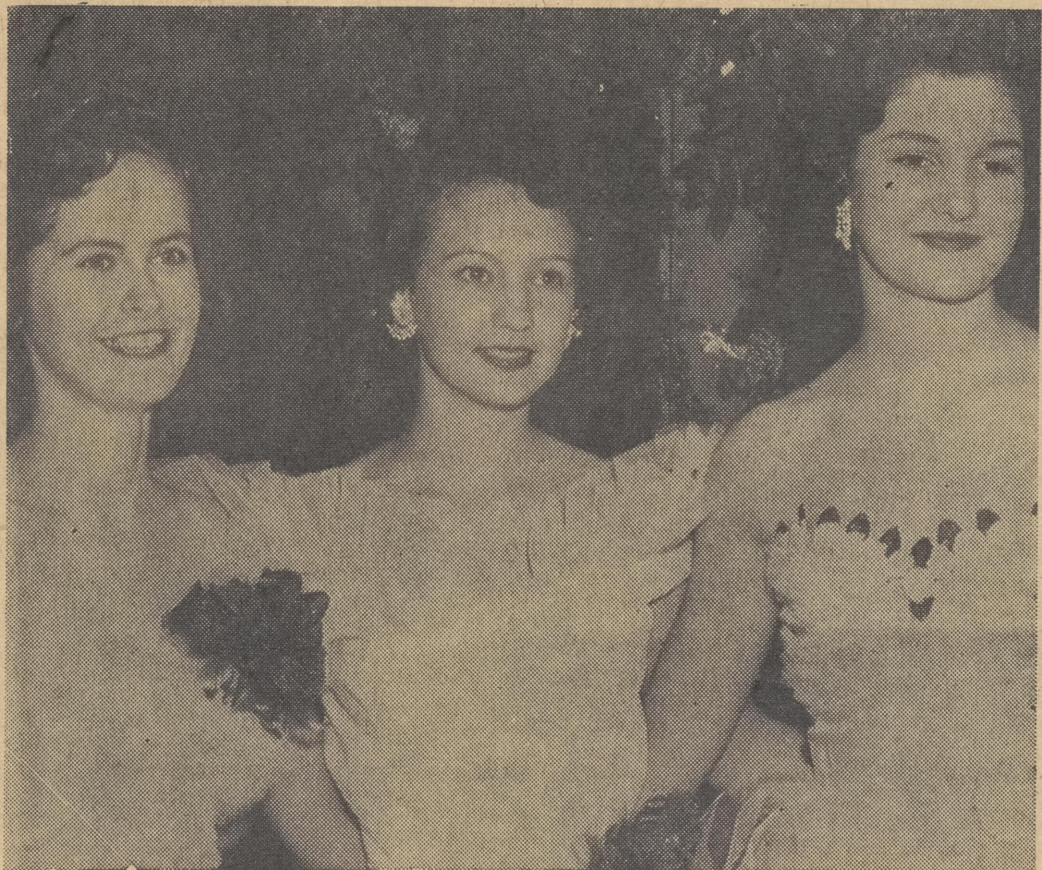

He plodded on to the next hill,
Where the enemy had taken their stand,
The only ammo he had left,
Was the grenade clutched in his hand.

He pulled the pin, and counted to three,
His aim was straight and true,
For the enemy went up in a cloud of smoke,
And the attack was carried through.

He was called a hero,
The President shook his hand,
He was given a medal,
And loved by his homeland.

He'll never forget that day on the hill,
When all around him lay the dead,
And he saw the Flag of Freedom,
And he lifted up his head.

Hindsonian Achieves First Class Rating From Associated Collegiate Press Judges

The **Hindsonian**, recently winning the Associated Collegiate Press First Place Award for the third consecutive year, received a personal criticism from the national judges this week.

On coverage, covering news sources, balance, treatment of copy, and creativeness, the paper received 400 out of a possible 400 points; news stories, style, leads and features received 330 out of 375 points; editorials, editorial page features, sports writing, and sports coverage received 300 out of 300 points; front page makeup, nameplate, masthead, editorial page makeup, sports display, and inside news page makeup received 235 out of 376 points; headlines, headline

schedule, typography, and printing, 210 out of 300 points and photography 35 out of 50 points.

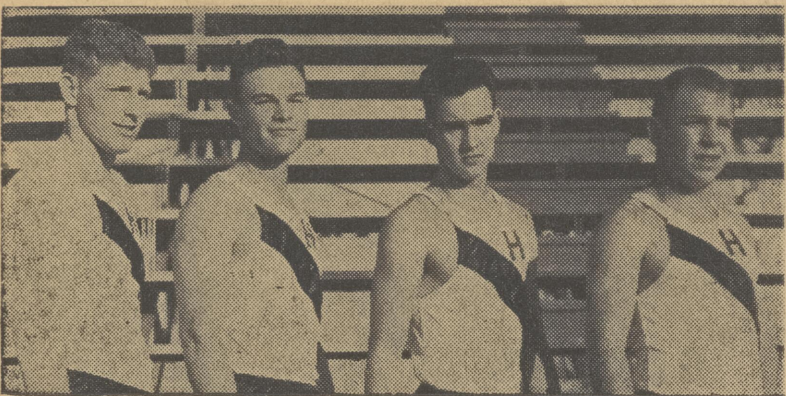

The judges said the **Hindsonian** is doing a good job of covering the school news. "Good solid coverage," and "Personality features are good," were some of the comments.

They also commented, "Strong editorial column for weekly paper," and "The writing is generally good."

The **Hindsonian** received 1510 points, 90 points short of an All American rating. The publication was one of the eight junior college newspapers in the nation and the only one in Mississippi to receive first place rating.

Editor's Note: This is the third of a series of six articles that will feature members of the Hinds Junior College athletic staff.

Mrs. Anne Gookin, Hinds Junior College girls' physical education instructor, is one of the most versatile sports fans to be found anywhere.

IRL DEAN

She is tops in golf, tennis, swimming, field hockey, volleyball, badminton, softball, archery, smash, speedball and basketball. The dainty blue-eyed instructor coaches softball and basketball

teams for the Eaglettes that are members of the Jackson Recreational League.

Proficient in all sports, Mrs. Gookin has possibly won more golf trophies than any other lady in the state. She has compiled a total of 11 golf trophies.

The wife of Red Gookin, who is a former professional baseball player, was the runner-up in the state golf meet last year. She has been the winner of the Capitol Invitational golf trophy for the past several years.

MRS. ANN GOOKIN

A native of Canada, the diminutive lady received her degree in physical education from McGill University. The Hinds sports-minded enthusiast was a physical education instructor at Central High School in Jackson before coming to Hinds.

Red and Mrs. Gookin have one child, Sandra.

Mrs. Gookin, an energetic young lady, has many titles. She is a wife, mother, physical education instructor, girls' basketball coach, softball coach, tennis coach, golf star, and a participant in many other activities connected with the state physical education program.

WESTSIDE GIRLS DEFEAT MAIN AGGREGATION, 14-7

Westside topped Main 14-7 in a softball game this past week.

Regina Godley was credited with the pitching victory, although Bobbie Nell Noland worked part of the game on the mound for Westside.

Hinds Thinclads Take Second In Track Meet

Sunflower Junior College cindermen are the 1957 State Junior College track champions.

The Trojans chalked up 62½ points while the Hinds Eagles garnered second place with 44 points.

Coach Frank Young's only consolation is that the Eagles won more first place awards than any other college in the meet.

Ernest Turcotte, a dazzling and sensational sprinter with astounding speed, who executed the aggressiveness and determination of Eddie Arcaro mounted on a fancy-footed champion, and Ronnie Carroll, a dynamic fabulous field general with a gigantic slinging weapon who possesses astonishing and tremendous knack, will go down in Hinds Junior College history as All Time Greats.

They have achieved their fame in appropriate manner by excelling in scintillating fashion for the Eagle cindermen.

On a chilly and brisk night last Saturday with a damp track, Turcotte accomplished the banner waving century feat in 9.8 to tie a state record and completed the 220 yard dash for top honors.

Triple threat and triple treat Carroll blasted the state shot put

record in flying colors for a shocking cast of 46'½". He topped Oran Renfroe's state record of 44'7½" made in 1954.

The talented display of ability presented by Carroll was flabbergasted from start to finish. He took the initial place in the javelin and discus also.

Melvin Champagne, a spry and competent artist, took first place in the high jump, but he was hampered by rains earlier in the week.

Champagne also took second place in the broad jump to earn the distinction of being the only Eagle thinclad to win the second place berth.

Hinds' participants that listed in the top five are as follows:

100 yard dash—Ernest Turcotte 9.8, 1st place. Tied state record.

220 yard dash — Turcotte 22.4, 1st place.

440 yard dash — Tommy Lynch, 5th place.

High hurdles — Melvin Champagne, 5th place.

Javelin — Ronnie Carroll, 174' 5¼", 1st place.

Shot put — Carroll, 46' ½", 1st place. Broke previous state record of 44' 7½" made by Oran Renfroe in 1954.

Discus — Carroll, 136' 11½", 1st place.

Pole vault — Levi Barber, tied for 3rd place.

High jump — Melvin Champagne, 6', 1st place.

880 yard relay — Hinds (Turcotte, Hal Battle, Bennie Hawkins, and Randolph Smith), 3rd place.

BUSY LITTLE MAN

Southern Graduate Performs Many Jobs As Hinds Recreation Director

Although Mr. W. C. "Bill" Oakes has a lifetime courteous award to all activities sponsored and promoted by Perkinson Junior College, he could rightfully claim the same from Hinds Junior College.

While a student at Perkinson his service to the school has re-

deserve words of praise.

He could easily be described as, "The man on the run."

Mr. Oakes is a native of New Albany, where he finished high school before attending Perkinson Junior College. The diminutive professor of hygiene at Hinds has many jobs.

An ardent supporter of the junior college program, he has jobs ranging from scouting football games to securing entertainment for college social events.

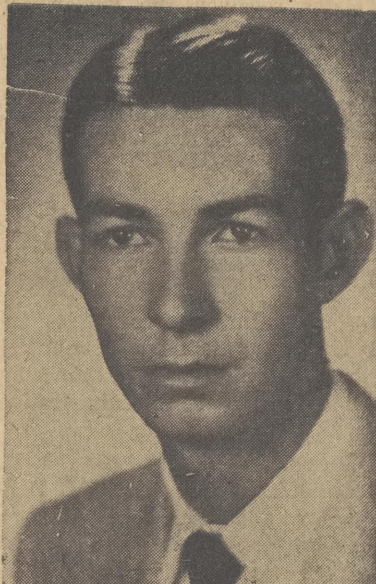

After completing his two years at Perkinson, Mr. Oakes entered the United States Marine Corps. He later received his B. S. and M. A. degrees from Mississippi Southern College in Health, Physical Education and Recreation.

Mr. Oakes was recently married to the former Miss Louise Hall of Jackson. They are living in a college apartment on the campus.

The Southern graduate came to Hinds Junior College as recreational director and assistant dean of men in January of 1955.

NOTICE TO GRADUATES

All graduates, both college sophomores and high school seniors, will practice next Wednesday at the activity period for the graduation ceremonies. All should assemble promptly in the college auditorium.

McCain, President of Southern, To Address Graduates Friday Morning

William D. McCain, B.S., Delta State College; M.A., University of Mississippi; and Ph.D., Duke University, President of Mississippi Southern since 1955, will address the graduates Friday, May 24, at 10:30 a.m.

Dr. McCain, a native of Mississippi, began his professional career as an educator at the University of Mississippi, serving there as a teaching fellow in history. He has served on the faculties of East Central, Copiah-Lincoln, Millsaps, and the University.

A veteran of World War II and the Korean conflict, Dr. McCain now holds the rank of Colonel in the Mississippi National Guard, commanding the 373rd AAA Group.

He has served as assistant archivist at the National Archives, Washington, D. C., and for eighteen years he was director of the Mississippi Department of Archives and History.

Among his publications are *The United States and the Republic of Panama*, (1937), *The Story of Jackson* (1953), and a number of pam-

phlets. He edited the *Journal of Mississippi History*, 1939-1955.

Sophomores Say Farewell To Hinds

(AN EDITORIAL)

In exactly nine more days over 100 college sophomores will receive their junior college diplomas and pass through the portals of Hinds Junior College for the last time as students.

These students will be going in many different ways. A large percentage will continue their schooling, some will go to work and some are undecided; others are planning to be married.

Graduating sophomores will march down the aisles to receive their diplomas from President G. M. McLendon, although it will be much more than a junior college diploma. These young men and young women are the future leaders of our state.

They are the promise of tomorrow. The future is in their hands. This will be the beginning of that future and the new world will rapidly unfold in front of them. Opportunity is knocking.

This institution will miss this graduation class when they leave and they will possibly be darn glad to see some of us go.

However, outstanding qualities of citizenship and leadership have been exhibited by a large number of the graduates.

We hope the sophomores, as they are scattered to the four winds, will go in a happy spirit and carry God with them.

President McLendon Tells Plans For Thirty-ninth Spring Commencement

President G. M. McLendon announces plans for the thirty-ninth

annual spring Commencement which will begin with the cap and gown processional Sunday morning, May 19, and terminate with the recessional at noon, Friday, May 24.

Dr. Fred W. Neal of State College will deliver the Commencement sermon at 11 o'clock Sunday, and Dr. William D. McCain, president of Mississippi Southern, will address the graduates and visitors at 10:30 Friday morning, May 24. Speaking also on Friday will be the class valedictorians, James Caulkins of Jackson, sophomore representative, who will speak on the topic, "Our Debt," and Mildred Strong, Bolton, high school representative, who will speak on the topic, "Our Road."

Music for both programs will be furnished by the voice, piano, and organ departments.

ROBERT BRIDGES, president of Phi Theta Kappa, presents to President G. M. McLendon the national trophy, a travel and activity award, won by the local chapter at the national convention in Lawton, Oklahoma, last month. In addition to Bridges, fourteen representatives from the local chapter attended the convention. Melanie Matthews was the local chapter's voting delegate at the convention. The Hinds delegation made the Lawton trip by Hinds Junior College bus.

DR. FRED W. NEAL

Religion Professor To Deliver Sermon At Commencement

Dr. Fred W. Neal, Associate Professor of Philosophy and Religion at Mississippi State College, will deliver the commencement sermon Sunday morning, May 19, at 11:00 a.m.

The son of missionaries to Africa, Dr. Neal received the A.B. degree from Albany College, Oregon; the B.D. degree from Chicago Theological Seminary; and the Ph.D. degree from the University of Chicago. He was an exchange scholar at the University of Hawaii. He served two years as a Chaplain in the U. S. Navy.

Prior to his connection with Mississippi State, Dr. Neal served as Professor of Church History on the faculty of the University of Chicago Divinity School.

Curtain Closes On Another Top Year

"Farewell! a word that must be, and hath been—
A sound which makes us linger;—yet—farewell!
—Byron.

In this, the last issue of the **Hindsonian** for the 1956-57 school year, we of the editorial staff would like to thank all who have made our position possible, pleasant, and meaningful.

We have attempted to publish a newspaper that would reflect superiority of Hinds Junior College. We've added two trophies and two First Class Associated Collegiate Press ratings to the list of awards that this college has acquired in the past and present years.

After inking the paper and making the final roll this Wednesday the press will have completed another year.

This issue of the Hindsonian marks another milestone in the history of Hinds Junior College and brings to an end another very successful year for this publication. For the past nine months we have tried to keep you, students, faculty, and administration, informed of the activities of the campus.

Co-operation has been the key to our paper's success. That's one of the most important words in the English language. This success has been made possible by YOUR co-operation—the faculty, the administration and the students.

Students and staff members made the news, and we attempted to record it in readable and unbiased style. We also tried to comment briefly on newsworthy events and problems.

We say, "Thanks" to many people, but to some we are more than thankful. The task was made easier by the works of two able assistants, Jane Pickett and Nan Ertle, and the combined efforts of staff members Florence Hearn, Leverne Barlow, Regina Godley, Jimmy Joplin, Noel Monsour, Sharlott McClurg, Marilyn Phillips, Randy Rickels, Patsy Ratcliff, Carolyn Barton, and Don Weeks.

President G. M. McLendon has been an excellent news source, and understanding friend, and a competent advisor at all times. The hours of picture taking and processing by Mr. T. T. Beemon has been greatly appreciated and the art work has added tremendously to the paper's looks.

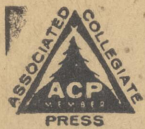

Indeed we have been thankful for purchase orders on a quick notice by Mr. F. E. Bearden for up to date coverage. Miss Gertrude Davis, a capable English instructor, has assisted and advised us.

The Keith Press, composed of three qualified printers, Mr. Tom, Mr. Billy and Mr. James, we especially appreciate, not only for giving us such an unreasonably fair price on the printing, but also for their other kindnesses such as patience and tolerance.

Our good printer friends have not failed to get the paper out even though we were often late getting the copy to them. They would always gladly make-over pages at our request and had ample patience with our dabbling ideas. A tremendous amount of praise is due Keith Press.

It is our sincere desire and hope that next year and the years to come the Hindsonian will continue to grow as a newspaper and continue to maintain the highest principles of journalism, being a voice of the students whom it represents.

Thus the press is stopped for another year.

SOPHOMORE OF THE WEEK

Paper Staff Pays Tribute To Editor Of Hinds' Weekly Campus Publication

By JANE PICKETT

Realizing that credit should be bestowed where credit is due, we, the **Hindsonian** staff, would like to pay tribute to our editor and co-worker, Irl Dean Rhodes.

Irl Dean, son of Mr. and Mrs. Irl Rhodes of Brandon, was born November 4, 1936, in Rankin County, and has lived his life to the fullest these 20 years. To have accumulated the many honors that our industrious Sophomore of the Week has received and to have participated in so many activities is quite a feat in itself.

Irl Dean attended four years of high school at Brandon. While he was in the 9th and 10th grades, he served as president of the Hi-Y, vice-president of the 4-H Club, member of FFA, band, and Beta Club, president of MYF, and president of his class.

As the 4-H Club personality winner, he won a trip to Memphis; he also won a trip as district winner in 4-H leadership and a trip to National 4-H Club Congress in Chicago as State 4-H Leadership winner.

In the Who's Who contest his sophomore year, Irl Dean was chosen Most Courteous, Most Dependable Boy, Citizenship Boy, and Spiritual Vision Boy.

As a junior in high school, this competent young man was president of the Mississippi Junior Livestock Association and the Rankin County 4-H Council. He was business manager of the school annual, editor of the school paper, vice-president of the student council, and member of the Beta and FFA clubs. Irl Dean was the state 4-H citizenship winner and won the Good Provider contest and thus a trip to New Orleans. He was also vice-president of the Southwest Mississippi 4-H All Stars.

During his senior year Irl served as sports editor of his school paper, president of the student council, treasurer of the Beta Club, editor of the annual, secretary of the FFA, and he received his State Farmer's Degree in FFA. In the Who's Who contest Irl was appropriately named Most Versatile Boy, Most Dependable, and Citizenship Boy.

Throughout his high school years Irl worked with his prize-winning herd of sheep, which brought him renown in state livestock circles. His sheep have won 52 ribbons, the majority of which are first-place ones.

Our brown-eyed, five foot eleven inch sophomore has continued to work as diligently in college as he did in high school.

Last year the freshman class elected Irl president of the class, and he served as editor of the **Hindsonian**. Irl was a member of the Wesley Foundation, and was elected Most Courteous Boy and a Campus Favorite in the Who's Who

contest.

Last summer Irl Dean took an important step in his life. On August 26, 1956, Irl Dean married shapely Miss Jo Ann White, former Hinds Hi-Stepper from Brandon who is presently an employee of the Bell Telephone Company in Jackson.

This year most of Irl Dean's working hours have been spent making the **Hindsonian** the best junior college newspaper in the state. Simultaneously Irl served as president of the Mississippi Junior College Press Association. Interested in many outside activities, Irl has served faithfully as a correspondent for Jackson newspapers.

Irl Dean is popular with everyone, and this year he was elected Mr. H. J. C., the highest honor his classmates could bestow upon him. He was also chosen Most Likely to Succeed and Campus Favorite in the Who's Who contest.

His wife hasn't definitely decided what Irl Dean will do in the immediate future, but he plans to attend Mississippi State in the fall and major in business and minor in public relations.

Whatever Irl decides to do, we, the staff of the Hindsonian, know from indications of his citizenship, popularity, dependability, and congeniality in the past, that Irl Dean Rhodes will always have his friends and will always be one of the more important cogs in anything he does.

Again we salute you, Irl Dean Rhodes, as our choice for "Sophomore of the Year."

Editor's Mail

Dear Editor:

I wish to take this means to thank the members of the sophomore class for all the co-operation given us in the activities sponsored by our class.

On behalf of the class I would like to thank the Hinds Junior College administration and faculty for the co-operation given this year.

It has been a pleasure to serve as your class president for the past year. I have made many friends that I treasure very highly.

Amos Jack Gray,
President, Sophomore Class

Dear Mr. Rhodes:

The staff of the **REBEL YELL** wishes to thank you for the kind invitation to attend the banquet held at Hinds last Friday night. Father John Scanlon and Coach Bill Raphael, as well as ourselves, enjoyed it immensely.

The guest speaker, Mr. Al Benson, was a very capable speaker. We all enjoyed his talk and found it very interesting.

Thank you again for the kind invitation.

Anne Carter, Editor-in-chief of **REBEL YELL**

CLASSES COME, and classes go, at Hinds Junior College, but the business force work on and on. Presiding genius through the years is Miss Lola Allen, bookkeeper, pictured above. At far right is Girl Friday, Alma Lee Grantham, freshman. Others of the office group, not pictured, are Miss Mary Sue McNair, secretary; Mrs. Magee Goodwin, secretary; and Mr. F. M. Bearden, business manager, and Faye Richardson, student assistant.

Relaxation at the Raymond Lake is a favorite pastime with Hinds Junior College students, summer students particularly. The 35-acre college facility is the site for water-skiing, boating, and picnicking. The clubhouse nearby is a year-round accommodation. Seen picnick-

ing at the lakeside last Monday afternoon are, left to right: James McNair, Marie Allen, Johnny Gray, Roxie Easley, Sylvia Smith, Alma Compere, Jeanette Mahaffey, Alma Lee Grantham, and Frank Barrett.

Principal Releases Names Of Balfour Honor Recipients

Velma Ruth Hand and Bobby Sheffield, Hinds High seniors, have been selected to receive the Balfour Honor Awards for the 1957 graduating class next Friday at the final school exercises.

High School principal, Mr. A. L. Denton, released the medalist winners yesterday. The medals were awarded on the basis of scholarship, loyalty and achievement.

The Balfour Company, and the school initiated the contest two years ago for the first time. John Lancaster and Melanie Matthews won the coveted awards the first year and Mary Marguerite Hart and Don Trotter earned the awards last year.

The officers of the 11th grade and members of the high school faculty selected the award winners.

Some of the qualities the candidates were judged on were: music, dramatics, inter-society, athletics, offices held, attitude toward school work, cooperation, willingness to help with school activities and school attendance.

Grantham To Head Business Leaders

Alma Lee Grantham, Terry, was elected president of the Future Business Leaders of America at the club's regular meeting last Friday.

Elizabeth Herring was elected secretary. Anna Summers and Richard Franklin will continue as treasurer, and reporter respectively for the coming year.

Five members from the Hinds chapter will attend the national FBLA convention in Dallas, Tex., June 17-19.

Included in the group will be Addie Pearson, state president of the FBLA, and Mrs. Maybelle Furness, Hinds sponsor.

Women's Athletic Club Makes Sports Awards

The Women's Athletic Association, sponsored by Mrs. Anne Gookin, director of girls' physical education at Hinds, made their 1956-57 awards in chapel last Wednesday.

President G. M. McLendon presented the top four special honor awards to Jane Pickett, Bobbie Nell Noland, Wanda Lou Wortman and Marilyn Simmons. The four received white sweaters.

Special mention was given to Regina Godley for being the most active freshman and to Bobbie Nell Noland for being the most active sophomore.

Signs To Go Up On Boys', Girls' Dorms During This Week

At long last, after much talking by various campus groups through the years, signs are to go up on campus buildings this week.

Aided and encouraged by Mr. F. E. Bearden, business manager, Mr. Frank J. Stephenson, machine shop instructor, made the signs.

Signs now completed and ready to place are those for all the dormitories—boys': Eastside, Central, and Shangri-la; and girls': Main and Westside.

Campus identification markers are now being planned by the sophomore class and the YWCA.

LIBRARY ADDS BOOKCASES MADE BY WOOD-WORKERS

Twenty-two new bookcases have been added to the library recently, the work of Mr. Harvey Robinson, maintenance department, and students in the wood-working class under the supervision of Mr. E. L. Booth, instructor.

Material used is maple, finished in light color harmonizing with the interior of the library. These shelves are adjustable.

Receiving awards in different sports were: Billie Kelly, Rose Shaw, Betty Jo Williams, Roxie Easley, Jimmy Ruth Hawkins, Yvonne Ladner, Sharlott McClurg, Fay Tanksley, Kay Tanksley, Jeffie Trapp, Louise Earnhart, Ann Boyd, Regina Godley, Iris McKay, Jane Pickett, Marilyn Simmons, Wanda Lou Wortman, and Bobbie Nell Noland.

Guest From India Visits On Campus

A notable visitor on the campus today is Miss Gurdip Singh of Punjab University, India.

Sponsored by the campus YWCA, and representing the World University Service, Miss Singh arrived last night after recent visits to Mississippi senior colleges and the University. Hinds is her last stop before she returns to her home country for continuing her work in the interest of students.

Miss Singh received her B.A., and her Master's degrees at the Punjab University. She came to the United States in 1955, and studied on a scholarship from the Georgia Rotary Students' Fund, whose objective is to promote good will and better understanding among nations. She graduated from the University of Georgia in December, 1956, receiving a Master's degree in Sociology.

Home Economics Department Entertains Faculty Club

At the last meeting of the Faculty Club for the spring term, the Home Economics Department entertained with coffee and cookies.

The tables in the clothing laboratory were decorated with spring flowers from the campus gardens.

Members of the freshman home economics class who served the faculty members were Fay and Kay Tanksley, Evelyn Bronson, Marie Allen, Ramona Sartin, and Joyce Bethune.

College Instructor To Sail To Europe For Tour In June

Miss Gertrude Davis, dean of women and sponsor of the *Hindsonian* at Hinds, will leave June 7 for a European tour.

Miss Davis will join relatives and friends in St. Petersburg, Florida, and will leave by plane for New York, thence by the new Greek liner, SS Olympia, across South Atlantic, with stops at Lisbon, a view of Gibraltar, then to Italy.

Other countries included in the summer tour are Austria, Switzerland, Germany, Belgium, France, Ireland, and then England where days will be spent in London, the Shakespeare and Wordsworth sections, at the Colleges of Oxford, at castles, churches, and cathedrals.

The group will embark at Southampton on the SS New York for the return voyage, to reach home early in August.

Summer Classes To Start In June

Summer School at Hinds will begin Monday, June 10.

The session designed for students who wish to accelerate their course of study, and for those who are behind with their work and wish to make it up, will offer two terms of five weeks each.

Expenses for the summer for students living in the dormitories are as follows: total for Hinds-Rankin-Warren county students \$95.00. Out of county tuition, \$15.00 additional.

The summer school is under the direction and supervision of the administrative staff of the college; regular faculty members are in charge of classroom work.

A full program of physical education and recreation is planned for the summer session.

First Year Home Economics Girls Entertain Mothers

Members of the first year high school class in home economics entertained at tea Tuesday evening honoring their mothers.

Corsages, punch, open face sandwiches, and cookies were served.

The guests were taken on a tour of the spacious home economics building.

Mothers from Raymond and Bolton, and Hinds' High School Principal, Mr. A. L. Denton, and Mrs. Denton were special guests of the occasion.

Students serving the guests were the following: Rebecca Dawson, Jean Kelly, Janet Davis, Sarah McElvoy, Conner Williams, Mary Beth Beard, Jo Ann Shuff, Barbara Smith, Winnie Lou Smith, and Katie Lee Houston.

Miss Fleta Whitaker, head of the home economics department, assisted with the Mothers' Tea.

Local Tutor Recalls Crackerjack Team As Copiah-Lincoln Basketball Director

Editor's Note: This is the sixth of a series of six articles that have featured members of the Hinds Junior College athletic staff.

By IRL DEAN RHODES

Hinds' hardwood director is a former Northeast Mississippi sensation. Coach Troy A. Ricks was one of the top cage players in the state during his high school days.

The darting dazzler was on some of the top teams in the nation while a star at Delta State College at Cleveland. He received his B. S. degree at Delta State.

Graduating from Mississippi

Southern College with his master's degree, Coach Ricks' fancy is mathematics. He has been in the school teaching business for 11 years.

His initial job was at Saltillo, a town in North Mississippi. Prior to coaching at Saltillo, he served time in the United States armed forces.

Joining the junior college system at Wesson with the Copiah-Lincoln Wolves, the Hinds basketball instructor coached two of the best cage teams in the history of Co-Lin Junior College in 1947-48-49.

COACH TROY RICKS

The roundball artist is married and has three children, two boys and a girl. Maude is the name of the 37-year-old veteran's wife.

They live in the circle of faculty homes on the campus. This is Coach Ricks' eighth year at Hinds.

Hindsonian Staff Relaxes At Dinner

Monday night of this week, the Hindsonian staff relaxed at a dinner-theater party in Jackson.

Guests of the staff at dinner were President and Mrs. G. M. McLendon.

For favors and place cards at the dinner metropolitan dailies were used, together with miniature Hindsonians, whose columns told of marvelous adventures to befall the staff members in 1977. This issue of the campus weekly was a single-handed project of Editor Irl Dean Rhodes assisted by Mrs. Rhodes as copy reader, and Jane Pickett, reporter.

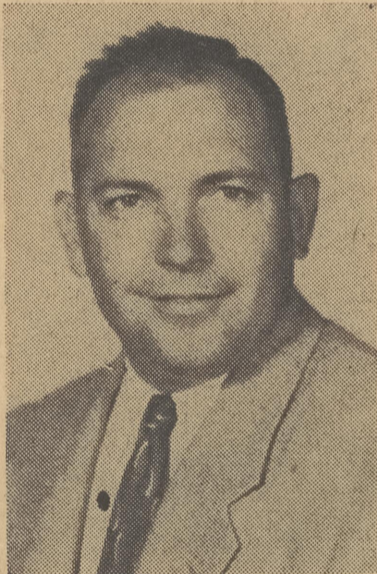

Those present at the dinner and the show afterwards in addition to those mentioned above were Jane Pickett, Nan Ertle, Leverne Barlow, Regina Godley, Jimmy Joplin, Noel Monsour, Sharlott McClurg, Marilyn Phillips, Randy Rickles, Patsy Ratcliff, Carolyn Barton, Florence Hearn, and Miss Gertrude Davis, faculty sponsor of the Hindsonian.

High School Coach, Official, Father Takes Part In Many Activities, Jobs

Coach Louis F. "Skin" Boteler, Hinds High mentor for the past

COACH LOUIS BOTELER

five years, could be rightfully described as the man with many jobs.

Always an ardent supporter of Hinds Junior College, Coach Boteler is a high school and junior college graduate from this

institution.

The hustling native of Rankin County is known to his many friends over the state as "Skin." He is one of the two district committeemen from District Six on the Mississippi Association of Coaches' executive board. He is chairman of the state All Star basketball game.

Married to the former Lillian Kate Jackson of Raymond, he is the father of two sons, Bill and Bob. The Hinds product is a member of the Raymond Board of Aldermen.

Desiring additional business, the 33-year-old World War II veteran has opened a new Texaco service station in Raymond. He is also the manager of the Raymond lake and lodge.

Besides many other duties, he sells cars and manages his private farm. During the winter season Coach Boteler officiates junior high, high school and junior college athletic events.

A spry product filled with desire for success, Coach Boteler has turned out some of the top basketball and track teams in the state in the past five years.

His full and exciting life is at home in Raymond, where he owns his home.

JACKSON GIRL TO HEAD WOMEN'S ASSOCIATION

Louise Earnheart, Jackson, was elected president of the Women's Athletic Association for the 1957-58 session last night at a special meeting of the WWA Council.

Other officers elected were Iris McKay, vice-president; Regina Godley, secretary; and Ann Boyd, treasurer.

Two sophomore representatives and four freshman members will be elected to the council at the beginning of the school year in September.

Mrs. Ann Gookin, girls' physical education instructor, is sponsor of WAA.

Sports Scribe's Scribblings

By IRL DEAN RHODES

"To meet, to know, to love — and then to part,
Is the sad tale of many a human heart."—Coleridge.

This is our sad tale as we write the final issue of the 1956-57 *Hindsonian*. The last two years have been full of fun and work and we really hate to leave the Hinds Junior College atmosphere.

IRL DEAN

The scribe beats a rhythm on the keys of his great friend the typewriter. This Royal model has been with us for two years. We have spent a great deal of our time for the past two school years as intimate friends of the great invention.

This machine has known our thoughts and has revealed them on the sheets of brilliant white which in turn were sent to the

Boteler Releases Troupe Captains

Coach Louis "Skin" Boteler, Hinds High coach, released the 1956-57 track and tennis team captains yesterday.

Winnie Lou Smith was named captain of the track team and Clara Murrah was elected captain of the tennis team. Jimmy Chapman and Miles Ray Goode were named co-captains of the track team while Charles Weissinger was chosen the leader of the tennis team.

printer to appear on the printed page for your approval.

We have pounded out many words for this publication in the past two years. In fact, we scribbled off 1576 column inches as a freshman, and this year we have written 1741 column inches for a total of 3317 column inches for the past two years.

That's 34 words to a column inch for a grand total of 112,778 words plus a few cutlines, several headlines, and a number of layout pages.

We have sincerely tried to bring the readers of the *Hindsonian* the best newspaper coverage possible. We have tried to keep these three words before us at all times in an effort to give you the best coverage — accurate, unbiased and colorful.

The time has come when we shall move over and make room for people with bigger, better, and newer ideas. It has been a real pleasure.

Our friendships have been many and we hope to continue meeting and seeing many of you, although we will likely go to different corners of the earth.

Words can not express our gratitude to our many friends. We just say thanks to all. It has been loads of fun. Farewell!

WESTSIDE SQUAD DROPS MAIN IN FINAL CONTEST

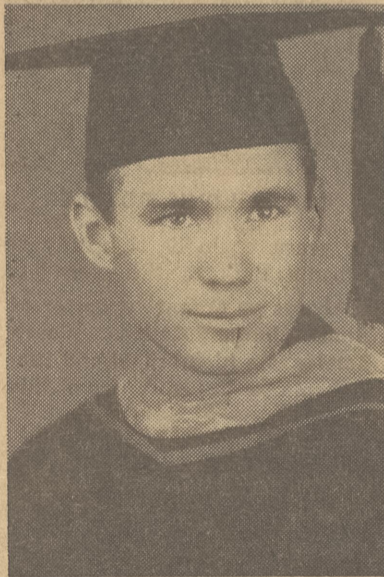

Westside dropped Main in the second softball game sponsored by the Women's Athletic Association by the score of 11-8.

Former Hinds Student Directs LSU Alumni

By IRL DEAN RHODES

Edsel E. "Thad" Thrash is a striking reminder and example of how a junior college graduate reaches the top.

Thrash has recently been named the new Director of Alumni Affairs at Louisiana State University in Baton Rouge. He takes over the new post with a salary of \$9,000 a year.

THAD THRASH

A former outstanding Hinds Junior College athlete, Thrash won the NCAA boxing championship for two years. The 32-year-old former boxer also served as the LSU boxing coach for a year.

Thrash, a native of Lake, is the son-in-law of President G. M. McLendon, and the brother of Miss Maudine Thrash of the Hinds music department.

While a student at Hinds the

versatile artist was named Mr. Hinds Junior College. He was also president of the Young Men's Christian Association and the Music Club.

He was selected to "Who's Who Among Students" and proved to be an amazing football player, boxer, and track star while here.

The United States Navy veteran was named to the LSU Athletic Hall of Fame in 1950. He won the two boxing championships in 1949 and 1950.

The former Hinds student was named to the new post by a unanimous recommendation of the Alumni and the Board of Supervisors. He is currently completing his requirements for a Ph. D. degree. Thrash acquired his bachelor's and master's degree in business administration from LSU.

Thrash and Jessie Claire McLendon were married on April 16, 1949 in the Raymond Presbyterian Church. They have one daughter.

This is the fascinating, exciting and true story of a shy youngster from Lake, Miss., who was packed with the dynamic word, "desire."

Frosh Class Picks Cheerleaders

Three cheerleaders for the coming football season were elected by the freshman class at the activity period this morning.

Margarita Morris, Ann Boyd, and Peggy Fugate were elected to serve as next year's sophomore class cheerleaders.
